

3.2.2

Number of workshops/seminars/conferences including on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship conducted during the last five years

3.2.2.1. Total number of workshops/seminars/conferences including programs conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship year wise during last five years

HEI Input :

2022-23	2021-22	2020-21	2019-20	2018-19
7	23	8	26	19

A handwritten signature in green ink, appearing to be "S. S. S.", written over a horizontal line.

3.2.2 Number of workshops/seminars conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship during the year

Year	Name of the workshop/ seminar	Number of Participants	Date From – To
2022-23(Total:7)			
2023	Android Application Development	37	17 -04-2023 to 18-04-2023
2023	IT Hardware and Networking	35	30-3-2023 to 31-3-2023
2023	Workshop on "Mini Project ideas in Electronics"	30	16-12-2022 to 16-12-2022
2022	International Conference on Emerging trends in Commerce, Management, Languages, Science & Technology	60	25-11-2022 to 26-11-2022
2022	Guest Lecture on Evaluation of Project Methodology	150	14-11-2022 to 14-11-2022
2022	Workshop on Plant Tissue Culture	51	20-10-2022 to 21-10-2022
2022	ABHIMUKH-Aurora's Entrepreneurial Talk	300	22-10- 2022 to 22-10- 2022
2021-22(Total:23)			
2022	Seminar on NEP -2020	95	14-05-2022 to 14-05-2022
2022	Android Application development	50	8-04-22 to 9-04-2022
2022	Workshop on Number Theory and its Applications	58	06-04-2022 to 06-04-2022
2022	Workshop on Mushroom Technology, Cultivation, Marketing and Enterpre	28	12-11-2022 to 13-11-2022
2022	Workshop on Project Mentoring and Application of Tools in Data Analysis	49	26-03-2022 to 26-03-2022
2022	Sankalp – A Start-up Battlefield- A Business plan competition	7	14-02-2022 to 14-02-2022
2022	National E- Seminar on Role of Science and Technology for Future India -	51	28 -02- 22 to 28 -02- 22
2021	Workshop – Design and Development of Clap Switch using LED Light	59	16-12-2021 to 16-12-2021
2021	Hardware Workshop	40	23-12-2021 to 24-12-2021
2021	R Programming in Collaboration with SDS and UNP	28	28-10-2021 to 30-10-2021
2021	Emerging Trends on Teaching Language and Literature	93	12-10-2021 to 13-10-2021
2021	2- Day FDP on AI&ML Based Technologies in Biology	30	22-10-2021 to 23-10-2021
2021	Sanskruta Sourabham II	140	11-10-2021 to 12-10-2021

EVENT DETAILED REPORT

NAME OF THE EVENT / ACTIVITY	IT Hardware and Networking
TYPE OR TITLE OF EVENT / ACTIVITY	IT Hardware and Networking
FACULTY INCHARGE	Hari Krishna.T, Assistant Professor
DEPARTMENT/CELL/COMMITTEE/CLUB	Computer Science
DATE	30th & 31st March, 2023
VENUE	National Small Industries Corporation(NSIC) Technical Services Centre, ECIL, Hyderabad.
TARGET AUDIENCE	B.Sc.and B.Com. First Year Students
SPEAKERS	Bipin & Hussain Trainers

1. PROGRAM SCHEDULE: 9 AM – 4:30 PM
2. LIST OF FACULTY COORDINATORS : Hari Krishna.T, Assistant Professor
3. LIST OF THE STUDENT COORDINATORS: NIL
4. Objective:

The main objective of the Workshop is to create awareness among students to identify the parts inside the computer system. They disassemble and assemble the computer system. To know about Hardware and Software Troubleshooting. To know networking concepts .

5. About the Event:

A One day workshop was conducted for the registered students of B.Sc. and B.Com.First year students. The session was planned by keeping in view of making the students learn beyond the syllabus.

A Detailed Report
On
Workshop
On the occasion of "Transistor Invention Day"

NAME OF THE EVENT	Workshop On the occasion of "Transistor Invention Day"
TYPE OF EVENT	Department level
FACULTY INCHARGE	P Poornachander
DEPARTMENT	Electronics
DATE	16 th December, 2022
VENUE	Aurora's Degree and PG College, Chikkadpally
TARGET AUDIENCE	III B.Sc., M.E.Cs and M.P.Cs

PROGRAM SCHEDULE: 16th December, 2021 from 10:30 am to 12:30pm.

Session 1: Theory session on "Basic components "

Session 2 : Designing a Circuit

Assembling the components on Bread Board

Testing the Circuit

VENUE: Aurora's Degree and PG College, Chikkadpally

FACULTY COORDINATOR: P Poornachander , Department of Electronics.

PARAGRAPH ABOUT THE PROCEEDINGS

Introduction of the Event:

Department of Electronics organized a One day Workshop on "Mini Project Ideas in Electronics and Physics" for B.Sc., III-Year M.E.Cs and M.P.Cs Students.

The Workshop is designed such that students learn subject in detail apart from their regular curriculum. The workshop provides more practical knowledge to the students in designing electrical circuits.

In this workshop students designed "Water Level Indicator", is an electronic circuit that switches ON when water crosses limited point.

A handwritten signature in black ink, appearing to be 'P. Poornachander', written over a horizontal line.

Methodology:

Department of Electronics, Aurora's Degree and PG College conducts this event with great enthusiasm every year. This year workshop was conducted on "Mini Project Ideas in Electronics and Physics" for B.Sc., final Year M.E.Cs and M.P.Cs Students by Mr. Hamed Raza Director, Innovative technologies, Hyderabad.

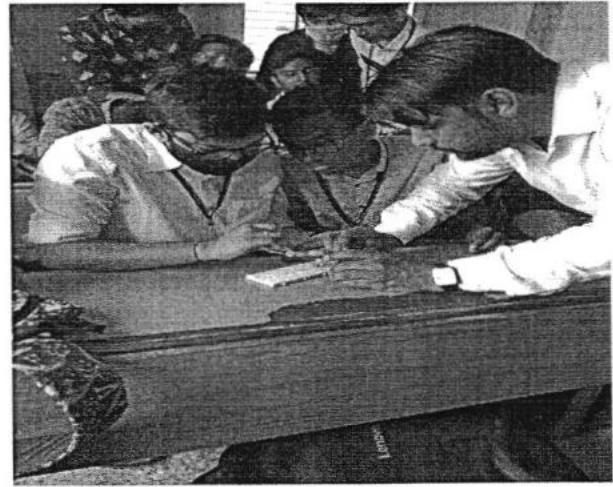

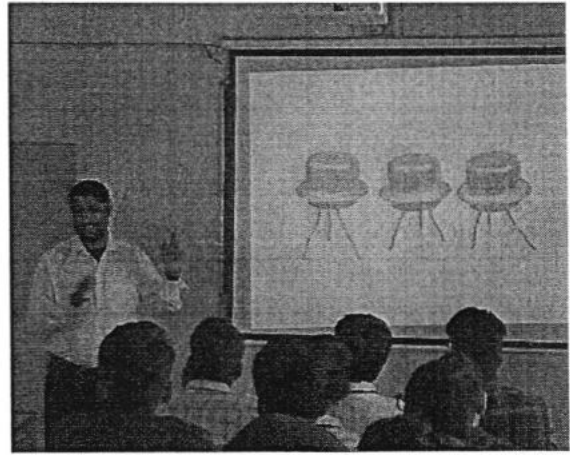

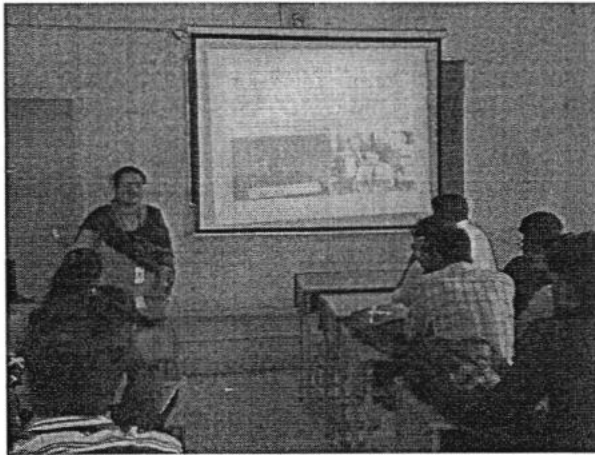

The program was conducted in Block-1 lab from 10:30 to 12:30pm. Mr. Hamed Raza explained about basic components in electronics and importance of transistor in session -I.

He also explained Designing of simple electronic circuits and designing of Water Level Indicator. In practical session he explained how to assemble components on Bread board and After completion of design , he tested the circuit.

Totally 30 Students from Final year M.E.Cs and M.P.Cs participated and feedback from the participants was also highly positive.

INCOME AND EXPENDITURE : Nil

EVENT PHOTGRAPHS:

GUEST PROFILE: MrHamedRazaDirector, Innovative technologies

FEED BACK : Students gave positive feedback and they felt happy for conducting this event.

Aurora's Degree & PG College

(Accredited by NAAC with "B++" Grade)

International Conference on Emerging trends in Commerce, Management, Languages, Science & Technology

25th & 26th November 2022

Organized by
IQAC

Aurora's Degree & PG College,
Chikkadpally, Hyderabad-500020,
URL: www.adc.edu.in

About the College

Aurora's Degree & PG College, located in the heart of the city of Hyderabad, has been rendering meritorious services in the field of education and culture for the past 33 years. The college strives for excellence in higher education for a vibrant and inclusive society through knowledge creation and dissemination. The institute is dedicated to the principle that its educational services should be both supportive and challenging, distinguished by creative and interactive experience for each student. As a provider of quality education, the college continuously endeavours to update its courses; and provide highly qualified teaching fraternity to inculcate right values among students and produce socially sensitive citizens.

About the Conference

As the technological landscape continues to evolve, discussing ways to support the creative research being conducted in various fields on a common platform is the prerequisite of the day. The conference serves as a unique confluence of research in science, commerce & languages, in one ensemble. The theme of this conference aims to draw research fellowships from diverse fields in unitedness, to share their research findings and latest ideas. We wish to provide an opportunity to exchange new ideas, advances and technologies, to all the registered participants. We invite faculty/research scholars/Industry students to join us and share the new innovative trends in the relevant fields. Selected conference papers can be published in our multi-disciplinary journal 'ANTHARMUKHA' with ISSN No. 2348-2591 / special or regular issue of UGC- CARE listed journals / Proceedings Book with ISBN.

Objective

To provide a platform for interaction and exchange of ideas between academicians, professionals and researchers across the globe

Note: Papers from other research areas related to the theme of the conference are also invited.

Call for Papers

Papers are invited on the given themes from faculty/research scholars/industry/students, to be presented at the conference. All papers are subjected to peer review process. Original and quality papers approved by the journal review committee will be published as per the presenter's choice in-

- UGC-CARE listed journal
- ANTHARMUKHA (ISSN 2348-2591)
- Conference Proceedings (ISBN book)

The publication cost of selected paper will be communicated after submission of full paper, depending on the option selected by the author.

Submission Guidelines

The abstract should not exceed 250 words.
Full length papers should not exceed 2500-3000 words.
English Font metrics: Times New Roman, 12pt
Telugu Font metrics: Anu 7 priyanka, 12pt
Hindi and Sanskrit Font metrics: Mangal, 12pt

Presentation Guidelines / Modalities:

Maximum number of authors for a paper is three.
Registration is mandatory for all authors.
At least one of the authors should attend and present the paper at the conference.
Authors from outside Hyderabad can opt for online presentation.
Certificates will be given to all participants.

Important Dates:

Last date for submission of abstract: 20th October 2022
Communication of acceptance of abstract: 25th October 2022
Last date for submission of full-length paper: 10th November 2022

Registration Fee:

Teachers / Research Scholars/Industry/Students - INR 1000 (for first author)
Co-author: INR 500 each
International Delegates: INR 1500
Co-author: INR 1000 each
Participants: INR 250

Google Pay Number:
1. 9948774696 (Gujjula Rahul)
2. 9948526268 (Mamata Madishetty)
3. 9000150686 (P Poornachander)

INTERNATIONAL CONFERENCE – 2022- REPORT

INTERNATIONAL CONFERENCE ON EMERGING TRENDS IN COMMERCE, MANAGEMENT, LANGUAGES, SCIENCE AND TECHNOLOGY

Introduction:

As the technological landscape continues to evolve, discussing ways to support creative research being conducted in various fields on a common platform is the need of the hour. The conference was a unique confluence of research in science, commerce & languages, ensemble. The theme of this conference was to draw researchers from diverse fields to share their research findings and latest ideas. The conference provided an equal opportunity to all the registered participants to exchange ideas, and share insights and innovations in their field.

Objectives:

- To provide a platform for interaction and exchange of ideas between academicians, professionals, and researchers across the globe.
- To discuss new approaches and developments in their field of study.

Organizers: Internal Quality Assurance Cell & R & D Cell

Target Audience: Faculty, Research Scholars, Academicians, Industry persons and Students.

Dates: 25th & 26th November 2022

Venue: Auditorium, Aurora's Degree & PG College

Back Ground work /Preliminaries: The theme of the conference was finalized by all the departments together. The theme was selected in a manner that it would benefit the researchers with the latest and advanced trends in the fields of Commerce, Management, Languages, and Science & Technology. A proposal was prepared by Dr.Leelamani, R&D Cell, and the suggestions from all the HoDs and the faculty members were incorporated into it. The advisory board was finalized in consultation with all the HoDs.

The Organising Committee Comprised of Dr. MeeraJoshi, IQAC; Dr.B Leelamani, R&D Cell; D. P. Bharathi,, Professor, Dept.of English; Ms.Veena Kaopoor, HoD, Commerce & Mgmt and Mr, G. Rahul. HoD, Dept of Bio-Technology.

The speakers from India and abroad were contacted by all the departments and a confirmation was received from them. Dr. S.M. Subhani, Director, Indian Statistical Institute, Hyderabad & Prof.T.Vijay Kumar, Department of English, Birla Institute of Hyderabad, accepted to be the Chief Guest & Guest of Honour, respectively, for the inaugural ceremony of the conference. The inaugural was to be followed by the plenary sessions of various streams.

The first draft of the brochure was prepared with the help of all the heads of the departments and the organizing committee. Mr.Rahul co-ordinated the work with Mr. Shaik Majeed , Office Assistant, for designing it. The Department of English completed the editing and

proofreading. Later it was circulated through mails and whatsapp groups for obtaining abstracts of the papers. A meeting was held by the organizing committee with the Principal Dr. Viswanadham Bulusu, Convenors, Mr. Hari Prasada Rao J and Mr. SaiKrishna G and the heads of the department, to finalize the modalities related to the conference.

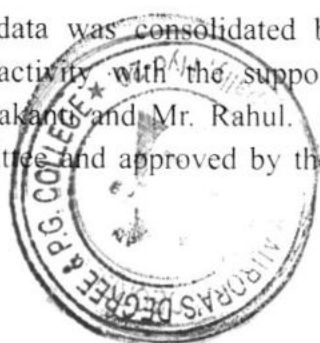

It was decided that the presenters will be given options for publishing either in 1) UGC CARE listed Journal 2) Proceedings Book or 3) Antharmukha (ISSN 2348-2501), the college journal. The information was scrolled on Aurora's Degree & PG College website. A link was given in the brochure and registrations were collected through google form. The last date for submission of abstracts was 20th October 2022. The last date was extended by a week on the request from participants. An acceptance mail along with the instructions to authors was sent to each participant from the official mail conference@adc.edu.in. Approximately 130 abstracts were received and 126 abstracts were accepted. The keynote speakers were identified by all the streams. The profiles and abstracts of the talks of the speakers along with their photos were collected for the e-Souvenir and to introduce them during the invited talks.

The next phase of the work related to preparing the schedule of the conference and consolidation of data for the e-Souvenir started. In context of the e-Souvenir and to invite as chief guest TSCHE Vice-Chairman - Prof. Venkata Ramana was contacted. Messages were collected from the TSCHE Vice-Chairman, Dr. N. Ramesh Babu - Secretary Aurora Consortium and Dr. Viswanadham Bulusu, Principal, Aurora's Degree & PG College were collected from them and incorporated in the e-Souvenir.

Various committees i.e., Budget Committee, Guest Relation Committee, Food & Refreshments Committee, Stage Management & Stage Decoration committee were formed for the systematic completion of work. The Budget committee collected the data from response sheet of Google form. The total amount collected was more than one and half lakh. The common expenditure for conference kits, certificates, brochure, poster, banners, badges and food was taken up together and equally divided among all streams depending upon the number of participants. The guest transport, honorarium were shared to the respective stream coordinators.

The schedule was prepared by HoDs and the organizing committee for inaugural and plenary sessions. The stream-wise reports of the plenary sessions of the conference are prepared and are incorporated in the conference report. These schedules helped in executing the sessions in a perfect manner without any issues. The online sessions were scheduled in Microsoft Teams and links were generated for each session and the same were shared with all the participants, so that they can listen to lectures and presentations. These schedules were mailed to the guests, Key note and invited speakers, Paper presenters and participants along with an invitation for the conference.

The E-Souvenir data was consolidated by the respective streams and Dr. Meera Joshi coordinated this activity with the support of Dr. P.Bharathi, Dr. Chamundeshwari, Dr. Shivhar, Dr. Suryakant and Mr. Rahul. A skeleton for the E-Souvenir was prepared by organizing committee and approved by the principal. The information about each resource

person along with their photo, affiliation, title and abstract of the talk were consolidated in a proper manner. The abstracts of all the paper presenters were consolidated. The information about each author of each paper along with proper initials and affiliations was collected. The designing of the Cover page and the back page was done with a lot of care. The proof reading was completed before circulating the final copy. It was planned to release the e-Souvenir during the inaugural session.

Day 1:

On the first day of the inaugural session of the conference, the organizing Committee member Dr. P. Bharathi welcomed all the guests and participants. Chief guest Dr. S M Subhani Head – Indian Statistical Institute, Guest of Honor Prof . Vijay Kumar BITS Pilani Hyderabad along with Principal Sir Dr.Viswanadham Bulusu has started the session by lighting the lamp. One of the dignitaries who graced the occasion, Prof. S.M. Subhani, Head, Indian statistical Institute addressed the participants and delivered a talk on Six-Sigma technologies. He enlightened the audience about how Six-Sigma can play a vital role in improving the education system. He also mentioned that the college is known for conducting many academic activities for the benefit of students and faculty. Prof. T. Vijay Kumar, BITS, Hyderabad who was the Guest of Honour educated the audience about the importance of non-technological education in building the society and nation. The e-Souvenir was released followed by vote of thanks by Dr. P.Bharathi. The inaugural session ended as per the planned schedule. After the inaugural session the participants were instructed to go to the rooms according to the plan of plenary sessions for various streams.

Day 2:

The second day of the conference also started with a lot of research fervor. On the second day, sessions were conducted in the online mode. The schedules and the links for the online presentations were shared to online resource persons, presenters and participants through mail and whatsapp. Two faculty members from each stream coordinated the presentations.

Acknowledgements:

The organizing committee of the conference express their sincere thanks to the management, Principal, Vice-principals, Heads of Departments and Faculty for their guidance, encouragement and support in making the conference a great success. We thank the non-teaching and administrative staff for the support they extended in smooth functioning and execution off the conference successfully.

STREAM-WISE REPORTS of PLENARY SESSIONS:

ENGLISH:

Committee	Work	Assigned to
Campaigning	Campaigning	All faculty
Guest Relations	Escorting, Guest calls, Transport, mementos, refreshments, Certificates,	Ms Moumita Santra, Ms.T.Prasanna
Refreshments	Guest and participants refreshments-water bottles, tea, biscuits, lunch	Mr.D. MalleswaraRao
Stage Management	Agenda, Anchoring, prayer song	P.Sona, A.Sharon Priyanka
Reception	Attendance, Kit, Spot reg.	Ms. B. Vyshnavi ,P. Vineetha
Materials	LCD, Kit, mementos, certificates	Mr.D. MalleswaraRao
Publication	Souvenir, e-souvenir, Souvenir address, journals, proceedings, Brochure, invitation	Dr. P. Bharathi. Ms. P.Padmavathi
Registration	email check, g-pay details, distribution stream wise	Dr. P. Bharathi. Ms. P.Padmavathi
Organizing Committee	Finalizing guests, Brochure, invitation, certificates, banners	Dr. P. Bharathi. Ms. P.Padmavathi

There was an overwhelming response to participate and present papers by academicians and research scholars of the English language and literature. On the first day, resource persons, Prof T Vijay Kumar, Visiting Faculty BITS, Hyderabad, had shared his findings and views on how English became the medium of instruction in India and Dr Parimala Kulkarni, Associate Professor, Nizam College, shared her opinions on how the definition of literature has never been constant. The talks of resource persons were followed by the paper presentations of the participants. The presentations ranged from action research in ELT to Critical and comparative analysis of literary texts. Each presenter was given 10 minutes time. 21 papers were presented offline on Day -1. Faculty from various Engineering and Degree colleges, research scholars from universities across different states presented their research work. The session concluded with vote of thanks and a group photograph.

On the next day, for the online presentations Dr Rajakumar Guduru, Faculty, IIT Bhubaneswar, was the resource person, who addressed the audience about the new challenges and trends in language teaching and learning. It was followed by online presentations on Microsoft Teams as the platform. 13 papers were presented online. There were 60 participants and 34 paper presenters in the English language and literature. The session concluded with the vote of thanks given by Ms. S. Padmavathi, HoD, English.

English Papers Presented in the Conference on 25th & 26th November		
25th November Day 1 Panel : Prof. Vijay Kumar & Dr Parimala Kulkarni		
S.no	Name of the Author	Title of abstract
1	Dr. G. Meena	Communicating in a Virtual Environment
2	Dr. Jacqueline Amaral	Implications of Teaching Politeness Strategies
3	Dr.Ch.Jyostna Kumari	New Trends in ELT Pedagogy: CALL to MALL to TTC
4	Dr Jaya Varma	New Trends in Literature and Media: Being Vocal, Sensitive, and Inclusive
5	Peter Beligraham Pagolu	Reflective Journal Writing as a Tool to Enhance English Writing Process in Engineering students of English
6	Surender Allam	Representation of Precarious lives of Displacement in the World of Globalization in "The Year of the Runaways"
7	Dr Poonam Minocha	'Sweeping' Change: The Politics of Housework in Select Women's Poetry
8	V Meenakshy Poornima	A psychoanalytical study of Margaret Atwood's works
9	Michael Preetham	Importance of Preparing Apt Instruments to Gather Data for Effective English Language Research- A Beginners Study Tool
10	Dr Thota Hymavathi	New Trends in Communication: Orthographic Degeneration
11	Dr. Sumedha Dyavanapalli / Dr. R Veera Sudarsana Reddy	Another Face of Sky: B. Narsing Rao's Multi Faceted Poetry
12	Suresh Kunta	Nation, History and Identity: A Study of Selected Indian Novels in English with reference to Post colonialism
13	Sheela Rani Simon	Trends in ELT -Retrospect and Prospect
14	KMF Arora	Problems Of Implementing Period Plans In English Class room in School Internship Program
15	Shabana Ameer Aliya	Recent trends and challenges in ELT
16	Sandhya Rani Kasu/ Dr B J Sujani	Artificial Intelligence (AI) in Teaching English: An Overview
17	Ms. T. Kranthi/ Ms. Forhana Begum/ Ms.K.Jhansi Rani	Developing the Interpersonal Communication Skills of First-year Engineering Learners
18	Ms. Forhana Begum/ Ms.K.Jhansi Rani/ Ms. T. Kranthi'	The modern technology in ELT: case studies
19	Ms.K.Jhansi Rani/ Ms. Forhana Begum/ Ms. T. Kranthi	Rethinking the objectives of teaching speaking skills in English to the Engineering first year students: TBLT
20	G. L. Sushama/ Prathibha Kurpad T P	ELT Challenges in India
21	Dr. Annie Sunil/ Madhu Veechika	Identifying the style of Flm adaptation of literay texts

[Handwritten signature]

26th November Day 2 Panel : Dr RajKumar Guduru, IITB

22	Dr.G Revathi	A Study of Effectiveness of CAI Material In Enhancing Reading Comprehension Skills in the Digital Era for students of ESL at Undergraduate Level
23	Dr. T. Sunand Emmanuel	The Role of Attentiveness in Interpersonal Communication
24	Gummidelli Mahender	Teaching English through Ice-Breaking Activities
25	Pavan Kumar Nowbattula/ Aruna Kumari K/ K.V. Rama Rao	Opportunities for English Language Teaching and Learning using Modern E-Tools
26	Y Venkata Siva Kumar/ B. HariKrishna	Emerging Areas of Research in Language and Literature: Contagion and Literature
27	Alamuri Sri Nidhi	Contemporary Trends in English Language Teaching
28	Ramya Devi Bommanaboina/ Dr. Rajakumar Guduru	The Impact of Self-assessment of Engineering Students' Awareness of Pre-Writing Strategies on Writing Performance
29	Mr. Shaik Iliyas Ali/ T. Silpa/ Dr. R Veera Sudarsana Reddy	Bicultural Identity in Bharathi Mukherjee's short story collection "The Darkness"
30	Madhumitha P/ Dr.A.Padma Priya	False Consciousness of women and the New Woman in Buchi Emecheta's The Joys of Motherhood and Chimamanda Ngozi Adichie's Purple Hibiscus
31	Sankar Musunoori / Dr.Ratna Shiela Mani Koppula	The Three Emerging Paradigms of Ecocriticism – A Synoptic Exposition
32	Soniya S. Pillai	Omniscient Humanities: Beyond the Firm Hand of Literae Humaniores
33	Tamilpoo Dharmalingam	Psychopath ailment towards Amy Dunne, Gillian Flynn's Gone Girl
34	Dr. Maithry Shinde	From 'The Elegant' to 'The Bold'- Images of the Woman in Media Culture

DEPARTMENT OF SECOND LANGUAGES- REPORT

The Department of Languages has given the theme 'Arts & Culture in Literature'. The first session was marked open by Dr. K. Padmaja, Head, Department of Languages at 11am. The morning session was chaired by Dr. Vidyanand Arya, Head, Department of Sanskrit, Osmania University. After his key-note speech, he started the proceedings. In the morning session of the Conference, eight papers were presented. The morning session concluded after the distribution of Certificates and Photo session. After lunch-break, afternoon session commenced at 2pm. It was chaired by Dr. K. Varalakshmi, Deputy Director, Sanskrit Academy, Osmania University. The Chair Person started the proceedings and twelve papers were presented. The paper presentations were followed by the distribution of certificates to all paper presenters. Then the vote of thanks was proposed by D.V. Durga Bhavani, faculty, Department of Languages. The conference ended with a memorable photo session.

Presentations Schedule

Session – 1 Lab – 3 Timings : 11.00 AM to 1.00 PM Languages	
Chair Person – Dr. Vidyanand Arya, Head, Dept of Sanskrit, OU	
S.NO	Author/ Title of the Paper
1	Dr.K.Varalakshmi -- लेखसाहित्यम् - नव्यसरणिः
2	Dr. L.V. Subrahmanyeswara Sarma -- कुमारसम्भवे सदाचारानुशीलनम्
3	Dr.Santosh kumar Joshi -- विविधग्रन्थेषु उल्लिखितानां चतुः षष्टिकलानां विवेचनम्
4	Dr.N.Shashidhar -- संस्कृतसाहित्ये कलाः
5	I.Vani Gayatri -- The role of sanskrit literature in present society
6	Dr. Sistla Sailaja -- Sanskrit Literature - Mirror of Indian Culture and Art
7	Dr. R.Varalakshmi -- बौद्धसाहित्ये कालानां प्राधान्यम्
8	Dr. B. Karuna Reddy -- Gou Mahatyam in the Scriptures
Session – 2 Lab – 3 Timings : 2.00 to 5.00 PM Languages	
Chair Person – Dr. K.Varalakshmi, Deputy Director, Sanskrit Academy	
S.NO	Author/ Title of the Paper
1	Aparna Rajhans -- संस्कृतसाहित्ये कला एवं संस्कृतिः
2	Mrs. Manjiri Prashant -- Use of Navarasas in Bhasanatakchakram
3	Mrs .Sreedevi Kasavajjhala -- Role of Music in the Propagation of Indian Culture
4	DR. V.T.V. Krishnaveni -- సంస్కృత సాహిత్యంలో - మానవ విలువలు
5	Dr.k.Shyam sunder -- Hkk'kk lekt] laLd`fr ,oa lkहिR; dk var% laca/k (Hindi)
6	Dr.C.Rakesh Bavani -- తెలుగు సాహిత్యం- లలితకళలు- సంస్కృతి (Telugu)
7	Dr. Rajendra Kumar -- हिन्दी,तेलुगू,असामिया भाषाओं में प्राप्त समान अर्थवाले शब्दावलियों की कला (Hindi)
8	Dr.U.Vishnupriya -- లలిత కళారాధనలో చలన చిత్రగేయ సాహిత్యం (Telugu)
9	Dr.B.Tirumala -- नलिनी पुरीहित के काव्य में कलात्मक शब्दों का उपयोग (Hindi)
10	Daya Shankar Prasad -- lkहिR; में कला और laLd`fr (Hindi)
11	Dr. Paluri Bharathi -- తెలంగాణ ఉద్యమంలో జానపద కళల పాత్ర (Telugu)
12	Yuvaraj Dhavan -- हिन्दी साहित्य में कला और संस्कृति (Hindi)

DEPARTMENT OF COMMERCE - REPORT

Introduction:

All the abstracts received before the deadline were checked for plagiarism and were also thoroughly reviewed. The schedule of both online and offline presentations was mailed and messaged to all the presenters.

Day 1:

Commerce and Management presentations were conducted in the conference hall. The Department has received 32 papers out of which 22 papers were presented offline and 10 papers were presented online. Prof. Acharyulu, Department of Commerce, HCU was the Chair and Key note speaker. He started the session by briefing about the latest developments in the field of Commerce and Management and probable areas of research. Then paper presentations started at 11:15 AM and each presenter was given 7 minutes for presentation and 3 minutes for Questions from the chair as well the other presenters. There was a lunch break from 2:00 to 2:30 and the presentations continued till 3:00 PM. The session was completed with the formal vote of thanks by the head of the department Mrs. Veena Kapoor.

Day 2:

The second day of the International Conference, presentations started at 9:30 AM in the morning after the address by the Chair. Participants were given 10 minutes of time where 7 minutes was given for presentation and 3 minutes for questions by the chair. 10 Participants have presented the papers online. Session got completed by 12:00 Noon.

DAY 1 OFFLINE SESSION 25/11/2022

S.No	NAME OF THE FIRST AUTHOR	NAME OF THE SECOND AUTHOR	NAME OF THE THIRD AUTHOR	TITLE OF THE PAPER
1	Lakshmi Waghmare			"A Study on Analysis of Digital Financial Literacy among College Students."
2	Asima Begum			Forensic Accounting - A Fraud Investigation Approach
3	Anjum Fathima			A Study on Digital Currency
4	T. Naga Bharani			A Study on Contemporary Green HR Practices in India
5	J Ooha	Anjali Janapalli		Micro credit and Economic Development
6	V Sangsetha	Asra Sultana	K.Sowmya	Customer Satisfaction On Mobile Wallets

7	Dr. Venu Kesireddy	Y. Sravan Kumar		A Study on Mergers and Acquisition of Banks in India and its impact of Operational Efficiency - With Special reference to Punjab National Bank, Oriental Bank of Commerce, and United Bank of India.
8	C.Vimala Devi	P.Bhagyasree		BlockChain for legitimate transactions in E-commerce
9	Devi Mallika Priya	G.Kalyani		Green Banking
10	Bodla Lavanya			Cryptocurrency and Prospects in Indian Scenario
11	Sreeram Nithin	Shruti Iyyengar	Rampalli Eshwara Ashok	Trend analysis of the new age digital assets-NFTs
12	Senior Prof. V.Usha Kiran,Dean, Faculty of Comm.OU	G.Sabitha		A Comparative Analysis of Pre and Post Merger Financial Performance and Technical Efficiency of Bank of Baroda
13	Puppala Harshanya	P.Anitha	Prof.S.Pard hasaradhi	IBC - its Substratum & Legal Process: A Panacea - How & Why?
14	Anitha parupudi	C Latha	Prof.S.Pard hasaradhi	Corporate Sickness, Insolvency & Bankruptcy Reforms – Rationale of State Intervention: A Review
15	C Latha	Puppala Harshanya	Prof.S.Pard hasaradhi	IBC - Critical analysis of Quality of Reforms: A Review
16	Dr. S. Paradhasardhi	Dr.Annie Sunil		IBC: Ease of Doing Business - A Review
17	Vannoj Sudhakar	Sirisha Chittala		A Qualitative Analysis of Agricultural products marketing in India : A Case study of Telangana Sona/RNR - 15048 Marketing and Information Promotion Strategies
18	Dr.Madhuri Thakur			A Study on Consumer perceptions on Fintech Services
19	Dr Saraswathi Moo	Ms Janhavi Rao		A Study On Service Quality of E-Banking with Reference to Public And Private Sector Banks in Mumbai City

DEPARTMENT OF PHYSICAL SCIENCES- REPORT

Dr. Priya Hasan, Assistant Professor, Maulana Azad National Urdu University, Hyderabad and Prof. Suresh. B. from Sanjay Ghodawath University, Kolhapur, and Maharashtra accepted to deliver plenary talks for offline sessions on 25th November 2022. They chaired the sessions also during paper presentations after their lectures. The registrations were taken at the entrance and kits were distributed to the participants.

The forenoon session started at 11am. Dr.Meera Joshi, Professor, Department of Mathematics, Ms. Rajani, Head, Department of Computer Science and Ms. Aruna, Head, Department of Physics & Electronics welcomed the participants for plenary sessions by Prof. Suresh, who spoke on the 'Role of Soft Computing in IT Industry'. He explained a set of algorithms, and fuzzy logical evolutionary algorithms. His talk was followed by Dr. Priya Hasan's address on 'Star formation and Life on Earth'. Both the resource persons enlightened the audience about role of nature in studying Science and how it has contributed for the innovations in Science and Technology. The participants also asked various queries out of interest and were very happy to interact with the resource persons. The resource persons gave very valuable suggestions to the presenters which were very useful for them. They also gave special inputs to the students related to their articles and how presentations can be made more effective.

The participants were instructed to move to Lab1/A and Lab2. Papers related to Computer Science & Statistics were presented in Lab2 and Papers related to Physics, Electronics and Mathematics were presented in Lab 1/A.

Physical Sciences - Presentation Schedule		
Day 1		
Paper Presentation - Parallel Session - 1 (Offline)		
DATE	25-11-2022	LAB 2
TIME	12:15PM to 1:15PM	Chair Person: Dr. B. Suresh Kumar
S. No.	Name of the Author(s)	Title of the paper
1	Ms. Jayasree.S, Sowmyasree. G	Prediction of Power Consumption Using Supervised Machine Learning Algorithm
2	Dr. Ajay Kumar M.C, Vinay Kumar.P, Srujana. B	Temporal assessment of air pollutants using Principle Component Analysis over Hyderabad
3	Dr. Aparna.M , Ms. Lakshmi.R	Big Data in Education
4	Prof. Jyothi Rani S.A. & Ms.Lakshmi Prasanna. P	Prediction of Inflation in India Based on Macroeconomic Variables using Deep Learning methods
5	Mr. Nizamuddin. N, Ravichandra.B	A Study of Internet Security: Information Technology
6	Mr. Karthik.G & Abhinava	A Study on Neural Network: Tensor Flow

(Handwritten signature)

PAPER PRESENTATION - PARALLEL SESSION - 2(OFFLINE)		
DATE	25-11-2022	LAB 1/A
TIME	12:15PM to 1:15PM	Chairperson: Dr. Priya Hasan
S. No.	Name of the Author(s)	Title of the paper
1	Ibtisam Mahiboob Shaikh, Prof. S.N. Hasan	Exploration of Triangular Lagrange Points and their stability with application to exoplanets
2	Dr. Vasudha. N, Venkatesh. P	Classification of Air Pollution Stations of Telangana Using HACA
3	Mr. Rakesh Chandra.N, Sanjeev Kumar.K, Yellaiah.G	Low Latitude Meteor Trail Echoes
4	Ms. Paleena Thulimilli, Ms. Pujitha.K, Ms. Anitha	Transcranial magnetic stimulation theory-An Application of Electromagnetism in medical field
5	Ms. Parimala Diana sudheer, Raju Nellutla, Haragopal Venkata Vajjha	DEA study on Government Hospital performance in Telangana State for the year 2018
6	Ms. Aruna.C & Ms. Udaysree.B	Aurdino based Water quality detector
LUNCH BREAK 1:15PM to 2PM		
PAPER PRESENTATION - PARALLEL SESSION - 3		
DATE	25-11-2022	LAB 2
TIME	2:00PM to 3:30PM	Chair Person: Dr. Suresh Kumar.B
S. No.	Name of the Author(s)	Title of the paper
1	Ms. R. Lakshmi & M. Aparna	Machine Learning Applications by Healthcare Industry
2	Mr. P. Vinay Kumar, Dr. Ajay Kumar. M.C, Mr. Venkareshwara Rao.P	Quantitative assessment of air pollution over Hyderabad using Principal Component Analysis: before, during and after the COVID-19 lockdown
3	Ms. Rajani.B	Recent advancements of K-Means Clustering Algorithm and its applications.
4	Ms. Suvarna Lakshmi.C	An Approach to Applications of Naïve Bayes Classification Algorithm in Data Mining
5	Mr. Arjun rao rajanala, Mr. Shivandi Venkatesh	Advanced Network Forensics Evidence Analysis to Resolve Cyber Crimes
6	Mrs. Azmath Mubeen, Prof. Uma.N. Dulhare	Detection of Skin Lesion Classes using Deep Learning
7	Kodiganti Suresh & Bhanu Prasanna Chenoju	A Study on suicide rate of students using Data Mining Technies

20	Dr Sunaina Das			FINTECH -A Study on Consumer Perceptions Towards Digital Privacy In Online Payments
21	Dr. P. Venkatayaha			The Influence of Artificial Intelligence on The Banking Industry: Challenges and Opportunities
22	J Anil Kumar			A Survey on Pros & Cons of Digital Banking in India
23	Pradeep John	S Naveen Chakravarthy	Neil Rajeev John	Artificial Intelligence Systems usage in prediction and prevention of oil tankers driver accidents
24	Dr.Kavitha	Karishma		An Overview of E-Commerce and Emerging Trends in Hyderabad
DAY 2 ONLINE SESSION 26/11/2022				
1	Riya Verma	Ria Agarwal	Tania Joyce Torpy	Strategic Nationalistic Advertising: Has it Influenced the Purchasing Behaviour of Indian Consumers?
2	Mrs Fareeda	Dr. Himabindu Jandhyala		An Assessment of Efficacy of Microfinance as Tool for Women Empowerment and Gender Equality in Yadadri –Bhuvanagiri District of Telangana
3	Chandra Kantha Awasthi			Impact of Deferred Tax on banks
4	Suyog Anandrao Kadam	Balaji Subhashrao turaikar		To Study Socio-Economic Impact On Micro Finance in Women's Maharashtra State
5	Miss. Bharti Pandurang Suvarnkar			An analysis of Crypto currency- Pros and Cons
6	Dr.P Meena Kumari			A Study on Customer's Perception on Services Provided at D-Mart
7	M Sowjanya	V Mamatha		Employee Engagement and Workplace Happiness – An Empirical Study on Indian Organisations
8	Rotte sai akash			A Study on Platforms for Digital Banking with Refernce to Upi/Bhim Banking among Rural Population
9	Dr. Uma Jayender, G.V.V. Lalitha Manojna	G V V Lalitha Manojna		A Study on the Implications of Emotional Intelligence on College Students

PAPER PRESENTATION - PARALLEL SESSION - 4		
DATE	25-11-2022	LAB 1/A
TIME	2:00PM to 4:00PM	Chair Person: Dr. Priya Hasan
1	Mr. Shashank.S , Dr. Kavitha.K	Waste management: Mask to a Sustainable Brick
2	Mr. Shaik Abdul Khadar, Mr.Sravan Kumar.R, Mr.Poornachander.P	Multiband CPW Patch antenna for C and X band Applications
3	Dr. Paleena Thulimilli, Ms. Rimsha Fathima, Ms. Minathi Pradhan	Applications of Embedded Fibre Optic Sensors
4	Ms. Naga Lakshmi .T, Ms. P.Bhagya sree	Smart Mobile – (The trendiest Embedded system)
5	Dr. D. Hema Latha, Ms. Azmath Mubeen, Dr.D. RamaKrishna Reddy	A Proficient Clustering Technique for Maintaining Confidentiality in Health Care Data using IOT Devices
6	Ms. Marella Niharika & Ms. Vandana.N	Forecasting Funding Deals of Indian Startups
7	Ms. Vempati Anusha & Annavajjala sarali	Analysis Of Deforestation In India Using Heatmap
8	M Vijay Bhaskar & Ms. Shaista fatima	An assessment of socio-economic impact of COVID-19 pandemic in India
9	Ms. Maggidi Prathibha & MD Kaaja Gareeb Hussain	An Analysis On Factors Related To Road Accidents Using Data Mining Techniques
10	Ms. Dhanturi shirisha & Ms. Pabba Pooja	A study on the impact of social media usage on student academic performance
DAY - 2 ONLINE PAPER PRESENTATIONS		

PAPER PRESENTATION - PARALLEL SESSION - 5

DATE	26-11-2022	ONLINE PRESENTATIONS
TIME	11:00PM to 12:30PM	Chairperson: Dr. Nandiraju Nagamaruthi Kumari
S. No.	Name of the Author(s)	Title of the paper
1	Dr. A. Saranya	Comparative Study on Internet Banking Services
2	Ms. Koyaladinne Priyanka Gandhi	Fundamental Theory of IoT and Applications
3	Ms.Keerthi.G, Ms.Pavani. A,Ms.Kavitha.K	Analysis and Comparative Study on Machine Learning Algorithms for Prediction of Blood Pressure
4	Mr. Papanna A.V	Stability Analysis of a Prey-Predator and Ammensal

5	Ms. SHAIK HASEENA & Dr. C. Jaya Subba Reddy	Left ($\alpha, 1$)- Derivations acting as Homomorphism or Anti-Homomorphism in Prime Rings
6	Dr.Jafarunnisa.S, Dr. P. Gayathri	Effect of Chemical Reaction, Thermal Radiation and Radiation absorption on Convective Heat and Mass Transfer flow of a Jeffrey Fluid in a Concentric Cylindrical Annulus with Non – Linear Density Temperature Relation in the Presence of Constant Heat Source
7	Dr. P. Gayathri, Dr.Jafarunnisa.S	Convective heat and mass transfer flow past a vertical wavy wall with variable viscosity thermal conductivity thermal radiation and Chemical reaction
8	Dr . V Selvakumar, Pakki Venkata Tilak,Pakki Venkata Teja,Shubham Singh	A comprehensive analysis of Machine learning Algorithms on Online Education systems in Primary and Middle School Students

The sessions of the day came to an end around 5:00Pm.

The link for the online sessions on Day 2, was created with the help of Mr.U. Srinivas, Department of Computer Science. The link was mailed to all the online as well as offline presenters.

The sessions for day 2 started with a Plenary Lecture from an International University on “An insight in Graph Theory and its applications” by Dr. N. Nagamaruthi Kumari, University of Applied Sciences, Muscut,Oman. . The lecture was very enlightening and many real life examples of Graph theory were discussed. After the lecture the online Presentations started and chair for the session was Dr. N. Naga Maruthi Kumari. There was an exchange of ideas and knowledge during the session and the resource person also gave a lot of valuable inputs to the presenters regarding their research work.

LINK OF ONLINE SESSION:

https://drive.google.com/file/d/1fNPT1vL07063ES9WxI8H-7rdCCqvVrhH/view?usp=share_link

The session ended with a vote of thanks delivered by Ms. Vinitha, Head Department of Statistics.

DEPARTMENT OF LIFE SCIENCES- REPORT

Biotechnology, Biochemistry, Microbiology, Genetics and Chemistry departments were involved in finalising the various topics for the conference. The department members have contacted various eminent personalities in Life Sciences for the plenary session and were able to acquire two plenary speakers. Prof. Kolluru V.A. Ramaiah, Department of Biochemistry, University of Hyderabad, and Dr. Tejomoortula Sivaram, Department of Biotechnology, Mahatma Gandhi University, accepted to deliver plenary talks for offline and offline sessions on 25th November 2022. They chaired the sessions also during paper presentations after their lectures. The registrations were taken at the entrance and kits were distributed to the participants.

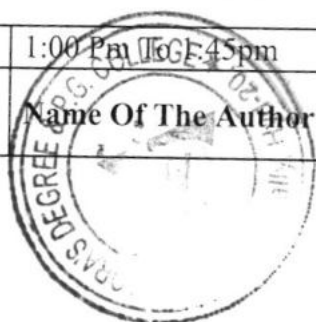

After the inaugural session at 10 am, forenoon session started at 11:15 am in Lab 3. M. Padma, Assistant Professor, Department of Microbiology, Genetics and chemistry, G. Sunitha, Head, Department of Biochemistry and G. Rahul, Head, Department of Biotechnology welcomed the participants for plenary sessions at 11am by Prof. Kolluru. V.A. Ramaiah emphasized the importance on the latest advancements and equipment of Life sciences and Molecular biology. His talk was followed by Dr. Tejomoortula Sivaram's address. Both the resource persons enlightened the students and faculty on how research in life sciences has contributed for the innovations in Molecular Biology, Medical Technology And Industrial Technology. The participants asked few queries as some of the topics were quiet new to them and speakers were very happy to interact. Later presentations were given by various participants. The resource persons gave very valuable suggestions to the presenters. They also gave special inputs to the students related to their articles and how the presentation can be made more effective. Both online and offline sessions of the day came to an end around 5:30 PM. The session ended with a vote of thanks delivered by G. Rahul, Head, Department of Biotechnology

The link for the online sessions was created with the help of Mr. U. Srinivas, Department of Computer Science. The link was mailed to all the online presenters.

EVENT / ACTIVITY DETAILED REPORT

NAME OF THE EVENT / ACTIVITY	Guest Lecture
TYPE OR TITLE OF EVENT / ACTIVITY	Project Evaluation- Methodology
FACULTY INCHARGE	Parimala Diana Sudhir. K
DEPARTMENT/CELL/COMMITTEE/CLUB	Statistics
DATE	14-11-2022
VENUE	Seminar Hall-Aurora's Degree and PG College
TARGET AUDIENCE	UG&PG Statistics students

1. **PROGRAM SCHEDULE:**

- Introduction by Parimala Sudhir
- Speakers Address Dr. Haragopal Venkata Vajjha, IRB Member, Axis Pharma, Hyderabad, Telangana, India
- Vote of thanks by HOD

2. **LIST OF FACULTY COORDINATORS (DEPARTMENT):**

K Parimala Diana Sudhir (Statistics)

3. LIST OF THE STUDENT COORDINATORS (NAME, ROLL NO, CLASS & SECTION)

- a) Name: Pooja
Roll No: 1051-20-578-
Class: MSCS3A
- b) Name: Ashrita
Roll No: 1051-20-539-005
Class: MSDS 3

4. LIST OF THE PARTICIPANTS :

S.No	Roll No	Name of the Student
1	1051-20-467-065	Mohammed Althaf Qureshi
2	1051-20-467-069	Sawant Sai Neetesh
3	1051-20-467-072	A Trinath
4	1051-20-467-073	Thummeti Aravind Reddy
5	1051-20-467-074	Mohammad Shadul
6	1051-20-467-075	Jalli Venkatesh
7	1051-20-467-076	Kotta Sai Sharath Chandra
8	1051-20-467-077	Birre Venkat Kiran
9	1051-20-467-079	Pentala Dheeraj
10	1051-20-467-081	Mondra Rakesh
11	1051-20-467-082	Chitturi Bhaskar
12	1051-20-467-083	Bijjam Kishore Reddy
13	1051-20-467-084	Panchaguda Praveen
14	1051-20-467-085	Rajula Dinesh
15	1051-20-467-087	Srirangam Kashyap Bharadwaj
16	1051-20-467-088	Dondapati Karthik Kumar

5. **PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT):**

Ms.K.Parimala Sudhir gave an introduction about the importance and role of projects in understanding the curriculum and introduced the speaker Dr. Haragopal Venkata Vajjha .Former Professor, Department of Statistics to the students.

Our speaker explained the various avenues for statistics students, and the importance of case study analysis and its evaluation strategies. More emphasis on data collection methods and usage of SPSS software, data types, visualization of data and clear explanation on outliers with a real life example.

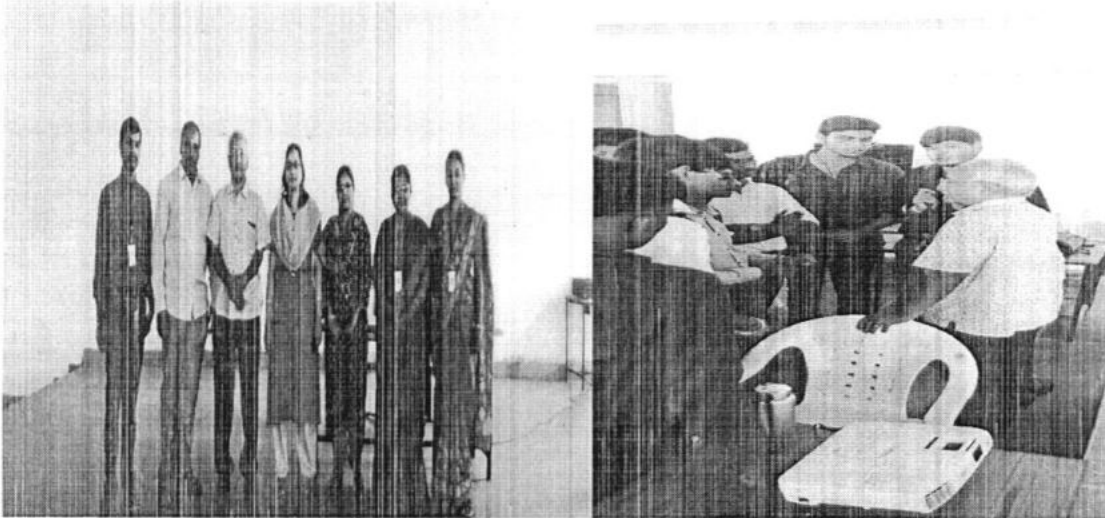

All the Statistics students of UG &PG attended the session. The session was interesting and useful for them. At the end HOD Ms. Vinita rendered vote of thanks.

8. GUEST PROFILE (IF ANY):

Dr.V.V.Haragopal, M.Sc., Ph.D. Professor & Chairman, BOS

E-mail: haragopal_vajjha@hotmail.com

Presently working in the areas of Operations Research, Statistical Pattern Recognition, Group Testing, Regression Analysis and Multivariate Data Analysis. Also involved in many data analysis projects. Delivered lectures for refresher course at OU Academic Staff College, NIRD, Andhra University, Sree Venkateshvara University and Central University of Kashmir and Rajasthan. Former President, APSMS. Editor of and International journal in Agricultural and Statistical Sciences. Consultant to SPSS and PASW (Predictive Analysis Software) South Asia. Executive Editor for APSMS journal. Delivered an Invited lecture at 99th Indian Science Congress held at Bhubaneswar, Orissa during January 2012. Guided successfully around 12 students for Ph.D. in Statistics /Mathematics /Computer Science and 8 students for M.Phil. in Statistics and published around 90 research articles in reputed National and International Journals. Coordinator, UGC - SAP - I & II (DRS) projects since 2011 to present.

PROPOSAL

for

Guest lecture

Event/Activity Name: Guest Lecture

Event/Activity Title: Project Evaluation- Methodology

Cell / Committee/Club Convener/facilitator:

Faculty coordinators: Parimala Diana Sudhir.K

Date: 14-11-2022

Time: 11am to 12.30pm

Venue: Aurora's Auditorium

Target audience: MSCS/MSDs 2nd,3rd years & PG Statistics/Appl. Stats - Sem 3

Platform: Offline

Level: College

Student Volunteer's: Ashrita (MSDS3), Altaf. Qureshi (MSCS3), A. Niharika (PG
Appl. Stats - Sem 3)

Objective: To educate students on project orientation with a case study approach.

Proposed activities: NIL

Guest/Speaker details (Attach the profile): Prof.V.V. Haragopal, Board Member, IQAC
Member, Aurobindo & Axis Pharma, Hyderabad

Budget: 2000/-

Convener

(K. Parimala Diana Sudhir)

IQAC Coordinator

Dr. Meerajoshi

EVENT / ACTIVITY DETAILED REPORT

NAME OF THE EVENT / ACTIVITY	Workshop on Jaunt on Plant Tissue Culture
TYPE OR TITLE OF EVENT / ACTIVITY	Workshop on Jaunt on Plant Tissue Culture
FACULTY INCHARGE	Dr. V. Nagavani
DEPARTMENT/CELL/COMMITTEE/CLUB	Nutrition Club
DATE	20/10/2022 - 21/10/2022
VENUE	Atlantis Phytotech Research Lab
TARGET AUDIENCE	BSc –BTBIC 2 nd &3 rd YR Students

1. PROGRAM SCHEDULE

- Brief introduction about plants and its growth factors
- Explanation about various techniques of plant tissue culture.
- Experimental demonstration by research scientists
- Practicing and handling the technique by the students

2. LIST OF FACULTY COORDINATORS (DEPARTMENT): Dr. V. Nagavani

3. LIST OF THE STUDENT COORDINATORS (NAME , ROLL NO, CLASS & SECTION) :

S.No	Roll No	Name	Class	Section
1	1051-20-488-041	Vujjini Nikhitha	BtBiC-3	3

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT):

Tissue culture (TC) is the cultivation of plant cells, tissues, or organs on specially formulated nutrient media. Under the right conditions, an entire plant can be regenerated from a single cell. Plant tissue culture is a technique that has been around for more than 30 years. Tissue culture is seen as an important technology for developing countries for the production of disease-free, high quality planting material and the rapid production of many uniform plants.

Micropropagation, which is a form of tissue culture, increases the amount of planting material to facilitate distribution and large scale planting. In this way, thousands of copies of a plant can be produced in a short time. Micropropagated plants are observed to establish more quickly, grow more vigorously and are taller, have a shorter and more uniform production cycle, and produce higher yields than conventional propagules.

Plant tissue culture is a straightforward technique and many developing countries have already mastered it. Its application only requires a sterile workplace, nursery, and green house, and trained manpower. Unfortunately, tissue culture is labor intensive, time consuming, and can be costly. Plants important to developing countries that have been grown in tissue culture are oil palm, plantain, pine, banana, date, eggplant, jojoba, pineapple, rubber tree, cassava, yam, sweet potato, and tomato. This application is the most commonly applied form of traditional biotechnology in India.

The Department of Biochemistry has conducted a workshop on training plant tissue culture technique with collaboration of Atlantis Phytotech Research lab, Suchitra, Hyderabad which were organised on 20/10/2022 - 21/10/2022. As a part of the training programme we reached the research lab at 10am in the morning and the programme schedule was over taken by the Atlantis Phyto tech Scientist/ Head Dr.K.B.Rao and visited the entire lab and given a demonstration on various techniques involved in tissue culture and showed all the equipment's and the session was terminated for lunch break and after lunch students were given an training programme about preparation of various cultures and preparation of plant explant and introduction of explant in the culture media this process was continued till 6.00pm in the evening and programme schedule was ended for the day and the following day i.e., on 21st October , we checked the status of the development of the explant and been proceed for the further process , then the student learned

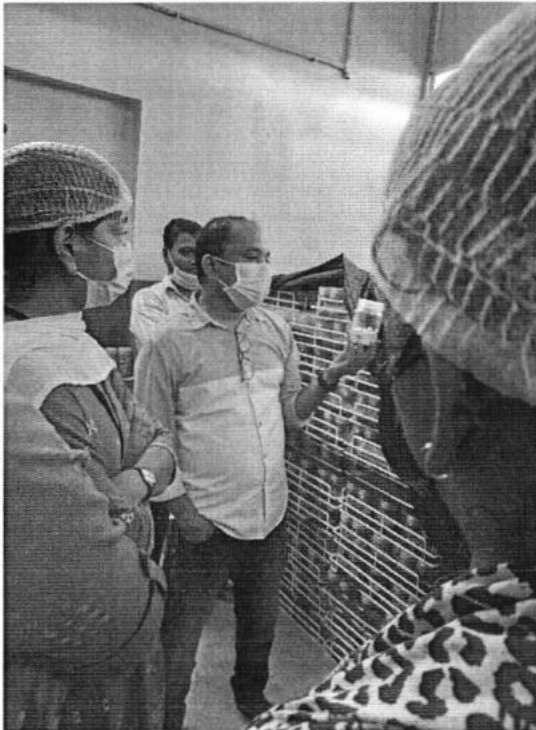

[Handwritten signature]

the sub culturing techniques for the growth of explant till baby plant development. After lunch we were taken to the nursery where we learned how the baby plants are grown further procedure and students successfully planted the newly developed tissue culture plants in the nursery with this we ended the training programme of plant tissue culture.

The training programme was successful and students learned the technique practically how to handle and preparation of various culture media, and how to prepare an plant sample, how to inoculate, how to develop an explant and growth of plant in the media and how to plant the newly developed plant in the nursery and how to grow a plant etc. students were enjoyed and learned throughout the training programme.

8. GUEST PROFILE (IF ANY): Nil

Atlantis phytotech is a research driven commercial plant tissue culture unit established during June, 2015. And is eventually recognized by Department of Biotechnology under national certification system for tissue culture raised plants (NCSTCP) and also certified with **ISO 9001:2015**.

Laboratory spreads over 4000 sq.ft. With state of the art clean rooms supports a production of 3 million plants per year. Our main objective is to enhance productivity in Indian agriculture by promoting use of advanced trends in plant biotechnology mainly from micro propagation to produce plants of improved cultivars with major emphasis on high yielding, disease resistant and superior cultivars.

We are forthwith plighted in Research & Development, Production of high yielding and stress resistance indigenously developed cultivars to cater the local market. Our range of products includes tissue culture Banana, Tissue culture Teak, Tissue culture Bamboo, Fig, Strawberry and also few medicinal, aromatic, ornamental plants like Spathiphyllum, Philodendron, Dieffenbachia plants etc. We have also standardized protocols for several other crops which will be produced through contract production with prior agreement with buyer.

At ATLANTIS, we counterbalance research and academics by continuous efforts in optimising the needs of industry. We organize work-shops/Internships and training programmes to students to make them industry ready work force. Our expertise team mentored several students to do their research projects for B.Sc, M.Sc, B.Tech, M.Tech, as well as Ph.D in biotechnology and allied subjects.

Atlantis collaborated with several academic and research institutions for research and development of technologies and sharing technological know-how to the end users. We are obliged to have enquiries from research and academic institutions as well as students for collaborative research.

9. FEED BACK IF ANY:

Trip was Awesome. and plant tissue culture is part of our Syllabus and we got more information regarding that. we saw and green house with small plantlet of Banana etc.
It is useful trip. (Educational trip)

M. Niharika
Rollno - 40
Sec - Btic -
It was very good experience and we got to know about it.
It was very interesting and good experience.
Hope next time onwards we should to go other interesting visits.

Signature

... best memorable experience in our college

Firstly it was a good experience
acknowledging about the equipment
and their use. Secondly, it was
a gaining a knowledge additionally
getting to know about the subject
more and finally ~~was~~ expecting
more field trips.

Thank you.

Bi Bi-C-III

Feedback :-

It was a nice educational trip. I
enjoyed a lot and also we gathered a
lot of information about the plant-tissue
culture. the laboratory where where we
went is more neat and the materials in
it was so good. the we experienced a
lot in the laboratory and also in
the nursery in.

Signature

The visit to Atlantis phytotech lab & Nursery was very good Experience and I have gained knowledge about the lab and how to run the small scale industry. As it was my first visit with my classmates and incharge I felt happy and I hope for many other visits. But the one thing I don't like is checking the attendance percentage even for visit. So I missed my friends in the visit.

Aurora's Degree & PG College
(Accredited by NAAC with 'B++' grade)
Chikkadpally, Hyderabad- 500020
Department of Biochemistry

EVENT PROPOSAL

Type of Event: Nutrition club

Event Title: Jaunt on Plant Tissue Culture

Faculty in charge: Dr. V. Nagavani

Date & Venue: 20-10-2022 to 21-10-2022 & Atlantis phytotech research lab

Target audience: B.Sc life science students

Level: College

Budget: Nil

Student volunteer's: Nil

Objective:

- To enlighten students about the various techniques in plant tissue culture.
- To inculcate creative research skills among students.

Proposed activities:

- > Educate the students about various techniques in Plant tissue culture.
- > Training on plant tissue culture preparation and innoculum.

Invitation Letter to Guest Speaker

Date:18-10-2022

To

Dr. Hafeez Basha,
Osmania Technology Business Incubator,
Central Facilities for Research & Development,
Osmania University.

Sir,

Sub: Invitation for delivering a Lead Lecture - Role and Significance of Entrepreneurship in society - Reg.

I am pleased to inform you that Aurora's Degree and PG College is organizing a "Student Awareness & Orientation Programme on Entrepreneurship" on 22-10-2022

In this connection, I extend the invitation on behalf of the Organizing Committee to be a part of our programme22 and request you to deliver a keynote Lecture on 22nd Oct 2022 at 11:30 am. Kindly accept the invitation for which I will be grateful to you.

Thanking you,

Yours faithfully,

D. Radhika,
ED Cell Convener.
(Cell: 9100001606)

Dear Madam,

I will be happy to visit your college and interact with your students. At the same time also please process signing a Memorandum of Association between Osmania TBI and your college. Let's discuss further on a call to take it forward.

Thank you,

Dr. R. Hafeez Basha, Ph. D (Japan)
Manager - Incubator
Osmania Technology Business Incubator,
(Funded by RUSA 2.0, MoE, Govt. of India)

Mobile: 8309304298, WA: 9866587053

Dr. R. Hafeez Basha, Ph. D (Japan)
Manager – Osmania Technology Business Incubator
Central Facilities for Research and Development (CFRD)
Osmania University, Hyderabad

Dr. R. Hafeez Basha is responsible for innovation, incubation and entrepreneurship related activities at Osmania University (OU), a 105+ years old public state university of the Government of Telangana. Osmania Technology Business Incubator (OTBI) registered as OU Idea Labs Foundation and funded by the Ministry of Education under the Rashtriya Uchchattar Shiksha Abhiyan (RUSA 2.0) scheme of the Government of India. OU is also recognized as Host Institution (HI) and OTBI as Business Incubator (BI) by the Ministry of Micro, Small and Medium Enterprises (MSME). Presently there are 11 start-ups incubated at OTBI with a corporate style co-working space of 24,000 sq ft at CFRD Building. He is also Selection Panel Member at National Centre for Additive Manufacturing (NCAM) which is going to be set up at OU by the Ministry of Electronics and Information Technology (MEITY), Government of India.

Prior to this he worked as CEO-TBI at Chandigarh University and Director / Dean at various engineering colleges such as Lords, Ashoka, Bharat Institute of Engineering and Technology, etc. Before switching to academics from corporate he worked in multinational companies as Research Analyst at Thomson Reuters, Geographical Information Systems (GIS) Engineer at Satyam Computers (now Tech Mahindra), Project Engineer at Global Renewable Energy Research Institute, SELCO International Ltd. & Research Engineer Trainee at Pentagram Research Centre (P) Ltd. He co-founded Cafet-Innova Technical Society in 2007, Basha Research Corporation (BR-CORP) in 2011, Station-H in 2018 and Ganbatte India in 2021 got 'Young Entrepreneur Award' by National Foundation for Entrepreneurship Development (NFED).

He was also Social Entrepreneurship Consultant at Canada based SOPAR-Bala Vikasa International Centre where he was instrumental in partnering with Prime Minister's India-Israel Innovation Bridge Program (iCreate) and Global Entrepreneurship Summit (GES-2017) which hosted Ms. Ivanka Trump by NITI-Aayog. He also delivered series of workshops at Government Degree Colleges in Tier-II & III cities of Telangana with funding from the office of the US Consulate General in Hyderabad. He is panel member at EUREKA of IIT-Bombay and LAUNCH-PAD of BITS-Pilani. He delivered 80+ guest lectures at institutes of repute including BITS-Pilani, NIT-Karnataka, NIT-Rourkela and foreign universities. He has visited 13+ countries and all states of India till date without spending any money from his pocket.

He served as Advisor / Expert at Engineering Reforms Section, Union Public Service Commission (UPSC); Advisor – Industry Expert Evaluation Committee, National Education Alliance for Technology (NEAT), All India Council for Technical Education (AICTE); Member – National Rural Entrepreneurship Mission, Mahatma Gandhi National Council of Rural Education; Coordinator – Unnat Bharat Abhiyan (UBA); President / Incubation Centre Member – Institute Innovation Council (IIC); Selection Panel Member – Grand Finale of Smart India Hackathon 2020 and Toycathon 2021 by Ministry of Education Innovation Cell (MIC); Mentor – Entrepreneurship Development Centre, Development Commissionerate, Ministry of Micro, Small and Medium Enterprises (MSME); Mentor-of-Change, Atal Innovation Mission (AIM), National Institution for Transforming India Commission (NITI-Aayog), Government of India.

He did his Bachelor of Technology (B. Tech) in Electrical and Electronics Engineering (EEE) from the Jawaharlal Nehru Technological University, Hyderabad in 2007; Master of Technology (M. Tech) in Computer Science and Engineering (CSE) from Acharya Nagarjuna University, Guntur with funding from Thomson Reuters under 'Learn While You Earn Program' in 2010; Doctor of Philosophy (Ph. D) in Advanced Technology from Kumamoto University, Japan with MEXT scholarship from the Japanese Government in 2016. He was rewarded with 'Dean's Award for Research Excellence' during the convocation and also has the distinction of receiving highest funding for R&D and Travel Grants for International Conferences, Summer & Winter Schools and Overseas Internships. He did his Post-Doctoral Research Fellowship at the Energy Studies Institute, National University of Singapore in 2018.

Rohan Ande Profile

Rohan Ande sir completed his Master of Technology - M Tech (ME) at Lovely Professional University. Bachelor of Engineering (B.E) at Lovely Professionals University.

Sir is a specialist in Innovation, Entrepreneurship certification courses, Startup funding, Startup mentoring.

Sir held various positions in various universities across the country like,
Operations coordinator at Atal Incubation Centre-EMPI (New Delhi, India)
Makerspace Machinery Zone Incharge at SR University (Warangal, Telangana, India),
Research Assistant at Lovely Professional University (Phagwara, Punjab, India) Internship
Trainee at Bharat Heavy Electricals Limited (New Delhi, India)

Rohan sir is currently working as a community manager at Osmania TBI(Hyderabad, Telangana, india)

A handwritten signature in black ink, appearing to read "Rohan Ande". The signature is written in a cursive style with some loops and is underlined.

Aurora's Degree & PG College

(ACCREDITED BY NAAC WITH 'B++' GRADE)

Chikkadpally, Hyderabad 500020

EVENT / ACTIVITY DETAILED REPORT

NAME OF THE EVENT / ACTIVITY	An Awareness & Orientation Programme
TYPE OR TITLE OF EVENT / ACTIVITY	ABHIMUKH-Aurora's Entrepreneurial Fest
FACULTY INCHARGE	D. Radhika
DEPARTMENT/CELL/COMMITTEE/CLUB	ED Cell
DATE	22-10-2022
VENUE	Aurora's Degree & PG College
TARGET AUDIENCE	First-year students of Aurora's Degree College

1. PROGRAM SCHEDULE

- At 11:30am-12:30pm- Lecture by Speakers
- At 12:30pm-1:00pm- Questions & Answers Session

2. LIST OF FACULTY COORDINATORS

- D. Radhika (ED Cell Convenor)

3. LIST OF THE STUDENT COORDINATORS (NAME, ROLL NO, CLASS & SECTION):

S.No	Name of the Student	Roll Number	Class & Section
1.	Jahnavi	1051-20-407-001	B. Com Honors 3 Year
2.	Akanksha	1051-20-684-149	BBA 3C

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT):

A circular is prepared and shared among the first-year students of all the streams of Aurora Degree college students.

Two student coordinators along with the ED Cell Convener, D. Radhika, welcomed the Speakers to the seminar hall.

Jahnavi (student coordinator) introduced two guest speakers i.e., Dr. Hafeez Basha (Manager) and Rohan Ande (Community Manager) of OU-TBI (Osmania Technology Business Incubator).

Yamini Agarwal of BCom 2 Honors read the profile of Dr Hafeez Basha and sir gave the lecture on Entrepreneurs' Role and significance in Society.

Arya Guptha of BCom 2 Honors read the profile of Rohan Ande and sir gave a lecture on the Qualities and challenges of entrepreneurs. Rohan sir gave suggestions about idea generation and created awareness among the students.

Both speakers motivated the students towards entrepreneurship and the session was interactive.

Students raised various doubts and clarified them with the speakers. Some of the students shared their future business plans with the speakers.

Speakers got impressed with the students' future business plans and gave some suggestions.

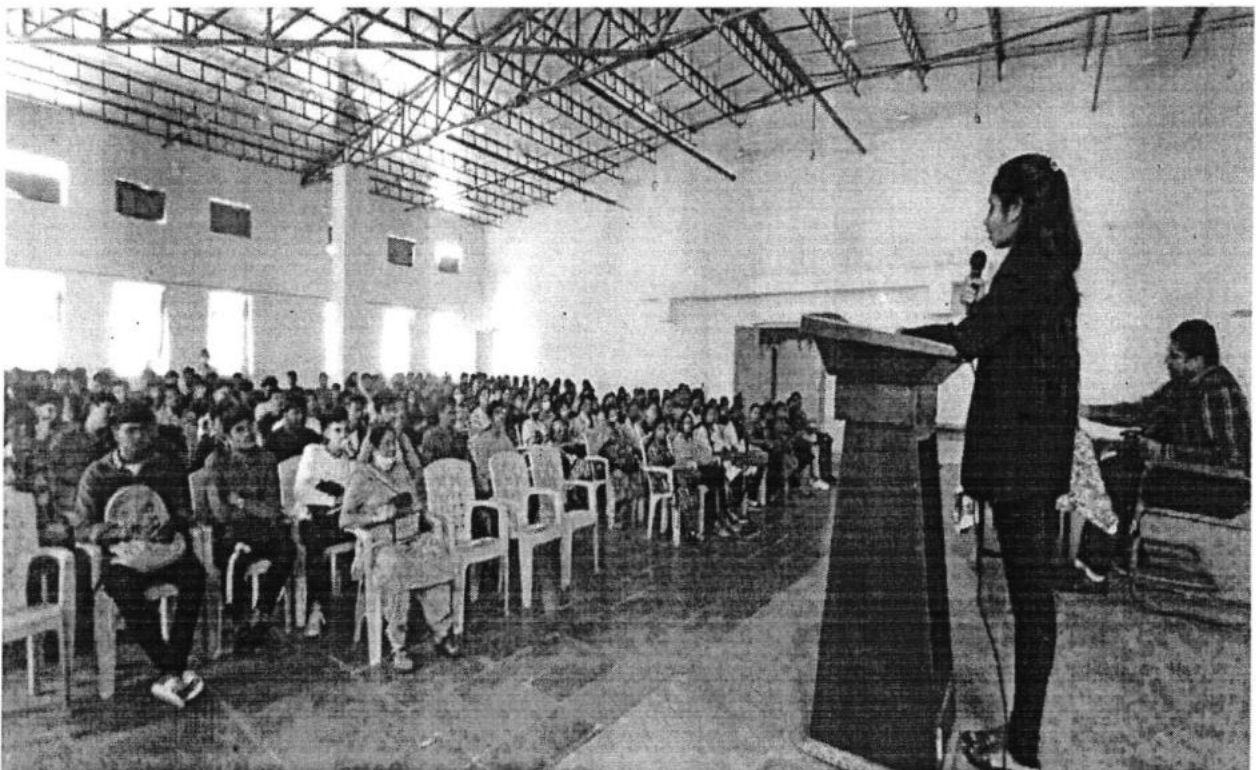

The session ended with a vote of thanks by the ED Cell convener, D. Radhika.

			PROFESSOR		VE SESSION
--	--	--	-----------	--	------------

BRIEF ABOUT THE EVENT:

Department of Physics organized a Two-Day Faculty Development Program.

The highlights of the event:

Day 1:

Session 1:

Dr. Sai Santosh Kumar Raavi was the speaker, his lecture started with introduction to Material Science and its Advances. He explained about Optics and spectroscopy of energy conservation materials like Organic photovoltaic, Exitonic solar cell and Polymer cells. The lecture was concluded by giving scope for research in the field of Optics and Material Science.

Session 2:

The speaker Dr. Muni Ratnam in session II explained about various concepts related to "Nano phosphors for Optoelectronic Applications". Like types of luminescence its design and applications. The lecture was concluded by explaining Down conversion and up conversion techniques.

Day 2:

Session 1:

Dr. G. Manoj Kumar in session 1 started with very basic concepts of light, spectrum and explained Laser spectroscopy for identification in plastic types Which are hazardous to world. He concluded his lecture by giving new paradigm in waste management

Session 2:

Speaker Dr. C P Vardhani in session 2 The lecture started with explanation of photonics its properties and applications then she explained the design and development of photonic integrated devices. She concluded her lecture by explaining the challenges faced in the various phases of its development process.

There were 54 participants, faculty from various streams and research scholars participated in the FDP on Recent Advances in Material Science. The feedback from the participants was highly positive. Most of the participants expressed that the program was very beneficial for their research work.

**National Level
FACULTY DEVELOPMENT PROGRAMME
on
"RECENT ADVANCES IN MATERIAL SCIENCES"**

On 12th & 13th August 2021
Organized by Department of Physics
Target Audience
Faculty from Sciences Stream & Research Scholars

Day - 1: 12-08-2021
Session - I : 11:00 am to 12:00 Noon
Resource Person:
Dr. Sai Santosh Kumar Raavi
Associate Professor,
Ultrafast Photophysics and
Photonics Laboratory,
Department of Physics, IIT Hyderabad
Topic: "Optics & Spectroscopy of
Energy Conversion Materials"

Day - 2: 13-08-2021
Session - I : 11:00 am to 12:00 Noon
Resource Person:
Dr. G Manoj Kumar
Physicist
Advanced Center for Research in
High Energy Materials
University of Hyderabad
Topic: "Laser Spectroscopy for the
Identification of Plastic Type:
A New Paradigm in Waste Management"

Session - II : 02:00 pm to 03:00 pm
Resource Person:
Dr. K. Munirathnam
Associate Professor,
School of Applied Sciences (Physics)
REVA University
Topic: "Nanophosphors for
Optoelectronics Applications"

Session - II : 02:00 pm to 03:00 pm
Resource Person:
Dr. C. P. Vardhani
Associate Professor,
Department of Physics,
University College of Science,
Osmania University, Hyderabad
Topic: "Development of Photonic Devices
and Components"

EVENT PROPOSAL

for

Two Day Faculty Development Program

Event Name: TWO DAY Faculty Development Program

Event Title: FDP On "Recent Advances in Material Science "

Department: Department of Physics

Faculty coordinators: Sunanda G, Aslam Shareef

Date & Venue: 12-08-2021 & 13-08-2021 Aurora's Degree and PG College

Target audience: Faculty from Sciences stream & Research Scholars

Platform: Online-MS teams

Level: National

Registration Fee: No registration Fee

Objective: 1. To Focus on research and development and Technological advancements in the field of Material Sciences.

2. To Provide in-depth knowledge of advanced materials, their fundamental characteristics, synthesis, characterization and applications in the advancement of science and technology in different domains.

Session 1:

Time: 11.00am to 12.00pm

Topic: "Optics and Spectroscopy of energy conversion Materials"

Speaker: Dr. Sai Santosh Kumar Raavi

Associate Professor

Ultrafast Photo physics

and Photonics laboratory

Department of Physics,
IIT Hyderabad.

Session 2:

Time: 2:00pm to 3:00pm

Topic: "Nano phosphors for Optoelectronic Applications"

Speaker: Dr. K. Munirathnam

Associate Professor,

Department of Physics

EVENT / ACTIVITY DETAILED REPORT

NAME OF THE EVENT / ACTIVITY	Seminar on NEP -2020
TYPE OR TITLE OF EVENT / ACTIVITY	Faculty Seminar
FACULTY INCHARGE	Dr. P. Bharathi & Ms. S. Padmavathi, HoD
DEPARTMENT/CELL/COMMITTEE/CLUB	Department of English
DATE	14-05-2022
VENUE	Auditorium, RTC Block
TARGET AUDIENCE	Faculty members of all the Departments

1. **PROGRAM SCHEDULE** Timings: 3pm-5pm
2. **LIST OF FACULTY COORDINATORS (DEPARTMENT)** Dr. P. Bharathi, Ms. S. Padmavathi, HoD
3. **LIST OF THE STUDENT COORDINATORS (NAME , ROLL NO, CLASS & SECTION) -NA**
4. **LIST OF THE PARTICIPANTS (NAME , ROLL NO, CLASS & SECTION, NO OF GIRLS, BOYS, CASTE)**
Faculty members of all the Departments
5. **PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)**

Education is the Lifeblood of any human society and Educational Policy is the guiding light of the nation as it envisages to rejuvenate process of education according to the national priorities. The faculty seminar on NEP-2020 was organized by the Department of English on 14-5-2022. The resource person was Prof. T. Mrunalini, Director, EMMRC , Osmania University, Hyderabad. She is an eminent academician and accomplished educationist.

The seminar began with the welcome and introduction of the resource person to the audience by Dr. P. Bharathi. The resource person ,Prof. T. Mrunalini, apprised the faculty members about the objectives of NEP-2020. She focused on the challenges of university education. She explained the importance of five pillars of education, access, equity, affordability, accountability

and quality. Prof. Mrunalini emphasized the role of collaboration and cooperation among different disciplines of learning, in materializing various multidisciplinary UG and PG courses as NEP 2020 aims at setting up multidisciplinary institutions offering programmes with high-quality teaching, research, and community engagement. This will benefit students with increased flexibility and choice of subjects across various streams of arts, humanities, sciences, sports, and other vocational subjects. She focused on the role of research and value based education. The seminar concluded with felicitation of the guest and Vote of Thanks rendered by Ms. S Padmavathi. An online feedback form was provided to the participants for review.

6. INCOME AND EXPENDITURE :

Expenditure:

Honorarium- Rs 2,000

Bouquet- Rs 75

7. EVENT PHOTOS (MIN 2 MAX 4)

Prof.T.Mrunalini CV

Mob; 93948 92085

Email : mrunalinitalla@yahoo.com

Prof. Mrunalini Talla, worked at school for six months, CTE, AMS for about an year and half and joined University service in 1991 as Assistant Prof, then upgraded to Assoc. Prof. in 2000 and as professor from 2008 onwards.

Mrunalini Talla is presently Professor, at Dept. of Education and Head life long learning. Director, EMMRC, Osmania University, Hyderabad. Coordinator School of Education, PMMMNMTT, MHRD, Coordinator, IKS, Min. of Edu.

Also was Convener to the Telangana State Education Common Entrance Test- TS Ed.CET-2019 and TS Ed.CET-2020.

She held position as formerly Dean, Faculty of Education, Osmania University, Dean, Faculty of Education, Shathavahana University, karimnagar. She is also holding administrative and academic positions as Dean, Faculty of Education, Telangana University, Nizamabad .She is also Coordinator School of Education, under the PMMMNMTT scheme, MHRD, New Delhi.

Prof. T.Mrunalini also held positions of Director, CITE, IASE, department of education, Osmania University, Head, Department of Education, OU and Principal IASE, Osmania University, Chairperson BOS in Education and Chairperson BOS in Special education at Osmania University, Chairperson BOS in Education at Mahatma Gandhi and Telangana Universities.

She has 30 years of teaching and 28 years of research experience. Produced 15 PhD's (of them two foreign scholars), and 21 M.Phils in education. Her areas of interest are curriculum, Early child hood education philosophy and yoga.

She has academic degrees BSc (BZC), MA Philosophy, M.Sc. Psychology, MA English and Masters in Education (MEd), M.Phil and PhD in Education.

She published 30 books of which authored , Co-authored ,and edited related to education published by Pearson, Neel kamal, Telugu Academy Telangana govt. APH, Ashish and shipra . Also Co-authored (8) and edited (8) distance education self -learning modules in education for Ambedker, Osmania, Andhra and Nagarjuna Universities.

She has Presented 60 papers at International and National level seminars, webinars and Symposia some of them are invited papers, Published 30 papers.

Conducted 40 Programs on various themes related to teacher education and school education sponsored by MHRD, UGC, ICSSR, SSA, MGNCRE, AP State council higher education and 10 days Research Methodology course sponsored by ICSSR, New Delhi, Two- Day International workshop on Qualitative Research in collaboration with Northampton University, UK.

She has undertaken six national level projects sponsored by UGC Major, Aghakhan (AKIES), NGC, SERP, SSA and NEUPA.

She provides continuous support to many institutions as a resource person, HRD, Osmania (all the orientation courses from 2005 till date), Urdu university, University of Hyderabad and JNTU (from 2001 till date). Many schools and engineering colleges on pedagogy and curriculum related themes.

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

The workshop is organized with an intention to motivate the students towards research in mathematics. The topic "Number theory and its Applications" has been decided after discussion in the department meeting conducted by HOD. Ms. G. Prathibha HOD, Ms. M.

Latha Salome took the responsibility of organizing the workshop. We approached Dr. V. Srinivas, Assistant Professor, Dept. of Mathematics, UCS, Hyderabad. He accepted our invitation and has given the date and timings of his availability.

We have proceeded further and made a proposal for the same. The proposal was accepted by the AQAC convener and we obtained permission from the Principal Dr. Viswanatham Bulusu. With the continuous guidance and support of our Principal Dr. Viswanatham Bulusu, Aurora's Degree and PG College the event was organized by the department of Mathematics for exploring research topics in Mathematics.

A poster was made with the help of Mr. U. Srinivas, faculty, Dept. of Computer Science.

All the members of the department campaigned about the event. Google form was created for registrations and link for registration was shared to all the students of PG of our College through whatsapp groups. Total 60 students registered for the event.

The resource person Dr. V.Srinivas, Assistant Professor, Dept. of Mathematics, UCS, Hyderabad, explained the importance of Number theory and how it is applied and is applicable. The workshop is organized in online mode through Microsoft teams.

Mr.Hari Prasada Rao, Associate Professor and Vice Principal supported the event in scrolling the information in the college website.

Welcome note was given by Ms. G. Prathibha and Profile reading of the resource person was delivered by Ms. M. Latha Salome and also vote of thanks.

56 students participated in the workshop and got benefited. The participants showed their interest in learning and interacting with the speaker. At the end of the session, feedback form link is shared in the chat box to the participants.

The student is aware of the applications of Number Theory. The students are oriented about the importance of Mathematics. The students were aware about the applications of Mathematics. The students are motivated to do research in Mathematics.

6. INCOME AND EXPENDITURE: Nil

EVENT / ACTIVITY DETAILED REPORT

NAME OF THE EVENT / ACTIVITY	Mushroom Cultivation
TYPE OR TITLE OF EVENT / ACTIVITY	2 Day's Workshop
FACULTY INCHARGE	Dr. B.Leelamani
DEPARTMENT/CELL/COMMITTEE/CLUB	Biotechnology
DATE	12 th to 13 th November 2022.
VENUE	'S'- Mushroom Agritech, Kukatpally, Pragathinagar, Hyderabad.
TARGET AUDIENCE	Faculty and M.Sc (Microbiology) students

1. PROGRAM SCHEDULE: Two day's **workshop in** Mushroom Cultivation in collaboration with 'S'- Mushroom Agritech, Kukatpally, Pragathinagar, Hyderabad.

DAY 1:

- Opening session : Dr. B.Leelamani
- About the work shop : Dr.K. Prasuna
- Tea break
- Workshop session 1: Introduction to Mushroom cultivation.
- Lunch
- Workshop session 2: Types of mushrooms- Habitat and applications

DAY 2:

- Workshop session 1: Training for cultivation in small scale and large scale.
- Tea break
- Workshop session 2: Individual practice – spawn filling in packed baggage, incubation and germination to obtain specific mushrooms.

2. Workshop session 3: Marketing and Entrepreneurship.

3. LIST OF FACULTY COORDINATORS (DEPARTMENT) :

Dr. B.Leelamani (Biotechnology) & Mr.Vasudevan (Microbiology).

4. LIST OF THE STUDENT COORDINATORS (NAME , ROLL NO, CLASS & SECTION) :

Name: Rayapudi Mary Evanjali (1051-21-518-009)

Class: M.Sc (Microbiology) Final year

Name: Yallala Soniya (105121518011)

5. Class: M.Sc (Microbiology) Final year LIST OF THE PARTICIPANTS (NAME , ROLL NO, CLASS & SECTION)

6. PARAGRAPH ABOUT THE PROCEEDINGS:

Objective: To allow students to know about Mushroom Biotechnology with practical and industry based production.

2. To train the students in Mushroom cultivation- innovative formulation in substrate preparation, crop management practices, value addition and commercialization.

Date: 12th to 13th November 2022

Brief about the event: This event was organized from 12th to 13th November 2022, (Saturday & Sunday) for Faculty and M.Sc Microbiology students. It was a 2 day session.

Day 1:

It started with opening session by Dr. B.Leelamani, Associate Professor, Department of Biotechnology by introducing Dr.K. Prasuna to the students, followed by brief description to the participants about the workshop. Dr.K. Prasuna gave detailed introduction to Mushroom cultivation. In the afternoon session she explained about Types of mushrooms- Habitat and applications.

Day 2:

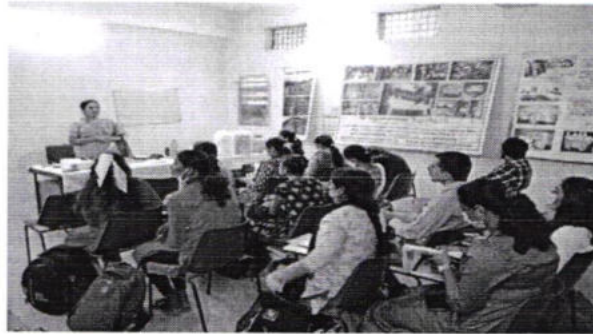

In the Workshop morning session students were given training for cultivation in small scale and large scale industry level. In the afternoon session individual practice was allowed to do – spawn filling in packed baggage, incubation and germination to obtain specific mushrooms. Finally Marketing and Entrepreneurship skills were high lightened for the students to motivate for self-financed small scale industry. At the end of the session Mr. Vasudevan gave vote of thanks to madam.

OUTCOME: The participants were enlightened about the Mushroom cultivation and entrepreneurship skills.

INCOME AND EXPENDITURE : Rs.1000/- per student

7. EVENT PHOTOS:

8. GUEST PROFILE (IF ANY) :

Name of the Proprietrix : Dr.[Mrs.]K.Prasuna M.Sc., M.Phil., Ph.D.

Academic background of the promoter:

1. Ph.D. thesis entitled "Studies on growth patterns and biochemical analysis of Calocybe indica (Milky mushroom)". 2003. Osmania University, Hyderabad.

2. M.Phil.-Thesis entitled ``Isolation of Rhizobia from tree legumes``, 1985,University of Poona, Pune.

3. M.Sc.-Botany(Mycology &plant pathology),1984,University of Poona,Pune.

Academic achievements of the promoter:

1. CSIR Senior Research Fellowship Awardee,1987.

2. First Prize for First Best Paper presentation @ 3rd Annual seminar for Research Students, University of Poona,Pune,1985.

3. National Eligibility Test for Lecturership in Universities & Colleges, in Botany, 1992.

FDP PROPOSAL

Type of Event: Faculty Development Program

Event Title: FDP on Research Project Writing and Data Analysis

Faculty in charge: M.Mamatha & D.Radhika

Date & Venue: 26th March 2022 & Main Block Computer Lab

Target audience: Faculty of Aurora's Degree & PG College

Level: College

Objective:

- To provide hands on experience to the participants in analyzing and interpreting data for conducting research in the subject domains by using statistical tools.
- Mentor the projects of final year students and help them use the tools in analyzing the data.

Proposed activities:

- How to set objectives of research
- How to develop theoretical framework
- The program will focus on maximizing hands on development of analytical tools

DETAILED REPORT

NAME OF THE EVENT	Workshop on Project Mentoring and Application of Tools in Data Analysis
TYPE OF EVENT	Workshop
FACULTY INCHARGE	Mrs M.Mamatha & Mrs D.Radhika
DEPARTMENT	Commerce
DATE	26 th March 2022
VENUE	RTC Block Computer Lab
TARGET AUDIENCE	Faculty of Aurora's Degree & PG College & M.Com Students

OBJECTIVE:

- Mentor the projects of final year students and help them use the tools in analyzing the data.
- To provide hands on experience to the participants in analyzing and interpreting data for conducting research in the subject domains by using statistical tools.

MATERIAL & BUDGET : NIL

BRIEF ABOUT THE EVENT:

It was a one day workshop which was scheduled under two sessions. Session -1 was all about the Mentoring project schedule from 9.00am to 12.00 pm, Session -2 was about the applications of tools in excel sheet scheduled at 1.00pm to 3.00pm. There were more than 35 faculty registered from Aurora's

[Handwritten signature]

Degree & PG College. There were two different resource persons who shared their knowledge with the faculty .

On 26/05/2020 Session-1 was by **Prof.Peri Pinakapani** from Gitam University shared his knowledge on setting objectives, developing theoretical framework on research project

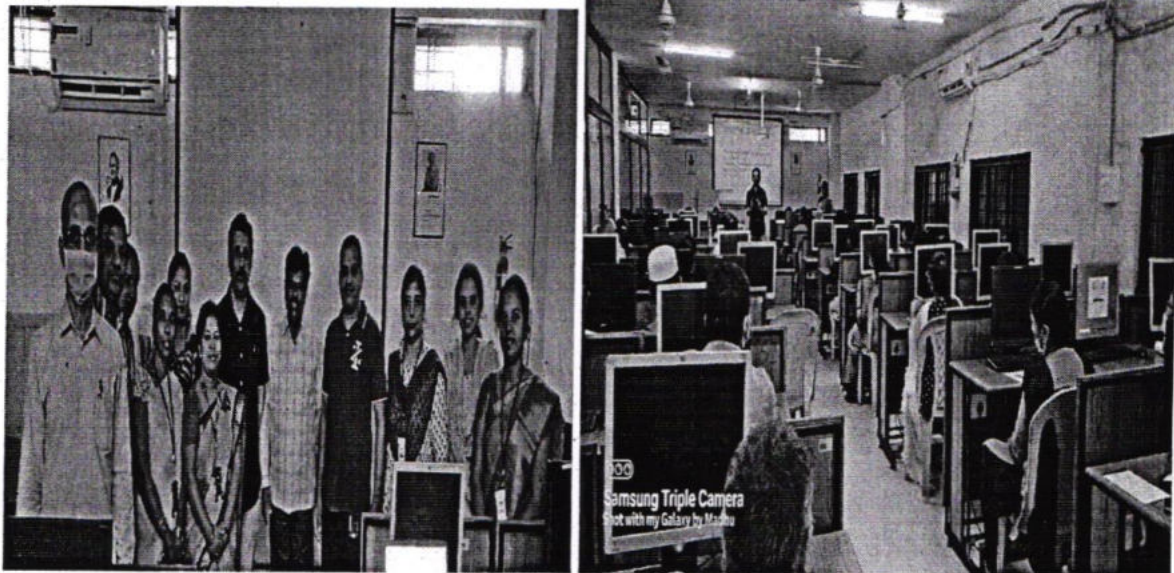

Session-2 was delivered by **Dr.Kompally Sasi Kumar** from Gitam University shared his knowledge on applying tools and how to test the hypothesis by using some methods like Anova, t-test, chi-square test in Excel sheet.

Certificates were provided to all the participants

OUTCOME:

The faculty are inspired and learned about writing research papers and application of statistical tools through Workshop.

PHOTOGRAPH:

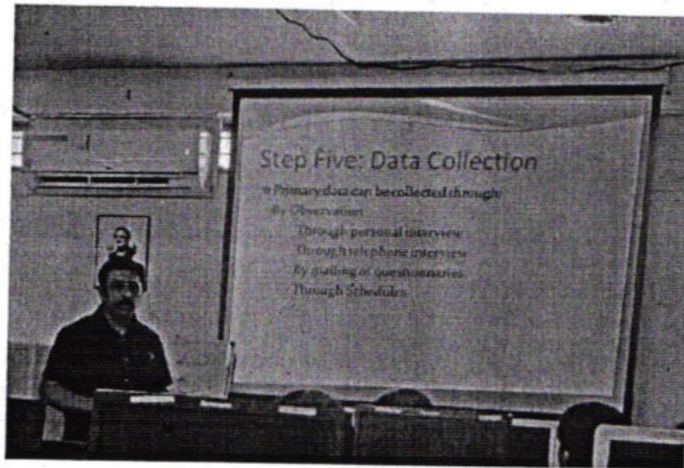

[Handwritten signature]

Detailed Report:

The workshop commenced, after the registration of the participants, the workshop opened with the formal session at 9.00am, the gathering was addressed and welcomed by **Mrs Veena Kapoor Head Dept.of Commerce** followed by a prayer song. Our college Principal **Dr.Viswanadham Bulusu** also welcomed the guest speakers and gave a brief note on objectives and importance of research. The core objective of the workshop was to equip the research scholars and academicians with a set of skills and potentiality to undertake the research very effectively. The workshop of session -1 consists of theory and Session-2 was all about the practical implementation of data tools. The workshop was attended by the faculty members of **Aurora's Degree & PG College**.

Session-1:

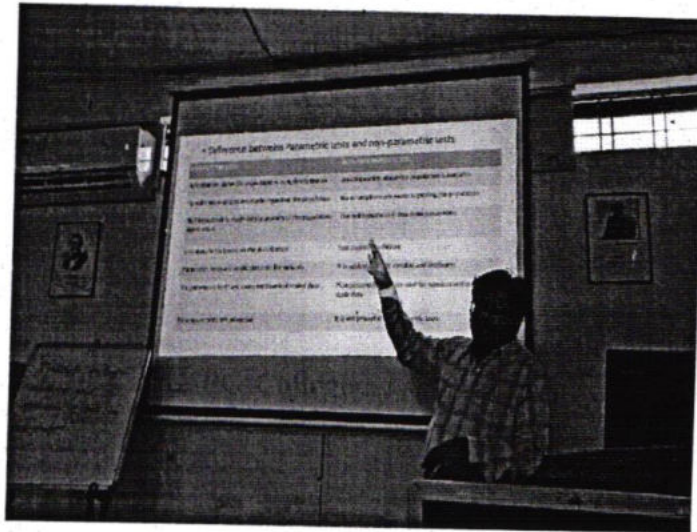

The session-1 was started with the introduction of the first session speaker of **Prof.Peri Pinakapani** was given by **Mrs Radhika D** the program convenor and **Assistant Professor in Aurora's Degree & PG College**. This workshop was designed to offer practical guidelines and to direct the researchers and academicians through all the steps of research from identifying the research problem. He has explained about the research objectives, relevance, process and procedure involved in research. Then the session continued by sharing some more information on problem identification, How to design a good research design and also how to put a title to the project. The session was very interesting and informative. He also advised on the content of identifying the research gap through review of literature.

[Handwritten signature]

The session-1 was concluded by giving vote of thanks by **Mrs Veena Kapoor Head Dept.of Commerce in Aurora's Degree & PG College** by stating that it was a very meaningful ,useful and informative session.

Session-2:

Session-2 was started after an immediate tea break by the faculty. It was started by **Mrs Unna Malai Assistant Professor, Aurora's Degree & PG College** had introduced the 2nd session speaker of **Dr. Kompally Sasi Kumar** from Gitam University. The speaker made the session interesting in the form of a quiz to clear the basic concepts of statistics to participants. Participants eagerly participate and express their understanding about statistical concepts and how they have misconceptions about statistics. Then the session provides insight about the various tests to be adopted for qualitative and quantitative data and explains when and where to apply the exact statistical technique namely descriptive statistics, correlation, regression, chi square, t- test or Z- test. The speakers also explained the types of regression and illustrated situations where each would be used. The combination of independent and dependent variables as dichotomous, continuous, and categorical and the statistics to be used were explained by the speakers. And briefing was done on what will happen when the statistics are misused with detailed practical examples.

Certificates were provided to all the faculty members and the dignitaries. The workshop was concluded with a vote of thanks proposed by **Mrs Veena Kapoor Head Dept.of Commerce ,Aurora's Degree & PG College**. The program concluded with a happy note from everyone.

Audience was very happy after the workshop and received positive feedback and they were like both the sessions were interactive as well as knowledge gaining for the time that has been invested.

We are very grateful to our Principal Dr.Viswanadham Bulusu and Head Dept. of Commerce Mrs.Veena Kapoor for giving us the opportunity to organize the workshop, encouraging and believing in us and extending support.

We shall continue to conduct such programmes in the future .

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT):

An invitation is prepared and shared among various students, for registration to the business plan competition. Total 11 members registered for the competition out of them 7 members participated in the competition. Registration fee for each participant is Rs.100. Half an hour before the competition joining link has been shared with the students to participate in an online business plan competition held through Microsoft team platform.

The Session got started by 2:00 pm with introduction of the participants and ED Cell Convenor D. Radhika. Briefly explanation on rules and regulations regarding the competition explained to all the participants. Each participant was given a 10 minutes duration for presentation. Participants gave presentations one after another and exhibited their innovative business plans, marketing strategies, target customers and also how their products and services are useful to society. After completion of presentation by the participant, other participants and convenor asked some questions which were answered by the participant intelligently and clearly.

[Handwritten signature]

By 4:00 pm the session was completed with vote of thanks by D. Radhika, ED Cell Convenor and encouraged all the participants to participate in many other ED Cell activities and competitions.

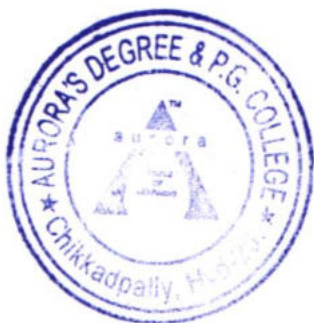

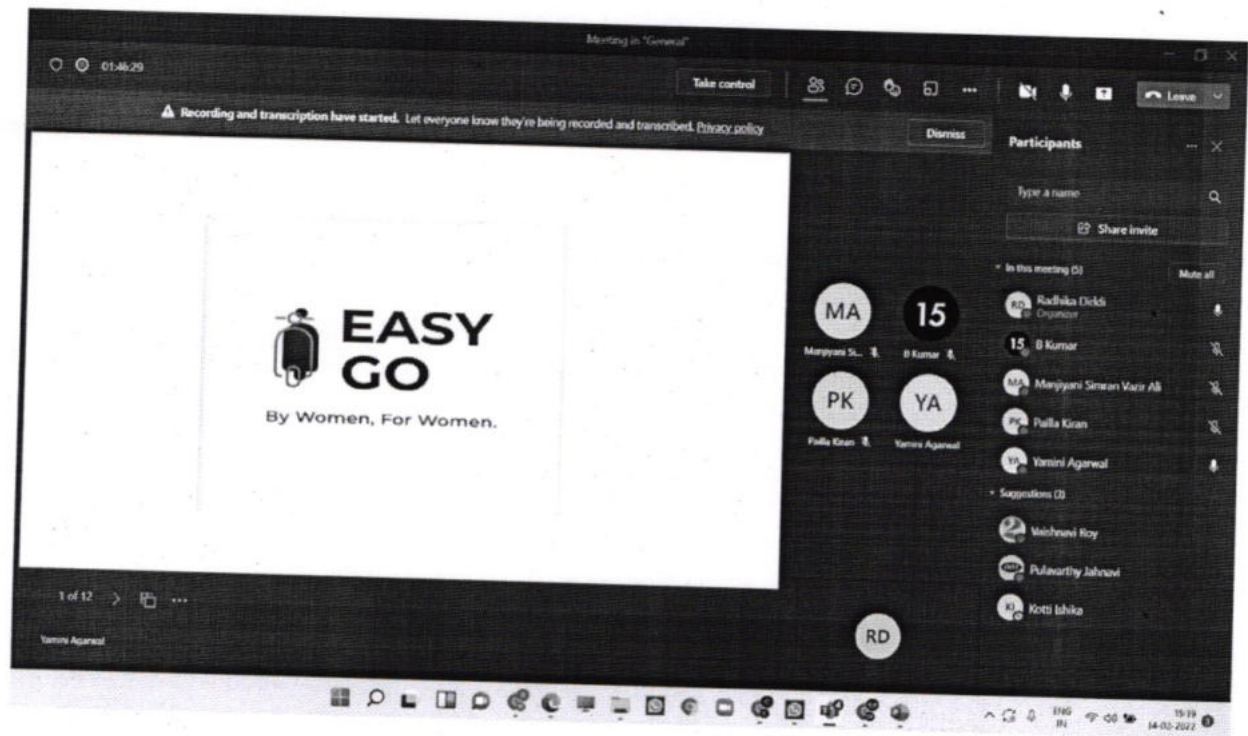

At the end of the competition the winner and runner up were announced. Jahnavi from 2nd year BCom honors stood as winner and Yamini Agarwal from BCom 1st year honors as runner up. Everyone congratulated them and also all the participants. Cash prizes and certificates are distributed to the winner, runner and all the participants.

INCOME AND EXPENDITURE: From each participant Rs.100 is collected as registration fee. Total amount collected from 7 members i.e., Rs.700. Out of which Rs.400 is given as cash prize to the winner and Rs.300 is given to the runner up. Balance nil.

Aurora's Degree & P.G College
(Accredited by NAAC with 'B++' grade)

National E- Seminar on Role of Science and Technology for Future India - Challenges and Opportunities

28th February 2022

About the College

Aurora's Degree & PG College is known for establishing unique traditions in every aspect of its functioning with a mission to blend the strong cultural fundamentals of the Indian Heritage with advanced modern learning tools, thus providing a direction to education. The college hosts various National level and State level conferences, symposia, workshops, technical and non-technical events beyond curriculum to bring students from different backgrounds to a common platform to explore, discover and discuss the hidden potential and talent.

About the Seminar

Science and technology have become the cornerstones for development of any nation in 21st century. The economics of our nation has been significantly changed due to development and applications of science and technology. Despite the importance given, there exists a reasonable deficit in the pace of Scientific research between our nation and world. A proper motivation is of utmost importance to sharpen the Young minds and to encourage the students to make contributions in their respective fields. On the occasion of National Science Day, Aurora's Degree & PG College intends to organize this seminar with the objective to create a platform for students and experts to express, interact and debate on various concepts of Science and Technology for the development of society and Nation as well.

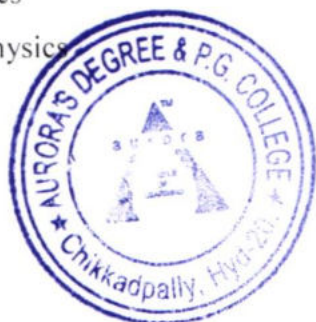

[Handwritten signature]

Areas

The seminar invited lectures and oral/poster presentation in various disciplines as given below:

- Clinical Biochemistry
- Enzyme Research
- Pharmaceutical Biotechnology
- Genetics disorders
- Molecular Biology of Cancer
- Computational Biology
- Bioinformatics
- Anti-microbial agents
- Analytical chemistry
- Green synthesis of Organic compounds
- Nanotechnology
- Algebra
- Geometry
- Discrete Mathematics
- Data Analytics and Deep Learning
- Artificial Intelligence
- Digital Signal Processing
- Operational Research
- IOT
- Big Data
- Data Mining
- Molecular Dynamics
- Embedded Systems
- Instrumentation
- Material Science
- Astrophysics
- Polymer Physics

[Handwritten signature]

- Thin Film Technology
- Molecular Physics
- Quantum Computing

Apart from the above, any other area of research and innovations in science, technology will receive attention

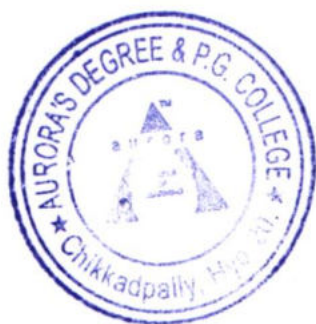

Eligibility: M.Sc. Physical Science and Life science students.

Call for Abstracts

Abstracts were invited for both oral and e-poster presentation (about 250 words). Abstracts were allowed to be uploaded in the registration form before 24th February 2022. Acceptance of Abstracts for presentation was be communicated by 25th February 2022 through email and SMS to their phone no.

Seminar proceedings: 28-2-2022

The day Started as per the schedule at 10AM. The organizing secretary of the conference Dr. Ravi Kiran, Head, Department of Biochemistry, Aurora Degree & PG College gave an introductory note about the college describing activities at the college and about the conference. He appreciated the participants for their active involvement in communicating papers for the conference. He gave a warm welcome to the Speaker, Dr. Naga Maruthi Kumari, Faculty, Department of Mathematics, Higher College of Technology, Muscat, Sultanate of Oman. She gave a talk on importance of science and ethics necessary to keep the field in proper direction. After the talk Dr. Ravi Kiran introduced the Chairperson Dr. B. S. Ravikumar, Head Department of Botany and Environmental science AVK College for Women, Hassan. The participants were called according to the schedule for the talks

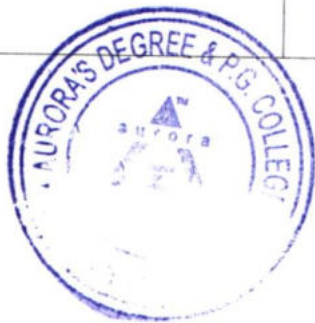

Program schedule

S.No	Name of the Participants	Name of the Institution	Topic	Time
1	B.V.S. Yasaswini & K. Bhanu Sree	Aurora's Degree & PG College	Ferroptosis as a novel form of regulated cell death: Implications on cancer treatment	10:00AM-10:10AM
2	Nida Fatima & Kamati Shivani	Aurora's Degree & PG College	Immunotherapy for colorectal cancer	10:10AM-10:20AM
3	T. Pranathi Reddy & R. Sudha Gayathri	Aurora's Degree & PG College	Antimicrobial Peptides – Prospectives and Projections	10:20AM-10:30AM
4	Adeeba Azeem & K. Nagamounika	Aurora's Degree & PG College	Role of biochemical markers in monitoring the COVID -19 patients	10:30AM-10:40AM
5	D. Sandeep Kumar & A. Sai Prasanna Kumar Reddy	Aurora's Degree & PG College	Health Informatics	10:40AM-10:50AM
6	R. Meghana & D. Swetha	Aurora's Degree & PG College	An insight into Gene Ontology Enrichment Analysis	10:50AM-11:00AM
7	Kota Vamshi & Konda Ravindra Prasad	Aurora degree and PG college	Artificial intelligence	11:30AM-11:40AM
8	Pasham Bhupal Reddy & Kalali Rajashekar Goud	Aurora degree and PG college	Nano Technology	11:40AM-11:50AM
9	Kavali Balraj	Aurora degree and PG college	IoT	11:50AM-12:00PM
10	ODELA PRIYANKA & Tammanaboina Navya	Aurora's Degree & PG college	Predicting Wildfires	12:00PM-12:10PM
11	Kadam Chandrika Bai	Aurora Degree & Pg college	Smart Phone usage among college going students	12:10PM-12:20PM
12	Angoth kalpana & Marikanti Santhosha	Aurora's Degree & PG college	Mathematics : A key driver in solving economic challenges	12:20PM-12:30PM

[Handwritten Signature]

13	Parnandi Sushmitha, Durgam.Rajeshwari & Eppakayala Prasannalaxmi	Aurora's Degree & PG college	Graph theory and its applications	12:30 PM- 12:40 PM
14	R. Sravanthi & D. Madhurya	Aurora's Degree & PG College	Next Generation Sequencing to Diagnose Genetic Disorders	1:00PM-1:10PM
15	N. Teja & Anandamma	Aurora's Degree & PG College	Innovative strategies for the drug delivery in cancer therapy by using Glycans as targets	1:10PM-1:20PM
16	P. Sai Soumya & K. Sowjanya	Aurora's Degree & PG College	Therapeutic peptides : Current applications and future research	1:20PM-1:30PM
17	Y. Anusha & M. Sravani	Aurora's Degree & PG College	DOSE – Hack and be Happy	1:30PM-1:40PM
18	M. Susmitha & G. Shravya	Aurora's Degree & PG College	Role of Molecular Biology in Cancer treatment	1:40PM-1:50PM
19	Afreen Khatoun & G. Anna Angel	Aurora's Degree & PG College	Sudden Evolutionary changes in Flowers	1:50PM-2:00PM
20	K. Balaji & G.Nagaraju	Aurora's Degree & PG College	A Comparative Analysis for the Solution of Transportation Problem by Various Methods	2:00PM-2:10PM
21	Kadaveru Sravani. Ajumera Anusha Arkaari Durgarani	Aurora's Degree & PG College	Optimal solution of an assignment problem by Zero suffix method.	2:10PM-2:20PM
22	Talla Sowmya sri & Merugu Sathish kumar	Aurora's Degree & PG College	Role of Mathematics in Future Technology: A perspective from Cryptography	2:20PM-2:30PM
23	A. Srinivas Goud, Gudipally Sahith Reddy & K Akhil	Aurora's Degree & PG College	Contemporary methods in solving Ordinary Differential Equations	2:30PM-2:40PM

[Handwritten signature]

24	B.Yankanna & Nallabolu Shivakanth Reddy	Aurora's Degree & PG College	Importance of Probability in real life	2:40PM-2:50PM
25	Mankala Vaishnavi	Aurora's Degree & PG College	Food Grains Production -Paddy in Telangana	3:00 PM- 3:10 PM
26	Salveru Manasa	Aurora degree and PG college	Predicting Forest Fire	3:20 PM - 3:30 PM

Presentation Sessions

There were 26 oral presentations, and each presenter was given 10 minutes time including the question answer sessions. The presenters had put lot of effort. The papers were on various areas in fields ranging from biochemical hormones to artificial intelligence. There were four best presentations selected among the oral presentations by the chairperson. They were given certificate of excellence by Principal Dr. Viswanadham Bulusu in person. The presentations went on smoothly without any technical difficulty. The participants gave positive feedback and appreciated the organizers for giving a platform to share their research work. The participants were able to gain knowledge by networking with different presenters and they were exposed to various fields apart from their field of interest.

The purpose of organizing this E-Seminar i.e., celebrating national science day by active discussion, was completely achieved. It gave the organizers an immense satisfaction that an activity which contributed for a wholesome learning experience was conducted.

We thank one and all for making the E-Seminar a grand Success.

A Detailed Report
On
Workshop
On the occasion of "Transistor Invention Day"

NAME OF THE EVENT	Workshop On the occasion of "Transistor Invention Day"
TYPE OF EVENT	Department level
FACULTY INCHARGE	Dr. L Radhika Rani, P Poornachander
DEPARTMENT	Electronics
DATE	16 th December, 2021
VENUE	Aurora's Degree and PG College, Chikkadpally
TARGET AUDIENCE	I B.Sc., M.E.Cs

PROGRAM SCHEDULE: 16th December, 2021 from 9:30 am to 4 pm.

- Session 1: Theory session on "Basic components "
- Session 2 : Designing a Circuit
- Session 3 : Assembling the components on General PCB board
- Session 4 : Soldering of components
- Session 5 : Testing the Circuit

VENUE: Aurora's Degree and PG College, Chikkadpally

LIST OF FACULTY COORDINATORS:Dr. L Radhika Rani, P Poornachanderdepartment of Electronics.

LIST OF THE STUDENT COORDINATORS: ----

LIST OF THE PARTICIPANTS:

S.No	Roll No	Name of the Student
1	1051-21-474-002	Mohammed Ghouse Pasha

20	1051-21-474-034	Sai Datta Manish

PARAGRAPH ABOUT THE PROCEEDINGS

Introduction of the Event:

Department of Electronics organized a One day Workshop on “Design and Development of Clap Switch using LED Light” for B.Sc., 1st Year M.E.Cs Students

The Workshop is designed such that students learn subject in detail apart from their regular curriculum. The workshop provides more practical knowledge to the students in designing electrical circuits.

In this workshop students designed “Clap Switch using LED Light”, is an electronic circuit that switches ON and OFF when some person claps near the circuit.

Methodology:

Department of Electronics, Aurora's Degree and PG College conducts this event with great enthusiasm every year. This year workshop was conducted on Design and Development of Clap Switch using LED Light” for B.Sc., 1st Year M.E.Cs Students by Mr. Hamed Raza Director, Innovative technologies, Hyderabad.

The program was conducted in Electronics lab from 09:30 to 04:00pm. Mr. Hamed Raza explained about basic components in electronics and importance of transistor in session -I.

He also explained Designing of simple electronic circuits and designing of clap switch. In practical session he explained how to assemble components on PCB and how to soldering the components. After completion of design and soldering he tested the circuit.

Totally 20 Students from 1st year M.E.Cs participated and feedback from the participants was also highly positive. The students expected the same type of workshop in future as well.

INCOME AND EXPENDITURE :

Income collected from students: $500 \times 20 = \text{Rs}10000/-$

Kit and certificate : $485 \times 20 = \text{Rs}9700/-$

Lunch for the guest: Rs 300/-

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

The Event has been scheduled on 23&24 Dec 2021 at 1.00 pm at Computer lab Main Block

Students have been informed about the event as we have taken registrations on 20th of December so that interested students can register.

Day1:23/12/2021

The event has been started at 1.00 pm where about 10 students have attended the workshop Speaker Prakash G has explained various components of computer and their functions, he explained how to assemble each component. Later on, students were given individual components and asked them to assemble students were able to assemble components on their own and they came to know about functionality of each component and what is the role of component for a system to work

Day2:24/12.2021

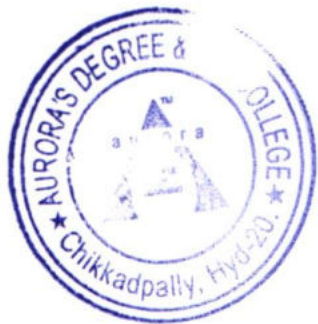

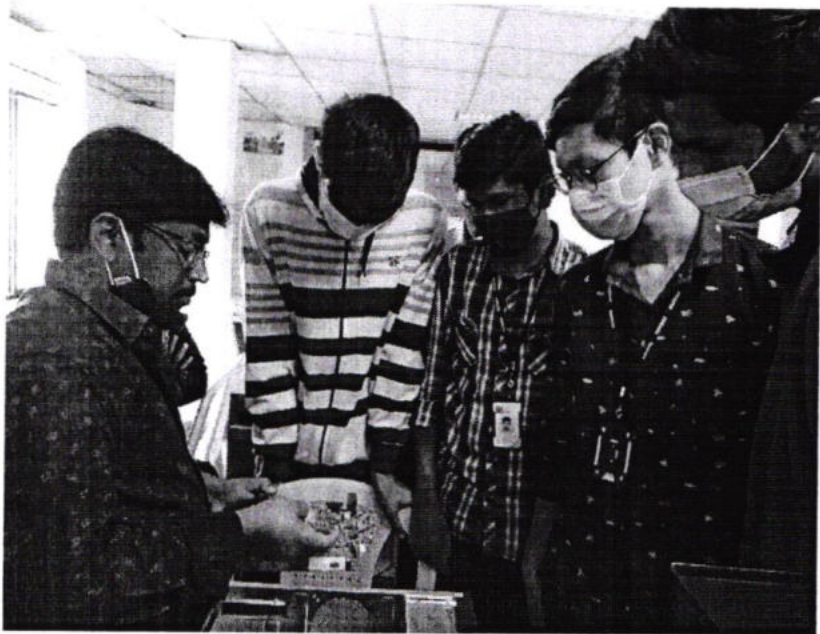

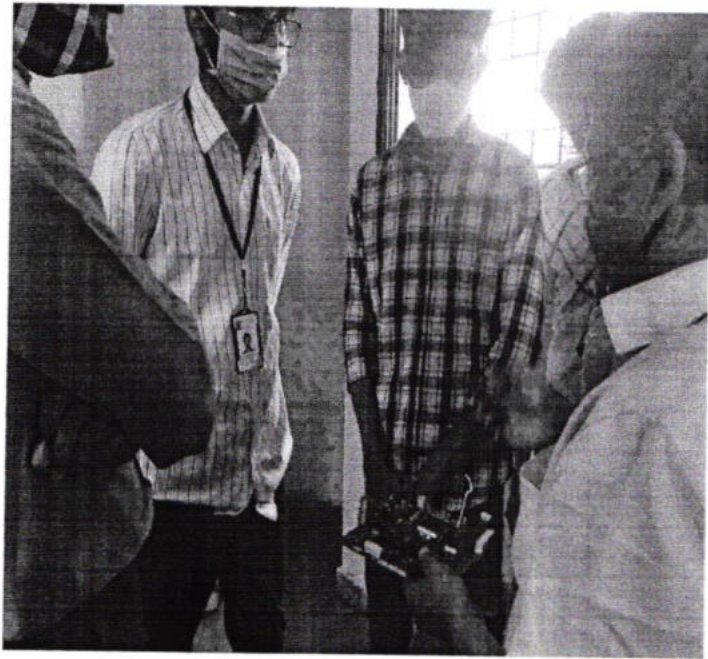

On day 2 about 40 students have been turned up and the speaker has explained about components and their integrations

6. INCOME AND EXPENDITURE :Nil

DATE	28-10-2021 to 30-10-2021
VENUE	Aurora Degree and PG College
TARGET AUDIENCE	Faculty and Research Scholars

1. **PROGRAM SCHEDULE:** A three day workshop in R Programming in collaboration with SDS and UNP Team

DAY 1:

- Opening session : J.Vinita
- Prayer song & lighting of lamp
- About the work shop : K. Parimala Diana Sudhir
- Inaugural Address by Convener Dr. Viswanadham Bulusu ,Principal
- Address by President (SDS): Dr. N.CH. Bhatra charyulu
- Address by General secretary (SDS) : Dr. M. Raghunadha Archarya
- Address by Treasurer (SDS) : Dr. G. Jayasree
- Tea break
- Workshop session 1: R programming by Dr. N.CH. Bhatra charyulu [President (SDS) and head, Dept. of statistics, OU] on Data Visualization and Descriptive Statistics.
- Lunch
- Workshop session 2: R programming Practice Session

[Handwritten signature]

DAY 2:

- Opening session : J.Vinita
- Inaugural Address
- UNP Director Address: Amarendra Vajjhala
- Workshop session 1: R programming by Dr. B.G. Manjunath [Assistant Professor, School of Mathematics and Statistics, University of Hyderabad] on Parametric and Non Parametric tests
Tea break
- Workshop session 2: R programming by Dr. B.G. Manjunath [Assistant Professor, School of Mathematics and Statistics, University of Hyderabad] on Parametric and Non Parametric tests
Lunch
- Workshop session 3: R programming by Dr. B.G. Manjunath [Assistant Professor, School of Mathematics and Statistics, University of Hyderabad] on Parametric and Non Parametric tests

DAY 3:

- Opening session : J.Vinita
- Workshop session : R programming
- a)Forenoon Session : Ms. Kasturi Bardhan [Data Scientist]
Tea break
- b)Afternoon Session: Mr. Vivek Kalyanarangan [Data Science Leader, UNP Founding Member]
Lunch
- For Valedictory session
- Address by Joint secretary: Pramod Reddy [SDS]
- Address by UNP team: Amarendra [UNP]
- Vote of thanks: K. Parimala Diana Sudhir

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT) :

Objective: The objective is to gain knowledge in Statistical modelling using R which is also introduced at UG Syllabus this year .

Date: 28-10-2021 to 30-10-2021

Brief about the event: This event was organized from 28-10-2021 to 30-10-2021 , (Thursday to Saturday) for Faculty , Research Scholars from Telangana . It was a 3 day session .

Day 1:

It started with opening session by J. Vinita, Senior Assistant Professor, Department of Statistics followed by a prayer song and lighting of lamp . Post this , K. Parimala Diana Sudhir , Head , Dept of Statistics briefed the participants about the workshop . There was an inaugural address by Convener Dr. Viswanadham Bulusu , Principal of Aurora's Degree and PG College . Sir , spoke about the importance of Statistics in every field . After the inaugural address , the session was taken over by Dr.N. Ch. Bhatracharyulu , President , SDS and by Dr.G. Jayasree , Treasurer, SDS . Both highlighted the importance of R programming . Post this , speaker of day 1 , Dr.N.Ch.

[Handwritten signature]

Bhattacharyulu explained about descriptive statistics concepts and Data visualization using R Software . The participants practised the same after the lunch in session 2 .

Day 2:

It started with opening session by J. Vinita, Senior Assistant Professor, Department of Statistics followed by address by Amarendra Vajjhala ,UNP Director . Post this , speaker of day 2 , Dr.B.G. Manjunath , Assistant Professor from School of Mathematics and Statistics , University of Hyderabad explained about Correlation and Regression using R Software in Session 3 . The session 4 was about the parametric tests and session 5 about non parametric tests .

Day 3:

It started with opening session by J. Vinita, Senior Assistant Professor, Department of Statistics followed by address by Amarendra Vajjhala ,UNP Director and Dr. Saptarshi Das , Co-founder , UNP . Post this , speaker of day 3 , Mr.Vivek Kalyanarangan , Data Science Leader , UNP founding member explained about the Design of experiments using R Software in Session 6 . The session 7 was about the time series using R software by Ms.Kasturi Bardhan , Data Scientist and session 8 about Statistical Quality Control by Dr.Saptarshi Das , Co-founder , UNP . There was a valedictory session addressed by Convenor , Dr. Viswanadham Bulusu followed by Pramod Reddy , Joint Secretary , SDS and Amarendra , Director , UNP . The key point was to understand the expansion of statistics field into various areas and applying R software . The Participation certificate was distributed to all participants by Dr. Viswandham Bulusu convener , and Pramod Reddy , Joint Secretary , SDS . Finally , vote of thanks was given by K Parimala Diana Sudhir , Co-convener , Head , Dept of Statistics to all participants .

OUTCOME: The participants were enlightened about the R programing to be applied at UG level.

INCOME AND EXPENDITURE :

23-10-2021

To,
The Principal,
Aurora's Degree and PG College, ..

Subject : Request for Sanctioning of Budget for Workshop - Reg.

Respected Sir,

The Department of Statistics in collaboration with SDS and UNP Team is organizing a 3 day Workshop on R Programming on October 28th, 29th and 30th 2021.

In this regard, the total expenditure statement is prepared for 30 participants and the amount incurring is 33,200/- . The expected amount is around 15,000/- from 30 participants (30*500/-).

The balance amount is 18,200 /- . The available balance with the department is 4000/- from previous event.

Hence, I request you sir , kindly sanction $(18,200-4000) = 14,200$ /- for smooth conducting of the workshop .

Your's faithfully,

K. Parimala Diana 

Head, Dept of Statistics

Budget

Workshop on R Programming in collaboration with Society for Development of Statistics (SDS)

A Three day workshop is conducted on 28th, 29th & 30th October 2021

Proposed Budget :

1. Honorarium for guest	: 10,000/-
2. Lunch	: 18000/-
3. Kit	: 1200/-
4. Banners, Brochures & certificates	: 1000/-
5. Miscellaneous	: 1500/-
6. Tea & Biscuits	: 1500/-
Total	: 33200/-
Expected No. of Participants	: 30
Source of income (Registration)	: 15000/- (@ 500 per head)

[Handwritten signature]

Workshop on R Programming in collaboration with Society for Development Statistics (SDS) *Actuals*

A Three day workshop is conducted on 28th, 29th & 30th October 2021

Expenditure:

1. Honorarium for guest	
2. Lunch	: 13,000/-
3. Kit	: 14,600/-
4. Banners, Brochures & certificates	: 1640/-
5. Miscellaneous	: 820/-
6. Tea & Biscuits	: 420/-
Total	: 31,930/- ✓
No. of Participants	: 36
Source of income (Registration)	: 17500/- (at 500 per head) ✓

Registration fee collected 17,500
 Amount b/s from previous event surplus } 4,000
 Available funds → 21,500
 Actual exp. of FDP 31,930
 Deficit → 10,430

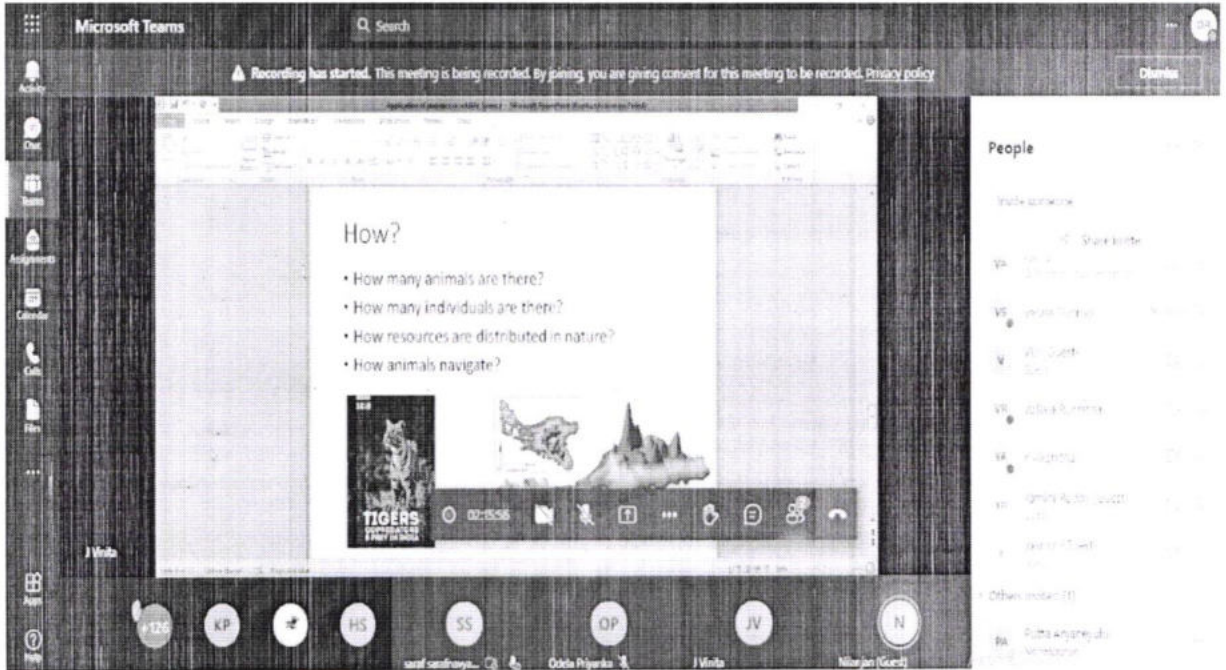

Beal accountant pay an amount of ₹ 10,430 (Ten thousand four hundred and thirty only) to HS. K. Rajinul Dhanu Suddhi, HOD, Dept. of Statistics towards FDP.

About the Institution:

Aurora's Degree & PG College is Accredited by NAAC with "B++" Grade. The College has wide reputation for its quality of teaching & learning and a holistic approach towards grooming the students. The Institution believes in all round development of a student. The development of the learner is directly dependent on the development of a teacher. The College promotes all kinds of academic activities which facilitate the growth of a teacher and a learner. Aurora's Degree College was established in the year 1989. It has a remarkable history of success stories to pool in its records. The College, affiliated to Osmania University, offers three years undergraduate course in different streams namely Management, Commerce, Physical Sciences, Life Sciences and Humanities.

About the Department:

The Department of Statistics has been upgraded from UG level to PG level in the academic year 2009, offering MSc Statistics course, which is the first affiliated college under Osmania University. Under the guidance of Professor (Late) Siva Rama Krishnaiah and Dr. Raghunadha Acharya, the department is grooming around 600 students at UG and PG level, providing research projects and Internship Programs for UG and PG students to cater to the demands of industry and take pride in contributing towards the success of students. The Department expanded with Applied Statistics at PG Level and Data Science Course at UG Level in the year 2020.

About the Workshop:

The workshop is being organized by the Department of Statistics and has been designed in-line with the syllabus of B.A./B.Sc. III Year (Semester V) Practical Paper - V (A): Applied Statistics-I using R-Software.

The workshop caters to Statistics faculties of Telangana Universities with the objective to give them a hands-on training in R-software as required for the Practical Paper (V). Over the 3 days, we will cover the syllabus as approved by the BOS in Statistics and complement each topic with data-driven examples and classroom exercises using R-software. Post workshop, the faculties will be well equipped and prepared to conduct the course for the students in their respective colleges.

The detailed content of the workshop has been provided. We look forward to having you part of the 3-day workshop and share an enriching experience along with us.

Speakers:

Day 1 :

28th October 2021

Time: 9:00 am to 3:30 pm

Dr. N. Ch. Bhatra Charyulu

Head, Department of Statistics, UCS,
Osmania University,
President, Society for Development of Statistics.

Day 2 :

29th October 2021

Time: 9:00 am to 3:30 pm

Dr. B.G. Manjunath

Assistant Professor,
School of Mathematics and Statistics
University of Hyderabad,
Ph.D, University of Siegen, Germany,
Post-Doc, University of Lisbon, Portugal

Day 3 :

30th October 2021

Time: 9:00 am to 12:00 noon

Ms. Kasturi Bardhan

Data Scientist Consumer Credit & Marketing Analytics,
Vice-President, Citibank North America, USA,
M.Sc Applied Statistics, IIT-Bombay.

Day 3 :

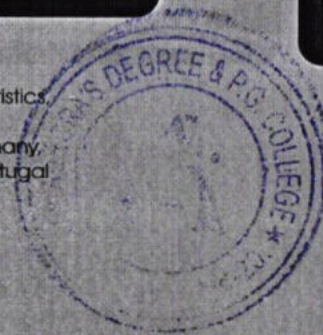

30th October 2021

Time: 1:00 pm to 3:00 pm

Mr. Vivek Kalyanarangan

Data Science Leader, UNP Founding Member,
Vice-President, IDFC First Bank, Mumbai,
B.Tech, WBUT.

4. LIST OF THE PARTICIPANTS (NAME , ROLL NO, CLASS & SECTION, NO OF GIRLS, BOYS, CASTE)
5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

The two day online Faculty Development Programme was held on 12th and the 13th October, 2021 at Aurora's Degree and P.G College, Chikkadpally, Hyderabad. The esteemed speakers addressing the audience were Dr. Rajakumar Guduru, Dr. Mrudula Lakaraju and Dr. K. W. Christopher.

Session-1

The first session of the Faculty Development Programme by Dr. Rajakumar Guduru has been a meaningful and an insightful session. Dr. Rajakumar emphasized on the use of technology in teaching English and the primacy being on the extent technology can be applicable and how to create opportunities within and outside the classroom, the challenges that are involved and the

[Handwritten signature]

impact on students as well as the educators teaching English. He highlighted the significance of using innovative and creative techniques in teaching and learning scenario. The session ended with the question hour making it an enriching and a transformative one, as the think tanks have collectively engaged in the exchange of ideas about the technology driven classrooms for global education.

Session-2

The second session on day one by Dr.Rajakumar focused on the Modern skills for Modern teachers as part of Professional Development. He emphasized on the importance of professional development as a continuous and dynamic process. It's a personal call and synonymous with personality development. The definition given by Barnett is apt as technology has become an integral part of curriculum and instruction. CPD or Continuous Professional Development is not just about attending various training programmes and participating in workshops and seminars but involves a lot of self-directed learning throughout one's career. Effective CPD increases efficiency and credibility of teachers and enhances knowledge and skills in addition to networking. The role of a teacher in the modern-day classroom is not just restricted to teaching. Integration of technology in teaching learning process is the need of the hour in this digital age. So Modern teachers are evolving as facilitators, expert communicators as well as mentors with skills for adaptability and collaboration. Teachers must move from the survival stage to innovative stage in the use of technology to engage student's attention learning in the classroom. As complacency is a threat to CPD, in conclusion we can say that teachers need to concentrate on technology focused professional development and enroll in some short term courses to update their knowledge.

Session 3

The Faculty Development Programme was held on 13th October, 2021 at Aurora's Degree and PG College, Chikkadpally, Hyderabad. It was conducted for all faculty involved in the teaching field. The speaker for this programme was Dr.Mrudula Lakkaraju, who worked in various areas of teaching and is currently working as Assistant Professor at Nizam College,O.U.

The title of this session was '**Changing Ideologies Of Feminism**' where the speaker spoke at length about Feminism. She began the session by defining what Feminism is. How it was perceived in the past and how its meaning has evolved over time. She then went on to explain 'The Three waves of Feminism', the events that led to it and also spoke about the impact each wave had on society, especially women. She also gave examples of great works of Literature in English.

The speaker then elaborated on the many methodologies and ideologies that centre on Feminism. She also enlightened us about Women's Writing and Women's culture. She later went on to talk about various Feminist Literary Criticisms and concluded her session with a Q & A session. The Question hour session was a lively and interactive one. Many participants raised questions which were well-answered by the speaker.

The session started off on an interesting note and held the attention of the participants till the end. It was a very informative session that provided knowledge in the most interesting manner. The speaker was very knowledgeable about the topic and led the session with finesse. The audience was very satisfied with the overall presentation of the session and gave us positive feedback. The session was very informative and enriching and helped influence many minds positively.

Session 4

The second and the final session of the two day Faculty Development Programme was presented by Dr.K. W. Christopher, currently working as an Associate Professor in the Department of English, University College of Arts and Social Sciences, Osmania University.

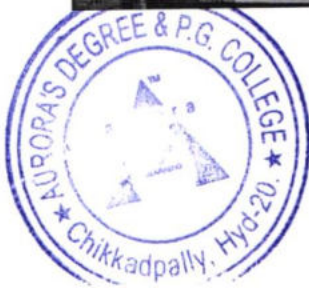

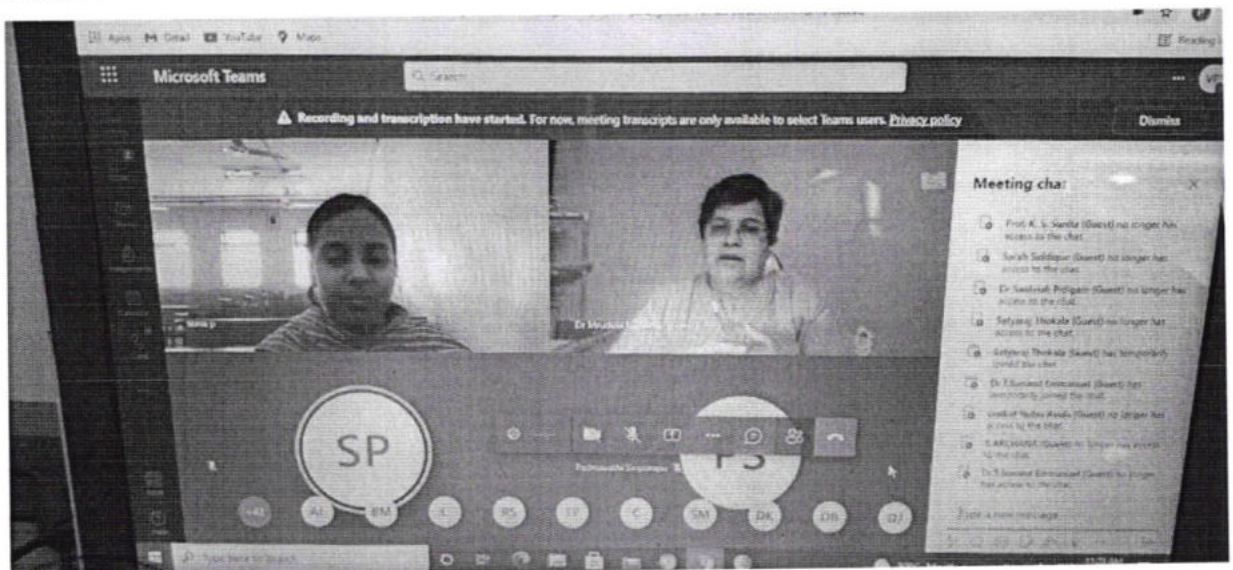

Dr. K. W. Christopher began the session by giving a brief explanation of what cultural studies is, he expounded the interdisciplinary nature and scope of cultural studies in English Literature. He went on to explain four ways of describing culture and also how cultural studies have an impact on literary studies. He implied that this in-depth understanding of cultural studies is necessary as it is a multi/post-disciplinary field of enquiry and can be associated with different fields of academic discipline. He further referred to various works of writers related to cultural studies.

The session was a very informative one as the speaker not only gave a clear bird's eye view of the topic but also made several well informed references of many influential writers' work which can be helpful in understanding cultural studies better.

Session 3

[Handwritten signature in green ink]

First Wave of Feminism

The Age of Enlightenment
 The Enlightenment included a range of ideas centered on the pursuit of happiness, sovereignty of reason, and the evidence of the senses as the primary sources of knowledge and advanced ideals such as liberty, progress, tolerance, fraternity, constitutional government, and separation of church and state.

Mary Wollstonecraft's work A Vindication of the Rights of Woman (1792)
 -Wollstonecraft responds to those educational and political theorists of the 18th century who believed that women should not receive a rational education.
 -She argues that women's education ought to match their position in society, and that they are essential to the nation because they raise its children and could act as respected "companions" to their husbands.

J. S. Mill's The Subjection of Women (1869)
 -Greatly influenced by his wife, Harriet Taylor, Mill argued that women should have equal rights with men, based on equal reason and education, an equal right to work and to vote.
 -There was no rational reason why the uniqueness of women in having children should lead to their being denied equal rights with men.

Women's Writing and Women's Culture

A cultural theory acknowledges that there are important differences between women as writers, class, race, nationality, and history are literary determinants as significant as gender. Nonetheless, women's culture forms a collective experience within the cultural whole, an experience that binds women writers to each other over time and space.

PowerPoint Slide Show - [CULTURAL STUDIES] - PowerPoint

Cultural Studies does not speak with one voice, it cannot be spoken with one voice, and we do not have one voice with which to represent it.

It is historically and contextually specific—British, American, Australian etc

Multi/post – disciplinary field of enquiry

Cultural studies is political .It seeks to make the connection to matters of power and culture.
That is, to an exploration of representations of and "for" marginalized social groups and the need for cultural change.

Cultural studies is a body of theory generated by thinkers who regard the production of theoretical knowledge as a political practice.

knowledge is never a neutral or objective phenomenon but a matter of positionality, that is, of the place from which one speaks, to whom, and for what purposes.

7. GUEST PROFILE (IF ANY)

1. Dr. Rajakumar Guduru

Assistant Professor
 School of Humanities, Social Sciences & Management
 IIT Bhubaneshwar.

Degree	Discipline	Year	School
120-Hour TESOL / TEFL Certificate	English as a Foreign Language (EFL)	2021	World TESOL Academy
Ph.D. English	English Language Teaching (ELT)	2011	English and Foreign Languages University
M.Phil. English	English Language Teaching (ELT)	2007	English and Foreign Languages University
M.A., English	Teaching of English as a Second Language (TESL)	2006	Central Institute of English and Foreign Languages (CIEFL)
B.A., English	Special English	2004	Andhra Loyola College, Vijayawada

[Handwritten signature in green ink]

Currently teaching

English for Communication; Scientific and Technical Writing; Introduction to Literature; Global Communication; Learning English for IITians at bubhaneshwar.

RESEARCH INTERESTS

Developing Critical Vocabulary of ESL Learners; Cognitive Reading Skills; Second Language Acquisition; Teacher Education and Development; Communication Skills; Technology and Language Learning;

Journals- Dr Rajkumar has published many notable articles in national n international journals.

Sir Presented noteworthy papers on varied topics n addressed key issues in ELT at National n International conferences n a key note speaker in many workshops, webinars n faculty development prgs at national n international platforms as well also he is actively involved in organizing n conducting workshops in prestigious organizations.

Dr. Rajkumar garu has distinctive achievements n laudable Academic

honours n rewards to his credit

Fr. Gordon's Best Student Award in B.A., First Year at Andhra Loyola College Vijayawada.

A recipient of an Award for Commendable Teaching, Academic Year 2018 - 2019.

Award for Teaching Excellence, Academic Year 2019 - 2020.

Teaching Excellence Award for consistently best performance in teaching, Academic Year 2020 - 2021.

Received much coveted DAAD-Fellowship to visit Germany

Also Rajiv Gandhi National Fellowship also received

Ford Foundation Fellowship n

EFL University Grant for attending International Conference in Malaysia

2. Dr K W Christopher

Dr K W Christopher is Associate Professor, Dept of English, University College of Arts and Social Sciences, Osmania University.

He was university topper and Gold Medalist in MA (Osmania) and has an M.Phil(on Raymond Williams) and PhD (in Literary theory and cultural studies) from Osmania. University.

Before joining Osmania University, he was Principal of University College, Mahatma Gandhi University, Nalgonda.

Dr Christopher worked as Asst Professor of English at Misrata University, Libya in 2006-7.

He has published a book titled *Rethinking Cultural Studies*, Rawat Books (2015)

and has published in reputed international journals including:

Interventions: International Journal of Postcolonial Studies (Routledge UK)

Journal of Commonwealth Literature (SAGE, UK).

and national journals such as *Indian Literature* (published by Sahitya Akademi, Delhi)
He is also a reviewer for *Journal of Commonwealth Literature* (SAGE, UK)
Dr Christopher's research interests include, Cultural Studies, Literature and Music, Film, Dalit Studies, African American Studies, Colonialism-postcolonialism, translation with a focus on Dalit and Christian contexts.

3. **Dr Mrudula Lakkaraju** an alumnus of Osmania University, topped the university in MA (English) in the years 1994-1996. She pursued a Post Graduate Diploma in English Studies (PGDES) from EFL University. She was also awarded a PhD in October 2009.

She started her career at Vijay Rural Engineering College in 1998 and joined Osmania University in the year 2013. She is presently posted at Nizam College (OU).

Dr Mrudula is the 'Chief Editor' of International Journal of English: Literature, Language and Skills. She has brought out 48 issues till date. She recently published her book *Perspectives on Literature and Film*, which is a compilation of 14 research articles in September 2020. She has presented 20 papers in International conferences, 10 papers in National Conferences and published 32 papers in various International Magazines and journals. She has also contributed nearly 30 articles to 'Trainers Forum', which is a national group of trainers with more than 5000 members.

She has conducted 30 workshops as a resource person. She has completed a 3-month online course on research methodology from CCRM and has secured a silver medal. She was awarded the best paper at ICOAH 2018 & 19 Conferences, held at Colombo, Srilanka and Kuala Lumpur, Malaysia. She has attended the Autumn School of Critical Theory conducted by St Berchman's College, Kerala in association with The University of Wales, Trinity, Saint David. Her Facebook page '@thevisualcritique' has 49 write ups and has garnered interest among non-academic readers on decoding films as a visual text. Her areas of interest are English Drama, Postcolonial Literature, Gender Studies, Film Studies, English Language Teaching, Contemporary Literature and Communication Skills.

I would now like to take this opportunity to invite Dr. Mrudula Lakkaraju to share her knowledge and enlighten us on 'The Changing Ideologies of Feminism.'

Thank you.

8. FEED BACK IF ANY

There was good feedback with 90% saying that it was extremely informative. A few samples: All the sessions are completely Interesting and interactive

It was very informative. Hope more opportunities in future.

Some training sessions might have conducted and sharing the pots

1. PROGRAM SCHEDULE

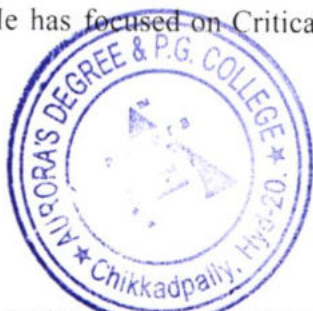

Every day 10 am to 12.00 pm

Detail Report on: "AI&ML Based Technologies in Biology"

In connection with the college development activities, with the constant support and encouragement of the management and our dynamic principal Dr. Viswanatham Bulusu, The Department of Biochemistry organised FDP a 2-day lecture series on "**AI&ML Based Technologies in Biology**" for the benefit of the Students, Research scholars, Faculty and other Participants from various parts of the country from 22nd & 23rd October 2021.

Day- I

The Session was started by an introduction speech by Dr. V. Nagavani, Sr. Assistant Professor of Biochemistry. Further a brief introduction was given about the speaker by Dr. V. Nagavani, Sr. Assistant Professor of Biochemistry. Following that, the speaker Prof. Arnold I Emerson from Vellore Institute of Technology, Vellore, Tamilnadu started the session. Being an expert in teachers training, Prof. Arnold I Emerson has engaged the online attendees in an interactive session. He has focused on Critical thinking & how do we need to implement it in our work

area. Prof. Arnold I Emerson has also highlighted the various steps involved in the research process including structural bioinformatics, computational biology and complex network analysis. etc. He also explained about the algorithms. This was also been made as an activity in between the session on this day. Many listeners have come up with a new way to create their own questions based on a wide range of topics and restricted topics. Finally, this is an informative and interactive meeting by Prof. Arnold I Emerson, which has taken the audience into the new world of the research era.

The session progressed smoothly for more than an hour with more than 30 participants. At the end of the session the speaker interacted with the participants, clarified their doubts with his commendable expertise.

The session was concluded after extending the vote of thanks. Then the feedback form was issued to receive the suggestions from the participants which would help us to assess our session.

Day -II

In continuation of the lecture series, the Day – II session was started with the introduction speech by P. Sangha Mokshavi, Assistant Professor of Genetics. The speaker started the session by reviewing the topics of day before. Mukesh Doble, Professor in the Department of Biotechnology at IIT Madras was the key speaker on day two of FDP i.e on the 23rd October 2021. Prof. Mukesh Doble emphasized on advances on Drug design, Biomaterials, Bioreactors and Bioremediation. The talk primarily focused on algorithms and neural networking. Prof. Mukesh Doble elaborated how neural networking is applied into different aspects of drug discovery and explained various drug relative studies.

Later the session was concluded by extending a vote of thanks. Then the feedback form was issued to receive the suggestions from the participants which would help us to assess our session.

The session was informative and more explorative in nature.

2. LIST OF FACULTY COORDINATORS (DEPARTMENT)

S.No	Name of the faculty	Department
1	Dr. V. Nagavani	Biochemistry
2	P. Sangha Mokshavi	Genetics

3. LIST OF THE STUDENT COORDINATORS (NAME , ROLL NO, CLASS & SECTION): Nil

4. LIST OF THE PARTICIPANTS (NAME , ROLL NO, CLASS & SECTION, NO OF GIRLS, BOYS, CASTE)

DAY-1

S.No	Name	Designation	Affiliation
------	------	-------------	-------------

[Handwritten signature]

1	Mr. Avinash Kumar Mishra	Consultant	Freelancer
2	Miss. Koneru Jahnavi	Research Scholar	Osmania University
3	Prof. Prashant Adsule	Professor	Ajeenkya D Y Patil University- School of Hotel Management, Pune
4	Dr Smriti Bajpai	Assistant Professor	Bhavans Vivekananda College, Hyderabad
5	Mr.Gireesh Kumar.K.M	Assistant Professor	Mahe institute of Dental sciences
6	Dr. Stanly S	Assistant Professor	Sri Venkateswara College of Engineering
7	Mrs. Sona. Valsaraj	Assistant Professor	Mahe Institute Of Dental Sciences And Hospital
8	Ms. Sneha Adsule		
9	Dr.SHAIK KAREEMULLA	Assistant Professor	P. Rami Reddy Memorial College of Pharmacy
10	Dr. Sirisha	Associate Professor	LOYOLA ACADEMY
11	Dr R Ranjani	Associate Professor	Sri Venkateswara University
12	E.R.Sirisha	Lecturer	Smt.A.Shyamala Devi Degree college for women
13	K Geetha Rani	Lecturer	TSWRDCW KARIMNAGAR
14	A. Chandra mohan	Associate Professor	Bishop Heber College
15	Dr.G.Paul Devadanam	Assistant Professor	MVS Government Arts &Science College.MBNR
16	Prof Pardhasaradhi	Professor	St Piius x PG MBA College for women
17	Sai Surya Nikitha Upadhyayula	Research Scholar	JSS College of Pharmacy, Ooty
18	Dr Mamta sharma	Assistant professor	Raj Rishi government college alwar Rajasthan
19	C.Vanisree	Assistant professor	St.Pious X Degree &PG college for women
20	Dr. Sinha Ashutosh Kumar	Professor	Bharat Pharmaceutical Technology
21	M Mamatha	Assistant professor	Gokaraju Rangaraju College of pharmacy

[Handwritten signature]

22	Shalini singh	Research Scholar	Dr. Rammanohar Lohia Avadh University
23	Prerna Singh	JRF	King George's Medical University
24	Dr. B. Swapna	Academic Consultant	Vikrama Simhapuri University P. G. Centre, Kavali.
25	Mrs. Sunitha G	Associate Professor	Aurora's Degree and PG College
26	Mrs. Bindu G	Associate Professor	Aurora's Degree and PG College
27	Ms. Akhila Patel	Assistant professor	Aurora's Degree and PG College
28	Mrs. Hiranmayee G	Assistant professor	Aurora's Degree and PG College
29	Mr. Ashwin Kumar PSS	Assistant professor	Aurora's Degree and PG College
30	Dr. Leelamani Bathina	Associate Professor	Aurora's Degree and PG College

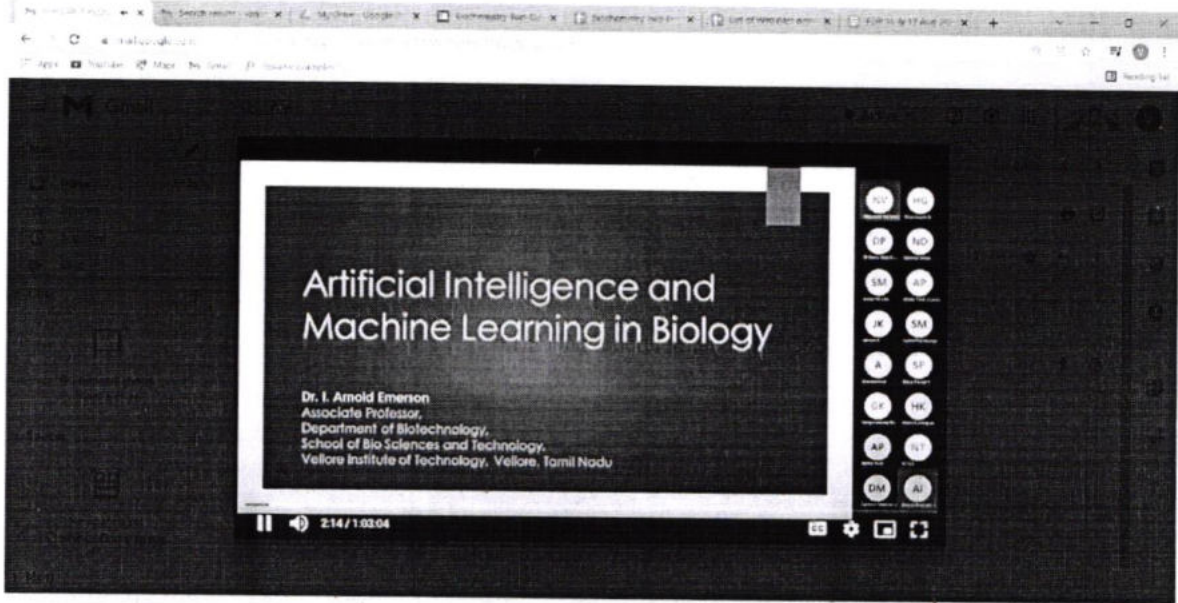

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

The event was spread across three days systematically to teach and discuss various steps involved in Artificial intelligence thought processing. Both the speakers Prof. Arnold I Emerson and Prof. Mukesh Doble had enlightened us about the recent advances that have been done in the field of drug discovery with the artificial intelligence with the help of machines like drones, IBM Watson and clever bot etc., and also enlightened about the neural networking of the brain and also about various technologies which are being implemented nowadays like CAMM Methodology. The importance of this in research area was also attached with some interesting real-life implementations. The event was very interactive as well; everyday attendees got to interact with the speaker, in turn gaining more knowledge and getting their doubts clarified. More than 30 participants took part in the event, making it a phenomenal success on both the ends.

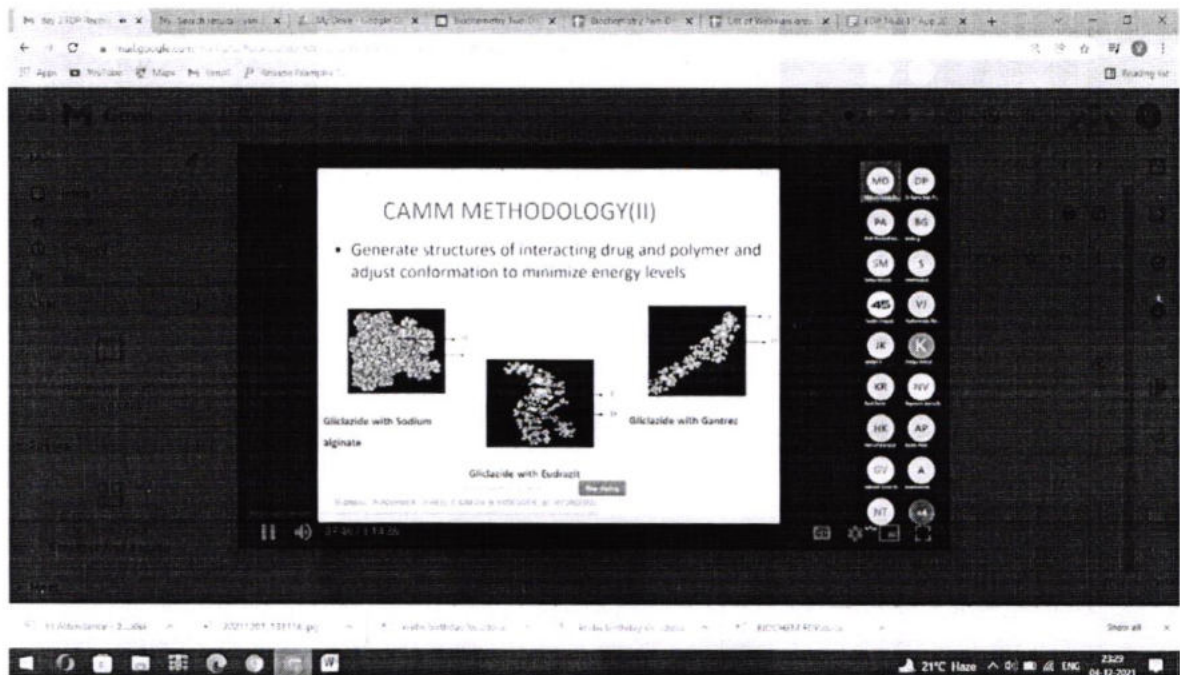

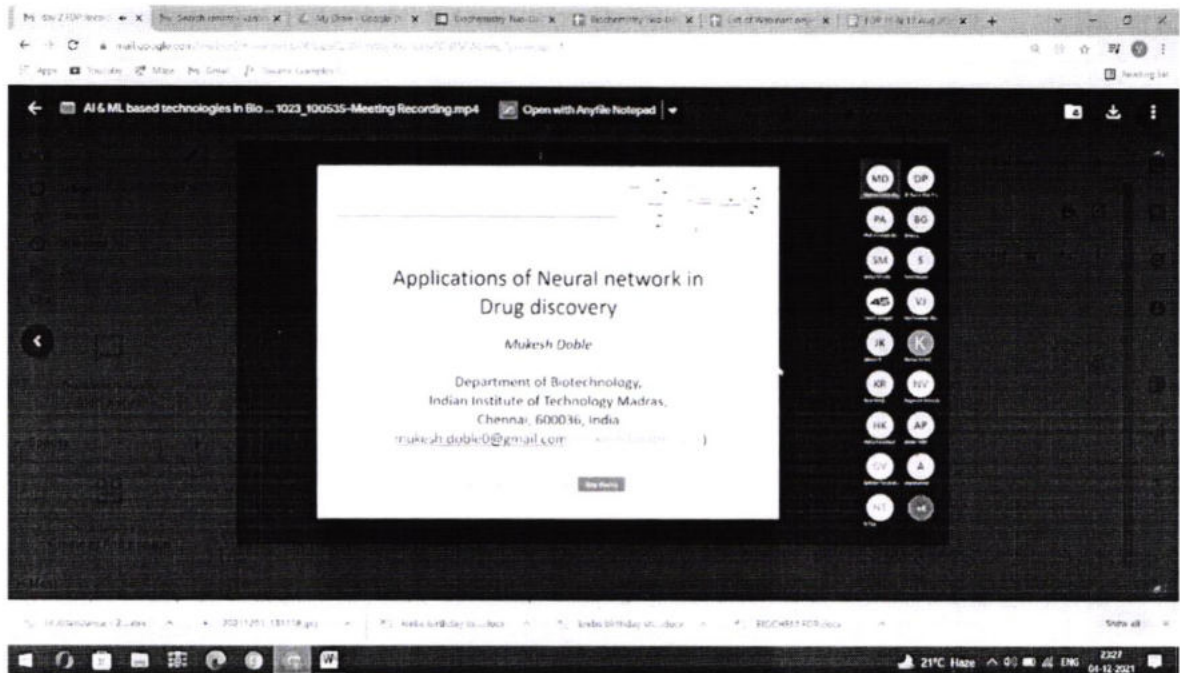

6. INCOME AND EXPENDITURE: nil

7. EVENT PHOTOS (MIN 2 MAX 4):

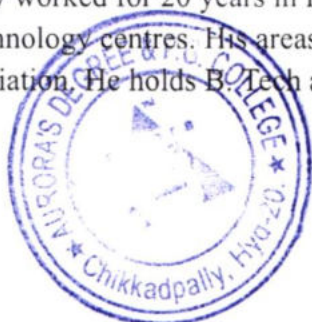

A handwritten signature in green ink, appearing to be "S. Srinivas", written over a horizontal line.

8. GUEST PROFILE (IF ANY)

Prof. Mukesh Doble

Mukesh Doble is a Professor in the Department of Biotechnology at IIT Madras. He has previously worked for 20 years in Imperial Chemical Industries (ICI) and General Electric (GE) Technology centres. His areas of interest are Drug design, Biomaterials, Bioreactors and Bioremediation. He holds B. Tech and M. Tech degrees in Chemical Engineering from IIT,

A handwritten signature in green ink, likely belonging to Prof. Mukesh Doble.

Madras and a Ph. D. from University of Aston, Birmingham, UK and postdoctoral from University of Cambridge, U.K., and Texas A&M, U.S.A.

He is a fellow of Royal Society of Chemistry, London and a recipient of Herdillia Award for "Excellence in Basic Research" from Indian Institute of Chemical Engineers and The Dow Professor M.M. Sharma Distinguished Visiting Professorship in Chemical Engineering" at Institute of Chemical Technology, Mumbai. He is in the editorial board of the journal CHEMICAL ENGINEERING (McGraw Hill publ) and Phytomedicine and a member of the American and Indian Institute of Chemical engineers.

He has authored and coauthored 500+ research papers, eight books and around 15 patents. He is a founding director of Theevanam Additives and Neutraceuticals p ltd.

Prof. Arnold I Emerson

Arnold Emerson Isaac is a senior associate professor at VIT University, Tamil Nadu. He has 15+ years of experience in teaching and academic research. He has received his PhD from the School of Bio Sciences and Technology at the VIT University, India. He obtained his post-doctoral studies at the Weill Cornell Medical College, Qatar.

He has more than 30 publications in reputed national and international journals. His core areas of work include structural bioinformatics, computational biology and complex network analysis.

9. **FEED BACK IF ANY:** As it on line session the participants given their opinion in the program and appreciated the organizing team

Chikkadpally, Hyderabad 500020
Department of Biochemistry and Genetics
EVENT PROPOSAL
for
Faculty Development Program

Event/Activity Name: Faculty Development Program

Event/Activity Title: AIML Based Technologies in Biology

Faculty coordinators: Ms. P. Sangha Mokshavi and Dr. V. Nagavani

Departments: Biochemistry and Genetics

Date: 22/10/2021 and 23/10/2021

Venue: Aurora's Degree and PG College, Chikkadpally, Hyderabad

Target audience: Faculty

Platform: Online- Microsoft Teams

Level: National

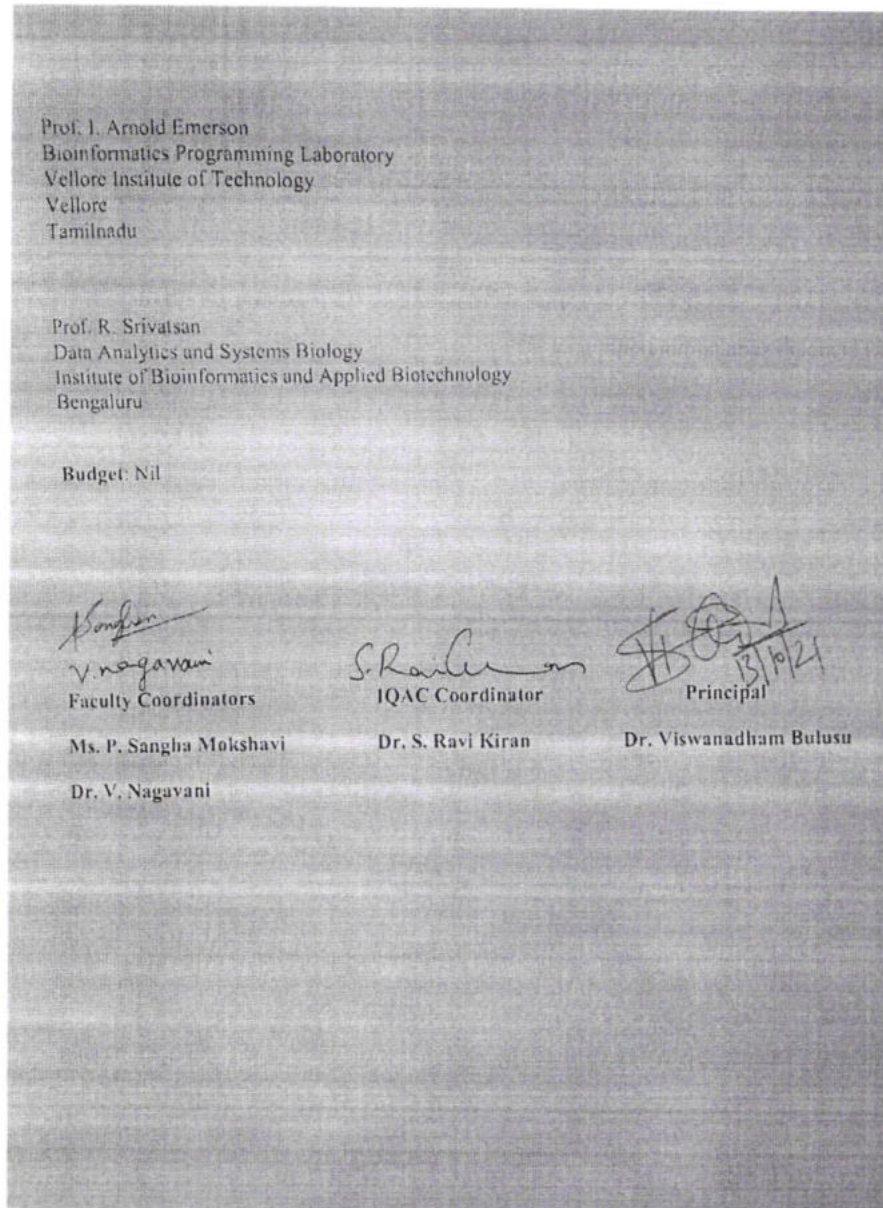

Objective:

- To create awareness about the applications of AIML in Biological Research and motivate them to take up research projects
- To enlighten faculty about the role of AIML in enhancing the speed, precision and effectiveness of human efforts.

Guest/Speaker details:

Prof. Mitesh Doble
Department of Biotechnology

Detailed Report
On
TWO DAY NATIONAL FACULTY DEVELOPMENT PROGRAMME
ON
"संस्कृत सौरभम्"

The two day National Faculty Development Programme on "संस्कृत सौरभम्" was organised by Department of Languages, Aurora's Degree & P.G College on the 11th & 12th of October 2021. Online via Microsoft Teams. Around 450 registrations took place from all over India, and more than 100 participants participated in this two day national faculty development programme.

Day 1 i.e on the 26th October, the programme began at 10:00 AM with the songs conveying the importance of Sanskrit for 10 minutes. Later the participants were welcomed and rules and etiquettes of online mode were instructed. After the instruction of rules, the programme began with a prayer by D. Harikrishna, faculty, Department of Languages. After the prayer, Head, Department of Languages had given her welcome speech and mentioned the objective of the two day national faculty development programme "संस्कृत सौरभम्". After briefing the programme Schedule, the guests were welcomed.

D. Harikrishna has taken over the proceedings of the programme. After the welcoming of the guests, lightening of the lamp took place with the help of a Song on Deepa prajwalan. After the lightening of the lamp, the first speaker of Day 1 session I, Dr. Krishna Sharma, Associate Professor & Head, Department of Dharma shastra, Central Sanskrit University, Agartala was introduced by D. Harikrishna. Dr. Krishna Sharma has spoken on "स्मृतिषु मानव धर्म विवेचनम्". Dr. Krishna Sharma has spoken about the dharmas in smritis, the importance of our acharas (rituals) and sampradayas (traditions) in our daily lives.

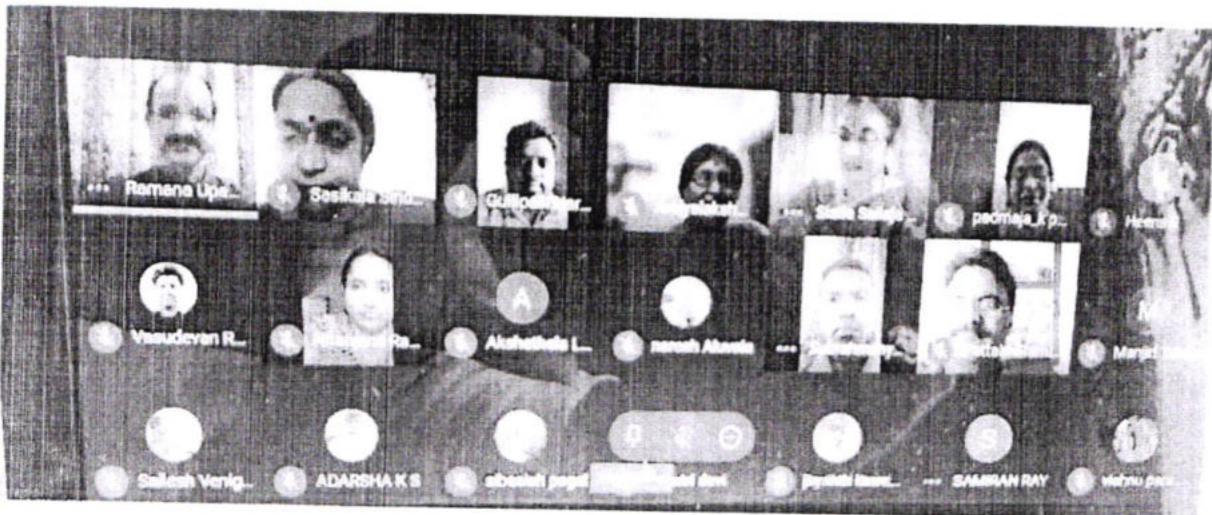

Later, question and answers session took place and the queries of the participants were clarified. D. Harikrishna has given a thanking note to Dr. Krishna Sharma and session I of Day 1 National Faculty Development programme was completed with a photo session.

DAY 2 :

Day 2 i.e. 12th October 2021 began at 10AM with prayer by D. Harikrishna. After the prayer, D. Harikrishna has taken over the proceedings and called upon Kireeti Bharadwaj, Department of Languages to introduce the speaker of the 1st session of Day 2, Shri Vasudevan Rajagopalan Iyyengar.

Shri Vasudevan Rajagopalan Iyyengar is a retired R&D Geo Scientist – H and Regional Director at Department of Atomic Energy, Government of India. He spoke about “Scientific Significance of Time Tested Vedic Rituals and Sanskritam”. After the speech, Kireeti Bharadwaj has put-forth a token of thanks for enlightening the participants on shastras, puranas, logic and reasoning, three gunas of nature (sattva, rajas, tamas), etc... Though the topic is vast, it was well educated in a nutshell.

After vote of, thanks Kireeti Bharadwaj has called upon Dr. K. Padmaja, Head, Department of Languages to render the vote of thanks. After Dr. K. Padmaja has rendered vote of thanks, a photo session took place. After the photo session, the two day national faculty development programme came to an end, which was appreciated and well received by the participants.

Aurora's Degree & PG College
(Accredited by NAAC with "B++" Grade)
Department Of Languages

Detailed Report
On
TWO DAY NATIONAL FACULTY DEVELOPMENT PROGRAMME
ON

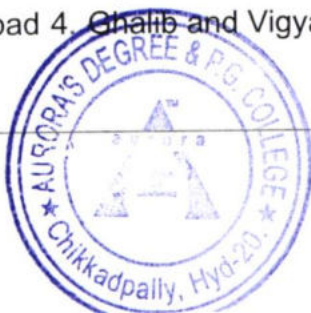

"हिंदी में अनुवाद, जनसंचार एवं पत्रकारिता"

The two-day National Faculty Development Programme on "हिंदी में अनुवाद, जनसंचार एवं पत्रकारिता" was organised by Department of Languages, Aurora's Degree & P.G College on 21st & 22nd of October 2021 via Online using Microsoft TEAMS. Around 250 registrations took place from all over India, and more than 60 participated in this two-day national faculty development programme.

Day 1 i.e on the 21st October, the programme began at 10:30 AM with the songs conveying the importance of Hindi for 10 minutes. Later the participants were welcomed and rules and etiquettes of online mode were instructed. After the instruction of rules, the programme began with a prayer Song. After the prayer, Head, Department of Languages gave welcome speech with the mention of objective of the two-day national faculty development programme "हिंदी में अनुवाद, जनसंचार एवं पत्रकारिता". After briefing the programme Schedule, the guests were welcomed.

Dr. Shivhar Biradar has taken over the proceedings of the programme. After welcoming the guests, lighting of the lamp took place with the help of a Song on Deepa prajwalan. After lighting of the lamp, the first speaker of Day 1, session 1 - Dr. Karan Singh Utwal, Department of Hindi Maulana Azad National Urdu University, Hyderabad was introduced by Dr. Shivhar Biradar.

Yashashvi Shri Karan Singh Untwal ji has 15 years of teaching experience. He is not only famous as a litterateur but is working as Head of Department and Professor of Maulana Azad National Urdu University. With his experience and writings, 26 national and international articles and six books have been published. Spme of them are - 1. Mushaira of Diljallon, 2. Theater and adaptation of the story 3. Rang Kosha of Hyderabad 4. Chaitanyam and Vigyan 5. Influence of Sanskrit Literature on Ritikaal Literature

[Handwritten signature]

6. Common Heritage of Hindi and Urdu. Apart from this, he has done short story on radio, Kab Tak, mosquito net, discussion on radio, drama as well as he has done research work for 19 M.Phil and 4 PhD scholars as a director. He is particularly interested in dramas.

Dr. Karan Singh Utwal has spoken on 'हिंदी में अनुवाद (Translation in Hindi). He stressed on what is translation, various types of translation and importance of translation in literature. He talked about the importance of Hindi Language, it's prospectus and has enlightened about how modernity has effected Hindi Translation,

Later, question and answers were taken and the queries of the participants were clarified. R.Heena has given a thanking note to Dr. Karan Singh Utwal and with that, session 1 of Day 1 National Faculty Development programme was completed with a photo session. Break for lunch was announced.

After lunch, second session of day 1 resumed. The rules of the online mode were putforth again for a smooth conduct of the programme by Dr. Shivhar Biradar. After the announcement of the rules, the speaker of the second session : Dr. Rupesh Kumar Assistant Professor, Department of Hindi & comparative Literature Mahatma Gandhi Antarashtriy Hindi Vishvavidyaalaya, Pune, was introduced by Dr. Shivhar Biradar.

Dr. Rupesh Singh ji with continuous teaching work at Hindi University since 2010, has successfully directed the research work of 22 Masters (M.PHIL) and four Vidyavachaspati (P.HD). Dr. Rupesh Kumar has presented his research work on the literary and historical beliefs of prominent Hindi litterateur Dr. Ramvilas Sharma and his historical perspective. He has obtained his research work from Allahabad University. In addition to research work, he has presented some books and special research papers in journals on various subjects. These days he is working as Assistant Professor in the Department of Hindi and Comparative Literature, Mahatma Gandhi International Hindi University, Wardha. Along with this, he is also performing the responsibility of assistant director. After the introduction of the speaker, the speaker began his talk.

After the speech, there was question answer session and the speaker had answered all the queires of the participants. Dr. Shivhar Biradar has given vote of thanks to the speaker for a wonderful, enlightening speech on " हिंदी में जनसंचार के माध्यम (Mass Communication in Hindi)" which has enriched the participants with many interesting points that were pondered upon. The session ended with a photo session. Day 1 National Faculty Development program on "हिंदी में अनुवाद, जनसंचार एवं पत्रकारिता" was successfully completed.

DAY 2 :

Day 2 i.e. 22nd October 2021 began at 2:00Pm to 3:30 Pm, with prayer Song.

After the prayer, Dr. Shivhar Biradar has taken over the proceedings and called upon Heena R to introduce the speaker of the 3rd session of Day 2, Dr. J. Atmaram Assistant Professor, Dept. of Hindi, Hyderabad Central University, Hyderabad to speak on हिंदी में पत्रकारिता का अर्थ परिभाषाएँ स्वरूप तथा उद्देश्य (Journalism in Hindi).

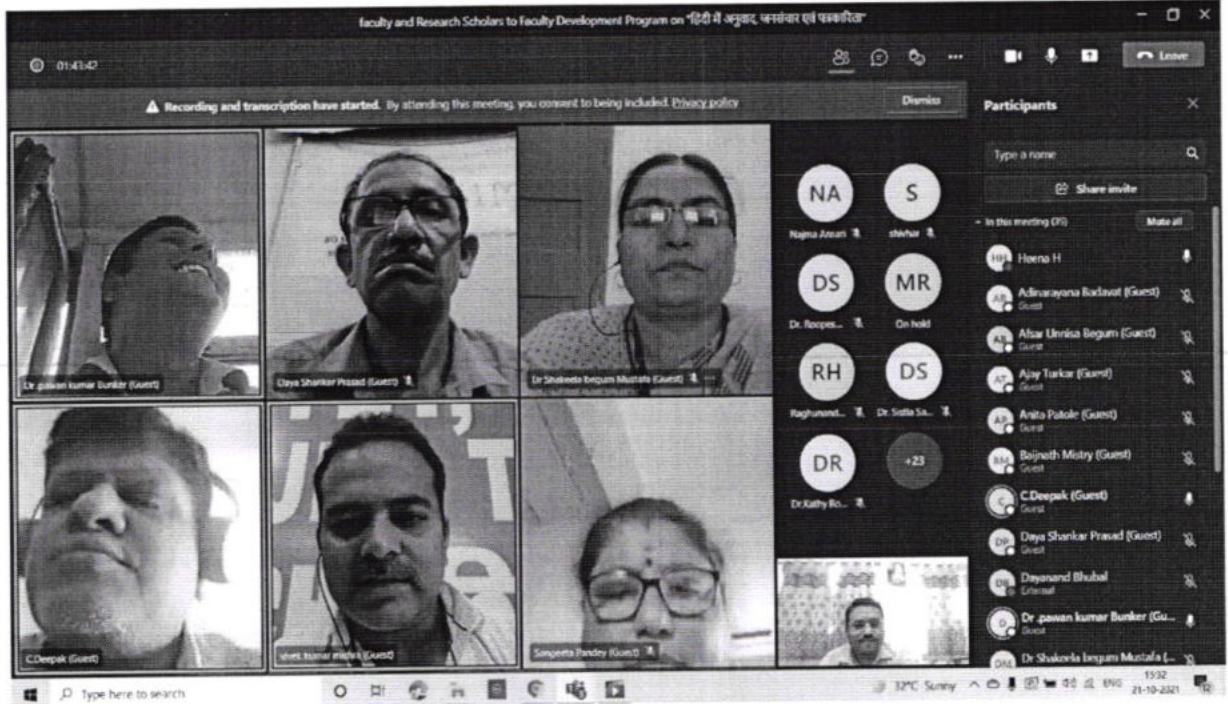

Dr. J. Atmaram Said Hindi language is not affection for anyone, it is expanding strongly. The speed of Hindi is expanding and increasing with a lightning speed. Very soon the expansion of Hindi will increase more than English (through Journalism in Hindi). Hindi became a sweet dialect. More than 80 crore people speak Hindi, and now it is on the third level and that day is not far away that it reaches the whole world. Social networking and literature are expanding simultaneously. In the modern era, Hindi Journalism and language is expanding very fast that is also being expanded through magazines. Such influential works enable increating interest in the language and understanding of the language.

After the speech, Dr. Shivhar Biradar has put forth a token of thanks for enlightening the participants on the different stages in the development of Hindi Journalism and though the topic is vast, it was well presented in a nutshell.

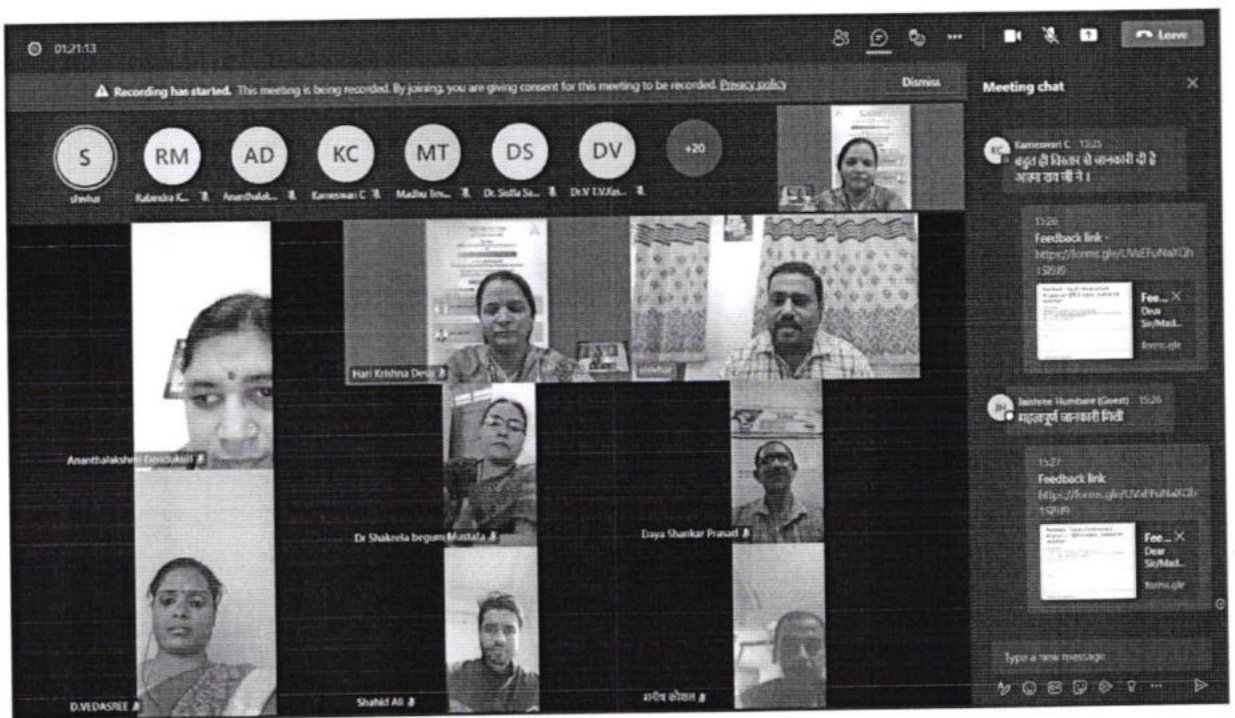

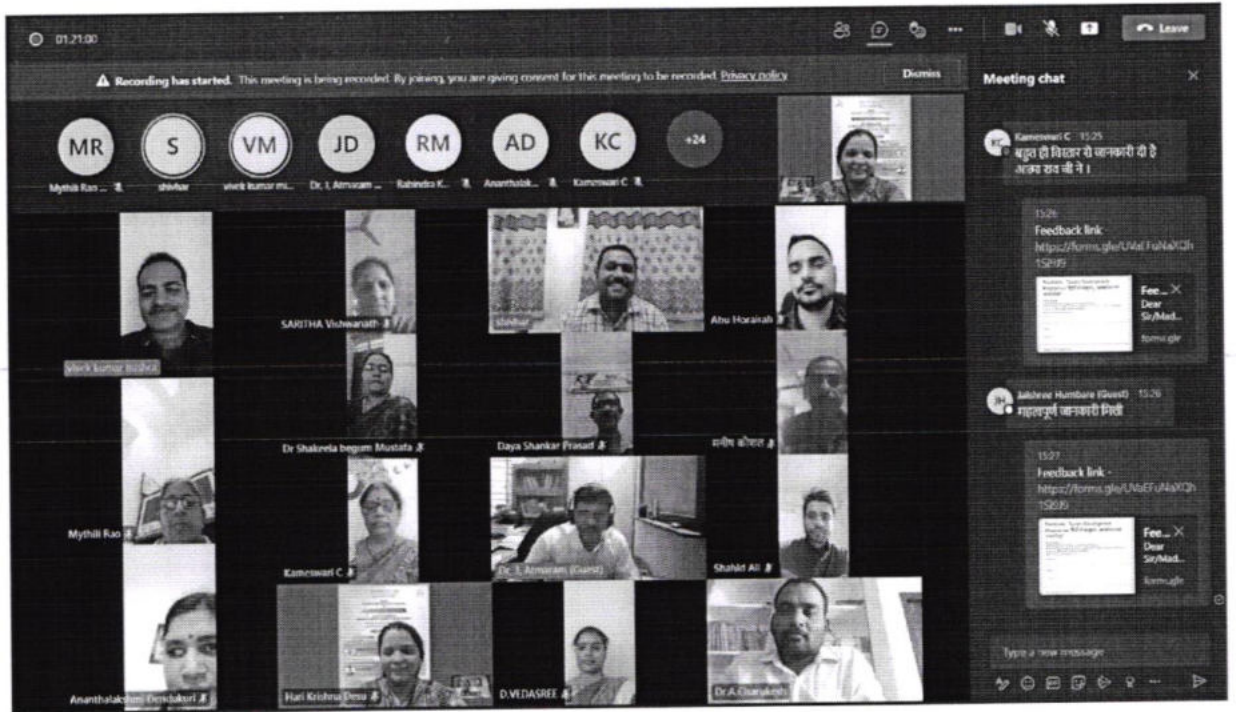

After the vote of thanks given by Dr. Shivhar Biradar., Department of Languages, a photo session took place. After the photo session, the two day national faculty development programme came to an end, which was appreciated and well received by the participants.

1. PROGRAM SCHEDULE

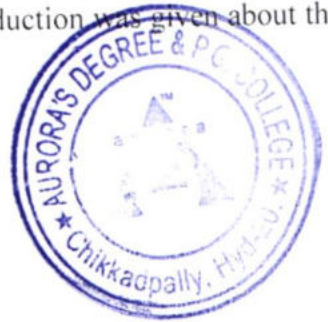

Every day 11 am to 12.30 pm

Detail Report on: "Statistical Thought Processing"

In connection with the college development activities, with the constant support and encouragement of the management and our dynamic principal Dr. Viswanatham Bulusu. The Department of Statistics organised FDP a 3-day lecture series on "Statistical Thought Processing" for the benefit of the Students, Research scholars, Faculty and other Participants from various parts of the country from 4th to 6th October 2021.

Day- I

The Session was started by an introduction speech by Ms. Parimala Sudhir HOD of Statistics. Further a brief introduction was given about the speaker by J. Vinitha, Sr. Asst. Prof Department

[Handwritten signature]

of statistics. The principal our college, Dr. Viswanathan Bulusu spoke about the FDP and expressed his ideas that the students, research scholars and faculty should learn application-oriented subjects from industry experts which will help them gain practical knowledge in turn upping the ante of their domain expertise. Further he also mentioned that the universities must introduce such type of subjects in the curriculum in updating the subject.

Following that, the speaker Dr. Thirupathi Rao Padi started the session by giving a brief insight on " Knowledge discovery" which plays an emphatic role in research. He also explained the different paradigms of changes like vision, skills, motivations, resources and action plan. He continued his explanation about theory and practices by citing examples. He said that in viewing the direction of research problems the knowledge and its growth depends on four 'E's i.e., Exposure, Experimentation, Experience and Empowerment. Which are circular in manner.

In continuation of his speech, he also explained about the valuable Resources like Money, Time, Water, Air, Knowledge and its types, seven generations of knowledge discovery (Sapthapathi). he also explained Research with common sense concept. Finally, he explained about the modelling situations and incarnation of statisticians.

The session progressed smoothly for more than an hour with more than 100 participants.

At the end of the session the speaker interacted with the participants, clarified their doubts with his commendable expertise.

The session was concluded after extending the vote of thanks. Then the feedback form was issued to receive the suggestions from the participants which would help us to assess our session.

Day -II

In continuation of the lecture series, the Day – II session was started with the introduction speech by Ms. Parimala Sudheer, HOD, Department of Statistics. The speaker started the session by reviewing the topics of day before. He explained how statistical science or thought processing has to be used to convert in to research problem using the research strategies like deductive and inductive reasoning by giving examples like Blind men and Elephant, proposing new knowledge without basics the" MYTH and TRUTH", Coma can kill a person, Finger millet seeds- Farmer estimating the number of birds.

Further the speaker explained the applications of Hypergeometric distribution in estimating the number of two wheelers in a city by making mathematical model. Similarly, he explained the counting models by coating the examples like number of birds on tree, time of drying wet cloth, expected time to reach destination etc. Which shows what sort of interpretations can be made between the maths and common sense.

A handwritten signature in green ink, appearing to be "S. S. S.", written over a horizontal line.

Finally, he explained the concept of Quantification and Real time challenges using model based on the decision support system and how the new inventions, investigations, life threat situations can be studied by "Archimedes' principle".

The session lasted for more than an hour exceeding 100 participants. Following which the speaker interacted with the fellow participants. Then the feedback form was issued to receive the suggestions from the participants which would help us to assess our session.

The session was informative and more explorative in nature.

Day III

In continuation of the lecture series, the Day – III session was started with the introduction speech by Ms. Parimala Sudhir, HOD, Department of Statistics.

He started the Session by delivering the lecture that "Statistical Thought Processing "is mostly linked with quantification which is a measure or metric. He emphasized this with the examples, like that how the theory of non-parametrical inference is used in testing the hypothesis under the Archimedes principle. He said that statistical inference is an exceptional tool in decision making. Further he also explained "modelling on student's performance evaluation problem "by citing an example of PGCET applying the James Bernoulli concept. He also explained the application of geometric distribution in managers meeting problem.

Finally, he explained his student thesis on "Some stochastic and Optimization models of human fertilization" and the role of Teacher and Researcher in a society.

The session went on for an hour with more than 100 participants.

Towards the end, the speaker interacted with the participants, clarified their doubts with ease. This session was very fruitful and interesting because of the wide range of real-life implementations and the participants were truly inspired by his talk and said that they will be very much confident in exploring the real time problems into statistical models.

The speaker congratulated the principal Dr Viswanatham Busulu and organizing team in conducting such events under the academic leadership of principal.

Later the session was concluded by extending a vote of thanks. Then the feedback form was issued to receive the suggestions from the participants which would help us to assess our session.

A handwritten signature in green ink, appearing to be "S. S. S." with a horizontal line underneath.

2. LIST OF FACULTY COORDINATORS (DEPARTMENT)

3. Parimala Sudhir. K
4. H K Madhu sudhan Rao
5. N Sai Kishore

6. LIST OF THE PARTICIPANTS

7. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

The event was spread across three days systematically to teach and discuss various steps involved in statistical thought processing. Dr. Tirupati Rao, the speaker, dove into the topic with real life examples from the past, which explored how legendary mathematicians and statisticians developed and embraced a particular statistical thought. How the evolution of the thought process took place and how can one develop such thinking methodology, was deeply covered during the event. The importance of this in research area was also attached with some interesting real-life implementations. The event was very interactive as well, everyday attendees got to interact with the speaker, in turn gaining more knowledge and getting their doubts clarified. More than 100 participants took part in the event, making it a phenomenal success on both the ends.

10. GUEST PROFILE (IF ANY)

11.

1. Prof. Tirupathi Rao Padi is currently working with Pondicherry University (A Central University of India) from the 4th January 2012 as Professor of Statistics. Right now he is the Dean of the Faculties, Ramanujan School of Mathematical Sciences, Pondicherry University from June 2020. Prior to this he worked with Sri Venkateswara University as Associate Professor and Professor from 2007 to 2011. Prof. Padi initiated his career on 20th November 1988 at a Govt. Aided Mrs. A.V.N. College, Visakhapatnam, A.P. as adhoc lecturer, Lecturer, Senior Lecture, Reader and Head of the department under UGC scales. He qualified for UGC-NET in 1994.

2. His Research areas of interest are *Stochastic & Optimization Modeling; Bio-Statistics & Statistical Computing; Statistical Quality Control; Big Data Analytics and Data Envelopment Analysis*. He had the education at Visakhapatnam (His home Town) graduation at Mrs. A.V.N. College B.Sc, Mathematics and Statistics, M.Sc., M. Phil., Ph.D. (all in Statistics), and DCA from Andhra University, Visakhapatnam from 1983 to 2000. He is a certified SAS programmer in 2009 Base SAS Programming for SAS®9, USA, He Acquired M.B.A. (Operations & Supply Chain) from Pondicherry University in 2016.

3. The academic distinctions under his credit include (i) *Rajendra Prasad Memorial Prize (Popularly Known as Sampling Gold Medal)* received in 61st convocation of Andhra University, Vin 1988, (ii) *Best Research Paper Award* at ICBDM in 2006, (iii) *Best Applied*

Research Paper Award, IISA-ISPS conference in 2010; (iv) *World Championship – 2019 in Operational Research (Stochastic Programming)* awarded by International Agency for Standards and Ratings, USA; (v) *Fellow*, Directorate of Statistics, IASR, 2019, and Life Membership; (vi) Outstanding Scientist Award-2021, International Science Awards, IASP, and (vii) Fellow, Royal Society of Statistics, London, UK.

4. Three Research Projects completed by him funded by DST-SERB - MRP; U.G.C – MRP; Rotary Nethra International; Guided 6 Ph.D. 3 M.Phil Research Scholars, and currently 8 students are under his for Full time Ph.D. Program. He is having the Professional Affiliations in 12 research forums like (IISA), (RMS), (KSA), (SSCA), (ISI), (IASC), (INSCA), (APSMS), (ISPS), (SREQOM) and (AMTI). He is an active research peer reviewer of about 27 trendy research journals of national and international coverage. Delivered 153 Invited talks on different academic & research forums, Organized 38 academic and research events of national and international level, Chaired about 14 technical sessions, presented 101 research papers in different conferences, Served for 3 educational institutions, administered around 50 official capacities, Former Principal member of Bureau of Indian Standards, served the university. Member, Economic Advisory Committee, Puducherry Government. Member, Academic Council, Pondicherry University, Member University Court (Senate), Pondicherry University, etc.

5. He is Author, Coauthor and editor for 13 Books Research Monographs, UG Text Books, and other related. He had 73 Research Paper Publications under his credit. Taught the statistics course for different programs like MCA; MBA; PGDBA; M. Planning; M.Sc., Biotechnology; M.Sc., Bio-Informatics; M.Sc. Nursing; B.Sc.; M.Sc.; M.Sc. *Operations Research*; M.Sc. Computer Applications; SAS; M.Sc. Biochemistry and Molecular Biology; M.Sc. Quantitative Finance.

12. FEED BACK IF ANY : As it on line session the participants given their Openion in the program and appreciated the organizing team

LETTERS OF COMMUNICATION (IF ANY)

Respected Sir,

I am immensely thankful for your kind acceptance of our invitation, it is a great honor to have you as a resource person for the Faculty Development Program(FDP) scheduled from 4th Oct to 6th Oct 2021. Any other suggestions kindly let us know.

We request you to join the session 10 minutes before (i.e at 10.50 am) on 4th Oct using the following link given below on Microsoft Teams platform.

(For three day ie 4th 5th and 6th october 2021 we can use the same link.)

<https://tinyurl.com/w2asjumb>

We look forward to your lectures, and I am confident that the audience will greatly benefit from your rich research experience.

Request you to send profile

Schedule of the program

- Welcome address by K.Parimala Diana Sudhir
- Address by Dr.Vishwanadham Bulusu (Principal , Aurora's Degree & PG College)
- Address by our Speaker **Prof.Tirupathi Rao Garu**
- Vote of thanks by Madhusudan Rao

Thank you,

Regards,

K.Parimala Diana Sudhir,

Head, Department of Statistics,

**Two Day
National Faculty Development Programme
on**

TELUGU LANGUAGE & LITERATURE

on 22nd & 23rd October 2021

Venue: Aurora's Degree & PG College, Chikkadpally, Hyderabad

Organized by the Department of Languages

Eligible Candidates: Faculty & Research Scholars

Programme Schedule

22nd October 2021

Session 1: (10:00 am to 12:00 noon)

Topic:

Padya Bodhana - Melukuvalu

Speaker:

Prof. Masana Chennappa

Retd. Professor & Head,
Department of Telugu,
Osmania University, Hyderabad.

23rd October 2021

Session 1: (10:00 am to 12:00 noon)

Topic:

Kathanika - Vastuvu - Shilpam

Speaker:

Dr. Mamidala Ramesh Babu

Assistant Professor, Department of Telugu
Govt. Degree College, Kukatpally
Hyderabad.

Session 2: (1:00 pm to 3:00pm)

Topic:

Alankaralu - Vishleshana

Speaker:

Dr. P. Vijaya Kumar

Assistant Professor, Department of Telugu,
SML Govt. Degree College, Yemmiganur,
Kurnool District, Andhra Pradesh.

Session 2: (1:00 pm to 3:00pm)

Topic:

Journalism - Bhasha - Paribhasha

Speaker:

Dr. M. Sampath Kumar

Retd. Professor & Head,
Department of Telugu,
Director, Oriental Research Institute
University of Madras, Chennai.

E-Certificate will be provided

Detailed Report
On
TWO-DAY NATIONAL FACULTY DEVELOPMENT PROGRAMME
ON
Telugu Language & Literature

The two-day National Faculty Development Programme on "Telugu Language and Literature" was organised by Department of Languages, Aurora's Degree & P.G College on the 22nd and 23rd of October 2021, Online, via Microsoft teams . Around 500 registrations took place from all over India, and more than 100 participated in this two-day National faculty development programme.

On Day 1 of the programme i.e., on the 22nd October, the programme began at 10:00 AM with the songs conveying the importance of Telugu for 10 minutes. Later the participants were welcomed and rules and etiquette of online mode were instructed. After that, the programme began with a prayer by D. Harikrishna, faculty, Department of Languages. After the prayer, Head, Department of Languages gave her welcome speech and spoke on the objective of the two-day National Faculty Development Programme "Telugu Language and Literature".

Dr. N.Suryakanthi took over the proceedings of the programme. After she welcomed the guests, lighting the lamp with the Song on Deepaprajwalan took place. After lighting the lamp, the first speaker of Day 1 - session 1, Professor Masana chennappa was introduced by Dr.N suryakanthi .Professor Masana chennappa spoke on 'Padya Bodhana - Melakuvalu'. Masana chennappa spoke about the importance of Telugu through poems. Later, there was a question-answer session held, questions from the participants were clarified. Dr.N.Suryakanthi thanked Masana chennappa and session 1 of Day 1 national Faculty Development Programme ended with a photo session. Break for lunch was announced.

[Handwritten signature]

After lunch, second session of day 1 started. The rules and etiquette for the online mode were put forth again for a smooth conduct of the programme by Dr.N suryakanthi. After the announcement of the rules, the speaker of the second session Dr.P Vijay kumar was introduced by Dr.N suryakanthi. Dr. P. Vijay Kumar spoke on "Alankaralu Vishleshana ". After the speech, there was a question-answer session held and the speaker was kind enough to answer all the queries of the participants. Dr.N.Suryakanthi thanked the speaker for a wonderful and enlightening speech pondering over many interesting points that has enriched the knowledge of the participants on the subject. The session ended with a photo session. With that, Day 1 of National Faculty Development Programme on "**Telugu languages and literature**" was successfully completed.

DAY 2 :

Day 2 i.e. 23rd October 2021 began at 10 :00AM with a prayer by D. Harikrishna. After the prayer

Dr.N.Suryakanthi took over the proceedings, to introduce the speaker of the 1st session of Day 2, Dr.Mamidala Ramesh babu. After the introduction, Dr.Mamidala Ramesh babu spoke on "Kathanika-vastuvu-shilpam". Though the topic is vast, he made an excellent impact on participants by well educating them on the basics and overview. Dr.N.Suryakanthi has put forth a token of thanks for enlightening all participants on the different stages in the Kathanika-vastuvu-shilpam

After thanks were rendered, a break for lunch was announced.

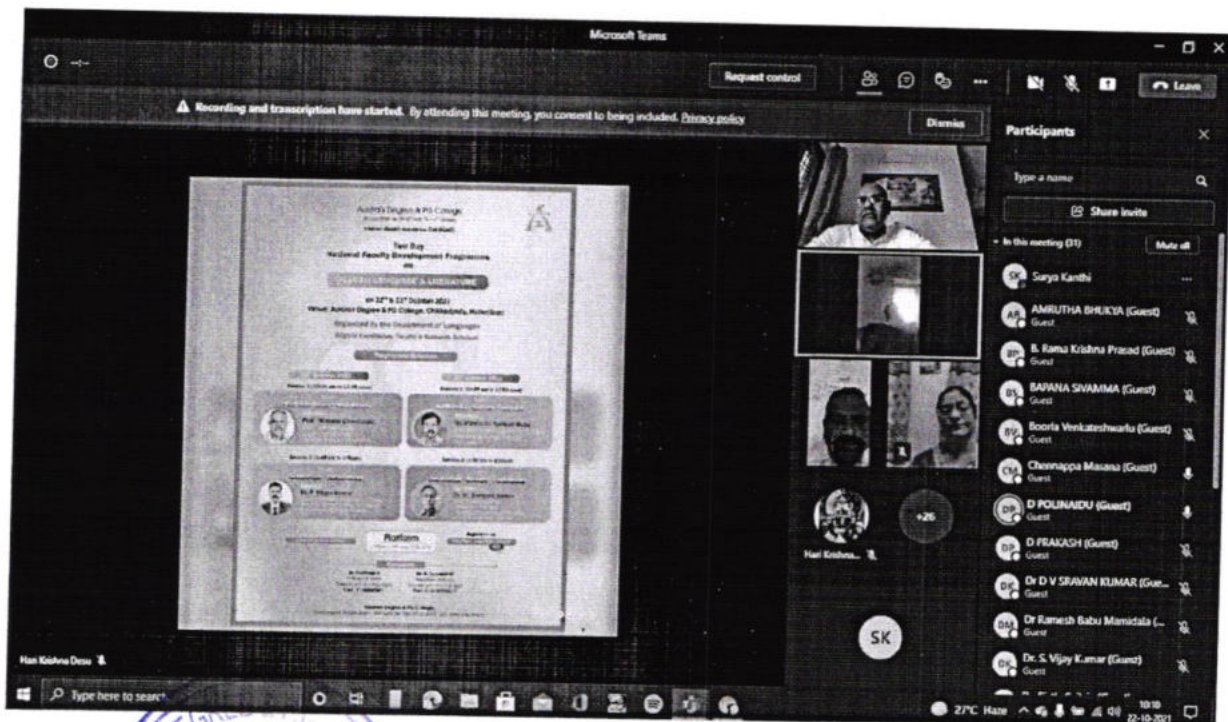

After lunch the 2nd session of Day 2 began. The rules and etiquette were again announced and the speaker, Professor M.Sampath Kumar was introduced by Dr. N.Suryakanthi.

