❖ Report on Women Empowerment Cell 2021-2022

Introduction:

Women Empowerment Cell (WEC) has been constituted to empower and safeguard the rights of female members; faculty, staff and students of College. The WEC works to promote gender sensitivity in the college and conduct diverse programs to educate, sensitize both male and female members and produce harmonious atmosphere on the campus. It works for the welfare of the students and faculty, towards preparing them into competent professionals to take up greater challenges in the academic sphere.

Objectives:

- Creating awareness about the importance of women empowerment among girl students and women employees at Aurora's Degree & PG College.
- To help them identify the challenge or problems faced by them in different situations and to create a conducive environment for them to approach for help.
- To help them share issues and to find solutions for the same.
- To create awareness about the policy norms pertaining to women related issues.
- To promote a culture of respect and equality for female gender.
- To conduct seminars, workshops and to impart knowledge of opportunities and tools available and train the girl students accordingly.
- To inculcate entrepreneurial attitude among young girls.

The committee also addresses similar kind of issues on various occasions like:
