NAME OF THE EVENT	WEBINAR ON DEEP LEARNING & ITS APPLICATIONS IN ASTRONOMY.
TYPE OF EVENT	National
FACULTY INCHARGE	Dr. Meera Joshi
DEPARTMENT	Mathematics
DATE	23 <sup>rd</sup> May 2020
VENUE	
TARGET AUDIENCE	Faculty and students of Science & technology

**OBJECTIVE:** 

- To enlighten the participants about Deep Learning and its various applications in Astronomy.
- To provide an opportunity to the participants to interact with an Alumnus.

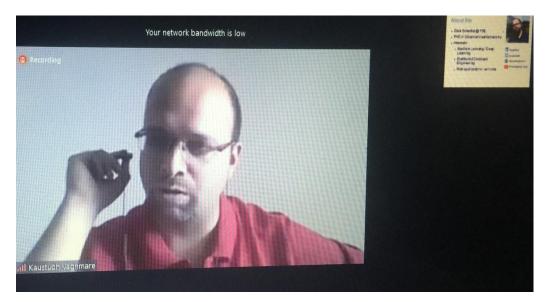

# **BRIEF ABOUT THE EVENT:**

It was planned to conduct a webinar on Deep Learning and its applications in Astronomy. One of our alumnus Dr.Kaustubh Vaghmare is at Persistent Systems Limited as a senior Data Scientist. He agreed to share his knowledge with us. In the webinar the concepts of Machine learning and Deep learning were explained . The challenges in Deep Learning were discussed. Some of its applications in study of near earth phenomenon were shared. Later there was a question answer session during which the participants interacted with the resource person Dr.Kaustubh Vaghmare .Some of the queries were very interesting and thought provoking. The lecture was very informative and updated.

# OUTCOME:

- The participants will learn what is Machine Learning and Deep learning along with challenges involved.
- The participants will understand the role of Deep learning in Astronomy.
- The participants of our college will be able to get inspired by alumnus.

# DETAILED REPORT : WEBINAR : ON DEEP LEARNING AND ITS APPLICATIONS IN ASTRONOMY

Presently the education system is fighting with the Covid-19 pandemic. The whole education system came to a standstill due to lockdown. It is a very typical situation. Then the teaching fraternity realized that the teaching & learning process cannot be stopped due to anything. Slowly the academic activity started online. Then the department of Mathematics decided that the students must be kept busy in the academic activity by conducting webinars. It was decided to conduct a webinar on Machine Learning and its applications.

During the process of identifying the resource persons we thought of taking the support of our own alumni who have contributed to this field by their research works. Dr. Kaustubh Vaghmare who is a Data Scientist at Persistent Systems Ltd was Contacted and he agreed to be a resource person.

# **Objective:**

- To enlighten the participants about Deep Learning and its various applications in Astronomy.
- To provide an opportunity to the participants to interact with an Alumnus.

**TOPIC**: Deep Learning and its applications in Astronomy

TARGET AUDIENCE: All faculty and students of Science & Technology

**RESOURCE PERSON**: Dr. Kaustubh Vaghmare, Senior Data Scientist, Persistent Systems Ltd.

# FACULTY CO-ORDINATOR : Dr. Meera Joshi

# **BRIEF OF WEBINAR:**

In the webinar the concepts of Machine learning and Deep learning were explained . The challenges in Deep Learning were discussed. Some of its applications in study of near earth phenomenon were shared. Later there was a question answer session during which the participants interacted with the resource person Dr.Kaustubh Vaghmare .Some of the queries were very interesting and thought provoking. The lecture was very informative and updated. It described deep learning and its applications in a nut shell.