The speaker educated the participants on "Journalism – Bhasha – Paribhasha". A token of thanks was rendered by Dr.N.Suryakanthi

After the thanks-giving Dr.N suryakanthi, Department of Languages rendered the vote of thanks to college organizers and speakers. A photo session took place. After the photo session, the two-day national faculty development programme came to an end, which was appreciated and well received by the participants.

Department of Mathematics
Detailed Report

On

A Two Day National Level FDP on "Recent Trends in Optimization Theory"

Event Coordinator: Madhavi Bulusu & A Sandhya Rani

Head of the Department: G Prathibha

Date of the Event: 17th & 18th September 2021

Time: 11 AM to 1PM

Venue: Aurora's Degree & PG College, Chikkadpally

About the Event:

Faculty vitality is the main ingredient to enhance professional education and competence. Enriching the faculty vitality in key domains of teaching, assessing, research, professionalism, and administration is perceived to improve educational environment significantly and enhances the academic performance of learners. Faculty development program (FDP) has been considered as a stand-alone educational pedagogy in fostering knowledge and professional skills of faculty.

The teacher and the learner are the most important stakeholders of the education process. In present world the learner has a totally unconventional atmosphere of gaining knowledge due to technological growth. It is observed that the knowledge is abundant but the takers of knowledge are handful. The purpose of education is limited to getting a job rather than generation of knowledge and converting it into wisdom.

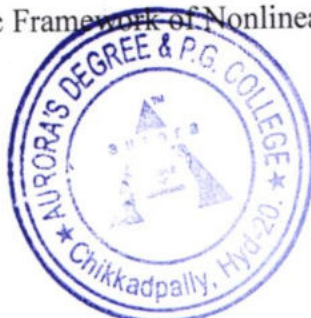

Level of event: National Level

Title of the event:

"Recent Trends in Optimization Theory"

The aspects which were addressed in the programme were:

- Basic Framework of Nonlinear and Variational Analysis.

- Convexity & Duality, which includes the role of convexity in optimization theory and multi-objective programming problems.
- Fuzzy set and its applications in optimal decision making problem.
- Definition & properties of fuzzy sets, the representation of fuzzy numbers, and different forms of fuzzy sets

Number of days: Two Days

Experts/ Resource persons:

Day 1

Dr. Ashish Kumar Prasad is Assistant Professor in Department of Mathematics, School of Advanced Sciences, VIT, Vellore.

Topic: Basic Framework of Nonlinear and Variational Analysis.

Day 2

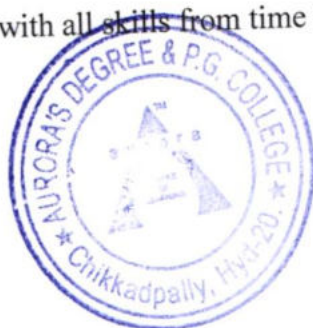

Dr. Amrit Das, Assistant Professor, Department of Mathematics, School of Advanced Sciences, VIT, Vellore.

Topic: Fuzzy sets and its applications in optimal decision making problem.

Proceedings of the event

On account of birthday celebrations of Georg Friedrich Bernhard Riemann on 17th & 18th September 2021 the Department of Mathematics organised a two day National Level Faculty Development Program on “Recent Trends in Optimization Theory” through online mode (Microsoft Teams).

The Program started on 17-09-2021 at 11.00 AM .The first day of the program started with an introductory speech by G. Prathibha head of the department of mathematics, Aurora’s Degree & PG College, and A Sandhya Rani introduced the speaker Dr. Ashish Kumar Prasad is Assistant Professor in Department of Mathematics, School of Advanced Sciences, VIT, Vellore. The session is handover to the Speaker. The lecture started at 11:15 AM. by Prof. Ashish Kumar Prasad. He delivered the lecture on “Basic Framework of Nonlinear and Variational Analysis”. In the lecture, sir explained Convexity & Duality, which includes the role of convexity in optimization theory and multi-objective programming problems. The lecture was very interesting. He spoke about how the faculty members need to keep them updated with all skills from time to time.

[Handwritten signature in green ink]

On the next day 18-09-2021 the Program started at 11.00 AM with Dr. Amrit Das lecture on "Fuzzy Set and Its Applications in Optimal Decision Making Problem". In the lecture, the speaker explained about definition & properties of fuzzy sets, the representation of fuzzy numbers, and different forms of fuzzy sets. He also explained the applications of fuzzy sets to optimal decision-making problems.

The main objective is to understand the concepts from Nonlinear Analysis & Variational Analysis from the perspective of Optimization Theory and also to educate and motivate the faculty members for research in the area of Optimization Techniques.

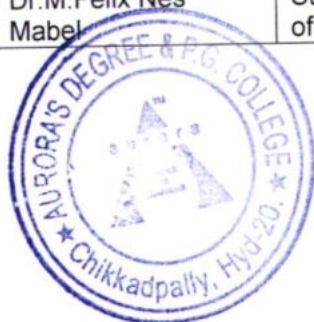

The Faculty in Mathematics got knowledge in new techniques in teaching mathematics and different ideas in Optimization Techniques. On each day around 50 members were participated.

Feedback from participants:

All the participants who participated in the programme have given the feedback as very good. They have appreciated it and expressed that they would like to attend another one. They have mentioned that they learnt a lot and it is beneficial in their career.

List of Participants:

S.No	Name	College Name	Email Id
1. 1	Aleti Rekha	Chaitanya Deemed to be University	aletirekha8179@gmail.com
2. 2	ASHA ALICE S	St. Xavier's Catholic College of Engineering	alice@sxcce.edu.in

REPORT

3rd International E-Conference on Mathematical, Physical and Computational Sciences

Introduction:

The problems or issues spanning areas of Science, Engineering and humanities emerging from natural systems can be solved using the concepts from Mathematics, Statistics, Physics & Electronics and Computational Science. The conference aims at preserving the theory and laboratory forms of traditional education along with developing a non-traditional approach of Scientific Computing that supports solving problems from both science and engineering. The aspects and predictions of scientific and non-Scientific events can be proposed and understood with the help of Mathematical & Computational Models. The necessity to conduct a conference in such an important area is felt to bring all concurring minds from academia and Industry to expand the knowledge horizon by exchanging the ideas from various fields beyond our respective areas of interest which creates a multi-disciplinary thought process. Aurora's Degree & PG College is organizing the conference in association with Andhra Pradesh and Telangana Society for Mathematical Sciences.

Objective:

- To provide a platform for interaction between academicians, Industry and researchers all over the world.
- This gives an opportunity to exchange the ideas towards updating the knowledge.

Organisers: Departments of Mathematics, Physics, Electronics, Statistics and Computer Science of Aurora's Degree and PG College in Collaboration with Andhra Pradesh and Telangana Society for Mathematical Sciences (APTSMS).

Target Audience: Research Scholars, Academicians and Students.

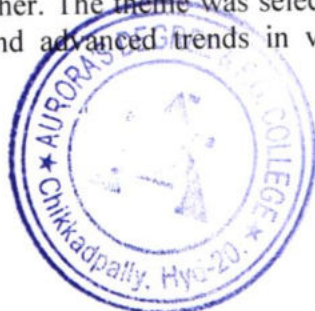

Dates: 27th and 28th August 2021.

Venue: Online Conference

Platform: Microsoft Teams.

Execution:

Back Ground work /Preliminaries: The theme of the conference for finalized by all the departments together. The theme was selected in a manner that it would benefit the researchers with the latest and advanced trends in various fields of Mathematics, Physics, Electronics,

Statistics and Computer Science. Later a proposal was prepared by Dr. Meera Joshi, Department of Mathematics and the suggestions from all the department heads and the members were incorporated. Dr. Meera Joshi and Ms. Chandrakala along with the heads decided to approach a professional body like APTSMS for organizing the conference in collaboration with them. Meanwhile Ms. Chandrakala, Department of Mathematics initiated the process of contacting the APTSMS secretary Prof. D. Bharathi, Department of Mathematics, SV University, Tirupathi and the president Prof. E. Keshava Reddy, Department of Mathematics, JNTU Ananthapur, Ananthpuramu. The proposal was mailed to the secretary and the president of APTSMS 29th January 2021 along with a letter requesting their collaboration signed by Principal, Aurora's Degree & PG College. The APTSMS informed that they are positive about the proposal but they can confirm the collaboration only in the month of February under the condition that if no University applies for collaboration. Ms. Chandrakala & Dr. Meera Joshi were following up APTSMS for their approval. There was a delay for their side in giving the approval. The approval was finally given on 19th April 2021. The advisory board was finalized together by all the departments of Mathematical Sciences. The speakers from India and abroad were contacted by all the departments and a confirmation was received from them. Dr. W.G. Samanthi Konarsinghe, Academic Director, Statistical Consultant, Institute of Mathematics and Management, Sri Lanka agreed to be the key note speaker. Then the first draft of the brochure was prepared by Mr. Vishnu the designer of Aurora's Degree & PG College. A meeting of the heads Ms. G. Prathibha, head, Department of Mathematics, Ms. K. Parimala Sudhir, head, Department of Statistics, Ms. C. Aruna, head, Department of Physics & Electronics, Ms. B. Rajani, head, Department of Computer Science and the conference organizing Secretaries Dr. Meera Joshi & Ms. Chandrakala was held with the Vice-principal Mr. Hari Prasada Rao J to finalize the modalities related to the conference. Mr. Hari Prasada Rao suggested that the full papers can be published in the college journal ANTHARMUKHA with ISSN 2348-2591. This is an effort to enroll the journal in UGC-CARE list. The final draft of the brochure was ready in the last week of April. The final draft was approved by Dr. Viswanadham Bulusu, Principal, Aurora's Degree & PG College and APTSMS council. Later it was circulated widely through mails to various academicians and some Industry contacts in India and abroad, which were available with the departments. It was also posted in whatsapp groups in which the faculty members were participants. The information was scrolled in the APTSMS website and also in Aurora's Degree & PG College website. A link was given in the brochure and the abstracts were collected through the google form. The last date for submission of abstracts was 25th June 2021. The plagiarism was checked and only those abstracts which have more than 90% Uniqueness were accepted. An acceptance mail along with the instructions to authors as required in ANTHARMUKHA was sent to each participant from the official mail conference@aad.edu.in. Totally 74 abstracts were received and 55 abstracts were accepted. The papers were divided into categories like Pure Mathematics, Graph Theory, Fluid Mechanics, Computer Science, Statistics, Physics and Electronics. There was one Keynote address and 9 invited talks in a wide range of areas from Mathematics, Physics, Electronics, Statistics and Computer Science. There were 5 International and 5 National speakers. The profiles and abstracts of the talks of the speaker along with their photos were collected for the e-Souvenir and to introduce them during the invited sessions.

Now the next phase of work related to preparing the schedule of the conference and consolidation of data for the e-Souvenir started. In context of the e-Souvenir and to invite as chief guests TSCHE Chairman - Prof. T. Papi Reddy, TSCHE Vice-Chairman - Prof. R.

Limbadi, Vice-Chancellor of Osmania University – Prof. D. Ravinder, Registrar of Osmania University – Dr. P. Laxminarayana for the inaugural and valedictory sessions of the Conference the organizing secretaries Dr. Meera Joshi and Ms. Chandrakala met them. A message was collected from towards the conference was taken from them and the same was incorporated in the e-Souvenir. The messages from APTSMS president and General Secretary, Dr. N. Ramesh Babu - Secretary Aurora Consortium and Dr. Viswanadham Bulusu, principal, Aurora's Degree & PG College were also collected for e-Souvenir.

The schedule was prepared by Ms. Chandrakala, organizing secretary of the conference. The inaugural sessions was planned in coordination with Dr. Meera Joshi, which was followed by a key note address. It was planned to have one talk by an International resource person and two talks by national resource persons in each session. These sessions were followed by parallel sessions to facilitate the authors to present their work. As the number of papers was quite good, parallel sessions were schedule as per the divisions of papers into different categories like Pure Mathematics, Graph Theory, Fluid Mechanics, Computer Science, Statistics, Physics and Electronics. It was planned to allocate for each invited talk and each parallel a chair person. The chair person was allocated in co-ordination with Prof. D. Bharathi, General Secretary APTSMS. Two types of schedules were prepared which are:

1. Complete Conference Schedule and 2. Parallel sessions schedule. These schedules helped in executing the sessions in a perfect manner without any issues. The sessions were scheduled in Microsoft Teams and links were generated for each session and the same was inserted in both the schedules. These schedules were mailed to the guests, Key note and invited speakers, Paper presenters and participants along with an invitation for the conference. Since the number of parallel sessions were more to ensure perfect execution of the planning the one faculty member

The e-Souvenir data was consolidated by Dr. Meera Joshi, organizing secretary of the conference. The Content of the e-Souvenir was planned in coordination with Ms. Chandrakala. The Content was approved by principal of Aurora's Degree & PG College, president and General Secretary of APTSMS. A skeleton for the e-Souvenir was prepared by both organizing secretaries and accepted by principal of Aurora's Degree & PG College, president and General Secretary of APTSMS. The information about each resource person along with their photo, affiliation, title and abstract of the talk were consolidated in a proper manner. The information about APTSMS executive council members and the previous National and International Conferences organized by APTSMS was gathered, updated and designed as a table for e-Souvenir. The abstracts of all the paper presenters were consolidated. The information about each author of each paper along with proper initials and affiliations was collected for e-Souvenir. The designing of the front page and the back page was taken with lot of care. The proof reading was completed before circulating the final copy. Ms. Prathibha, head, Department of Mathematics took keen interest in preparing the e-Souvenir. The plan to release the e-Souvenir during the inaugural session in a innovative manner was suggested by Mr. Hari Prasada Rao.J. vice-principal of the college.

Day 1:

The day started with the inaugural session of the conference. The organizing secretary Dr. Meera Joshi welcomed all the guests and participants. The dignitaries who graced the occasion were Prof. N. Kishan, head, Department of Mathematics, Osmania University as chief Guest, Prof. E. Keshava Reddy, President - APTSMS, Department of Mathematics, JNTU Ananthapur, Ananthapuramu and General Secretary - APTSMS, Department of Mathematics, S. V. University, Tirupati as guest of honour and Dr. Viswanadham Bulusu, Principal, Aurora's Degree & PG College. Prof. N. Kishan addressed the participants. He spoke about the importance of Mathematics in various fields. He appreciated Aurora's Degree and PG College for organizing the 3rd International Conference on Mathematical, Physical and Computational Sciences. He also mentioned that the college is known for conducting many academic activities for the benefit of students and faculty. The e-Souvenir was released online by Prof. N. Kishan. Prof. E. Keshava Reddy and Prof. D. Bharathi, also addressed the participants and appreciated them for presenting papers. The organizing secretary Ms. Chandrakala.P rendered the vote of thanks. The inaugural session ended as per the planned schedule. After the inaugural session the key note address was delivered by Dr. W.G. Samanthi Konarsinghe, Academic Director, Statistical Consultant, Institute of Mathematics and Management, Sri Lanka on the topic "Role of Mathematical Models to Combat Covid-19 Pandemic". The key note address was followed by two invited talks. First invited talk was delivered by Prof. Venkata Sundaranand Putcha, Department of Mathematics, Rayalaseema University, Kurnool, Andhra Pradesh on "An Introduction to Chaos Based Cryptosystems". The session was chaired by Dr. V. Maheswara Rao, School of Mathematical and Computing Sciences, Fiji National University, Fiji, Australia. This invited talk was followed by an invited talk by Dr. K. Maruthi Prasad, Prof & Head, Dept of Mathematics, GITAM Deemed to be University, Hyderabad on the topic "Mathematical Modelling on an Electrically Conducting Fluid Flow to an Inclined Permeable Tube with Multiple Stenoses". The talk was chaired by Dr. V. Maheswara Rao, School of Mathematical and Computing Sciences, Fiji National University, Fiji, Australia. After the invited talk the participants were informed to disperse to their respective parallel sessions for which the links were sent already. There were 4 parallel sessions. Chair person was allocated for each session. Parallel session 1 was Chaired by Prof. G. SHOBHALATHA, Executive Council Member, APTSMS, Department of Mathematics, Sri Krishnadevaraya University, Anantapuramu, AP. Parallel session 2 was chaired by Dr. G. Upender Reddy, Department of Mathematics, Mahatma Gandhi University, Nalgonda, Telangana. The

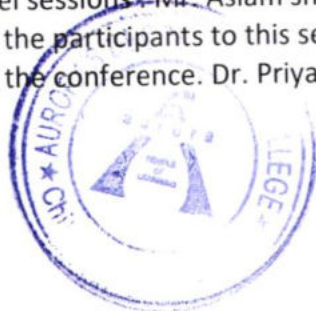

Parallel sessions 3 & 4 were chaired by Capt. Dr. N. Rama Krishna, Professor of Mathematics, and NCC Officer, Mrs. A. V. N. College, Visakhapatnam and Dr Kuncham Syam Prasad, Professor, Department of Mathematics, Manipal Institute of Technology, Manipal Academy of Higher Education, Manipal respectively. A lunch break of 30 minutes was announced. The afternoon session resumed as per the schedule. There were 2 invited talks. One of the talk was delivered by the International Speaker from Russia who is on a project from DST, Prof. Margarita Safonova DST Project Scientist, Indian Institute of Astro Physics, Bangalore on "Space Astronomy: Why and How". The session was chaired by Prof. S.N. Hasan, Dept. of Mathematics, Dean & Alumni, Maulana Azad National Urdu University, Hyderabad, Telangana. The second talk was delivered by Dr. B. Suresh Kumar, Associate Professor and Research Coordinator, Amity University, Rajasthan Jaipur on "Optimization from Nature Inspiration". The session was chaired by Prof. V. V. Haragopal, BITS Pilani, Hyderabad Campus, Hyderabad, Telangana. The participants were informed to disperse for the respective parallel sessions. There

were two parallel sessions. Parallel sessions 5 & 6 were chaired by Dr. B. Suresh Kumar, Associate Professor and Research Coordinator, Amity University, Rajasthan Jaipur and Dr. V. Kiran, Department of Mathematics, Osmania University, Hyderabad, Telangana respectively. On the first day 25 papers were presented out of the 31 scheduled presentations. The participants who could not present were contacted and informed that they can present in one of the slots on day 2.

Day 2:

The second day of the conference also started with a lot of scientific fervor. The organizing secretary Dr. Meera Joshi gave a warm welcome to all the participants. The first invited talk was delivered by International speaker Dr. Prashanth Pendyala, Post-Doctoral Research Scientist, Centre for Bio Micro Systems, Korea Institute of Science & Technology, South Korea on "Basic concepts of computational studies in surface interactions". The session was chaired by Prof. E. Keshava Reddy, President of APTSMS, (Care Taking), Department of Mathematics, JNTU Anantapur, Ananthapuram, AP. The second invited talk of the morning session was by Dr. S.S.V.N. Sarma Retd. Professor, Kakatiya University, Telangana. The session was chaired by Dr.K.Srinivasa Rao, Professor & Head, Department of Mathematics, Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya, Kanchipuram, Tamilnadu. The third invited talk was given by Prof. Bhavanari Satyanarayana, AP Scientist Awardee Fellow, AP Academy of Sciences, Acharya Nagarjuna University, A.P on "The Role of Prime Ideals in Different Algebraic Systems". The session was chaired by Prof. D. Bharathi, General secretary of APTSMS(Care Taking), Professor, Department of Mathematics, S. V. University, Tirupati , AP The participants were informed to disperse for the respective parallel sessions. There were two parallel sessions. Parallel sessions 7 & 8 were chaired by Prof. V. Suguamma, Department of Mathematics, SV University, Tirupati, AP and by Dr. A. Chandulal, Department of Mathematics, National Sanskrit University, Tirupati, AP respectively. The lunch break of 30 minutes was announced. The last session of the conference started after lunch with an invited talk by Dr. Saptarshi Das, Global manager, Data Science R&D, Shell, Bangalore on "Customization of Loss Function in Machine Learning". The session was chaired by **Dr. Samarth Bharadwaj** , Research staff member at IBM research lab, Bangalore, Karnataka. The second talk of this session was delivered by Dr. Naseer Ahmed, Department of Information Technology, University of Technology and Sciences, Nizwa, Sultanate of Oman on "On structure of Vague Graph". Prof B Maheswari (Retd), Head, Department of Applied Mathematics, Sri Padmavathi University, Tirupati, Hyderabad chaired the session. Later the participants were informed to disperse for the paper presentations in parallel sessions 9 and 10. The parallel sessions were chaired by Prof. M. CHANGAL RAJU Department of Mathematics, JNTUA College of Engineering Pulivendula (Autonomous), Pulivendula,YSR-Kadapa Dt. Andhra Pradesh and **Dr.R.P.Vijayalakshmi**, Professor,Dept. of Physics, S.V.University respectively. On the second day 20 papers were presented in 4 parallel sessions in various areas of Mathematical and Physical Sciences. The Valedictory session started after the parallel sessions. Mr. Aslam shareef, Department of Physics welcomed all the dignitaries and the participants to this session. Dr. Meera Joshi submitted the gist of the proceedings of the conference. Dr. Priya Hasan, Assistant Professor, Department of Physics,

Moulana Azad National Urdu University and Dr. K. Ramesh Babu, Department of Mathematics, Osmania University who were the chief guests of the conference addressed the participants and appreciated the efforts of organizers for conducting a successful conference which achieved the objectives of the conference. Towards the end of the conference a group photo was taken as a screen shot. The event came to an end with the rendering of national anthem.

Ms. Chandrakala ensured that all the participants receive all the certificates in time. Later she coordinated in making the corrections wherever the participants requested for a change.

Dr. Meera Joshi , coordinated in preparing the e-Souvenir. The affiliation of all the authors was collected through a google form. The link was shared in the group of presenters and also to their mails. A skeleton of the e-Souvenir was approved by principal, Aurora's Degree & PG College. Based on the skeleton the designer Mr. Vishnu started working on it. Ms. Prathibha, Head, Department of Mathematics supported in preparing the e-Souvenir. A e-Souvenir book is also prepared and forwarded to emails of all participants.

Acknowledgements:

We the organizing secretaries of the conference thank the management, principal, Vice-principal, heads of the department and Faculty for their guidance, encouragement and support in making the conference a great success. We thank the non-teaching and administrative staff for the support they extended in smooth functioning and execution off the conference successfully.

DETAILED REPORT

EVENT TITLE	System Trouble shooting
TYPE OF EVENT	IT CLUB
FACULTY INCHARGE	Navaneetha N
DEPARTMENT	Computer Science
DATE	26.7.2021
VENUE	Offline (Main block)
TARGET AUDIENCE	Faculty's Department wise

PROGRAM SCHEDULE: A support session regarding system troubleshooting and technical issues has been organized on 26.7.2021 to all faculty members at main block

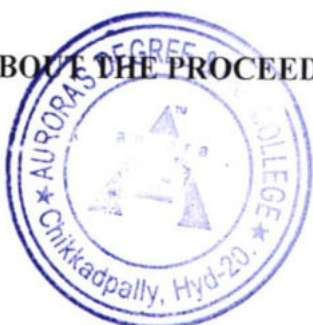

Topics:

1. Installation
2. Backup,
3. Rebooting the system
4. Assembling.

LIST OF FACULTY COORDINATORS: Navneetha ,Prakash

LIST OF THE STUDENT COORDINATORS: NA

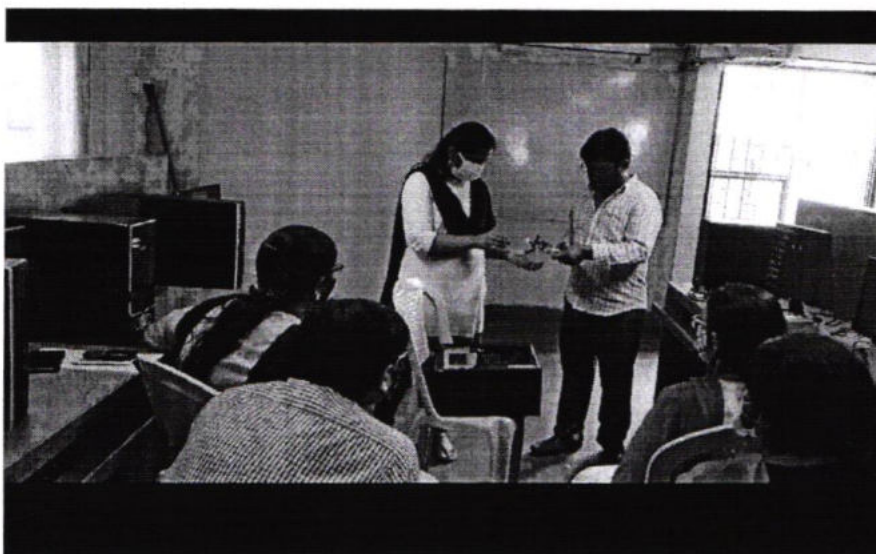

ABOUT THE PROCEEDINGS:

- Information about the event has been shared to HOD of Life Sciences i.e. (Biochemistry, Genetics, Microbiology, Chemistry) through email so that interested faculty can attend
- The session has been started at 3.00pm on 26/7/2021 where we explained about various components of computer and its functions
- Later on we explained about assembling of all components and how to identify some frequent problems in a system and solve them. Installation of Os, formatting is also explained
- Hence for the continuity the session will be held in next month for other Department
-

INCOME AND EXPENDITURE: Nil

EVENT PHOTOS:

NAME OF THE EVENT / ACTIVITY	Two-day National FDP program
TYPE OR TITLE OF EVENT / ACTIVITY	FDP on Recent Advances in Material Sciences
FACULTY INCHARGE	Sunanda G Aslam Shareef
DEPARTMENT/CELL/COMMITTEE/CLUB	Physics
DATE	12-08-2021 & 13-08-2021
VENUE	Aurora Degree & PG College
TARGET AUDIENCE	Faculty and Research scholars

1.PROGRAM SCHEDULE

Date	Session	Speaker	Topic
12-08-2021	1	Dr. Sai Santosh Kumar Raavi Associate Professor Ultrafast Photophysics and Photonics laboratory Department of Physics, IIT Hyderabad.	Optics and Spectroscopy of Energy Conversion Materials"
12-08-2021	2	Dr. K. Munirathnam Associate Professor, Department of Physics, School of Applied Sciences REVA University Bangalore	Nano phosphors for Optoelectronic Applications" 
13-08-2021		Dr G Manoj Kumar Physicist Advanced Center for Research in High	Laser Spectroscopy for the identification of Plastic type: A New Paradigm in Waste

		Energy Materials University of Hyderabad	Management"
13-08-2021	2	Dr. CP Vardhani Associate Professor, Department of Physics, Osmania University, Hyderabad.	Development of photonic devices and components"

BRIEF ABOUT THE EVENT:

Department of Physics organized a Two-Day Faculty Development Program.

The highlights of the event:

Day 1:

Session 1:

Dr. Sai Santosh Kumar Raavi was the speaker, his lecture started with introduction to Material Science and its Advances. He explained about Optics and spectroscopy of energy conservation materials like Organic photovoltaic, Exitonic solar cell and Polymer cells. The lecture was concluded by giving scope for research in the field of Optics and Material Science.

Session 2:

The speaker Dr. Muni Ratnam in session II explained about various concepts related to "Nano phosphors for Optoelectronic Applications". Like types of luminescence its design and applications. The lecture was concluded by explaining Down conversion and up conversion techniques.

Day 2:

Session 1:

Dr. G. Manoj Kumar in session 1 started with very basic concepts of light, spectrum and explained Laser spectroscopy for identification in plastic types Which are hazardous to world. He concluded his lecture by giving new paradigm in waste management

Session 2:

Speaker Dr. C P Vardhani in session 2 The lecture started with explanation of photonics its properties and applications then she explained the design and development of photonic integrated devices. She concluded her lecture by explaining the challenges faced in the various phases of its development process.

There were 54 participants, faculty from various streams and research scholars participated in the FDP on Recent Advances in Material Science. The feedback from the participants was highly positive. Most of the participants expressed that the program was very beneficial for their research work.

**International E-CONFERENCE on Innovations in Science, Technology, Commerce and Management for
the welfare of Society.**

DAY 3 REPORT

Introduction:

The third day of the International conference was on 31st July 2021. The day started with a very enthusiastic mindset looking forward to gain knowledge to which all the participants are going to be exposed. The theme of the conferences itself gave motivation to participate.

Preparations:

All the abstracts which were received before the dead line were checked for plagiarism and also thoroughly reviewed. The joint organizing secretary, Dr. Radhika Rani.L prepared a schedule of the conference. The schedule was mailed along with the link for joining the meeting in Microsoft teams was sent to all the presenters.

Day 3 Execution:

The day Started as per the schedule at 9:45AM. Mrs. Krishna Priya, Head – Department of Commerce – Computer Applications, Aurora Degree & PG College gave an introductory note about the College and introduced Principal Dr. Viswanadham Bulusu. It was followed by the address of the principal Dr. Viswanadham Bulusu. He appreciated the participants for their active involvement in communicating papers for the conference. He gave a warm welcome to the key note speaker Dr. Ramana Murthy Principal Vijayanagar College of Commerce and Chairperson Dr. Perri Pinaka Pani Gitam University Hyderabad. Sir handed over the session to Mrs. S.KrishnaPriya Department of Commerce – Computer Applications, and madam introduced Dr.Padmini S, Joint organizing secretary of the International conference to introduce the speaker.

Dr. K.V Raman Murthy started his lecture after the prayer song. His lecture was on “Integrating Teaching with Research”. In his lecture Sir spoke about the importance of Research in the present situation.

[Handwritten signature in green ink]

After this lecture the Session is handed over to Rebecca Shravanthi Assistant Professor, from Dept- of –Commerce and Management to introduce the Chair person Dr. Perri Pinaka Pani and the oral paper presentations started. There were 22 oral presentations and each presenter was given 10 minutes time including the question answer sessions. The presenters had put lot of effort and presented their original work. The papers were on various areas in fields like Tourism, Behavioral biases and Investment objectives , Green Products ,Booming business Opportunities , IFRS , Business opportunities using Consumer Procrastination , Artificial Intelligence systems , FDI impact on the growth of Indian Economy. One best paper selected among the oral presentations. "Swift shift to post – Covid work environment: A study on adoption of people – centric approach in IT Sector "by Dr. Kanchanamala got best paper status .The presentations went on smoothly without any technical difficulty. The participants gave positive feedback and appreciated the organizers for giving a platform to share their research work. The participants were able to gain knowledge by networking with different presenters and they were exposed to various fields apart from their field of interest.

The purpose of organizing this e-conference was completely achieved. It gave the organizers a immense satisfaction that an activity which contributed for a wholesome learning experience was conducted during the challenging times of covid-19.

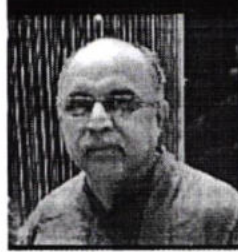

We thank one and all for making the conference a grand Success.

A handwritten signature in green ink, consisting of several loops and a long horizontal stroke at the end.

**International E-Conference on
"Innovations in Science, Technology, Commerce and
Management for the welfare of the Society"
29-31 July 2021**

29-07-2021 09.30 AM to 10.30 AM	Dr. B. S. Ravi Kumar Head, Department of Botany and Environmental Sciences, AVK College for Women, Hassan, Karnataka "Nature Inspired Sustainable Technology"	
30-07-2021 10.00 AM to 11.00 AM	Dr. Priya Hasan Assistant Professor, Department of Physics Maulana Azad National Urdu University, Hyd "Machine Learning and its application in Astronomy"	
30-07-2021 1.30 PM to 2.30 PM	Prof. Najamul Hasan Department of Mathematics Dean , School of Sciences, Moulana Azad National Urdu University Hyderabad "Scientific Methods : A perspective"	
31-07-2021 09.30 AM to 10.30 AM	Dr. K. V. Ramana Murthy Principal Vijayanagar College of Commerce Hyderabad "Integrating Teaching with Research"	

Dr. N. D. Rekha

(ACCREDITED BY NAAC WITH B++ GRADE)
INTERNATIONAL E- CONFERENCE – 2021
“Innovations in Science, Technology, Commerce and Management for the welfare of Society”

Introduction:

The Conference on “Innovations in Science, Technology, Commerce and Management for the Welfare of Society”. This interdisciplinary conference aims to bring together researchers, academicians, industry professionals and policymakers to explore and discuss groundbreaking innovations that can contribute to the betterment of society.

Objectives:

- To provide a platform for interaction and exchange of ideas between academicians, professionals, and researchers across the globe.
- To discuss new approaches and developments in their field of study.

Organizers: Internal Quality Assurance Cell & R & D Cell

Dates: 29th to 31st July, 2021

Target Audience: Faculty, Research Scholars, Academicians, Industry persons and Students.

Preparations:

All the abstracts which were received before the dead line were checked for plagiarism and also thoroughly reviewed. The organizing secretary, Dr. Ravikiran S prepared a schedule of the conference. The schedule was mailed along with the link for joining the meeting in Microsoft teams and was sent to all the presenters.

DAY 1 REPORT

Introduction:

The first day of the International conference was on 29th July 2021. The day started with a very enthusiastic mindset looking forward to gain knowledge to which all the participants are going to be exposed. The theme of the conferences itself gave motivation to participate.

Day 1 Execution:

The day Started as per the schedule at 9:45AM. By Dr Ravikiran S, Head – Department of Biochemistry , Aurora Degree & PG College gave an introductory note about the College and introduced Principal Dr. Viswanadham Bulusu. It was followed by the address of the principal Dr. Viswanadham Bulusu. He appreciated the participants for their active involvement in communicating papers for the conference. He gave a warm welcome to the key note speaker and Chairperson Dr. B. S. Ravi Kumar Head, Department of Botany and Environmental Sciences, AVK College for Women, Hassan, and handed over the session to Dr Ravikiran S, and sir introduced the speaker.

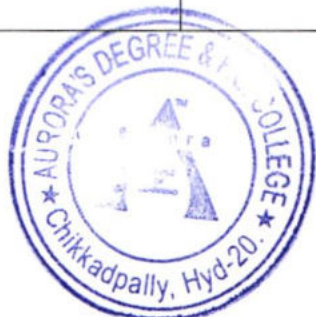

Dr. B. S. Ravi Kumar started his lecture after the prayer song. His lecture was on “Nature Inspired Sustainable Technology”. In his lecture Sir spoke about the importance of Research in the present situation.

After the lecture, the technical session started. There were 27 oral presentations and each presenter was given 10 minutes time including the question answer sessions. The presenters had put lot of effort and presented their original work..The presentations went on smoothly without any technical difficulty. The participants gave positive feedback and appreciated the organizers for giving a platform to share their research work. The participants were able to gain knowledge about the research in various fields and they were exposed to different concepts apart from their field of interest.

Day 2 Report

Introduction:

The second day of the conference was on 30th July 2020. The day started with a very enthusiastic mindset looking forward to gain knowledge to which all the participants are going to be exposed. The theme of the conferences itself gave motivation to participate.

Preparations:

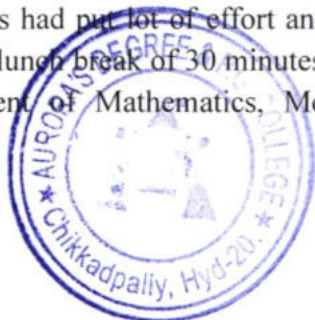

The resource persons and chair were contacted by Dr. Meera Joshi. Dr. Priya Hasan, Assistant professor, Department of Physics, Moulana Azad National Urdu University and Prof. S.N. Hasan, Department of Mathematics, Moulana Azad National Urdu University confirmed to deliver the invited talks. All the abstracts which were received before the dead line were checked for plagiarism and also thoroughly reviewed. The joint organizing secretary, Dr. Radhika Rani.L prepared a schedule of the conference. The schedule was mailed along with the link for joining the meeting in Microsoft Teams was sent to all the presenters.

Day 2 Execution:

The day Started as per the schedule at 10AM. The organizing secretary of the conference Dr. Ravi Kiran, Head – Department of Biochemistry, Aurora Degree & PG College gave an introductory note about the college describing activities at the college and about the conference . It was followed by the address of the principal Dr. Viswanadham Bulusu. He appreciated the participants for their active involvement in communicating papers for the conference. He gave a warm welcome to the resource person and the one of speaker of the day Dr. Priya Hasan, Assistant professor, Department of Physics, Moulana Azad National Urdu University. Ms. Archana , Assistant professor Department of Physics, Aurora's Degree and PG College introduced the speaker.

Dr. Priya Hasan started her lecture on “Machine Learning and its applications in Astronomy” after the prayer song. The lecture illustrated various features of Machine Learning and the aspects of Astronomy where Machine Learning can be applied with various examples on Star Formation. The lecture was delivered from 10:30am to 11:30am.

After this lecture the oral paper presentations started. Dr. Naga Maruthi Kumari, Chaired the sessions. The paper presentations continued after the talk by Dr.Priya Hassan. The lunch break was announced after 9 paper presentations. Each presenter was given 15 minutes time including the question answer sessions. The presentations were done from 11:30am to 1:30PM. The presenters had put lot of effort and presented their original work. The afternoon session started after the lunch break of 30 minutes at 2:00pm with an invited talk delivered by Prof. S.N. Hasan, Department of Mathematics, Moulana Azad National Urdu University. Prof. S.N. Hasan

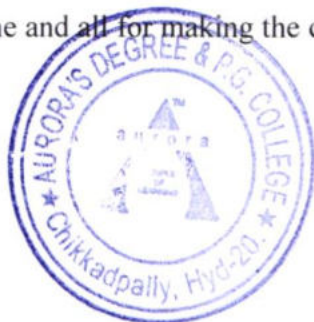

Handwritten signature in green ink.

delivered a talk on “Scientific Methods : A perspective. The lecture was interesting and he discussed the philosophy of Science. After the lecture the paper presentation resumed at 3:00pm. There were 8 Presentations in the afternoon from 3:00pm to 5:00pm. The chair person off the sessions Dr. Naga Maruthi Kumari, discussed in detail with each participant about their work and the scope of work in future. There were 17 oral presentations. The papers were on various areas in fields like Mathematics, Physics, electronics and Computer Science. The chair person decided to acknowledge best presenters from two categories, 1. Original research work presentation and 2. Review research work presentation. There were three best positions selected among the oral presentations. The first position was given by the Chair person to Mr. Shaik Abdul Khader, Research Scholar, School of Ellectronics KIIT Deemed to be Unversity, Bhubaneswar, Odisha titled “Design and Verification of Metamaterial Unit cell”, the second position was secured by Dr. Raju Sake, Department of Statistics, Sri Krishna Devaraya University, Ananthapuramu, AP titled “Fitting of Normal Distribution by using Areas method between rainfall and ground water levels – A Case study” . The third position was secured by the paper presented by Ms. C. Aruna & Dr. Radhika Rani.L, both authors from Department of Electronics, Aurora’s Degree & PG College, Hyderabad titled “PIC Micro-controller based Magnetic Field Strength Meter”. Under the second Category the first position was secured by work presented by Ms.Shivani Mhaisekar, Department of Computer Science, Kaveri College of Science, Arts and Commerce, Pune, Maharashtra, Mr. Shashank Kulkarni, Department of Computer Science, Bharat Institute of Engineering and Technology, Hyderabad, Ms. Srinidhi Kulkarni, Department of Computer Science, International Institute of Information Technology(IIT) Bhubaneswar, Odisha for their work on “Computational Analysis and Modelling of COVID 19 : A Description”. The second position was awarded to Ms. Aishwarya, Department of Computer Science, Bharatiya Vidya Bhavans Vivekananda College of Science, Humanities and Commerce on “Cyber Security”. The most appreciating aspect here is that, both the positions in second category were bagged by the students. It encouraged them a lot to continue further. The presentations went on smoothly without any technical difficulty. The participants gave positive feedback and appreciated the organizers for giving a platform to share their research work. The participants were able to gain knowledge by networking with different presenters and they were exposed to various fields apart from their field of interest.

The purpose of organizing this e-conference was completely achieved. It gave the organizers a immense satisfaction that an activity which contributed for a wholesome learning experience was conducted during the challenging times of covid-19.

We thank one and all for making the conference a grand Success.

Physical Science Schedule – 30th July 2021

Physical Sciences Schedule

9:45 am to 10:00 am	Inaugural Address Dr. Viswanadham Bulusu Principal, Aurora Degree & PG College, Hyderabad
10:00 am to 11:00 am	Keynote Talk Dr. Priya Hassan Assistant Professor, Department of Physics, Maulana Azad National Urdu University, Hyderabad “Machine Learning and its application in Astronomy”
11:00 am to 1:00 pm	Technical Session-1 Chairperson: Dr. Naga Maruthi Kumari, Department of Mathematics, Higher College of Technology, Muscat, Sultanate of Oman, UAE Presentations by the participants
1:00 pm to 1:30 pm	Lunch Break
1:30 pm to 2:30 pm	Keynote Talk Prof. Nijamul Hasan Department of Mathematics Dean , School of Sciences, Moulana Azad National Urdu University Hyderabad “Scientific Methods : A perspective”
2:30 pm to 5:00 pm	Technical Session-2 Chairperson: Dr. Naga Maruthi Kumari, Department of Mathematics, Higher College of Technology, Muscat, Sultanate of Oman, UAE Presentations by the participants
5:00 pm to 5:10 pm	Valedictory Address

DAY 3 REPORT

Introduction:

The third day of the International conference was on 31st July 2021. The day started with a very enthusiastic mindset looking forward to gain knowledge to which all the participants are going to be exposed. The theme of the conferences itself gave motivation to participate.

Day 3 Execution:

The day Started as per the schedule at 9:45AM. Mrs. Krishna Priya, Head – Department of Commerce – Computer Applications, Aurora Degree & PG College gave an introductory note about the College and introduced Principal Dr. Viswanadham Bulusu. It was followed by the address of the principal Dr. Viswanadham Bulusu. He appreciated the participants for their active involvement in communicating papers for the conference. He gave a warm welcome to the key note speaker Dr. Ramana Murthy Principal Vijayanagar College of Commerce and Chairperson Dr. Perri Pinaka Pani Gitam University Hyderabad. Sir handed over the session to Mrs. S.KrishnaPriya Department of Commerce – Computer Applications, and madam introduced Dr.Padmini S, Joint organizing secretary of the International conference to introduce the speaker.

Dr. K.V Raman Murthy started his lecture after the prayer song. His lecture was on “Integrating Teaching with Research”. In his lecture Sir spoke about the importance of Research in the present situation.

A handwritten signature in green ink, appearing to be "S. Krishna Priya". The signature is written in a cursive style and is underlined.

After this lecture the Session is handed over to Rebeeca Shravanthi Assistant Professor, from Dept- of –Commerce and Management to introduce the Chair person Dr. Perri Pinaka Pani and the oral paper presentations started. There were 22 oral presentations and each presenter was given 10 minutes time including the question answer sessions. The presenters had put lot of effort and presented their original work. The papers were on various areas in fields like Tourism, Behavioral biases and Investment objectives , Green Products ,Booming business Opportunities , IFRS , Business opportunities using Consumer Procrastination , Artificial Intelligence systems , FDI impact on the growth of Indian Economy. One best paper selected among the oral presentations. “Swift shift to post – Covid work environment: A study on adoption of people – centric approach in IT Sector “by Dr. Kanchanamala got best paper status .The presentations went on smoothly without any technical difficulty. The participants gave positive feedback and appreciated the organizers for giving a platform to share their research work. The participants were able to gain knowledge by networking with different presenters and they were exposed to various fields apart from their field of interest.

The purpose of organizing this e-conference was completely achieved. It gave the organizers immense satisfaction that an activity which contributed for a wholesome learning experience was conducted during the challenging times of covid-19.

We thank one and all for making the conference a grand Success.

Commerce and Management Schedule

9:45 am to 10:00 am	Inaugural Address Dr. Viswanadham Bulusu Principal, Aurora Degree & PG College, Hyderabad
10:00 am to 10:30 am	Keynote Talk Dr. K. V. Ramana Murthy Principal , Vijayanagar College of Commerce, Hyderabad “Integrating Teaching with Research”

10:30 am to 12:30 pm	Technical Session-1 Chairperson: Dr. Peri Pinakapani, Professor , Gitam (Deemed to be University) , Hyderabad Presentations by the participants
12:30 pm to 1:30 pm	Lunch Break
1:30 pm to 4:10 pm	Technical Session-2 Chairperson: Dr. Peri Pinakapani, Professor , Gitam (Deemed to be University) , Hyderabad Presentations by the participants
4:10 pm to 4:20 pm	Valedictory Address

Conference Brochure:

<p>Chief Patron Dr. Ramesh Nimmatoori, Secretary, Aurora Group of Institutions</p> <p>Patron Dr. Viswanadham Bulusu, Principal, Aurora's Degree & PG College</p> <p>Organizing Secretary Dr. S. Ravi Kiran, Department of Biochemistry</p> <p>Joint Organizing Secretaries Dr. L. Radhika Rani, Department of Electronics Dr. Meera Joshi, Department of Mathematics Dr. Padmini, Department of Commerce Mr. G. Rahul, Department of Biotechnology</p> <p>Conveners Mr. G. Sai Krishna, Vice-Principal Mr. J. Hari Prasad Rao, Vice Principal</p> <p>Advisory Board Prof. Syed Najamul Hasan, Dean, School of Sciences, Maulana Azad National Urdu University, Hyderabad Dr. B. S. Ravi Kumar, AVK College for Women, Hassan, Karnataka Dr. T. Parameshwar Naik, Sahyadri Science College, Shivamogga Dr. K. Shailaja, Osmania University, Hyderabad Dr. P. The main intention of this Conference is to reflect the pioneering state of art research in Science and Technology. The Conference is designed with Special Invited Lectures, Paper Presentations and Poster Presentations.

Themes

Science & Technology

- Clinical Biochemistry
- Enzyme Research
- Pharmaceutical Biotechnology
- Genetics disorders
- Molecular Biology of Cancer
- Computational Biology
- Bioinformatics
- Anti-microbial agents
- Analytical chemistry
- Green synthesis of Organic compounds
- Nanotechnology
- Algebra
- Geometry
- Discrete Mathematics
- Mathematical Analysis
- Differential Equations and Dynamical Systems
- Fluid Mechanics
- Quantum Computing
- Data Analytics and Deep Learning
- Artificial Intelligence
- Digital Signal Processing
- Operational Research
- IOT
- Big Data
- Data Mining

- Molecular Dynamics
- Embedded Systems
- Instrumentation
- Material Science
- Astrophysics
- Polymer Physics
- Thin Film Technology
- Molecular Physics

Commerce and Management

- Financial Technology
- Investment banking
- Credit risk
- Green bonds
- Logistics management
- Supply chain management
- Business ethos & corporate governance
- Digital environment
- Business opportunities
- Privatization in PSU's
- Risk management
- Change management
- Emotional intelligence
- Disaster management
- Ethical investing

Apart from the above, any other area of research and innovations in science, technology, commerce and management will receive attention

Call for Papers

Abstracts are invited for both oral and e-poster presentation (about 250 words) at conference@adc.edu.in by 10th June 2021. Acceptance will be communicated by 13th June 2021.

Presentation Dates

Life Sciences : 29th July 2021
 Physical Sciences and Technology : 30th July 2021
 Commerce & Management : 31st July 2021

Publication of Papers

Authors can send full papers by 10th July 2021
 The selected Quality papers will be published as a Book Chapter in Conference proceeding book with ISBN number.

Registration Fee

For teachers, research scholars: Rs. 800/-
 For international delegates: Rs. 1500/-
 Participants: Rs. 200/-

Google Pay: 9000150686

Registration Link:

<https://forms.gle/xoq3nu88eV2rZlucA>

Session ID will be shared through e-mail address

Sample Certificate:

PARAGRAPH ABOUT THE PROCEEDINGS

On 26 June, every year International Day against Drug Abuse and Illicit Trafficking is observed to spread awareness about the extreme cultural and economic harm the trade is still doing across the globe. It is necessary to strengthen global action and cooperation to achieve the goal of an international society of drug abuse.

Celebrated each year on June 26th, the UN Office on Drugs and Crime uses the commemorative day to highlight the dangers of drug use and their illegal trade and provides educational material to teachers and public officials all over the world to help spread the message about the extreme cultural and economic harm the trade in drugs is still doing across the globe one hundred years after the war on drugs was initially launched in Shanghai around the start of the 20th Century.

The importance of the strategy was reinforced when the UN decided to hold a General Assembly on drugs to mark a milestone in the progress of an earlier policy document which called on members states to combat both drug demand and supply, while improving access to treatment for addicts.

If we will not reduce the demand for illicit drugs, we can never fully tackle cultivation, production or trafficking. To tackle the problem that illicit drugs is supported by communities, different organisations and people from all over the world. The main principle of them is to protect the youth and to promote welfare to human kind.

According to United Nations Office on Drugs and Crime (UNODC) executive director "By listening to the needs of children and young people, prevention can contribute to their safety, health and well-being, and enable them realize their potential. All our societies would be better off if more resources were devoted to supporting evidence-based drug prevention strategies, which are a sound and effective investment in families, schools and communities".

Also, Research suggests that early-to late adolescence is a critical risk period for the initiation of substance use. To grow healthy and safe life for young people it is necessary to break the chain of social, neurological and psychological factors and inequalities that can increase susceptibility to drug use disorders.

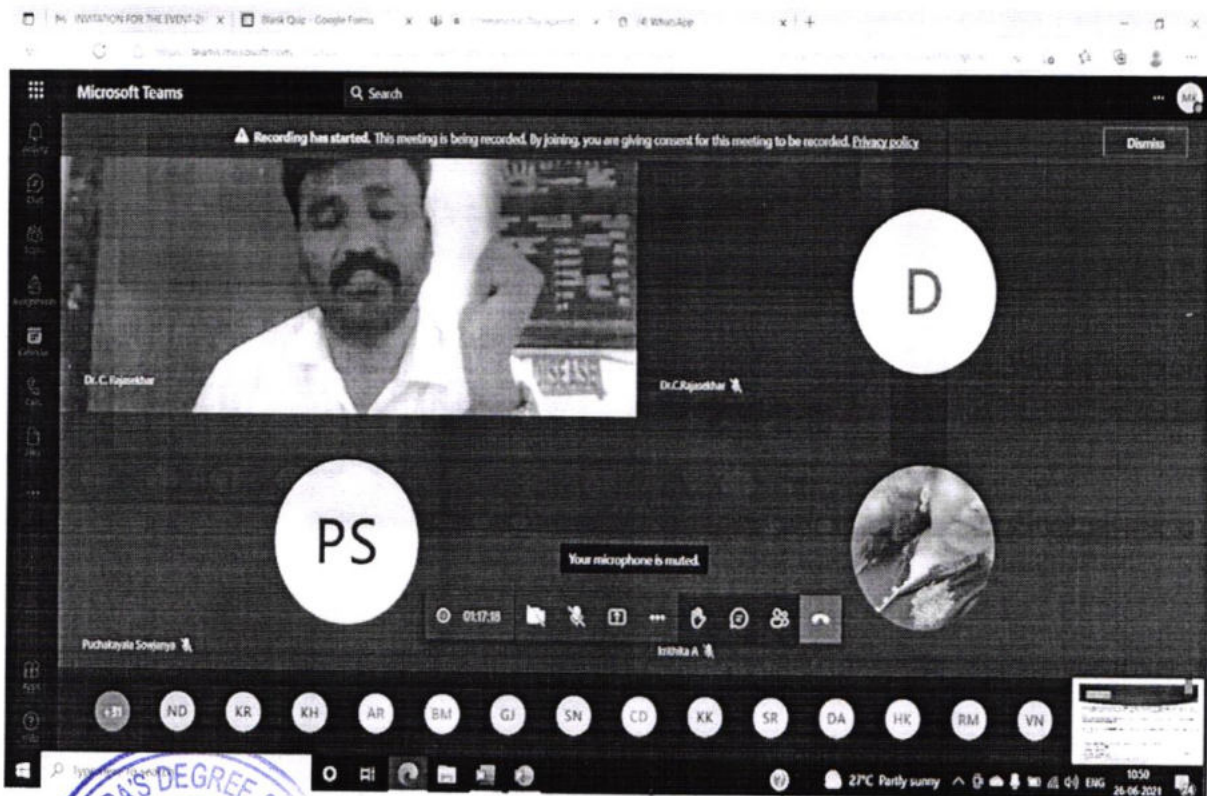

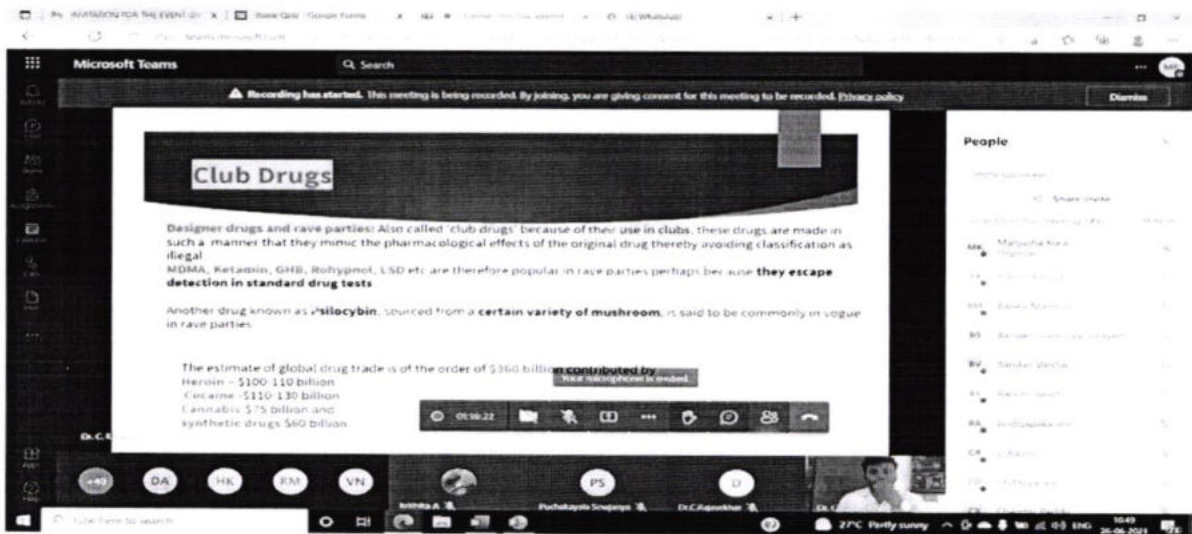

Therefore, we can say that International Day against drug abuse and illicit trafficking is celebrated to spread awareness about the drug abuse and its side effects that not only affects the individual health but as a whole society, family etc.

INCOME & EXPENDITURE: NIL

GUEST PROFILE

Dr. Rajasekhar Chikati
Academic Consultant Department of Biochemistry,
Yogi Vemana University, Kadapa, Andhra Pradesh, India

Dr. Rajasekhar Chikati, he pursued **graduation** in 'Biotechnology, Botany and Chemistry' at Govt Degree College (for Men) in Kurnool, affiliated to Sri Krishna Devaraya University, Anantapuram, Andhra Pradesh in 2003. Following this, he earned a **Master degree** in Biochemistry from Sri Krishana Devaraya University, Anantapuram, Andhra Pradesh. He qualified Graduate Aptitude Test (**GATE-2007**) in Life Sciences; and joined for a **Master of Philosophy** in Biochemistry from Sri Krishana Devaraya University, Anantapuram, Andhra Pradesh. And continued **2009-2014 for Ph.D.,** in Biochemistry with specialization in **Cancer Biology and Bioinformatics** under the supervision of **Prof., Chitta Suresh Kumar**, DBT-Bioinformatics Infrastructure Facility, Dept of Biochemistry, Sri Krishnadevaraya University, Anantapur, A.P, INDIA. **Thesis Title : Molecular Studies on Evaluation of RNase and Phytol as cytoskeleton targeting elements in Cancer.**

He got Ph.D awarded in 25th February 2014 later in joined as **UGC- Dr. S. Kohari Post Doctoral Fellow**, under **Mentorship of Dr. Surya S. Singh**, **Department of Biochemistry, University College of Sciences, Osmania University**, Hyderabad, Andhra Pradesh, India, **PDF Topic: Design, Synthesis and Molecular Evaluation of EGCG Analogues on Apoptosis Regulated Proteins and Transcriptional factors involved in Tumorigenesis** and now working as **Asst Professor on Contract basis** in **Department of Biochemistry**. He Published More than **20 Research Articles** in reputed International Journals like Elsevier, Springer, Taylor & Francies, conducted more than 15 workshops in Bioinformatics, gave guidance to the projects students (65 students). Delivered many lectures in different colleges/institutes for both UG & PG.

**INTERNATIONAL DAY AGAINST DRUG ABUSE
AND ILLICIT TRAFFICKING**

Event Name: Departmental Event

Event Title: International Day Against Drug Abuse and Illicit Trafficking

Faculty coordinator: Mrs. Manjusha

Guest Speaker: Dr. Rajasekhar Chikati

Date : 26th June 2021

Duration: 10:00AM to 12:00 Noon

Venue: Online

Target audience: UG and PG students

Platform: Microsoft Teams

Level: College level

Students Volunteers: Geervani (MSc2nd year), Vidhi (MiGC3A)

Objective: The event is scheduled on the occasion of International Day Against Drug Abuse and Illicit Trafficking. The purpose of organizing the online event to create awareness on the use of illegal drugs which impacts life style of human.

Proposed activities:

Webinar on International Day Against Drug Abuse and Illicit Trafficking
Poster Presentation

Power Point presentation
Online quiz

Circular

I would like to formally notify and invite you all for the online event scheduled on Microsoft teams on the occasion of "International Day against Drug Abuse and Illicit Trafficking" on the 26th of June 2021 (Saturday). Addiction of alcohol, tobacco or drug affects common life, but with right counselling and efforts it can be over come addiction of any form that may impact life as normal. The purpose of organizing the online event to create awareness on the use of illegal drugs or the use of prescription or over-the-counter drugs for purposes other than those for which they are meant to be used, or in excessive amounts as it may lead to social, physical, emotional, and job-related problems. The event commences at 10.00 AM and will last for a couple of hours (10.00AM to 12.00 noon). So I urge you all to grace the event by your presence and make it a success.

Mrs. Padma

Head, Department of Microbiology

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

Day 1: Mr. Ashok Nepal discussed about his project Samaveshi
Samaaveshi: Building 'inclusive' classroom

VISION: One day, all schools will become 'inclusive'.

Why 'inclusive education'?:

PROBLEM: Low enrolment and high dropout among children with disabilities (CWDs). In India, 34% of all CWDs are out of the school of all CWDs enrolled in school, only 8.5% make it to secondary level, and a dismal 2.3% pursue higher secondary education. MHRD India 2016

SOLUTION: To bring systemic transformation in schools where all children irrespective of their social background or disability study together in the same classroom

Strategic plan (2021-2031):

Samaaveshi pathshaala flagship programme is an 'inclusive school' in kashale village where 30 students (15 each in KG & Grade 1), including 10 children with disability, study together using a multi-sensory approach. Plan is to add one grade every academic year – grade X by 2030

INCLUSIVE 'ANGANWADIS':

Their idea is to transform anganwadis into 'inclusive' early education center, by training anganwadi teachers in inclusive currently, we're working with 60 anganwadis. Their goal is to cover all 300 anganwadis in karjat, by 2025.

COVID RESPONSE 2.0:

In 2020, they provided food and hygienic kits to 100+ tribal families. In 2021, they donated food supplies for 1-2 months to 250+ tribal families; and gave (1-1) oximeter & thermometer each to 60 anganwadis for better community preparedness in remote village of Karjat.

Day 2: Entrepreneurship after Covid:

Mr. KVN Rao emphasized on importance of Entrepreneurship as a career opportunity for the young generation. During covid times, many people lost their jobs as the entire economy affected. People started doing small business for their survival. Everyone should take entrepreneurship as a habit. Risk taking should become one of the factor for the development of an individual.

[Handwritten signature]

Day 3: **Woman Entrepreneur**

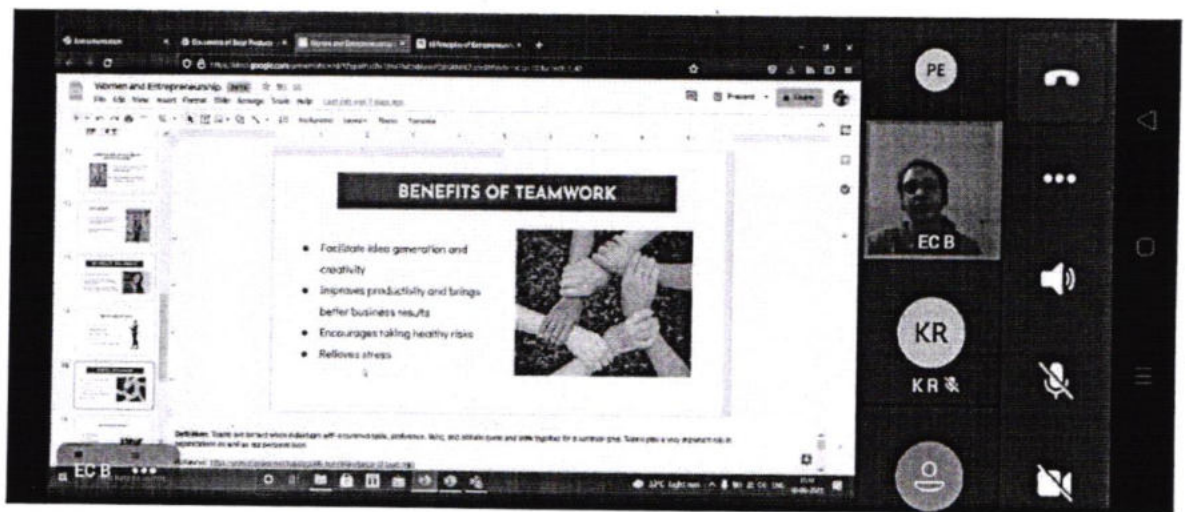

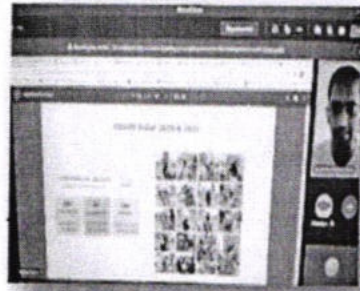

Mrs. Sapna Shankar has entitled us with principles of woman entrepreneur. Entrepreneur needs capacity to build a team. They have to set the priorities for fulfilling it. Mainly, Woman Entrepreneurs work very hard in and out and it is very difficult to a woman to be as an entrepreneur, but they never give up and always build themselves strong to achieve their goals. Entrepreneurs should always be a solution provider to the beginners and motivate them with their ideas. Entrepreneurs can embrace a rapid learning and as befriend fear.

8. GUEST PROFILE (IF ANY) :

Day 1: 28.06.2021

Topic :

Building 'Samaaveshi': My journey as a social entrepreneur

Speaker: Ashok Shah is the co-founder of Samaaveshi Pathshaala - an early-stage nonprofit that works on inclusive education in Karjat tribal block of Maharashtra, since 2018.

Ashok has eight years of experience in print/online media and development communication. A Nepalese national, he did his BA in Journalism from Bangalore University. Following, he worked as a journalist with Sakal Media for two years, based in Pune. He then pursued MSW with a specialization in 'Health and Development' from the Tata Institute of Social Sciences (TISS), Mumbai. From 2012 to 2018, he worked as a

Communications Officer with CBM International, based in Kathmandu and New Delhi.

Through an integrated approach that comprises an inclusive school, a community library, and a teacher-training programme with local Anganwadis - they've so far impacted education of 2000+ children with and without disabilities in Karjat.

By 2030, they plan to impact learning outcomes of 1 million children with diverse learning needs across India.

More info on our work: www.Samaaveshi.org

Day 2 : Entrepreneurship after Covid –

Speaker : Mr. KVN Rao:

LION KVN RAO

Hailing from a small town ,came to Hyderabad in 1995 .Started believing

"Entrepreneur make or break the nation. They influence direction, performance, careers and more. When entrepreneurs are effective they would strengthen and act as a backbone of the nations economy.

It is important to support them with world class coaching labs to tap their strengths and see the magic." This is the core philosophy of KVN RAO in helping entrepreneurs effectively ,lead and create an ecosystem that facilitates sustainable performance.

His top management experience and exceptional track record of contributions in large scale global organisations in the areas of Business Strategy, Operational Turnaround, HR, Training, Sales & Marketing, Business Operations is a testament of quality of his work and influence. Backed by his multifaceted industry exposure across multiple geographies, coupled with high quality education and certifications from premier institutions, Mr.KVN guides business people to achieve their aspirational goals in a systematic and goal oriented manner.

Professional Experience:

Mr.KVN RAO has 25+ years of global experience as an Entrepreneur, Vice president, Board Director, in various organizations. Over the last 5 years he has trained Entrepreneurs, senior business leaders & middle level executives in across India.

Qualification:

A Mecanical Engineer, Masters in Business administration (Finance), Masters in Business administration (Marketing), Masters In Human Psychology, Post Graduate Diploma in Production Management, Post Graduate Diploma in Business management from reputed institutions.

Apart from education he actively spend his time and talent in social networks like Lions clubs of international, Laghu Udyog bharathi and Few Business Networks. He is having his own industry in the field of engineering plastics and also responsible as Director in few organizations. Have a wonderful wife who is also in to business in the field of

A handwritten signature in green ink, appearing to be 'KVN Rao', written over a horizontal line.

Hygiene chemicals, blessed with 2 children ,Girl pursuing B.Tech and boy doing his Intermediate .

Day 3: Women Entrepreneur : Challenges and Opportunities

Mrs. SAPNA SHANKAR

ASPIRATION: Strengthen the legacy of belur products and contribute towards making the world a better place.

- “Belur Products” has taken unexpected heights within the span of 2 years
- Introduced an exclusive and special brand of incense named ‘Sharadha Flora’
- “Belur Products” has received many District and State level awards
- Also received certification for Sharadha Flora from the Honorable Chief Minister of Karnataka, Shri B S Yediyurappa.
- Recognized as the Entrepreneur of the Month by “Women’s Web and elected as the “Best Woman Entrepreneur”

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

A faculty orientation programme on 'Research Writing' was conducted on 4th October 2021 for the faculty of the English Department. Dr. P. Bharathi, working as professor in the same department was the resource person. The main focus of this programme was to familiarize the participants with the types and tools of research so that writing research proposals and articles becomes easier. The speaker emphasized on the topic selection for any type of research writing. She explained the format of a research proposal. The probable areas and topics for writing research articles in ELT and literature were suggested. The speaker also shared some examples of titles and articles from IJELLS(International Journal of English language, Literature and Skills) to motivate the faculty. Information about E-Resources for research along with the SCOPUS & UGC-CARE journal was also deliberated. The participants interacted with enthusiasm and interest.

Department of Microbiology

NAME OF THE EVENT	Guest Lecture
TYPE OF EVENT	Webinar
EVENT TITLE	COVID 19: PERSPECTIVES AND PROPECTIVES CLINICAL RESEARCH
SPEAKER	Dr. GPL Jayasree
TYPE OF EVENT	COLLEGE EVENT
FACULTY INCHARGE	Mrs. Padma Madham Senior Assistant Professor, Head of the Microbiology department
DEPARTMENT	MICROBIOLOGY
DATE	12 th May 2020
VENUE	Online Seminar on ZOOM
TARGET AUDIENCE	PG and UG Students

Objective:

To have a better understanding on covid 19: perspectives and propectives clinical research study on treatment, diagnostic, screening, supportive care, health services for the human.

Brief about the event

The guest lecture was organized by the Department of Microbiology at Aurora's Degree and PG College as an attempt to disclose various facts of the ongoing corona pandemic. The lecture focused on corona virus and its different strains associated with respiratory distress and also disclosed the facts related to treatment of drugs with response to virus.

Out comes

The guest lecture was delivered by Dr. GPL Jayasree, Department of Biotechnology, Sreenidhi Institute of Science and Technology, Ghatkesar, Hyderabad. Madam's lecture has provided the insight advances regarding the drug development in clinical trials and their assessments to ensure quality and safety of the clinical trials and the investigational drugs on the ongoing COVID 19 pandemic. The online meet has certainly provided the clarification on the following

- Outlines on corona virus
- Origin of SARS Co V-2
- Biochemistry of the SARS CoV-2 Virus
- Pathophysiology
- Treatment
- Targetting SARS-CoV2 Proteins with drugs
- The solidary Trial
- Hydroxychloroquine COVID-19
- Myths and the Reality
- Clinical trials
- Discovery of potential drugs for SARS CoV2 by computational methods

NAME OF THE EVENT	Consumer Day
FACULTY INCHARGE	R. Arjuna Rao , NSS PO Unit –I C. Suvarna Lakshmi, NSS PO Unit-II
CELL	NSS Cell, Aurora's Degree & PG College
DATE	24-Dec-2021, 10:30 am to 12:30 pm
TARGET AUDIENCE	NSS PROGRAM OFFICERS,COORDINATORS,VOLUNTEERS
VENUE	Aurora's Degree & PG College, RTC X Road's, Block-VI.
Speaker	P. Chandrasekhar, Vijay Kumar- Deputy Food Controller.

OBJECTIVE:

The main theme of the event is to make NSS Student's aware of consumer day importance and how to achieve maximum satisfaction as a consumer and consumer protection against exploitation and to have a control over consumption of harmful goods.

BRIEF ABOUT THE EVENT:

Aurora's Degree & PG College NSS PO's R. Arjuna Rao (Unit I- Boys) and C.Suvarna Lakshmi (Unit II – Girls) organized Consumer Day event in RTC X Roads, Block VI on 24'th December 2021 from 10:30 am to 12:30 PM . In this regard the Speakers P. Chandrasekhar, Vijay Kumar- Deputy Food Controller taken an interactive session with the NSS volunteers to be aware of what rights do a consumer have and how to use it in an ethical way .In the session speakers said that after all we were educated that we are also the consumers and thus this event has allowed the volunteers to realize the importance. A market without consumer will be a night sky without the stars and moon. Be alert and

Webinar started around 10.00 Am on 6th October 2020 and ended around 12.30. There were 96 Registrations for the webinar. The registered students were from B.Com Hons 3rd Year V Semester and BBA 3rd Year V Semester. The Session started by introduction of the speaker Mr. Ravi Huchchnavar, Programme Coordinator, Edusol Padgandi partner of BSE. The Speaker started the session by giving a brief comparison in the investment made by the citizens in India and other advanced country. Further the session continued by discussing various investment avenues of investment in stock market, precautions to be taken for investing in stock market, investments in mutual funds. Further the career opportunities in stock markeks were also the part of the session. The session was very useful and informative to the participants. Students learned various things about the stock market. The session ended with a formal vote of thanks.

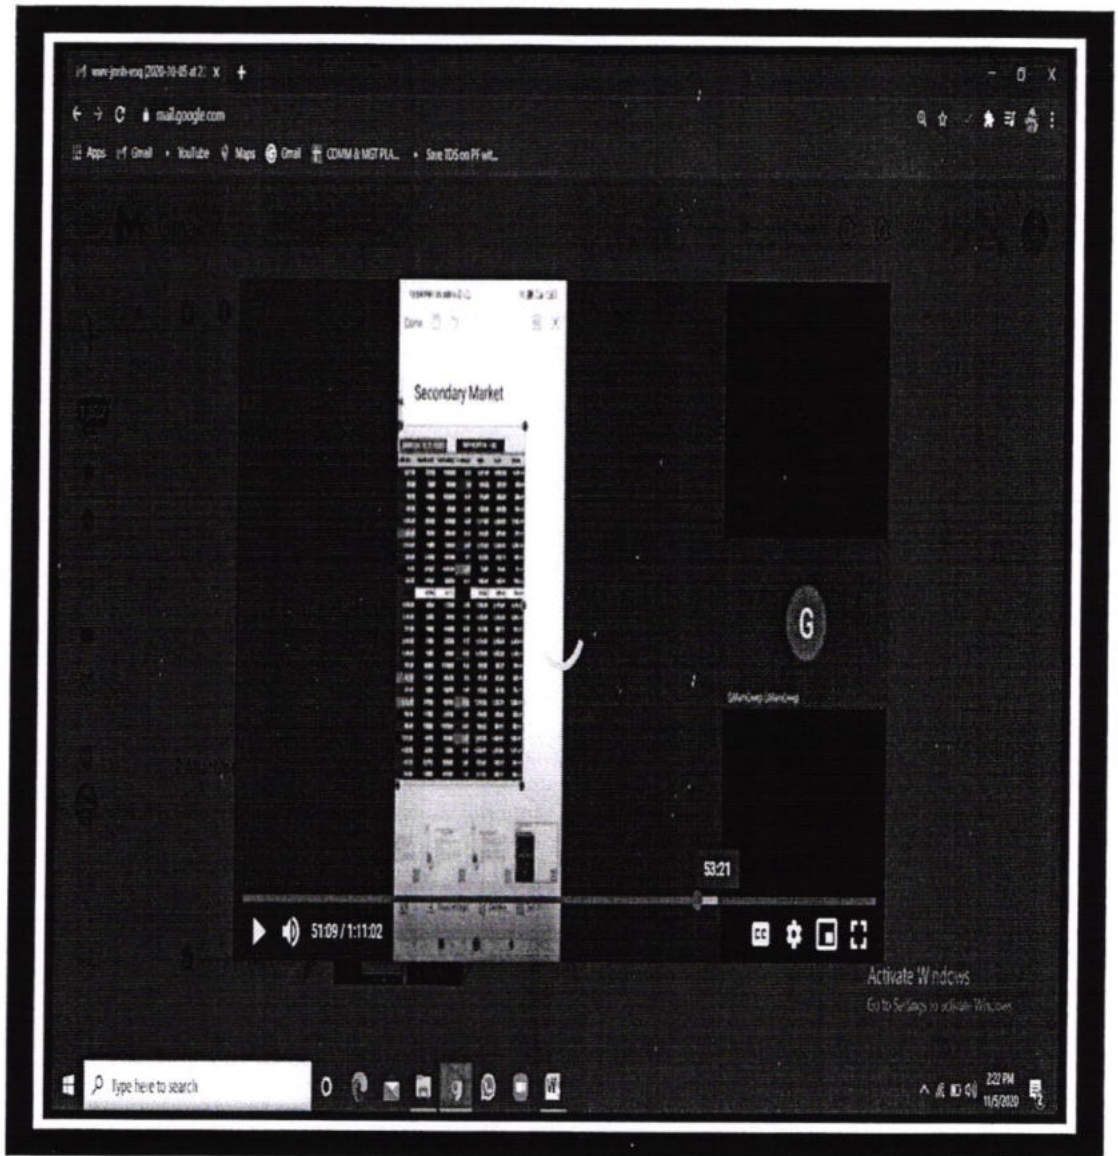

5. INCOME AND EXPENDITURE : NIL

Capital market awareness program through webinar Inbox x

Ravi Huchchannavar <ravi.economy@gmail.com>

Mon, Sep 28, 2:09 PM

to me

Dear Principal/Director

Good morning mam/sir as per conversation through phone, we would be glad to conduct session on Capital Market Awareness as per the convenience over Webinar. In brief, we are Mumbai based consulting and investment firm in partnership with **BOMBAY STOCK EXCHANGE** and have taken up the activity to spread the knowledge on Capital Market among the market participants.

One of the most critical segments of potential investors is young upcoming work force - Students of Final Year Engineering, Management, Law, Commerce, Medical Schools etc... Accordingly, we conduct sessions with experts to create Capital Market Awareness for these students which basically give them knowledge and understanding about the same.

A typical session is for ONE HOUR by a seasoned professional with online program by webinar. We would also be happy to accommodate, if institution is looking for some specific topic to be covered in this event related to the Capital Market. we look minimum of 50-60 students per session...

to Ravi ▾

Respected Sir,
Greetings..

The Session hosted by you was very informative and useful to our Students. I from Aurora's Degree and PG College thank you for sparing your valuable time in enlightening our students. Once again I appreciate and thank you for the session. For any such session in future we approach hoping you. With this mail I am attaching a file containing appreciation Certificate from Aurora.

Regards,
Veena Malkhed,
Head Department of B.Com Hons & M.Com
Aurora's Degree and PG College
Hyderabad.

Webinar Report on Application of Statistics in Banking
Domain.docx WEBINAR REPORT on Analytics in Market Research-
RajyaLakshmi.docx

EVENT PROPOSAL

Event Name: Webinar

Event Title: Analytics in Market Research

Cell Convenor: K. Sujatha

Faculty coordinator: Rajya Lakshmi

Date: 11-06-2020

Target audience: Faculty, Research Scholar's, & Students

Level: National Level

Budget: Nil

Objective: To create awareness how statistical tools are used in analysis of Market Research.

Aurora's Degree & PG College

(Accredited by NAAC with "B++" Grade)

NAME OF THE EVENT	Webinar on Analytics in Market Research
FACULTY INCHARGE	Rajya Lakshmi
DEPARTMENT	Department of Statistics
DATE	11-06-2020
VENUE	Aurora's Degree & PG College
TARGET AUDIENCE	Faculty, Research Scholar's, & Students
SPEAKER	J VINITA

OBJECTIVE:

To create awareness how statistical tools are used in analysis of Market Research.

Brief about the event:

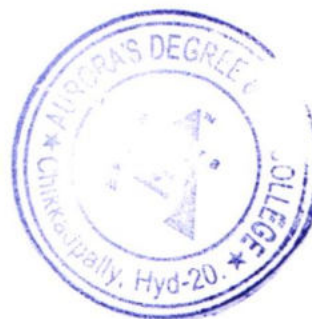

The webinar was organised by Department of Statistics, Aurora Degree and P.G. College on 11-06-2020. The session was started with the introduction speech by Ms. Parimala Sudhir, HOD, Statistics.

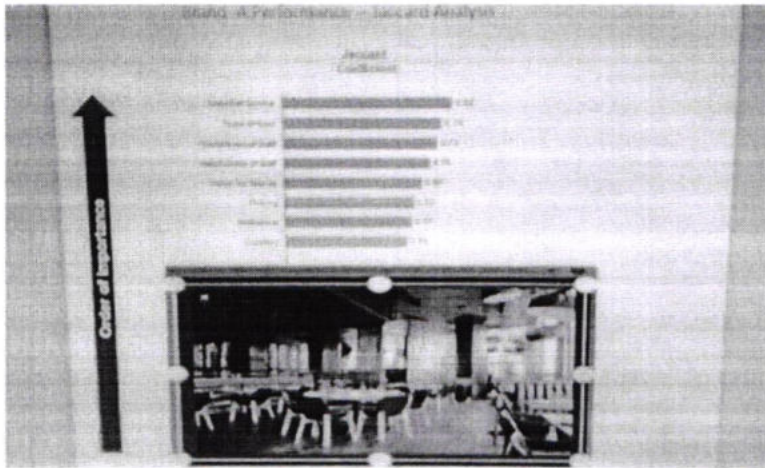

The Speaker gave brief idea about how statistics is used in "Market Research" by explaining case studies.

OUTCOME:

The participants were very happy on the webinar.

Photographs :

Jaccard Coefficient

- Jaccard Analysis was run on the attributes statements to derive a Jaccard coefficient, indicating the relative importance of each attribute.
- Jaccard Coefficient is a statistic used for comparing the similarity and diversity of sample properties.
- The data is best displayed in the format shown below.

	Associated with Brand A	Not Associated with Brand A
Brand A in Top 10	1	0
Brand A not in Top 10	0	2

Jaccard Coefficient = $\frac{A}{A+B}$
 The coefficient value can range from 0 to maximum of 1.

- In market research, Jaccard coefficient is used to identify the attributes that drive a brand's sales (range etc).
- Analysis of above data shows that A is a key driver and B is a differentiating attribute and does not drive sales that brands A. The attribute is not contributing much to the brand.

Key Driver Analysis

A key driver analysis investigates the relationships between potential drivers and customer behavior such as the likelihood of a recommendation, overall satisfaction, or propensity to buy a product.

Detail Report on Analytics in Market Research

In connection with the College Development activities, with the constant support and encouragement of Management and Dynamic Principal Dr.Viswanatham Bulusu, the department of Statistics organised the webinar on **Analytics in Market Research** for the benefit of Students, Research Scholars, Faculty and other participants from various parts of the country on 11th June 2020 .

The Session was started by an introduction speech by Ms Parimala Sudhir HOD of Statistics, also introduced the speaker J.Vinita, Assistant Professor, Department of Statistics, Aurora's Degree & PG College.

She started the Session by delivering the lecture on Analytics in Market Research, explained the concept of how data is collected.

During the session, the speaker explained the concept of predictive, prescriptive and diagnostic analysis of data. She explained some case studies, how market research is used on coffee shop & Restaurant . Also explained about various factors, variables influencing for analysing the trend on market. The speaker highlighted the JACARD Coefficient, key driver analysis and Jaccard coefficient, which is very useful in Market Research.

The session went on smoothly for an hour with more than 100 participants.

The session concluded with vote of thanks by Ms.Rajyalakshmi , convener of this webinar. Feedback form was filled by the participants to receive the suggestions.

The no. of participants registered are 280 & attended 100.

Detailed Report

The Department of Commerce (B.Com Honours) organized a One-Day National Level Webinar on "BUILDING FINANCIAL MODELS – AN INTEGRATED APPROACH". The organizer of the event was Dr. Viswanadham Bulusu and the convener of the event was Mrs Lakshmi Waghmare. It was an online event with eminent resource persons, Mr. M. Chandra Shekar (Assistant Professor in Finance & Accounting at Institute of Public Enterprise Hyderabad)

Objectives of the event:

- To enhance the knowledge of participants on the topic "Building Financial Models – An Integrated Approach.
- To help the students, faculty, Research scholars from various colleges in understanding the procedure of building financial model and its importance in the industry.

It was a one day national event which was scheduled on 4th July 2020 from 06:00pm to 08.00pm. The session was held by using zoom app. On 4th July 2020 Mr. M. Chandra Shekar (Assistant Professor in Finance & Accounting at Institute of Public Enterprise Hyderabad) delivered his talk on topic : "BUILDING FINANCIAL MODELS – AN INTEGRATED APPROACH". The session was introduced by Mrs. Veena Malkhed, Head Department of Commerce (B.Com Honours) at 05:50pm and followed by Principal's address to the participants and gave a brief note on the objective "Building Financial Models-An Integrated Approach. after which Mrs Veena Malkhed introduced the resource person **Mr. M. Chandra Shekar** (Assistant Professor in Finance & Accounting at Institute of Public Enterprise Hyderabad), and as per schedule the session started at 6.00 pm sharp.

Sir has shared the articles which was published in news papers... translation of same articles in telugu and hindi.... (details to be updated) and motivated the participants on how they can focus on writing articles. Explained the meaning, purpose, uses and objectives of the webinar topic : BUILDING FINANCIAL MODELS – AN INTEGRATED APPROACH'

The resource person was very efficient and effective in having an impact on the participants and providing the knowledge and information to the faculty and students.

Professor Mohd Akbar Ali Khan (Former Dean & Faculty of Commerce, Department of Commerce, Osmania University) Ph.D (Guide to Speaker), has participated in the webinar and conveyed message that Aurora College has conducted a very good Webinar and it was very well organised. appreciated about the session and conveyed good wishes to college.

Finally the event ended with vote of thanks by Lakshmi Waghmare Sr. Asst. Professor, Department of Commerce (B.Com Honours). In whole it was memorable, informative and educational for the benefit of the faculty, students and research scholars'. With authenticity it can be said that the participants were satisfied in conducting such a webinar by the College.

The department took the feedback about webinar from the participants and most of them appreciated and congratulated us for conducting the webinar successfully. Some of participants requested to conduct such sessions in the future.

I am very grateful to our Principal, Dr. Viswanadham Bulusu and Head Department of Commerce (B.Com Honours) . Mrs Veena Malkhed for giving me the opportunity to organize the webinar, encouraging and believing in me and extending support. I also thankful to Mr. Hari Prasad, Vice Principal and Mr. Ravi Kiran, Head Department of Biochemistry for their technical support.

The event was completed successfully. Many had lauded the organizers and the resource person for the wonderful job taken up during this unprecedented time for the educational sector and for its enlightenment. We will ensure to continue to conduct such programmes in the near future. E Certificates were provided to all the participants.

OUTCOME:

The participants have understood the topic and its uses and benefits in present day business environment. As in the beginning of the session speakers shared some of his articles and the ideas behind it, it was encouraging and motivating for the aspirants of research.

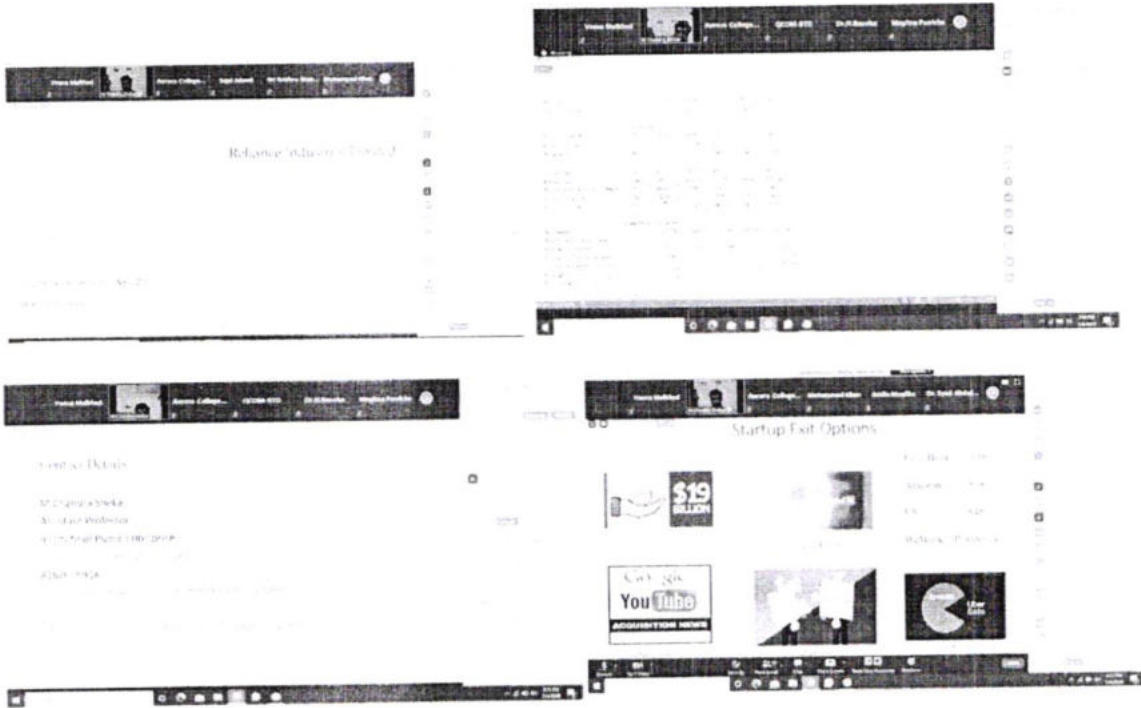

SUGGESTIONS:

1. Registrations should have been stopped early because many couldn't attend session even after registering
2. Feedback link should be kept even after end of the session for 15 minutes as many attended but didn't get certificate as they have not submitted the feedback.
3. Registration link should be kept in the poster itself.
4. Confirmation mail for the registered persons should be sent immediately after Registrations.

Aurora's Degree & PG College

(ACCREDITED BY NAAC WITH 'B++' GRADE)

Chikkadpally, Hyderabad 500020

EVENT PROPOSAL

Event Name: A National Webinar (Online Through Zoom App)

Event Title: "BUILDING FINANCIAL MODELS – AN INTEGRATED APPROACH"

Convener :

Lakshmi Waghmare
Sr. Assistant Professor
Department of Commerce (B.Com Honors)
9100000525

Proposed Resource Person: Mr.Chandra Shekar (Assistant Professor in Finance & Accounting at Institute of Public Enterprise Hyderabad)

Date & Venue: 4th July 2020; Online mode

Target audience: Faculty, students, Research Scholars of different colleges

Level: National

Budget:- Registrations are free

Mode of session: Online through Zoom meet

Objective:

- To enhance the knowledge of participants on the topic "Building Financial Models – An Integrated Approach,
- To help the students, faculty, Research scholars from various colleges in understanding the procedure of building financial model and its importance in the industry.

Proposed activities:

Session by the speaker and the interaction with the participants.

Aurora's Degree & P.G College

(Accredited by NAAC with 'B++' grade)

Chikkadpally, Hyderabad 500020

Department of Chemistry

37

NAME OF THE EVENT :	Webinar on Concept and application of Quality control and Quality Assurance in Analytical chemistry
TYPE OF EVENT	Department event
FACULTY INCHARGE	1) B. Gopal & 2) Uday Kumar Nimmala
DEPARTMENT	Chemistry
DATE	23 rd -June -2020
VENUE	Zoom
TARGET AUDIENCE	Faculty, Research scholars, UG - BSc students and PG students

OBJECTIVE:

To bring awareness among the students, faculty and research scholars on application of Quality control and Quality Assurance in chemical laboratories and industries.

BRIEF ABOUT THE EVENT:

The speaker was Dr. J. S. Bhargav brief about Quality control and quality assurance in analytical chemistry. He also explained different analytical techniques like spectroscopy and chromatography techniques which used in laboratory and large scale industries. He had given more towards research in quality control and quality assurance departments in industries. He also explained outline synthesis of drugs in pharmaceutical industries which are very useful for students and research scholars.

OUTCOME:

All the participants gained knowledge on Quality control and quality assurance in analytical chemistry. They also gained knowledge on analytical techniques used in pharmaceutical industries.

DETAILED REPORT

Speaker Profile:

Dr.J.S.Bhargav : Dr. J. S. Bhargav is a senior scientist and faculty in geological survey of India training institute, Hyderabad. He has been contributing his services to several organizations as a professional geochemist for the past 27 years. Major contribution is towards Environmental studies, Ground water studies and geochemical surveys. He has associated with geochemical laboratory for the analysis of ores, minerals, steam sediments, soils and water etc.

He published 30 technical papers in national and international journals. He Nominated for Life time achievement award in the field of Hydrogeology and Environmental Geochemistry instituted by Indian Association for Applied Geochemistry. He was awarded as the Best Employee of the year from Director General, Geological Survey of India for 2018.

Detailed Report

The Department of B.Com Honours organized a One-Day National Level Webinar on “**CONSUMER PROTECTION ACT**”. The organizer of the event was Dr. Viswanadham Bulusu and the convener of the event was Mrs Archana.G. It was an online event with eminent resource persons, Manikonda Vijay Kumar Senior Standing Council for Central Excise, Customs and GST, Senior Council for Central Government High Court Telangana.

Objectives of the event:

1. To create awareness in the participants and empower consumers to take effective decisions to protect their rights.
2. To help the faculty and the students in understanding the significance and inside of consumer protection act..

It was a one day national event which was scheduled on 30th June 2020 from 11.00am to 1.00pm. The session was held by using zoom app. On 30/06/2020 Manikonda Vijay Kumar, Senior Standing Council for Central Excise, Customs and GST, Senior Council for Central Government High Court Telanga gave a talk on “**CONSUMER PROTECTION ACT**”. The session was introduced by Mrs, Veena Malkhed, Head Department of Commerce (B.Com Honours) at 10:45 am and followed by Principal’s address to the participants and gave a brief note on the objective Consumer Protection Act, after which Mrs Veena Malkhed introduced the resource person **Manikonda Vijay Kumar**, Senior Standing Council for Central Excise, Customs and GST, Senior Council for Central Government High Court Telangana as per schedule the session started at 11.00 am sharp.

Sir has explained the meaning of consumer, purpose of Consumer protection Act, defective Goods, deficiency in Services, Consumer Protection Authority duties, how Consumer protection Council works for the Consumer, how to protect consumer from hazards to their wellbeing and safety and punishment of misleading Advertisements. Continuing with the session he also explained in brief about Rights as a Consumer.

The resource person was very efficient and effective in having an impact on the participants and providing the knowledge and information to the faculty and students.

Finally the event ended with vote of thanks by Archana.G Sr. Asst. Professor, Department of Commerce (B.Com Honours). In whole it was memorable, informative and educational for the benefit of the faculty, students and research scholars’. With authenticity it can be said that the participants were satisfied in conducting such a webinar by the College.

The department took the feedback about webinar from the participants and most of them appreciated and congratulated us for conducting the webinar successfully. Some of participants requested to conduct such sessions in the future.

I am very grateful to our Principal, Dr. Viswanadham Bulusu and Head Department of Commerce (B.Com Honours), Mrs. Veena Malkhed for giving me the opportunity to organize the webinar, encouraging and believing in me and extending support. I also thank Mr. Hari Prasad, Vice Principal and Mr. Ravi Kiran, Head Department of Biochemistry for their technical support.

The event was completed successfully. Many had lauded the organizers and the resource person for the wonderful job taken up during this unprecedented time for the educational sector and for its enlightenment.

I shall continue to conduct such programmes in the near future.

E Certificates were provided to all the participants.

OUTCOME:

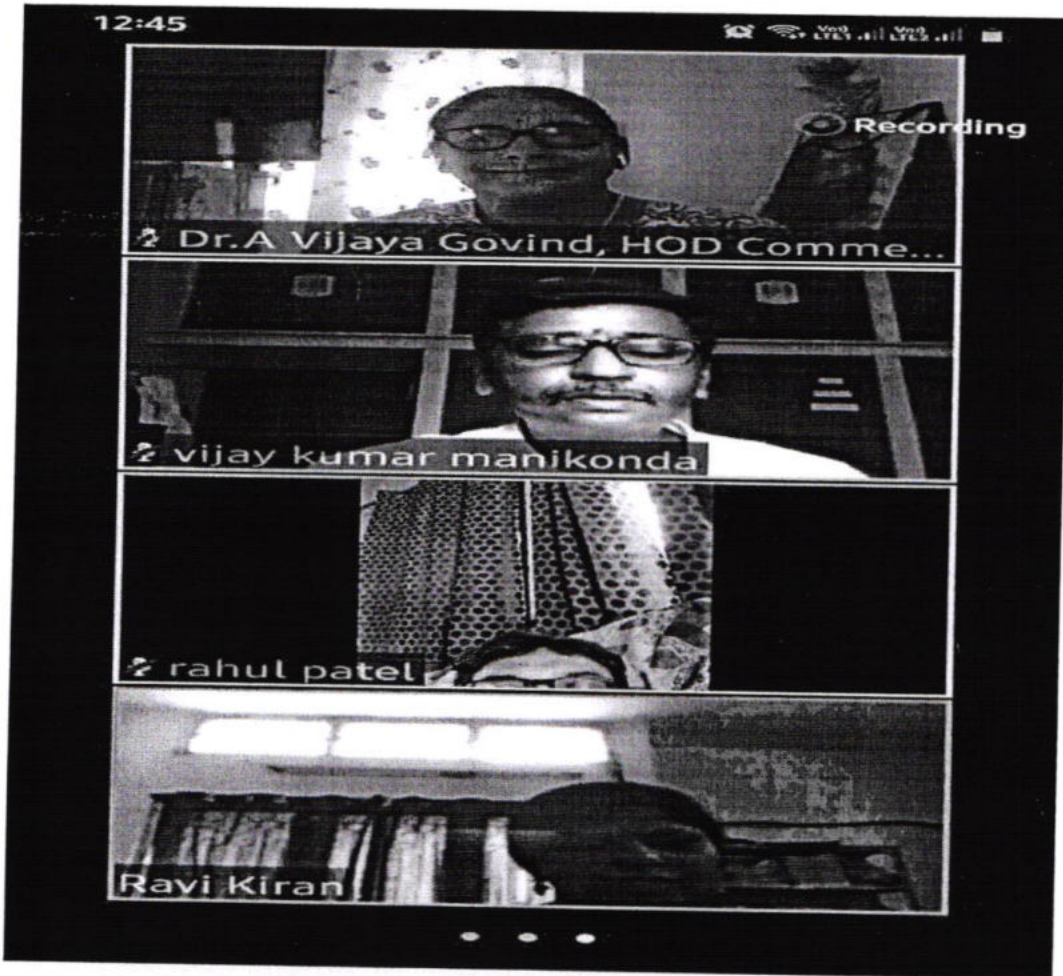

The faculty and students understood the Act aims to provide a systematic and approachable platform to the consumer for redressed of disputes.

SUGGESTIONS:

1. Registrations should have been stopped early because many couldn't attend session even after registering
2. Feedback link should be kept even after end of the session for 15 minutes as many attended but didn't get certificate as they have not submitted the feedback.
3. Registration link should be kept in the poster itself.
4. Confirmation mail for the registered persons should be sent immediately after Registrations.

NAME OF THE EVENT	Ethical Hacking & Cyber Security Workshop
TYPE OF EVENT	College level Event
FACULTY INCHARGE	Srinivas U, Associate Professor
DEPARTMENT	Computer Science
DATE	24 th & 25 th February, 2020
VENUE	Computer Lab 1, Block VI, RTC CROSS Roads, Chikkadpally, HYD
SPEAKER	Mohammed Zee Shan Farooq Certified Ethical Hacker

OBJECTIVE:

The main objective of the workshop is to create awareness among students on ethical hacking, to improve the security of the network or systems by fixing the vulnerabilities found during testing.

BRIEF ABOUT THE EVENT:

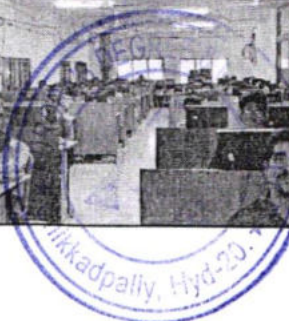

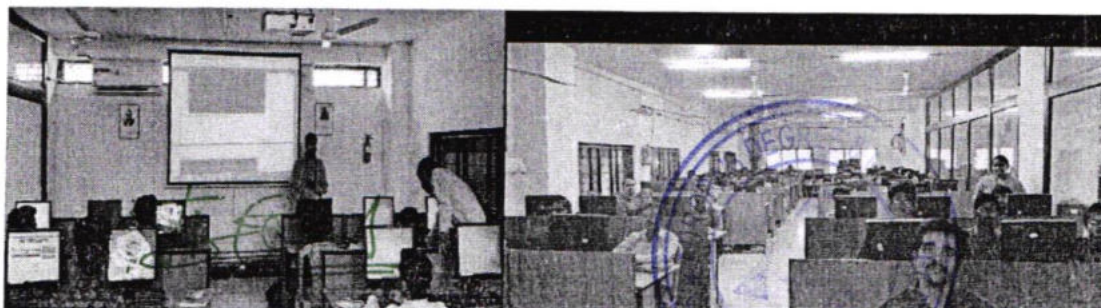

A Two day workshop was conducted for the registered students of B.Sc. and B.com. The session was planned to make the students learn beyond the syllabus.

On the day -1, The session started introducing to cyber ethics, foot printing, scanning, computer based social engineering attacks and information security threats and attacks. He also explained the tools which we can use ethical hacking such as NMAP, WIRESHARK, BURP SUITE, etc.

On the day-2, The session started introducing the topics of SQL injection, wireless hacking and security and firewalls and explained about password cracking techniques. The students exhibited great enthusiasm in learning and practicing on the system as well.

OUTCOME:

Students could understand the tools used in Ethical hacking and also aware security mechanisms on networks by using various tools.

Detailed Report:

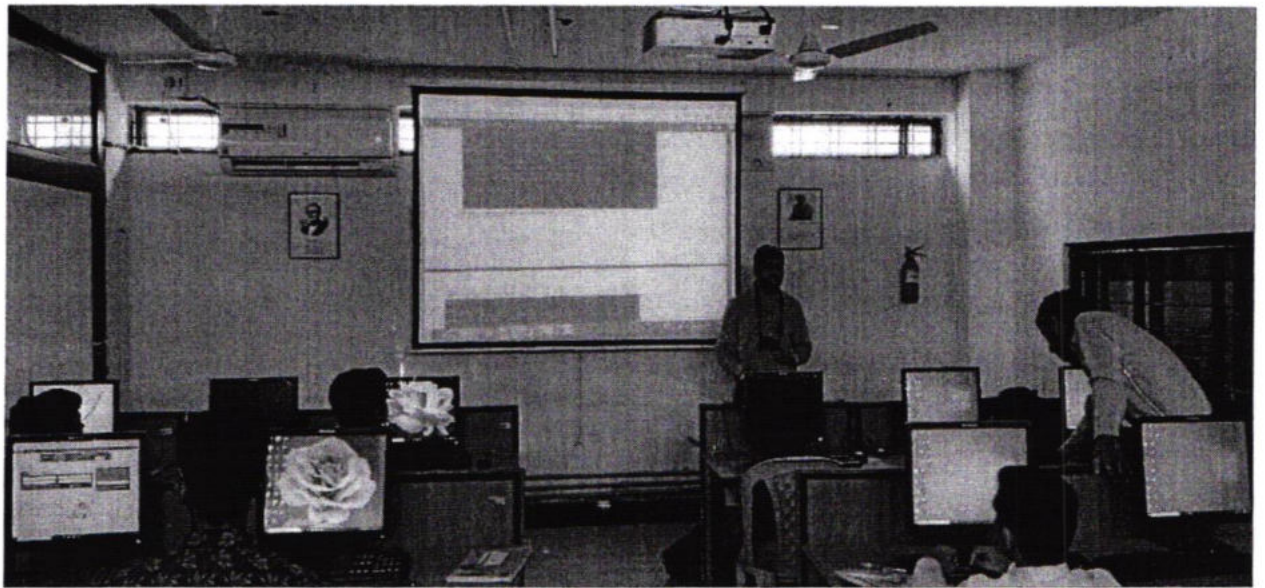

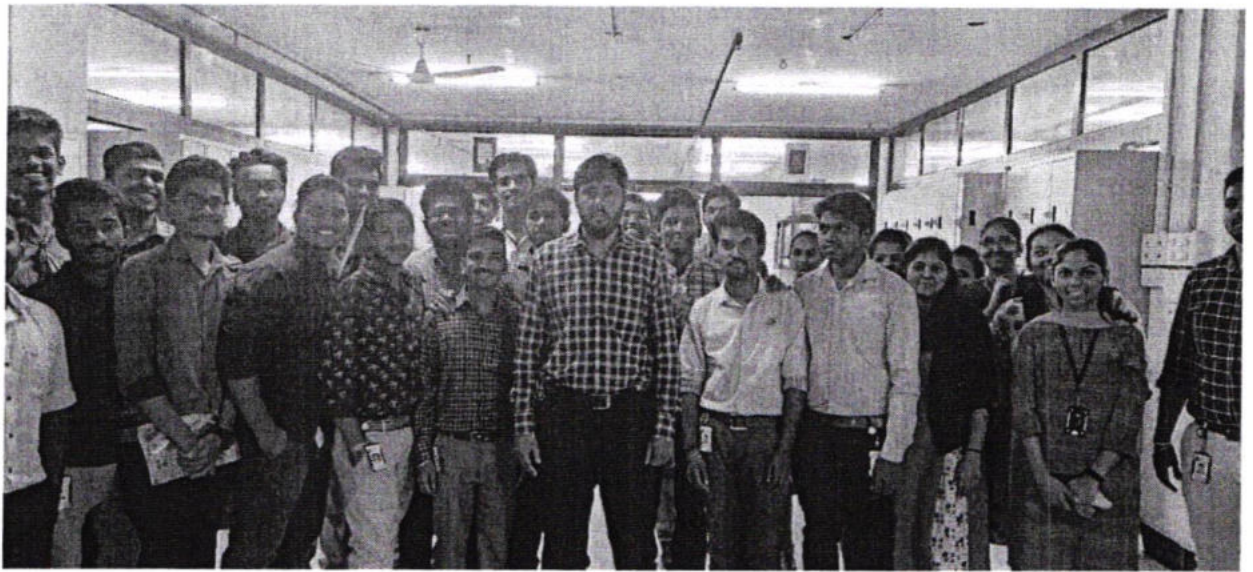

The main objective of the Workshop is to create awareness among students on Ethical Hacking sometimes called as Penetration Testing is an act of intruding/penetrating into system or networks to find out threats, vulnerabilities in those systems which a malicious attacker may find and exploit causing loss of data, financial loss or other major damages.

A Two day workshop was conducted for the registered students of B.Sc. and B.com. The session was planned to make the students learn beyond the syllabus.

On the day -1, The session started introducing to cyber ethics, foot printing, scanning, computer based social engineering attacks and information security threats and attacks. He also explained the tools which we can use ethical hacking such as NMAP, WIRESHARK, BURP SUITE, etc.

On the day-2 , The session started introducing the topics of SQL injection, wireless hacking and security and firewalls and explained about password cracking techniques .The students exhibited great enthusiasm in learning and practicing on the system as well.

REVISED PURCHASE ORDER

Date: 14-02-2020
P.O. No:

To Vendor

WebTek Labs Pvt Ltd
4 Lee Road,
Viabhav 5th Floor,
Kolkata 700020

From Institution:-

Aurora Degree & P.G College
Chikkadpally
Hyderabad Dist.

Description	Workshop Dates	Unit Price Incl. Tax per student (in INR)	No. of Participants	Amount Rs.
2days Workshop on Ethical Hacking	February ^{24 & 25} (19) & (20)	Rs.300/-	50+2	15,000/- +600.
Invoice AmountRs.				15,000/- 15,600
Amount in Words:-Fifteen Thousands only.				Fifteen Thousand Six hundred only

•Minimum Student Count for workshop should be 50 students.(extra student pay accordingly)

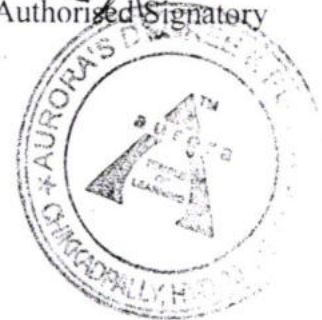

Terms & Conditions:

Payment Terms:-100% of the payment on the day of completion of workshop.Certificates will be issued post clearance of payment.

Payment to be made RTGS to:

A/c Name: WebTek Labs Pvt Ltd
Bank Name: HDFC Bank Ltd.
Bank Branch: Stephen House
City: Kolkata
C/A No: 00080340045382
RTGS /NEFT IFSC Code No: HDFC0000008
GSTIN:19AAACW3564G2Z5
Nature of Service:998314 Information technology (IT) design and development services

Authorized Signatory

Received amount of
Rs. 15,600/- towards
Ethical Hacking Workshop
Conducted on Feb 24 & 25
A. Devendar Rao
27/02/2020.

Aurora's Degree & PG College
 (ACCREDITED BY NAAC WITH 'B++' GRADE)
 Chikkadpally, Hyderabad 500020

NAME OF THE EVENT	Work Shop on MATLAB
TYPE OF EVENT	Two Day Workshop
FACULTY INCHARGE	Ms. G. Prathibha, Ms. M. Latha Salome
DEPARTMENT	Mathematics
DATE	07-01-2020 & 08-01-2020
VENUE	Block I, Computer Lab, Aurora's Degree and PG College
TARGET AUDIENCE	M.Sc. Mathematics

OBJECTIVE:

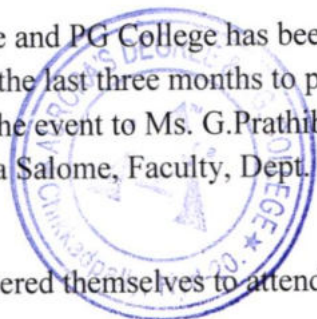

- To increase the potential of the student by inspiring him to learn MATLAB
- To inspire the student to learn more about the applications of Mathematics through MATLAB in various fields
- To increase interest on Mathematics by making him to know how it is used in day to day life
- To aware the students that MATLAB is used in fields like Data Networking, Machine learning, Internet of things, etc.
- To improve the programming skills of the student
- To know the solving techniques in solving various mathematical problems in less time

BRIEF ABOUT THE EVENT:

The work shop is organized with an intention to improve the potential of the PG student of mathematics and to explore the career opportunities. MATLAB is a high-level technical computing language and interactive environment for algorithm development, data visualization, data analysis, and numeric computation. It is scientific and engineers language. It can be install on Unix, Windows, Android.

Mr. Hari Prasad , Vice Principal, Aurora's Degree and PG College has been interacting with WEBTEK Labs, a leading training institute from the last three months to provide a work shop for the students. After finalizing he handed over the event to Ms. G.Prathibha, Head, Dept. of Mathematics. She collaborated with Ms. M. Latha Salome, Faculty, Dept. of Mathematics for proceeding further.

The interested students from P.G. and U.G. registered themselves to attend the workshop by paying a registration fee of Rs. 400.

61 students and 2 students as volunteers have participated in the workshop

MATLAB Software was installed in the systems well before starting of the program

The workshop was held for two days on 07-01-2020 & 08-01-2020, in computer lab Block I, Aurora's Degree and PG College.

The instructor Mr. Vittal took theory classes in the Forenoon sessions of both the days and the Lab sessions in the afternoon.

The students participated actively by following all the instructions given by the instructor in learning MATLAB . The participants showed their interest in learning and interacting with the instructor to get clarity in the concept. The instructor cleared their doubts with patience.

At 4:30 p.m. of the 2nd day, Valedictory session took place where in Participation certificates were distributed to the Participants by Mr. J. Hari Prasad , Vice Principal, Aurora's Degree and PG College and Ms. G.Prathibha, Head, Dept. of Mathematics and by the instructor Mr. Vittal. The session was followed by High Tea. The workshop was ended by the vote of Thanks by Ms. M. Latha Salome. The students dispersed after National Anthem

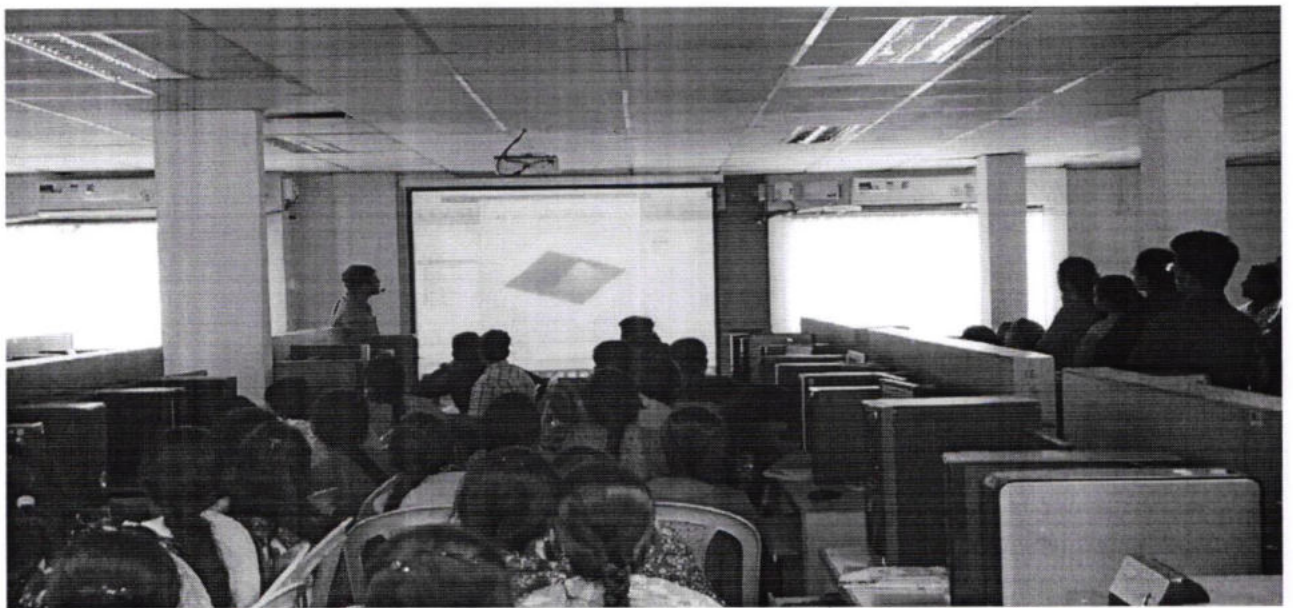

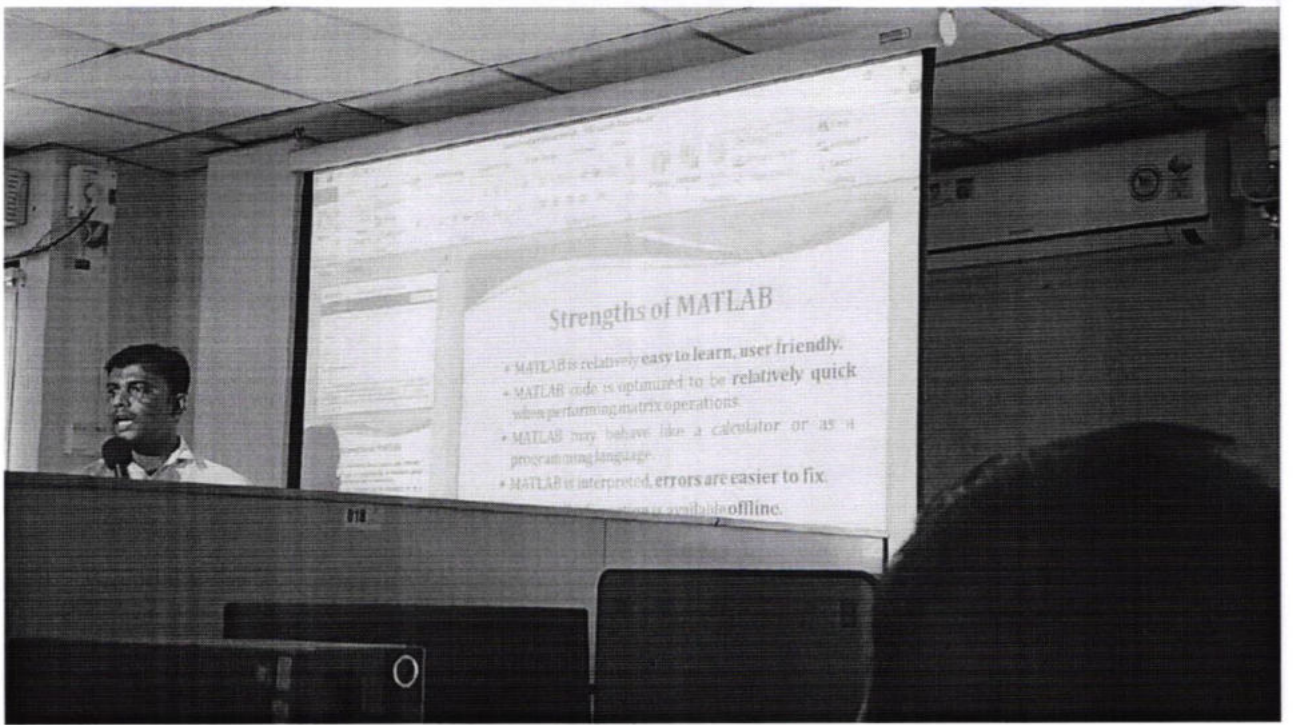

OUTCOME:

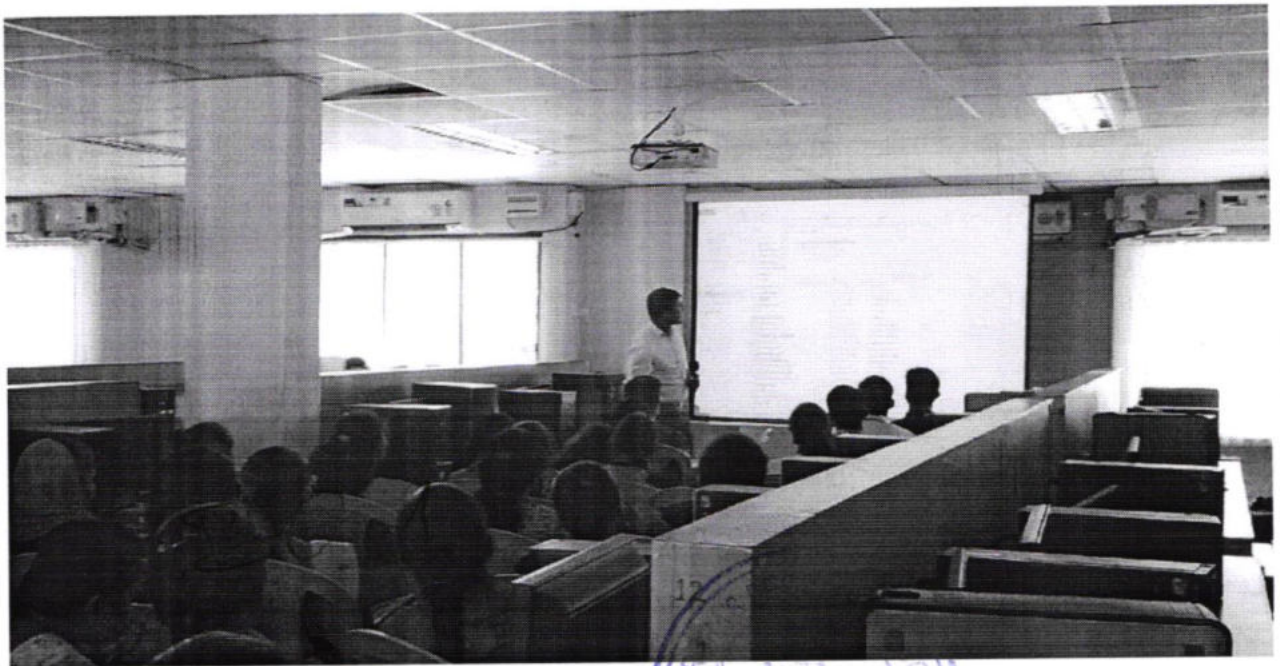

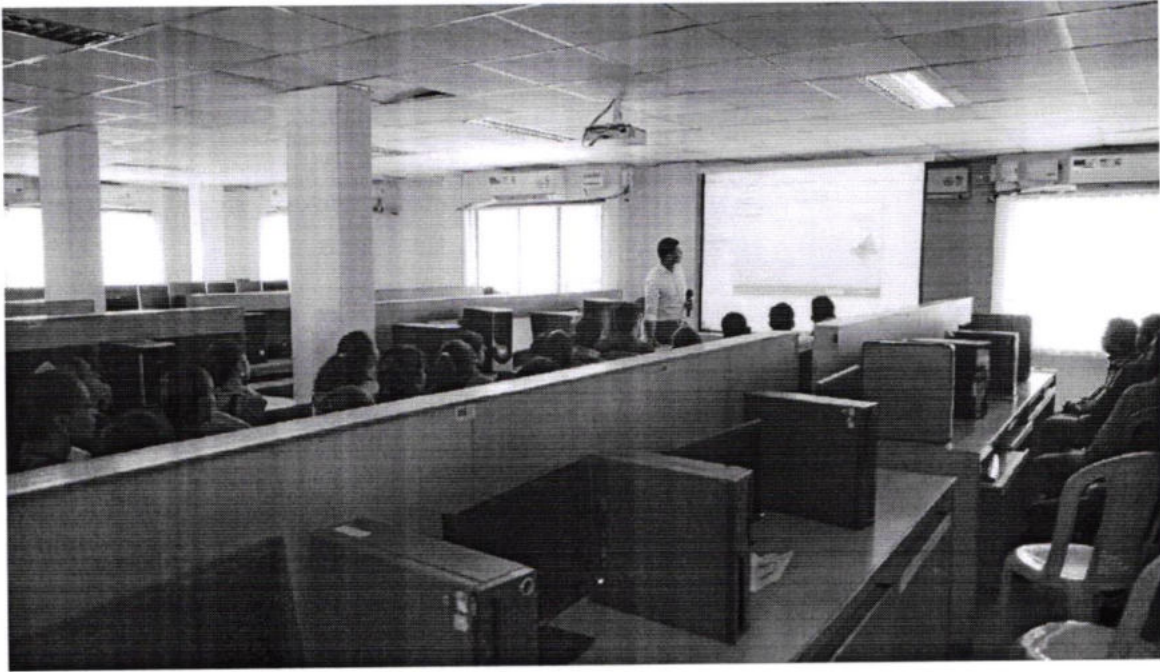

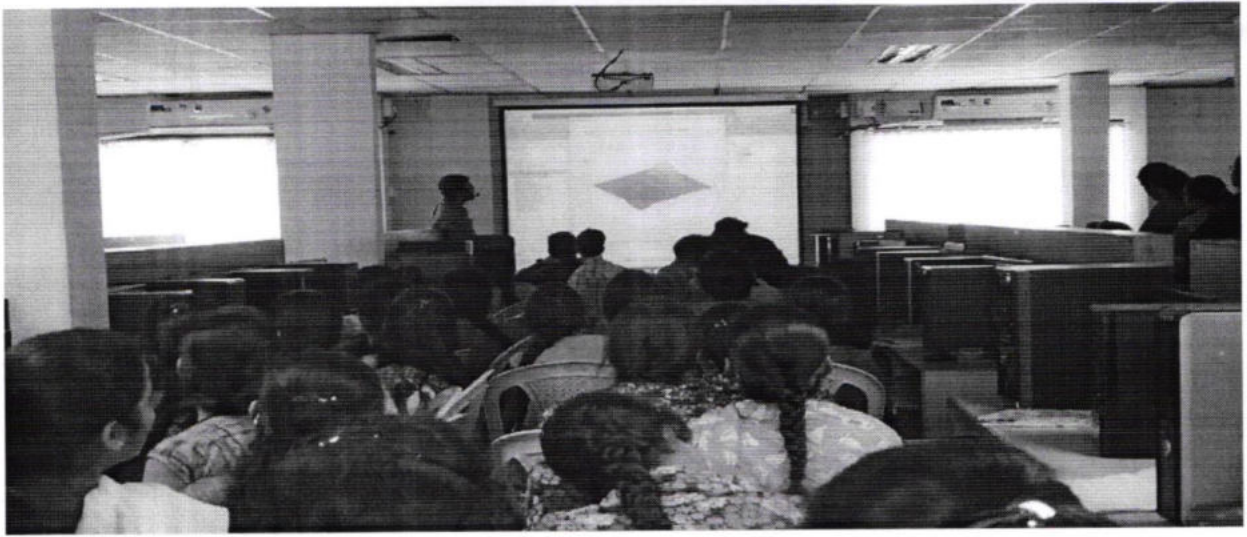

- The student will know what MATLAB is and how and when to use it
- The student is aware of the applications of Mathematics through MATLAB in various fields
- The student increases his interest on Mathematics
- The student learns to write a program for a problem and thus obtain the solution to the problem
- The phobia of learning new subject was gone from the participants

TOTAL EXPENDITURE:

Amount Generated By Registrations:	6161 × 400 = 24,400
High Tea :	3,600/-
Amount Paid to WEBTEK Labs :	18,000/-
Amount left over :	2,800/-
Total :	24,400/-

REPORT ON LECTURE ON "SCIENCE AND TECHNOLOGY:RURAL DEVELOPMENT"

16TH DECEMBER 2019

A Lecture programme on "Science and Technology: Rural Development" was organized by ISCA Hyderabad Chapter in association with Aurora's Degree & PG College, Chikkadpally, Hyderabad on 16th December 2019. Prof. B. Satyanarayana, Convener, ISCA Hyderabad Chapter addressed the gathering with a brief overview of ISCA and about its functions and also on the role of science and technology in the present scenario.

Dr. P. Chandrasekhar Rao, , Dean of Post Graduate Studies, Prof. Jayashankar Telangana State Agricultural University was the speaker of the day. He has enlightened about importance of soil conservation, crop rotation, causes of soil pollution. He also focused on present day scenario of excess use of pesticides, insecticides in agriculture and their impact on health. He also discussed about the importance and use of bio-fertilizers, biofuel and afforestation.

The event was successful with the participation of students and faculty and had succeeded in creating awareness among young generation about environment and soil conservation.

EVENT PROPOSAL

Event Name: Department event

Event Title: Two Day Work shop on Statistical Tools Using SPSS

Cell Convener: K.Sujatha

Faculty coordinator: H.K.Madhusudhana Rao

Date & Venue: 17th&18th December 2019, Aurora's Degree & PG College.

Target audience: Faculty

Level: College Level

Budget: Nil

Student volunteer's: Nil

Objective: The **objective** of the event is to learn basic data analysis with **SPSS** in **Research**.

Outcome: The data from any survey collected via Survey Gizmo can be exported to SPSS for detailed analysis. Exporting survey data to SPSS's proprietary .SAV format makes the process of pulling, manipulating, and analysing data clean and easy. By doing so, SPSS will automatically set up and import designated variable names, variable types, titles, and value labels, meaning that minimal legwork is required from researchers.

Aurora's Degree & PG College
(Accredited by NAAC with "B++" Grade)

NAME OF THE EVENT :	Two Day Workshop on Statistical Tools Using SPSS
FACULTY INCHARGE	H.K.Madhu sudhana Rao
DEPARTMENT	Department of Statistics
DATE	17 th &18 th December 2019
VENUE	Aurora's Degree & PG College
TARGET AUDIENCE	faculty
SPEAKER	PROF. M .Raghunadha Acharya& smt K. Parimala sudhir

Objective:

To inspire faculty in learning basic data analysis with **SPSS** in **Research**.

Brief about the event:

The program was organised under R&D cell of Aurora Degree and P.G. College on 17th and 18th December 2019. DR. Viswanatham BULUSU, the principal started the program by lighting the lamp followed by the prayer. Later he addressed the gatherings by explaining the importance of SPSS (Statistical packages for social sciences) in research area.

The HOD of Statistics Smt. Parimala Diana Sudheer, the resource person for the day, began her session by lecturing on descriptive and inferential Statistics. Starting from the basics of the topic, she went on to explain the different aspects using various citations which gave in-depth notion of descriptive Statistics and its applications.

On the Second Day DR. M. Raghunath Acharya, Prof. Dept of Statistics, started the workshop. He spoke about the SPSS packages giving a live demonstration of the software to the gathering. He explained how to create a data set, how to the fit data using the SPSS. He also extended his lecture by talking about multiple regression models using SPSS with realistic examples. The Faculty were pleased by his talk and interaction while clearing the doubts.

OUTCOME:

The Faculty are inspired and learned about the SPSS tools by this work shop. The data from any survey collected via Survey Gizmo can be exported to SPSS for detailed analysis. Exporting survey data to SPSS's proprietary .SAV format makes the process of pulling, manipulating, and analysing data clean and easy. By doing so, SPSS will automatically set up and import designated variable names, variable types, titles, and value labels, meaning that minimal legwork is required from researchers.

Detail Report on Statistical Tools Using SPSS

The program was organized under the R & D cell of Aurora Degree and P.G. College on 17th and 18th December 2019. DR. Viswanatham BULUSU, the principal started the program by lighting the lamp followed by the prayer. Later he addressed the gatherings by explaining the importance of SPSS (Statistical packages for social sciences) in the research area. He let the gathering know that the management has permitted the purchase of the SPSS software for the benefit of the faculty and the students.

Next Up, it was the IQAC Coordinator Dept. of ENGLISH DR. Mythri Shinde. She gave valuable information regarding the research in the domain of Ethics. The R&D Cell Convener DR. Radhika also addressed the gathering.

Following her, The HOD of Statistics Smt. Parimala Diana Sudheer, the resource person for the day, began her session by lecturing on descriptive and inferential Statistics. Starting from the basics of the topic, she went on to explain the different aspects using various citations which gave an in-depth notion of descriptive Statistics and its applications.

In her second Session She explained the concept of correlation and regression by citing the examples. Meanwhile she also explained how the data is analyzed by fitting the suitable regression models, by observing the relation between two variables further she extended it to multiple variables Called "Multiple regression Model".

In the last session she spoke about statistical inference i.e., hypothesis and its testing. Later she explained the need to minimize the errors on any tasks which consists of TYPE1 and TYPE2 errors with real-life examples and she stated that "TYPE2 error is more dangerous than TYPE1 error". She has not left any scope without explaining the concepts on "types of tests" which in this modern era is more useful in research work. The gathering appreciated the talk. In addition to that, she interacted with the faculty and cleared their doubts. The faculty were given practice questions in understanding the above spoken concepts. The Faculties responded really well to the questions given. All in All, it was a great lecture by our respected HOD.

On the Second Day DR. M. Raghunath Acharya, Prof. Dept of Statistics, started the workshop. He spoke about the SPSS packages giving a live demonstration of the software to the gathering. He explained how to create a data set, how to fit data using the SPSS. He also extended his lecture by talking about multiple regression models using SPSS with realistic examples. The Faculty were pleased by his talk and interaction while clearing the doubts.

The Dept took the feedback about the workshop from the gathering. Most of them appreciated and congratulated us for conducting this workshop. Some of them requested us to make this a week-long session in the future.

finally the event ended with a vote of thanks. in whole it was memorable, informative and educational for the benefit of the faculty of research scholars. With the authenticity it can be said that the faculty were satisfied in conducting such workshops by dept. of stats

We are very grateful to our Principal DR Viswanatham Bulusu in extending his co-operation and support in conducting the workshop.

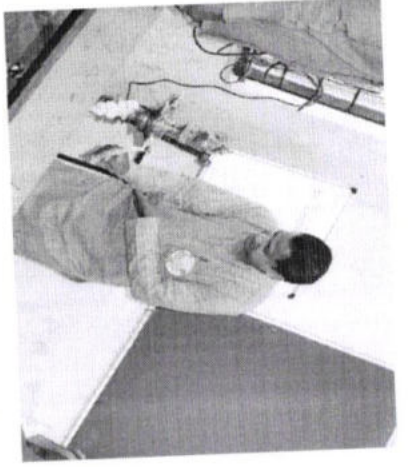

List of Participants

Name	Designation	Email address
S.Lakshmi	Asst. Professor	lakshmis@adc.edu.in
Suvarna Lakshmi C	Sr Asst Professor	suvarnalakshmic@adc.edu.in
Dr. V Venkata Raghava Raman	Professor	ramanvvr@adc.edu.in
k.haneesha	assistant professor	haneeshak@adc.edu.in
G. Rahul	Head, Asst. Prof., Dept. of Biotech.	rahulg@adc.edu.in
navneetha	Lecturer	navneethan @adc.edu.in
shalini	sr. Assistant Professor	kumarishalinia@adc.edu.in

EVENT PROPOSAL

Event Name: A Two –Day Work Shop

Event Title: Data Science

Cell Convenor: K.Sujatha

Faculty coordinator: P.Anjaneyulu

Date & Venue: 19.12.19 & 20-12-19, Aurora Degree &PG College

Target audience: PG Students

Level: Inter College Level

Budget: Rs 24,000/-

Student volunteer's: Vishal goud & Mettilda

Objective: To Create Significance of Data Science on various fields.

Proposed activities: Extension lecture & Practical session

[Handwritten signature]

NAME OF THE EVENT	A Two –Day Workshop on Data Science
FACULTY INCHARGE	Hari Prasad & K Parimala Diana Sudhir
DEPARTMENT	Statistics
DATE	19 th & 20 th December 2019
VENUE	Aurora's Degree & PG College
TARGET AUDIENCE	PG Students

OBJECTIVE: To Create Significance of Data Science on various fields

BRIEF ABOUT THE EVENT:

A Two-Day workshop on Data science using PYTHON organized by the department of statistics on 19th and 20th December 2019 in collaboration with WebTek Labs Pvt.Ltd at computer Lab –I of Aurora's Degree & PG College at rtc X road , Hyderabad.

Day-1

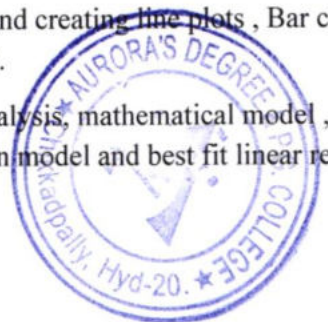

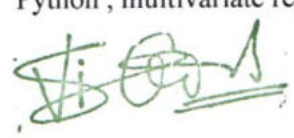

Mr. Intisar Menhdi resource person started the session and he explained about the workshop in detail. Resource person touched on the following topics

- Artificial Intelligence
- Machine learning introduction and various agent types.
- Supervised and unsupervised learning.
- What is Python, it's introduction
- Installing anaconda , understanding the spyder integrated development

Day-2

Session started by again Mr. Intisar Menhdi and he explained the following topics

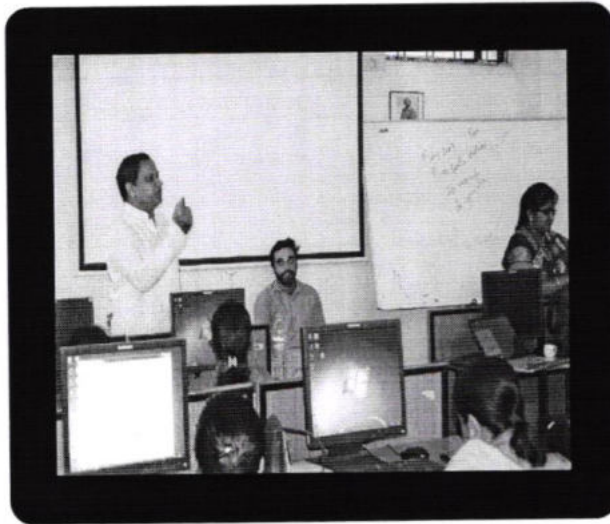

- Introduction to visualization and its importance
- Python visualization libraries and creating line plots , Bar charts, Pie charts , Histogram and scatter plots etc.
- Linear regression –Problem analysis, mathematical model , programming using Python , multivariate regression model and best fit linear regression models etc.

OUTCOME:

This event has made students centric, students actively participated in this workshop. Students came to know about writing Python programming. The lecture & Practical session was of great benefit to all the participants.

PHOTOGRAPH

DETAILED REPORT : (Give complete information about the event, including the following)

A Two-Day workshop on Data science using PYTHON organized by the department of statistics on 19th and 20th December 2019 in collaboration with WebTek Labs Pvt.Ltd at computer Lab -I of Aurora's Degree & PG College at rtc X road , Hyderabad .

Proceedings:

Chief guest Dr. Vishwanadham Bulusu and Resource person **Mr. Intisar Menhdi** from WebTek Labs Pvt.Ltd

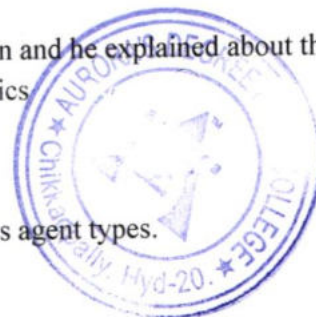

Ms. Kiranmayi , faculty of department of statistics, presented the welcome address with a brief about the workshop and its need in today's growing technological world , also presented the strength of the department . This was followed by the brief encouraging note by the principal **Dr. Vishwanadham Bulusu** , the participants were suggested to utilize this opportunity to enhance their knowledge and make the best use of it for their future career.

Day-1

Session-1

Mr. Intisar Menhdi resource person started the session and he explained about the workshop in detail. Resource person touched on the following topics

- Artificial Intelligence
- Machine learning introduction and various agent types.

- Supervised and unsupervised learning.
- What is Python, it's introduction
- Installing anaconda , understanding the spyder integrated development

The participants got basic knowledge of Python programming.

Lunch: For participants and faculty members

Session-2

Session started by again Mr. Intisar Menhdi and he explained the following topics

- Python basics and string manipulation
- Lists, tuples, dictionaries, variables & control structure –If loop , for loop, and while loop etc.
- Data manipulation in Python - Introduction to arrays , creating arrays, mathematical computing basics etc.
- Basic statistics , combining and merging data flows , string manipulation etc.

End of Day-1

Day-2

Session-1

Session started by again Mr. Intisar Menhdi and he explained the following topics

- Introduction to visualization and it's importance
- Python visualization libraries and creating line plots , Bar charts, Pie charts , Histogram and scatter plots etc.
- Linear regression –Problem analysis, its mathematical model , programming using Python , multivariate regression model and best fit linear regression models etc.

Lunch: For participants and faculty members

Session-2

Session started by again Mr. Intisar Menhdi and he explained the following topics

- Forming a decision tree , components , evaluation and practical examples
 - Logistic regression and its problem analysis and cost function formation .
 - Digit recognition using logistic regression.
- Feedback was taken.

End of Day-2

Vote of Thanks:

The valedictory was conducted at the end of the program with **Chief guest** Dr. Vishwanadham Bulusu and Resource person Mr. Intisar Menhdi, the Principal also spoke on this occasion, and certificates were distributed to the participants and co-ordinators. Many participants and faculty from different colleges expressed their views and thanked the college for the encouragement and motivation towards their career plans. Ms. Parimala Diana Sudhir, Head of the Statistics department presented the vote of thanks. The event concluded with national anthem.

1. LIST OF THE STUDENT COORDINATORS (NAME , ROLL NO, CLASS & SECTION)

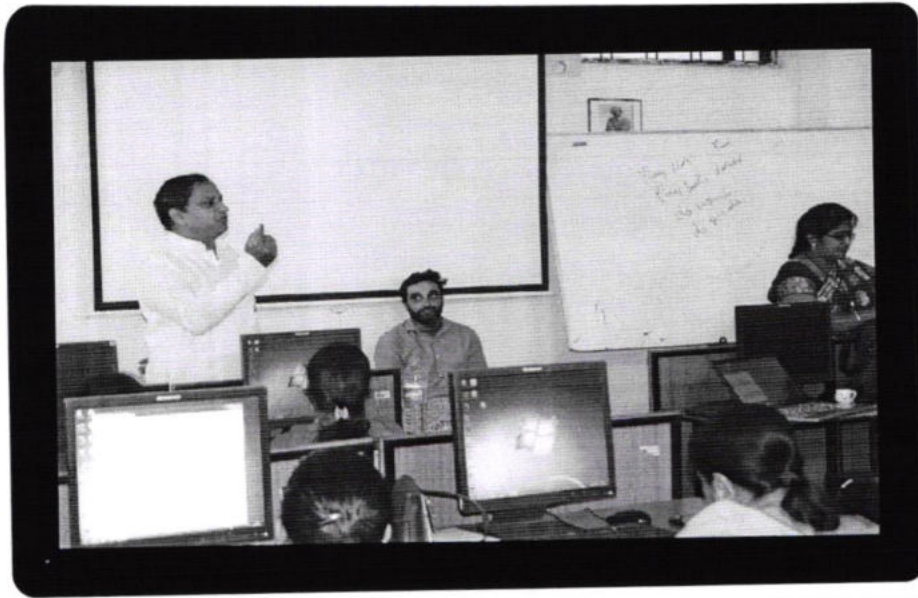

Name	Roll No	Class
Bingi Vishal Goud	105119507043	MSC(Statistics)

Aurora's Degree & PG College
(ACCREDITED BY NAAC WITH 'B++' GRADE)
Chikkadpally, Hyderabad 500020

NAME OF THE EVENT	SRINIVASA RAMANUJAN BIRTHDAY (NATIONAL MATHEMATICS DAY)
TYPE OF EVENT	COLLEGE EVENT
FACULTY INCHARGE	B.MANASA
DEPARTMENT	MATHEMATICS
DATE	18-12-2019,20-12-2019 & 21-12-2019
VENUE	Aurora's Degree & PG College , RTC X Road, Block VI Andra vidyalaya high school , Chikkadpally
TARGET AUDIENCE	PG & Govt. School Students

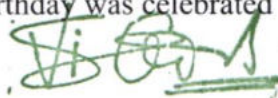

OBJECTIVE:

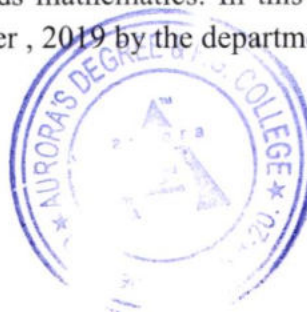

- To make the students to know about great Indian Mathematician Srinivasa Ramanujan and his contributions to mathematics.
- To inspire students through autobiography of Mathematical genius Srinivasa Ramanujan.
- To promote learning beyond the class room.
- To inculcate interest and research attitude towards mathematics.

BRIEF ABOUT THE EVENT:

The Indian mathematical genius Srinivasa Ramanujan was born on 22 December 1887. In recognition of his contribution to mathematics, December 22 has been declared as the **National Mathematics Day**. The declaration was made by Prime Minister of India, during the inaugural ceremony of the celebrations to mark the 125th birth anniversary of Srinivasa Ramanujan held at the Madras University Centenary Auditorium on 26 February 2012. Dr. Manmohan Singh also announced that the year 2012 would be celebrated as the National Mathematics Year.

Department of mathematics has a tradition of conducting mathematicians birthdays so to inculcate interest and research attitude towards mathematics. In this regard Ramanujan's 132th birthday was celebrated on 22nd December, 2019 by the department.

Proceedings:

18-12-2019

We have arranged a guest lecture on “Ramanujan’s life history” and “Conjectures” by prof. K.Sathyannarayana for PG students.

20-12-2019

Faculty of mathematics department visited Andhra vidyalaya high school,Chikkadapally,Hyderabad to talk about career guidance and self protection measures to girls.

21-12-2019

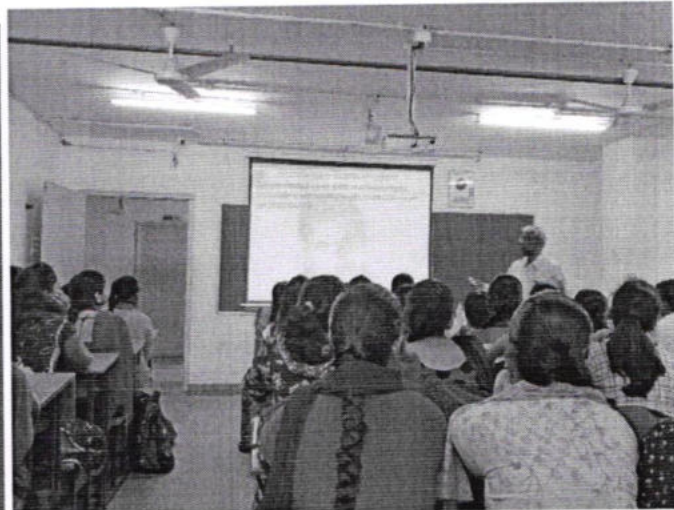

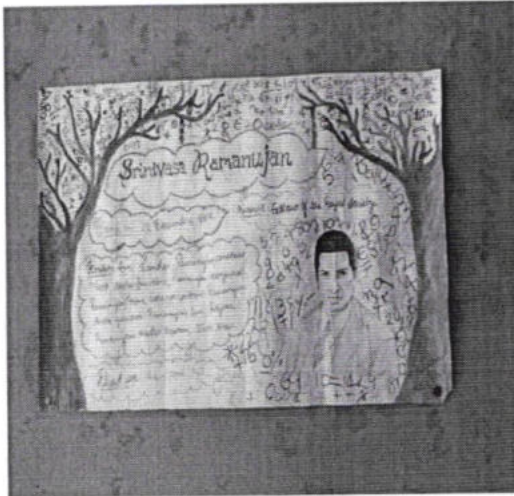

Faculty of mathematics department visited Govt. high school,Chikkadapally,Hyderabad to celebrate ramanujan’s birthday by conducting Quiz , Drawing and Essay Writing competitions for high school students and distributed prizes for winners.

OUTCOME:

- Students understood the contributions of Srinivasa Ramanujan towards mathematics.
- The students are motivated to choose mathematics as their career.

Budget: 2500/-

DETAILED REPORT :

18-12-2019

We have arranged a guest lecture on “Ramanujan’s life history” and “Conjectures” by prof. K.Sathyanarayana for PG (Maths, Stats & computer Science) students which made them to know about the life history of great mathematician ramanujan and learnt about conjectures and it’s types.

20-12-2019

Faculty of mathematics department visited Andra vidyalaya high school,Chikkadapally,Hyderabad to talk about career guidance and self protection measures to girls.

21-12-2019

Faculty of mathematics department visited Govt. high school,Chikkadapally,Hyderabad to celebrate ramanujan’s birthday by conducting Quiz , Drawing and Essay Writing competitions for high school students and distributed prizes for winners.

Drawing competition:

List of participants for drawing competition:

1. Rajashekar - X class
2. K. Venkatesh - V class
3. Bhumesh- V class
4. Aditya - V class
5. Sunitha - X class
6. Mounika - VII class
7. Pavani - VII class
8. Ganesh - V class
9. Kavya - VII class
10. Srujana - VII class
11. Bhavani - VIII class
12. Nageshwari - VI class
13. Ch. Swathi - VI class
14. P. Charan - IV class
15. D. Charan - IV class

The Prize winners are: Sunitha won the 1st prize.

P. Charan won the 2nd prize.

Srujana won the 3rd prize

Essay writing competition:

Essay writing competition on 'Life history Srinivasa Ramanujan' was conducted in Telugu language

List of participants for drawing competition:

1. B.Jahnavi - VI class
2. V.Lavanya - VIII class
3. M.Jahnavi - VI class
4. S.Pooja - IX class
5. D.Vamshi - X class
6. V.Mahesh - IX class
7. M. Yeshaswini - VI class
8. P. Swathi Laxmi - X class
9. C. Anitha - X class

The Prize winners are: V.Lavanya won the 1st prize.

S.Pooja won the 2nd prize.

Quiz Competition: Quiz competition on general mathematics was conducted by forming team of four members.

Participants for quiz competition:

Team -A	Team -B	Team -C	Team -D	Team -E
Bunny	Anji	Pooja	Sunitha	Rajesh
Sridevi	Maheshwari	Rajesh	Swathi	Vamshi
V.Lavanya	M. Janhavi	Raju	Mahesh	karthik
Naveen	Ravi Vighnesh	Ram	Shiva	Mounika

Winners:

1st prize won by the team-D

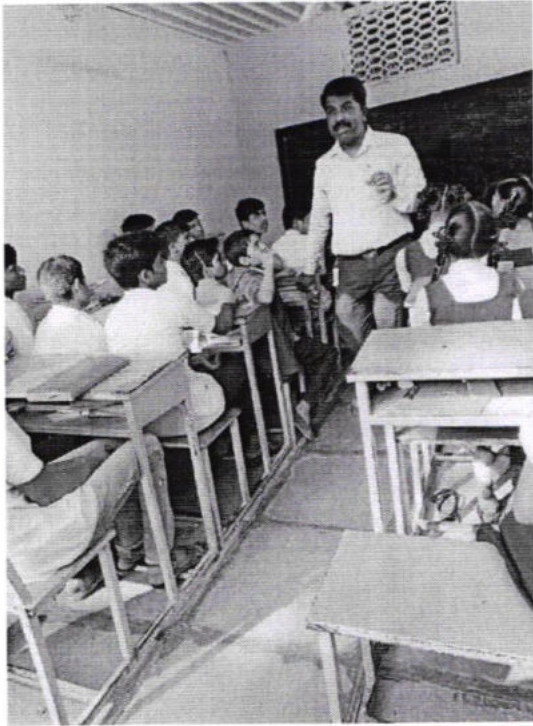

2nd prize won by the team-C

STUDENT COORDINATORS :

AURORA'S DEGREE & P.G. COLLEGE
Department of Microbiology

Departmental/Academic Event

Event Name: Work Shop

Event Title: Work Shop on Molecular Biology Techniques

Faculty coordinator: Vasudevan

Date & Venue: 5th and 6th December 2019, Vasavi Hospital, Lakdi Ka Pul

Target audience: PG students

Level: M.Sc 1st Years

Student volunteer's: Shiva, Haripriya, Sowjanya

Objective: The objective of the organized work shop is to provide hands on experience to the participants in various wet and dry lab techniques employed in molecular biology, biotechnology and bioinformatics.

Proposed activities: The proposed work shop aimed at providing a better understanding of various techniques commonly employed in molecular biology and have disclosed the prominence of tools used for achieving appropriate outcomes through molecular techniques. The activities involved various facets of molecular and cell biotechnology, genetics and bioinformatics. The intent was to provide the students with the fundamentals of these allied disciplines of life science and disclose the applicative aspects of these fields towards to betterment of humans.

Aurora's Degree & PG College

(ACCREDITED BY NAAC WITH 'B++' GRADE)

Chikkadpally, Hyderabad 500020

DEPARTMENT OF MICROBIOLOGY

NAME OF THE EVENT	Work shop on molecular biology techniques
TYPE OF EVENT	Work shop
FACULTY INCHARGE	Vasudevan
DEPARTMENT	MICROBIOLOGY
DATE	5 th and 6 th December 2019
VENUE	Vasavi Hospital, Lakdi ka Pul
TARGET AUDIENCE	PG Students

Objective

To provide a comprehensive understanding on the molecular techniques and associated tools that would reveal a plethora of biomolecular aspects and their affiliated functions.

Brief about the work shop

The work shop organized at Vasavi Hospital on the 5th and 6th of December 2019 commenced at 9.30 in the morning and the preamble in accordance to the work shop was given by Ms. Shravya. The initial session for the students comprised of the theory part of the work shop followed by the practical procedures. Ms. Shravya was assisted by Ms. Fathima and Ms. Shubangi. Students were provided the training in DNA isolation, PCR, RFLP, Primer designing and Agarose gel electrophoresis. The students were divided in to two batches and the proceedings were carried out as per the schedule in morning and afternoon sessions.

Outcomes

The work shop would have certainly equipped the students with various allied and distinct aspects of molecular biology and bioinformatics. In addition, students were also provided a cohesive understanding on genes and their prominence from the context of normal well being of humans. The following affirmative impact on the students have been achieved through the work shop

- DNA and its insights
- Isolation of DNA
- DNA replication
- Difference between DNA replication and DNA amplification
- DNA amplification using PCR (Polymerase Chain Reaction)
- Sample preparation for PCR (including PCR mix, enzyme, templates and nucleotides)
- Restriction fragment length polymorphism
- Primer designing
- Agarose gel electrophoresis
- Gel doc operation

Aurora's Degree & PG College

(ACCREDITED BY NAAC WITH 'B++' GRADE)

Chikkadpally, Hyderabad 500020

NAME OF THE EVENT	PCOD and Hormonal changes
TYPE OF EVENT	Cell event
FACULTY INCHARGE	Dr. Suryakanthi
DEPARTMENT	Women Empowerment Cell
DATE	20/11/2019
VENUE	Seminar Hall Block VI
TARGET AUDIENCE	Female Faculty

Objective

To provide a cohesive understanding on the hormonal mechanism in women and to have a comprehensive perceptive on metabolism and reproductive disorder that affects women.

Detail about the Event

Polycystic ovary syndrome (PCOS) is a condition that affects a woman's hormone levels. Women with PCOS produce higher-than-normal amounts of male hormones. This hormone imbalance causes them to skip menstrual periods and makes it harder for them to get pregnant. PCOS also causes hair growth on the face and body, and baldness. And it can contribute to long-term health problems like diabetes and heart disease. Birth control pills and diabetes drugs can help fix the hormone imbalance and improve symptoms.

Outcomes

The purpose of the event organized by women empowerment cell is to create an awareness among women about the dire consequences of PCOS and its affiliation to various clinical manifestations including depression, diabetes, weight gain (obesity) and endometrial cancer. The event has certainly led to the following

- ✦ Prevalence of PCOS among women
- ✦ Various health manifestations related to PCOS
- ✦ Role of hormones in the clinical condition

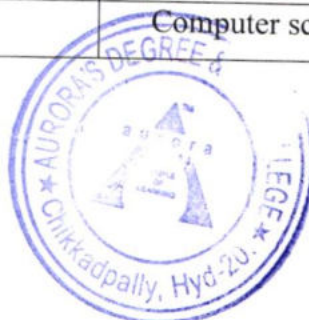

- ✚ Affiliated signs and symptoms
- ✚ Pathophysiology of the clinical condition
- ✚ Extent of hormonal changes and regulation
- ✚ Short term and long term consequences of PCOS

The event organized on the 20th Nov 2019 was in connection with Polycystic ovary syndrome which is commonly abbreviated as PCOS. Polycystic ovary syndrome (PCOS) is a condition that affects a woman's hormone levels. Women with PCOS produce higher-than-normal amounts of male hormones. This hormone imbalance causes them to skip menstrual periods and makes it harder for them to get pregnant. The event has attempted to highlight the serious conditions as a consequence of PCOS leading to clinical manifestations like diabetes and obesity.

The prime objective of the event is to have a comprehensive understanding of the metabolic activities and its role in influencing the hormonal levels in women and to disclose affiliated reproductive disorders in synchronization with metabolism and hormonal changes.

List of participants:- All female faculty are participated and female Non Faculty

Budget for the event: 1000

About the Guest: Dr. Prashanthi, Hegde Hospitals, fourteen years experienced, Gynaecologist

Event Schedule:

- At 10:10am Guest has arrived to seminar hall.
- 10:15 am and the program was started streams have assembled in seminar hall.
- 10:15am introduction speech about the guest by student co-ordinator.
- 10:20 Presentation of plant sapling to the guest by Dr. Surya Kanthi.
- 10:20am Guest started with his lecture.
- 10:25 am lighting the lamp by the chief guest.
- 10:30 pm Ppt presentation by guest on (PCOS) hormone level.
- .11:30 pm lecture has come to end.
- 11:35 pm guest interacted with faculty
- 12:00 photo session WEC Cell members along with guest and faculty

Conclusion of the event:

The purpose of the event organized by women empowerment cell is to create an awareness among women about the dire consequences of PCOS and its affiliation to various clinical manifestations including depression, diabetes, weight gain (obesity) and endometrial cancer. The event has certainly led to the following

- Prevalence of PCOS among women
- Various health manifestations related to PCOS
- Role of hormones in the clinical condition
- Affiliated signs and symptoms
- Pathophysiology of the clinical condition
- Extent of hormonal changes and regulation
- Short term and long term consequences of PCOS

Aurora's Degree & PG College

(Accredited by NAAC with "B++" Grade)

NAME OF THE EVENT	Guest lecture on the occasion of C. Radhakrishna Rao's Birthday Celebrations- A Living Legend. "ROLE OF STATISTICAL INFERENCE IN DECISION MAKING"
FACULTY INCHARGE	P. KRIANMAYI
DEPARTMENT	Department of Statistics
DATE	16th Sep 2019
VENUE	Aurora's Degree & PG College, seminar hall
TARGET AUDIENCE	faculty ,Degree& Post graduate student
SPEAKER	PROF. M KRISHNA REDDY

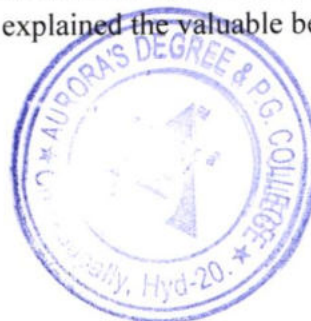

Objective:

To inspire all the students & faculty. This programme is conducted to inculcate the analysis based on "ROLE OF STATISTICAL INFERENCE IN DECISION MAKING"

Brief about the event: To understand his life and achievements in the field of statistics and also enlightening the students by connecting the need of statistics in modern science, the following activities has been conducted prior to this event

- PPT presentations on "ESTIMATION THEORY AND TIME SERIES ANALYSIS"
 - Poster presentations on "Life & Achievements of Dr C.R.Rao."
- The charts were displayed on the notice board of Block VI.

On 9th September on the occasion of C.R Rao birthday celebration first year students prepared posters and conducted a campaign around 100 schools in a city about C.R Rao and they explained about "STATISTICS OLYMPIAD-2019" examination which is conducted for the school children .ON 11TH September Department took few students to the C.R Rao institute of mathematical science HCU Hyderabad where student attended workshop and 3 of the PG students did project work on C.R Rao institute and explained the valuable benefits.

On 16th September department of statistics organised extension lecture by Prof. M. KRISHNA REDDY .Bhavani of PG final year student invited the entire guest on to the Dias. The, welcome address by hod, Mrs. Parimala sudhir. Nitesh raj of UG final year gave a speech on living legend Dr.C.R Rao.

Bhavani invited the guest to give a lecture on "ROLE OF STATISTICAL INFERENCE IN DECISION MAKING". He delivered a lecture on "STATISTICAL INFERENCE IN DECISION MAKING", useful for statistics students. The lecture scheduled for one and half hour. He gave the information on the importance of Statistics in understanding statistical inference & its applications which is useful in various fields. The lecture was very inspiring to the students. PPT presentation was given by Nitesh raj and manaswini of UG final year. The program closed with vote of thanks by pratyusha of PG final year

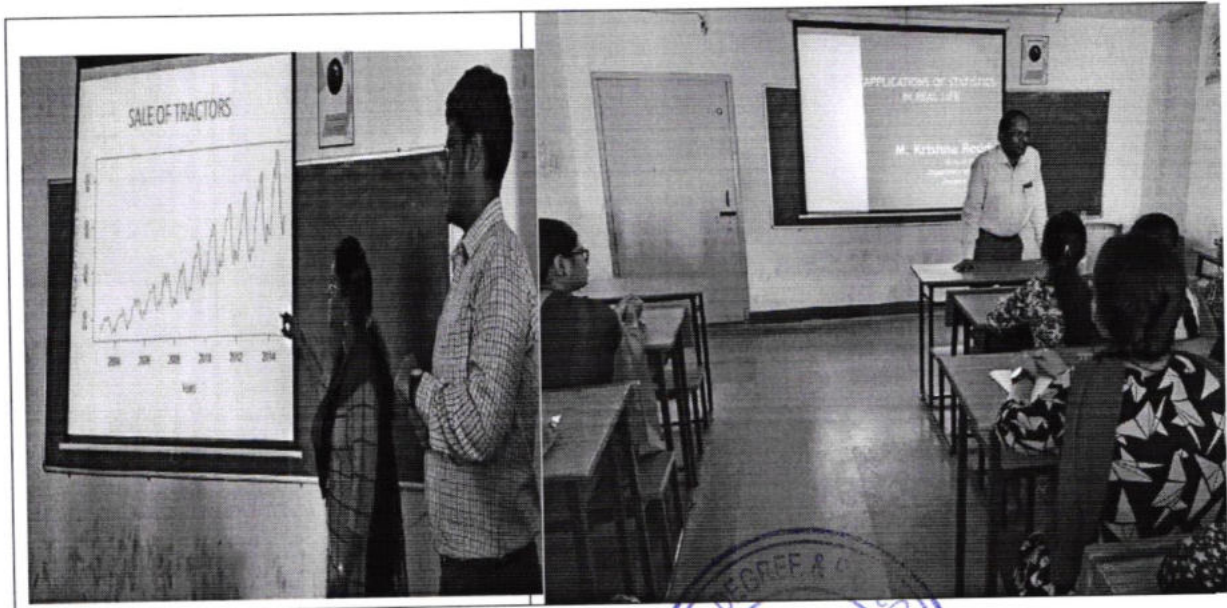

OUTCOME:

Inferential theory solves no problem but, given a degree of earnestness

Of the authors, may create the illusion that it does." Nevertheless, inference-based SDFs may have desirable Theoretic properties and be tractable.

Students came to know to make decision by using statistical inference.

AURORA'S DEGREE & P.G. COLLEGE

(ACCREDITED TO NAAC B++)

Department of Microbiology

Work Shop

Event Name: Work Shop

Event Title: DNA isolation and Finger printing

Cell Convenor: Ms. Padma Madham

Faculty coordinator: Ms. Padma, Ms. Suzan, Ms. Arpitha

Date & Venue: 19th September 2019, Aurora's Degree and PG College

Target audience: UG and PG students

Level: Under Graduates and Post Graduates

Budget:

Student volunteer's: Chandra Vamshi, Vaishali, Preethi

Objective: To provide practical exposure to the students and enhance their levels of ease in practicality of the subject. The prime purpose was to introduce the students to the realistic facet of molecular entities.

Proposed activities: It is a widely accepted fact that the molecular entities present at the sub cellular level play a vital role in a cascade of activities and are indeed regarded as the fundamental molecules that is essential for supporting life. The work shop was organized with an intention of initiating the work that goes on in industries that have pioneered in molecular biology and related discipline. The proposed activities on the day included the isolation of DNA from saliva and qualitative analysis of the molecule based on its appearance on the gel by performing gel electrophoresis. The process of isolating DNA encompassed tedious steps which involved the separation of DNA from the cellular component and involved various organic solvents that allowed the precipitation of the bio molecule through centrifugation.

The proposed activity also involved the preparation of various buffer solutions that were needed to maintain the quality of the isolated bio molecule for further analysis. In addition to isolation of the DNA, the practical session also illustrated the prominence of qualitative assessment of the isolated DNA by performing gel electrophoresis. The isolated DNA were loaded on gel electrophoresis to reveal various insights like its base pair length and molecular density which were analyzed based on the presence of bands on the gel electrophoresis.

[Handwritten signature in green ink]

Name of the event	Work Shop
Type of event	Departmental Event
Faculty in-charge	Ms. Padma Madham (HOD)
Department	MICROBIOLOGY
Date	19/09/19
Venue	Aurora's Degree and PG College
Target audience	UG and PG STUDENTS

Objective:

The objective of the work shop was to enable the students to have an exposure of research related aspects and enhances the practical oriented comprehension of bio molecules. The work shop has introduced the methods involved in the isolation of DNA and their qualitative analysis on a suitable solid platform.

Brief about the visit:

The work shop scheduled on the 19th of September 2019 started at 10 am in the morning and the students were accommodated in Lab 2 and Lab 3 of Block II. The work shop was conducted for UG and PG Students with intent of enhancing their ease from the context of practical aspects. The Department of Microbiology has managed to invite professionals from Bio-Axis for the work shop. The students have assembled in the lab by 9.30 am and were briefed about the work shop and the proceedings for the students was started at 10 am and went on till 3.30 pm in the afternoon. The morning session included the preparation of solutions for the isolation of DNA. The DNA was isolated from saliva and the entire morning session encompassed the isolation of DNA and was succeeded by the qualitative analysis of the isolated DNA in the afternoon.

Out comes:

The consequences of the conducted work shop were indeed affirmative as it has certainly encouraged the students as it was different from their monotonous class room lecture. The demonstrative sessions that went on for the entire day were very interactive which has in turn boosted the enthusiastic levels of the students. The students have indeed learnt a vital practical aspect which included the isolation of DNA and its quantitative analysis because these steps are quite vital and are considered as fundamentals for the process of DNA finger printing. The work shop also enabled the students to know the significance of various ingredients that went in to the process including the prominence of agarose gel that was used as a platform for qualitative analysis.

Aurora's Degree & PG College
 (ACCREDITED BY NAAC WITH 'B++' GRADE)
 Chikkadpally, Hyderabad 500020

NAME OF THE EVENT	'Intellectual Property Rights'
TYPE OF EVENT	Faculty Development Programme
CELL	Internal Quality Assurance Cell
CELL CONVENOR	Dr. Maithry Shinde
DATE	13/07/2019
VENUE	Seminar Hall, Block VI
TARGET AUDIENCE	Faculty members

OBJECTIVE:

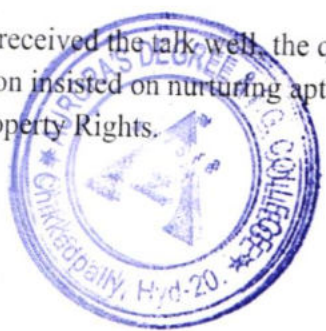

- To enable the audience to understand the various jurisprudence in Intellectual Property Rights
- To facilitate the audience to understand the various form of Intellectual Property Rights.
- To nurture innovation and creativity in the intellectual endeavors.

BRIEF ABOUT THE EVENT:

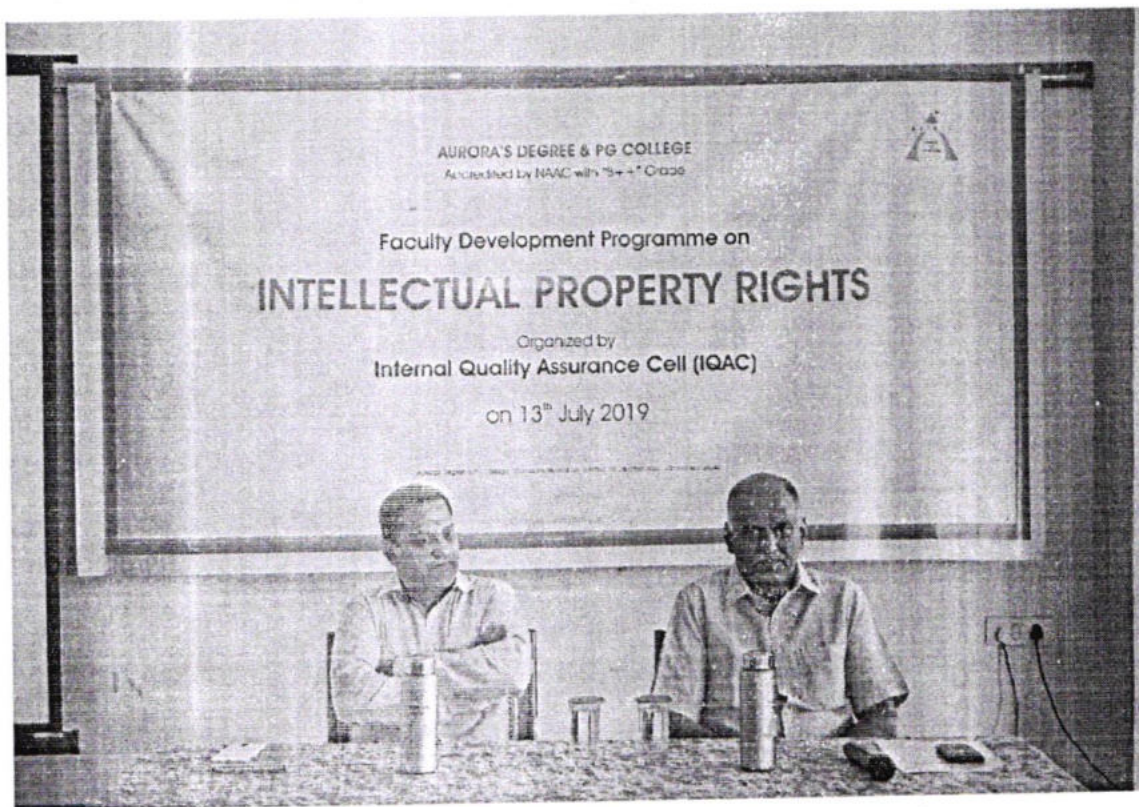

On 13th July, 2019, the Internal Quality Assurance Cell (IQAC) of Aurora's Degree & PG College organized a Faculty Development Programme on '**Intellectual Property Rights**' by Dr. M L N Rao, Associate Professor and Controller of Examination, Institute of Public Enterprise, Hyderabad. The session was organized for the Faculty of ADC. In the talk, the resource person emphasized on importance of the IPR and how one can utilize it based on the work. He explained the various terminology relating to the IPR, its prevalence in various contexts and evolution over the period of time.

OUTCOME:

The objective of the event was fulfilled. Faculty received the talk well. the questions raised by them were patiently answered. Resource person insisted on nurturing aptitude for research and to utilize the various kinds of Intellectual Property Rights.

PHOTOGRAPH:

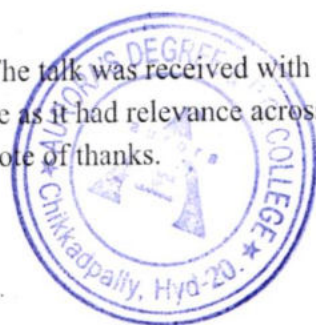

DETAILED REPORT:

On 13th July, 2019, the Internal Quality Assurance Cell (IQAC) of Aurora's Degree & PG College organized a Faculty Development Programme on '**Intellectual Property Rights**' by Dr. M L N Rao, Associate Professor and Controller of Examination, Institute of Public Enterprise, Hyderabad.

The talk began with a brief introduction on the genesis of IPR by the Resource person to the audience. In the talk, the resource person gave a brief overview of how Intellectual Property Rights are legal rights. These rights Safeguard creators and other producers of intellectual goods & services by granting them certain time-limited rights to control their use. Protected IP rights like other property can be a matter of trade, which can be owned, sold or bought. These are intangible and non-exhausted consumption, activity in industrial, scientific, literary & artistic fields. Speaker emphasized on importance of the IPR and how one can utilize it based on the work. He explained the various terminology relating to the IPR, its prevalence in various contexts and evolution over the period of time. The speaker synthesized the various jurisprudence relating to IPR with the practical examples for a better understanding of the audience.

The talk began at 10:30 and ended around 1:30 PM. The talk was received with admiration by the audience and they also found the topic appropriate as it had relevance across disciplines. The event ended with honours to the guests and vote of thanks.

Aurora's Degree & PG College
(ACCREDITED BY NAAC WITH 'B++' GRADE)
Chikkadpally, Hyderabad 500020

NAME OF THE EVENT	IMPACT OF COVID 19 ON STOCK MARKETS
TYPE OF EVENT	NATIONAL LEVEL WEBINAR
FACULTY INCHARGE	KRISHNA PRIYA S, VEENA KAPOOR, VEENA MALKHED
DEPARTMENT	COMMERCE AND MANAGEMENT
DATE	16 TH MAY, 2020 (11 am to 12:30 pm)
SPEAKER	G. MURALIDHAR Sr Vice President (Operation & Investor Relations) R.L.P Securities Private. Ltd. (Member, NSE, BSE, NCDEX & MCX) (Depository Participant: CDSL) (Since 2006)
VENUE	ONLINE (ZOOM APP)
TARGET AUDIENCE	ACADEMICIANS AND STUDENTS
BUDGET	NIL

OBJECTIVE:

1. To Know the Impact of Covid 19 on stock markets.
2. To analyse the changes in Stock Markets post covid19 and plan for future investments accordingly.

BRIEF ABOUT THE EVENT:

The webinar commenced by 11am and around 205 participants were a part of this meeting. The registered participants were sent a ~~DEG~~ through which they could take

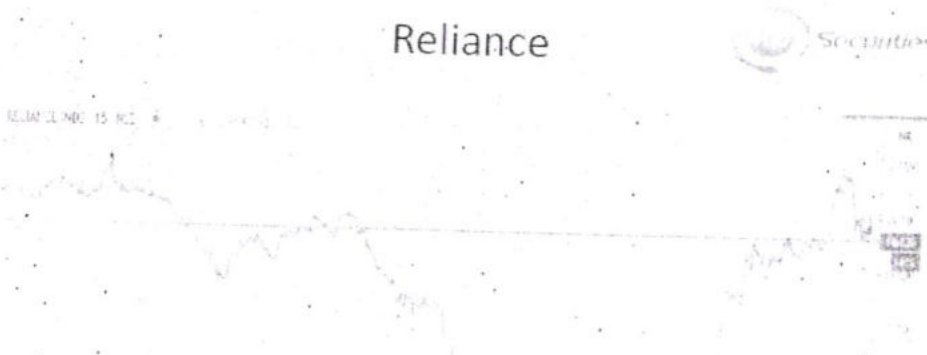

Sensex Jan – May 2020

Gold INR Jan – May 2020

Reliance

[Handwritten signature]

part in the webinar. The webinar started off with the Principal of Aurora's Degree and P.G. College, Dr. Vishwanadham Bulusu, addressing everyone present in the meeting. After which, the speaker Mr. G Muralidhar started his session, with briefing about the current situation of stock markets in India and its effect during the lockdown phases. He spoke about different Investment options and how an investor should think and invest smartly. We were explained about the decline in the rates of Sensex and the Operational Flow of the Mutual Funds during this phase that the country is facing. We were also briefed on why the rates of gold is raising in this phase. We were detailed on how the lockdown has effected the sectorial indices as well. Mr. Muralidhar concluded his presentation by speaking about the historical review of the Sensex taking into consideration of time periods of the Economy during Crisis and the rate of its growth and decline during that time. The vote of thanks was given by Mrs. Veena Kapoor Hod Commerce Department.

OUTCOME:

The outcome of the webinar came out really well. Everyone present during the webinar gained knowledge on how this pandemic Covid 19 is taking a toll on our stock markets. When Mr. Muralidhar was done with the presentation, the webinar witnessed an interactive session where all the questions of the participants were clarified. They were also given a chance to give their opinions on the topic. The participants were later asked to give their feedbacks on the webinar session, on a scale of 5 (1 being the lowest and 5 being the highest)

Investment Options

Investing in Individual Stocks

Investor has the option of investing in over 5000 companies

Investing in Mutual Funds

Investor will get the option of investing in over 500 variety of mutual funds

Handwritten signature in green ink.

DETAILED REPORT:

The National Webinar on the Impact of Covid 19 on Stock Markets by speaker Mr. Muralidhar in collaboration with Aurora's Degree and PG College was a successful event. The total registrations for the event were about 350 participants from all over the country, out of which 205 participants witnessed the webinar. The webinar started off with the Principal of Aurora's Degree and P.G. College, Dr. Vishwanadham Bulusu, addressing everyone present in the meeting.

After which, Mr. Muralidhar, gave all the participants an insight about how there is decline in the rates of the stock markets and how it is going to effect our economy. We were told about the different investing options that an individual has. He explained about investing in the 5000+ listed companies in the stock markets and investing in mutual funds as well having over 500+ equity schemes. We were detailed about the balance between equity and debt, the operational cycle of mutual funds and how mutual funds carry lower rate of risks along with a lot more of advantages that investing in mutual funds have.

Investing in stock markets and mutual funds have a lot to do with compounding of money invested by an individual or an investor in common, we were told about this compounding process and how it is going to be effected and how it is already being effected, in the different phases of lockdown in our country. We were later told about how an investor or an individual in common has to think and invest his money smartly.

We then, discussed about how the rate of Sensex is been declining ever since the whole country has been locked down. The Sensex fell at a declining rate of 38% as on May 2020. In an economy that our country has, 38% of downfall is huge effect in itself. We then, looked into the crude history of the growth and downfall of the Sensex rates in times of crisis as such. Then we compared and discussed about the Sensex rates along with its effect on the Indian rupee taking into consideration, the rates of the US Dollar and the effects of Sensex on the rates of Gold INR as well. [from January 2020 to May 2020].

We were later briefed about the effect of this Covid 19 on the sectorial Indices. We were not only explained about the rates of downfall of Sensex but also the rates of downfall in Nifty. Since, we were discussing about the stock markets and the economy of the country as a whole, every condition and rate that is being effected was taken into account. Mr. Muralidhar, concluded his webinar by focusing on different sectors that country has to look upon primarily, namely being: Banking and Insurance, Information Technology, FMCG etc.

The webinar ended with a helpful interactive session, where all the participants got an opportunity to clarify their questions and also put their opinion out on the topic. The Vote of Thanks was given by Mrs. Veena Kapoor HOD Commerce Department.

EVENT PROPOSAL

Event Name: A National Webinar (online Through Zoom App)

Event Title: Impact of COVID 19 On Stock Markets

Conveners :

Veena Kapoor, Head, Department of Commerce (B.Com)

Veena Malkhed Head Department of Commerce (B.Com Hons)

S Krishna Priya Head Department of Commerce (B.Com Comp. Applications)

Proposed Resource Person:

Date & Venue: 16th May 2020; Online mode

Target audience: Faculty, students, Research Scholars of different colleges

Level: National

Budget:- Registrations are free

Mode of taking the session: Online through Zoom meet

Objective:

- To help the participants in understanding the impact of the pandemic on Stock Markets
- To Create an awareness of stock .

Proposed activities:

Session by the speaker and the interaction with the participants.

COAGULOPATHY IN COVID-19: Is thrombosis the real culprit?

Organized by: Mrs. M. Padma

Event Name: Guest Lecture

Event Type: Webinar

Event Title: COAGULOPATHY IN COVID-19: Is thrombosis the real culprit?

Cell Convenor: Ms. Padma Madham

Faculty coordinator: Ms. Padma Madham

Date & Venue: 18th May 2020, Online seminar on ZOOM

Target audience: PG and UG students

Faculty volunteer's: Mrs. Arpitha, Mrs. Manjusha, Vasudevan

Objective: To have a cohesive understanding on COVID-19 and its aftermaths from the context of human health. The aim of the lecture is to understand the biology of COVID-19

Proposed activities: The guest lecture has exposed the hidden facts on COVID and has revealed related facts. The immunological aspects were emphasized to comprehend the contagion and its mode of compromising human health. The lecture has disclosed the mode of attachment of virus with humans and has made a note on various pathways involved during the course of infection. The lecture has in fact, provided the basic understanding of nCoV-19 and ways of counteracting the contagion. The guest lecture has also highlighted the role of human immune system and processes like angiogenesis in accordance to COVID-19.

NAME OF THE EVENT	Guest Lecture
TYPE OF EVENT	Webinar
EVENT TITLE	COAGULOPATHY IN COVID-19: Is thrombosis the real culprit?
SPEAKER	DR. V. Deepak

FACULTY INCHARGE	Head-Department Of Microbiology M. Padma-Senior Assistant Professor
DEPARTMENT	MICROBIOLOGY
DATE	18 th May 2020
VENUE	Online Seminar on ZOOM

TARGET AUDIENCE	PG and UG Students
------------------------	--------------------

Objective:

To have a cohesive understanding on COVID-19 in accordance to coagulopathy and its aftermaths from the context of human health

Brief about the event

The guest lecture was organized by the Department of Microbiology at Aurora's Degree and PG College as an attempt to disclose various facts of the on-going corona pandemic. The lecture focused on corona virus and its different strains associated with respiratory distress and also disclosed the facts related to coagulopathy and thrombosis.

Out comes

The online guest lecture was delivered by Dr. V. Deepak who is very prominent in COVID-19 research. Dr. V. Deepak is a post-doctoral researcher at the University of Derby, UK and his lecture has provided the insights about the on-going COVID 19 pandemic. The online meet has certainly provided the clarification on the following

- Outlines on corona virus
- COVID19 impact
- Role of immune system and angiogenesis in accordance to COVID-19
- Pathways involved in causing the clinical manifestation
- Mode of attachment and biological machinery involved in virus infection
- Coagulopathy and thrombosis
- Role of receptors in aiding the clinical condition
- Immunology and cardiovascular biology
- Epidemiology
- Facts related to respiratory ailments
- Vulnerability in individuals with prior clinical conditions
- Industrial aspects

EVENT REPORT

EVENT TITLE	ONLINE SOFTWARE TOOLS FOR REMOTE TEACHING & LEARNING
TYPE OF EVENT	National Webinar
FACULTY INCHARGE	S.LAKSHMI
DEPARTMENT	Computer Science
DATE	18/05/2020
VENUE	Go-to Meeting
TARGET AUDIENCE	Faculty

OBJECTIVE:

- To impart knowledge on Online Software tools for remote Teaching & Learning. online Tools –Google Classroom, Google forms, Edpuzzle, Prezi, Kahoot etc.

BRIEF ABOUT THE EVENT:

- Dr. D. Lakshmi have briefed about various online tools available , such as how to create a Google form, Google classroom, etc.
- Total 247 Faculty have been registered from various colleges and states. So 220 faculty has attended the session.
- E-Certificates Provided to all the registered candidates.

OUTCOME:

Faculty got the awareness of creating a Google classroom, Google form, and how to use Edpuzzle tool.

EVENT / ACTIVITY DETAILED REPORT

NAME OF THE EVENT / ACTIVITY	Intellectual Property Rights and Patent Filing
TYPE OR TITLE OF EVENT / ACTIVITY	College event
FACULTY INCHARGE	Dr. S. Ravi Kiran
DEPARTMENT/CELL/COMMITTEE/CLUB	Biochemistry
DATE	22 nd May, 2020
VENUE	Online on zoom (12.00 Noon to 1.30 PM)
TARGET AUDIENCE	Faculty and Research Scholars

1. PROGRAM SCHEDULE

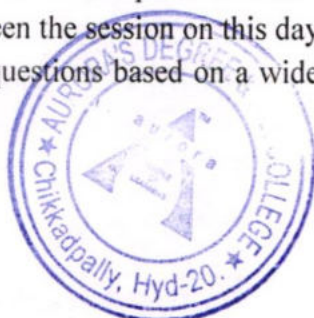

One day 12.00 Noon to 1.30 PM

Detail Report on: "Intellectual Property Rights and Patent Filing"

In connection with the college development activities, with the constant support and encouragement of the management and our dynamic principal Dr. Viswanatham Bulusu, The Department of Biochemistry organised FDP a 2-day lecture series on "Intellectual Property Rights and Patent Filing" for the benefit of the Students, Research scholars, Faculty and other Participants from various parts of the country from 22nd May, 2020.

The Session was started by an introduction speech by Dr. S. Ravi kiran, Associate Professor of Biochemistry. Further a brief introduction was given about the speaker by Dr. S. Ravi kiran, Associate Professor of Biochemistry. Following that, the speaker Dr. Pankaj P. Borkar from Dy. Controller of P&D, GL-Mech. IPO Mumbai and Head, RGNIPM, Nagpur started the session. Being an expert in teachers training, Dr. Pankaj P. Borkar has engaged the online attendees in an interactive session. He has focused on Intellectual Property Rights and Patent Filing & how do we need to implement it in our work area. Dr. Pankaj P. Borkar has also highlighted the various steps involved in the process including property rights, about patent and how patent can be registered. etc. He also explained about the different patents. This was also been made as an activity in between the session on this day. Many listeners have come up with a new way to create their own questions based on a wide range of topics and restricted

[Handwritten signature in green ink]

topics. Finally, this is an informative and interactive meeting by Dr. Pankaj P. Borkar, which has taken the audience into the new world of the patent era.

The session progressed smoothly for more than an hour with more than 470 participants. At the end of the session the speaker interacted with the participants, clarified their doubts with his commendable expertise.

The session was concluded after extending the vote of thanks. Then the feedback form was issued to receive the suggestions from the participants which would help us to assess our session.

NAME OF THE EVENT	WEBINAR ON DEEP LEARNING & ITS APPLICATIONS IN ASTRONOMY.
TYPE OF EVENT	National
FACULTY INCHARGE	Dr. Meera Joshi
DEPARTMENT	Mathematics
DATE	23 rd May 2020
VENUE	_____
TARGET AUDIENCE	Faculty and students of Science & technology

OBJECTIVE:

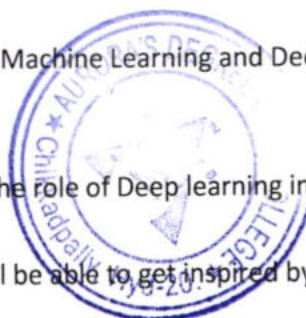

- To enlighten the participants about Deep Learning and its various applications in Astronomy.
- To provide an opportunity to the participants to interact with an Alumnus.

BRIEF ABOUT THE EVENT:

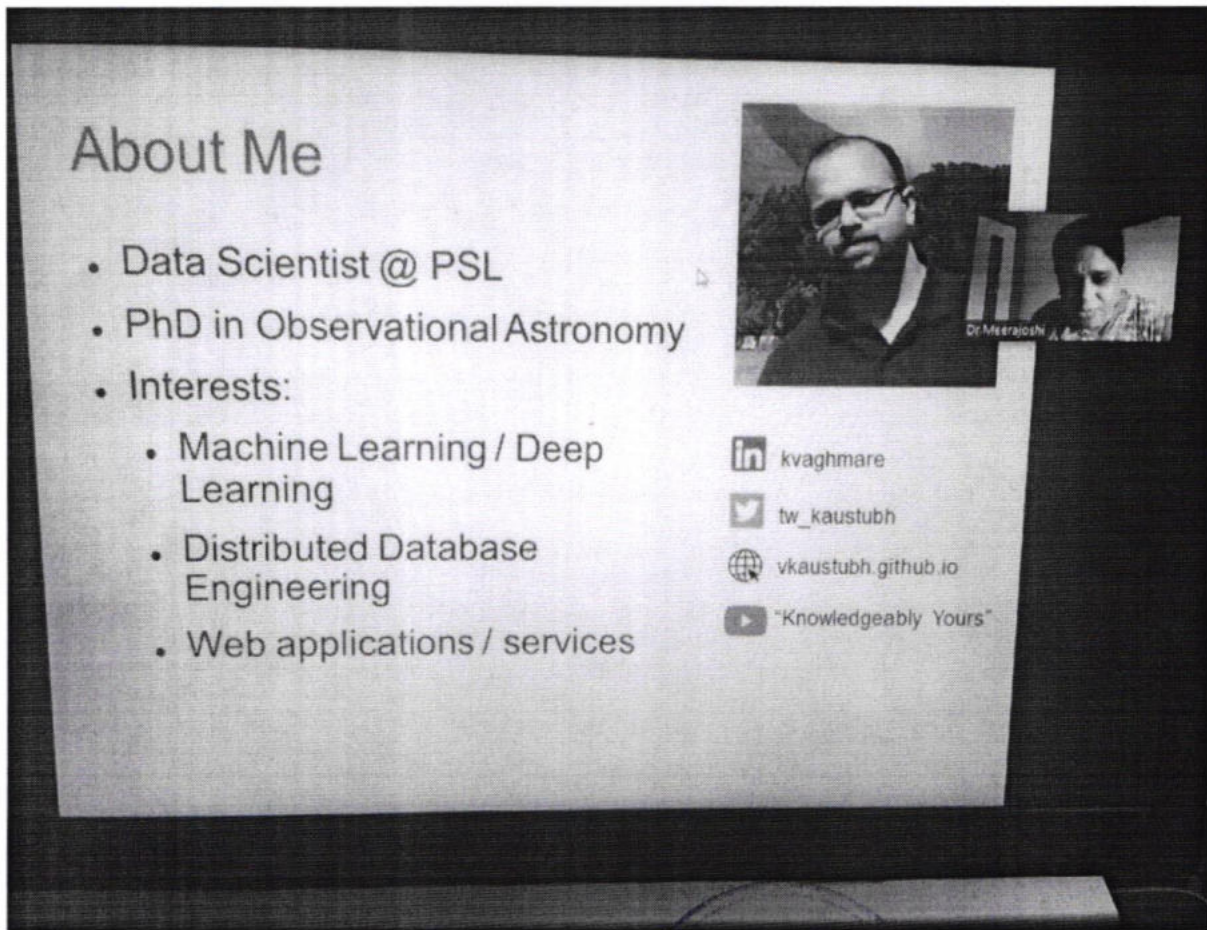

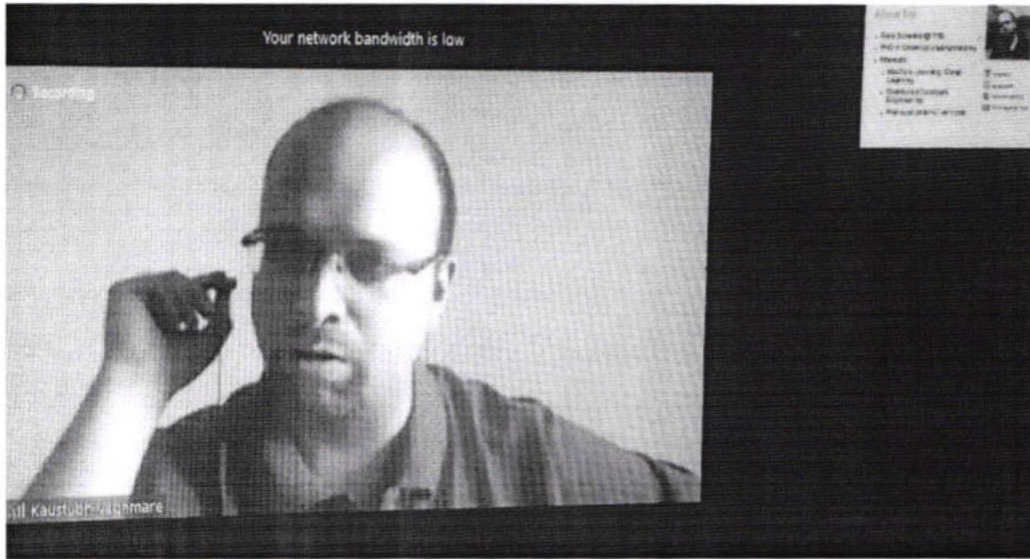

It was planned to conduct a webinar on Deep Learning and its applications in Astronomy. One of our alumnus Dr.Kaustubh Vaghmare is at Persistent Systems Limited as a senior Data Scientist. He agreed to share his knowledge with us. In the webinar the concepts of Machine learning and Deep learning were explained . The challenges in Deep Learning were discussed. Some of its applications in study of near earth phenomenon were shared. Later there was a question answer session during which the participants interacted with the resource person Dr.Kaustubh Vaghmare .Some of the queries were very interesting and thought provoking. The lecture was very informative and updated.

OUTCOME:

- The participants will learn what is Machine Learning and Deep learning along with challenges involved.
- The participants will understand the role of Deep learning in Astronomy.
- The participants of our college will be able to get inspired by alumnus.

Handwritten signature in green ink.

DEPARTMENT OF MATHEMATICS

DETAILED REPORT : WEBINAR : ON DEEP LEARNING AND ITS APPLICATIONS IN ASTRONOMY

Introduction:

Presently the education system is fighting with the Covid-19 pandemic. The whole education system came to a standstill due to lockdown. It is a very typical situation. Then the teaching fraternity realized that the teaching & learning process cannot be stopped due to anything. Slowly the academic activity started online. Then the department of Mathematics decided that the students must be kept busy in the academic activity by conducting webinars. It was decided to conduct a webinar on Machine Learning and its applications.

During the process of identifying the resource persons we thought of taking the support of our own alumni who have contributed to this field by their research works. Dr. Kaustubh Vaghmare who is a Data Scientist at Persistent Systems Ltd was Contacted and he agreed to be a resource person.

Objective:

- To enlighten the participants about Deep Learning and its various applications in Astronomy.
- To provide an opportunity to the participants to interact with an Alumnus.

TOPIC: Deep Learning and its applications in Astronomy

TARGET AUDIENCE: All faculty and students of Science & Technology

RESOURCE PERSON: Dr. Kaustubh Vaghmare, Senior Data Scientist ,Persistent Systems Ltd.

FACULTY CO-ORDINATOR : Dr. Meera Joshi

BRIEF OF WEBINAR:

In the webinar the concepts of Machine learning and Deep learning were explained . The challenges in Deep Learning were discussed. Some of its applications in study of near earth phenomenon were shared. Later there was a question answer session during which the participants interacted with the resource person Dr.Kaustubh Vaghmare .Some of the queries were very interesting and thought provoking. The lecture was very informative and updated. It described deep learning and its applications in a nut shell.

REGISTRATION LIST FOR MATHEMATICS WEBINAR - INTRODUCTION TO DEEP LEARNING & ITS APPLICATIONS IN ASTRONOMY.

Topic: "Current Trends in Nanotechnology-Nature Inspired Surface Engineering"

Speaker: Pendyala P
Postdoctoral Research Scientist,
Korea Institute of Science and Technology
Seoul, South Korea
Email:pendyala@kist.re.kr

Date: 23-05-2020

Time: 12.00 Noon to 1.30pm (IST)

Registration: Free

Platform: Zoom

Convenors:

1. C Aruna
HOD,
Department of Physics and Electronics
2. B Udaya Sree
Asst.Prof,
Department of Physics and Electronics

Objective:

- Understand what nanotechnology is and how it can be used in transportation applications
- Describe different examples of nanotechnology in use
- To present the research areas in the field of Nanotechnology

NAME OF THE EVENT	International Webinar on “Current Trends in Nanotechnology-Nature Inspired Surface Engineering”
SPEAKER	Pendyala P Postdoctoral Research Scientist, Korea Institute of Science and Technology Seoul, South Korea
TYPE OF EVENT	Department Event
FACULTY COORDINATORS	1. C Aruna 2. B Udaya Sree
DEPARTMENT	Physics and Electronics
DATE & TIME	23-05-2020; 2.00PM to 4.00PM(IST)
PLATFORM	ZOOM
TARGET AUDIENCE	Faculty and Research Scholars

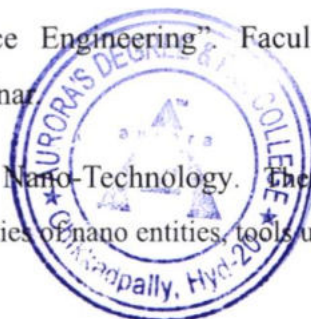

OBJECTIVE:

- Understand what nanotechnology is and how it can be used in transportation applications
- Describe different examples of nanotechnology in use
- Assess possible future benefits of nanotechnology
- To provide a platform to share new ideas and advancing technologies in Nanotechnology
- To present the research areas in the field of Nanotechnology

BRIEF ABOUT THE EVENT:

Department of Physics organized an International Webinar on “Current Trends in Nanotechnology-Nature Inspired Surface Engineering”. Faculty from various streams and research scholars participated in the Webinar.

The lecture started with introduction to Nano-Technology. Then speaker explained about various topics related to Nanotechnology like properties of nano entities, tools used in Nanotechnology and current

trends in Nanotechnology. The lecture was concluded by giving scope for research in the field of Nanotechnology.

There were 217 participants and the feedback from the participants was highly positive.

OUTCOME:

The webinar has provided a platform to share new ideas relating to recent developments in Nanotechnology. Participants came to know about recent trends in Nanotechnology and how it is related to nature. Participants came to know about more information regarding their research subjects and will be able to establish their view at a global level.

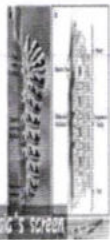

PHOTOGRAPH:

Why take nature's help?

- ✓ Human mind thinks linearly
- ✓ Nature is the best engineer
- ✓ "The marvelous phenomena that characterize biological systems can sometimes be imitated, abstracted and patched together to provide a rich set of scientific and technological puzzles, many of which are starting points for invention."

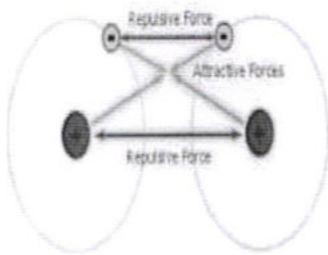

Prashant Pandey's screen

Properties of nano entities - atoms & molecules

Participants

Properties of nano entities - atoms & molecules

Interaction force

Net force becomes positive, atoms are in "contact"

Distance between atoms is 1/2 Å (= length of a chemical bond)

As electronic separation decreases, attractive force weakens

Weak atomic attraction helps

Electrons do not covalently bond each other

$$Force = \frac{A}{r^4} - \frac{B}{r^7}$$

Detailed Report

Date: 23-05-2020

Target Audience: Faculty and Research scholars

Platform: Zoom

Introduction:

Department of Physics & Electronics organized an International Webinar on "Current Trends in Nanotechnology-Nature Inspired Surface Engineering". Faculty from various streams and research scholars participated in the Webinar. Webinar on Nano-Technology is an outcome of initiatives taken by the Department for the cause of e learning.

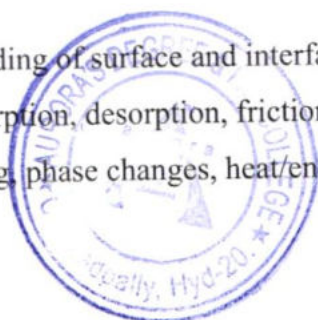

The use of nanotechnology has stretched across various streams of basic Sciences like Physics, Chemistry, Biology, Material Science and almost to all branches of Engineering starting from Mechanical, Electrical, Chemical, and Electronics to IT, Medicine and Robotics. Nanotechnology has transformed science and engineering over the past two decades. The ability to see nano sized material has opened up a world of possibilities in a verity of industries and scientific endeavors. The future of Nano Technology has been a subject of many scientific and non scientific speculations.

Methodology:

The lecture started with introduction to Nano-Technology. Then speaker explained about various topics related to Nanotechnology like properties of nano entities, tools used in Nanotechnology and current trends in Nanotechnology.

Following are the Highlights of the Webinar:

- Fundamental understanding of surface and interface science and phenomena such as wetting, adhesion, adsorption, desorption, friction, (bio)tribology, wear, corrosion, biofouling, icing/deicing, phase changes, heat/energy transfer, electrochemistry, optics/photonics, etc.

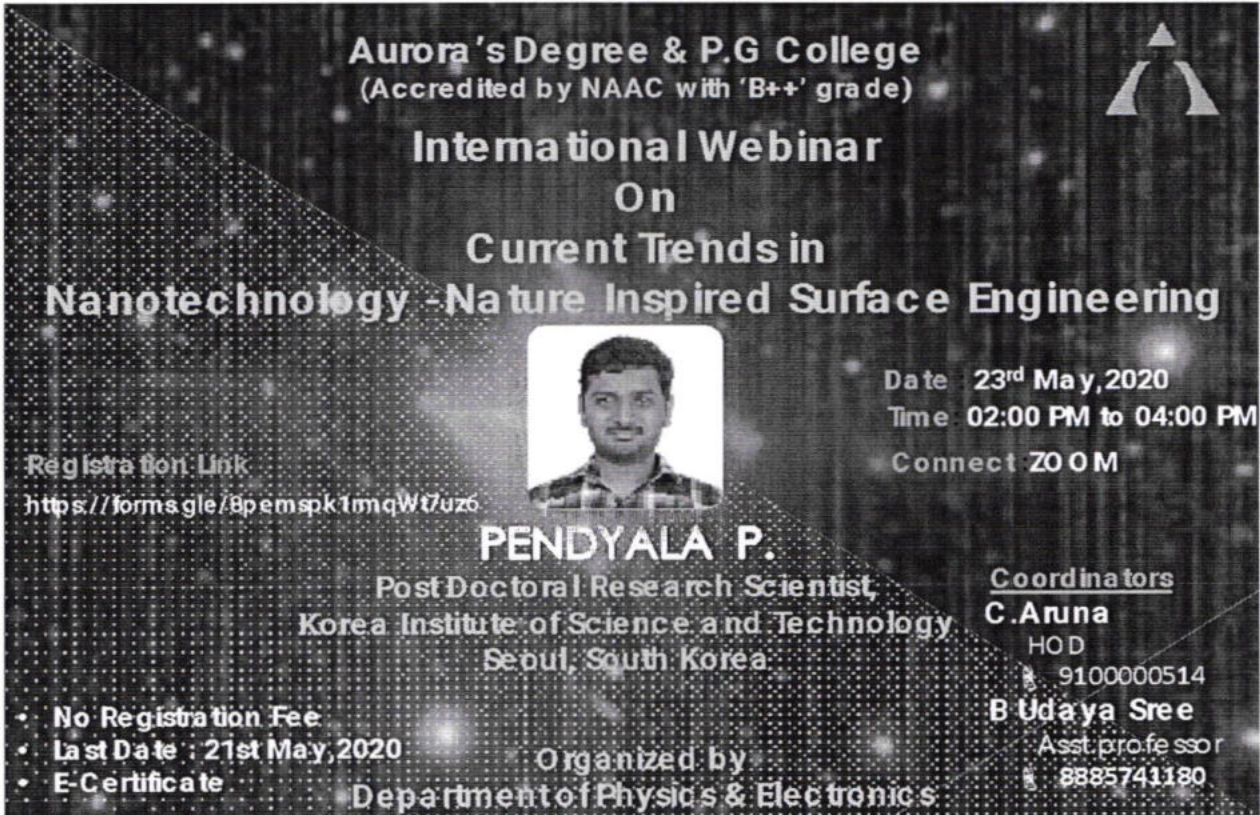

- Material processing and fabrication techniques for functional surfaces including novel techniques such as 3D printing and self-assembly
- Surface modification and coating techniques for functional surfaces
- Hydro-, aero, ice-, and oleo-phobic/philic surfaces
- SLIPS (slippery liquid infused porous surfaces) and LIS (lub

The lecture was concluded by giving scope for research in the field of Nanotechnology.

There were 217 participants and the feedback from the participants was highly positive.

(ACCREDITED BY NAAC WITH 'B++' GRADE)
Chikkadpally, Hyderabad 500020

NAME OF THE EVENT	TOUGH TIMES DON'T LAST, TOUGH PEOPLE DO
TYPE OF EVENT	NATIONAL LEVEL WEBINAR
FACULTY INCHARGE	Mrs. Madhuri Putrevu, Mrs. Soumya Mohan Akhilesh
DEPARTMENT	COMMERCE AND MANAGEMENT
DATE	25 TH MAY, 2020 (11 am to 12 pm)
SPEAKER	Mrs. Madhuri Putrevu, JCI Zone Trainer, Motivational Speaker, Ancestral and Womb Healer.
VENUE	ONLINE (ZOOM APP)
TARGET AUDIENCE	ACADEMICIANS AND STUDENTS
BUDGET	NIL

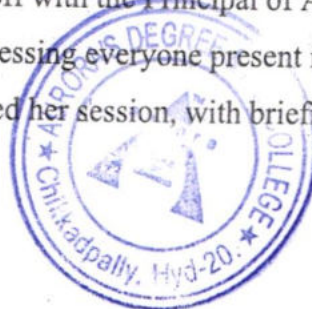

OBJECTIVE:

A motivational talk relevant to present lockdown during COVID-19 pandemic.

To enable the people to cope with the current pandemic.

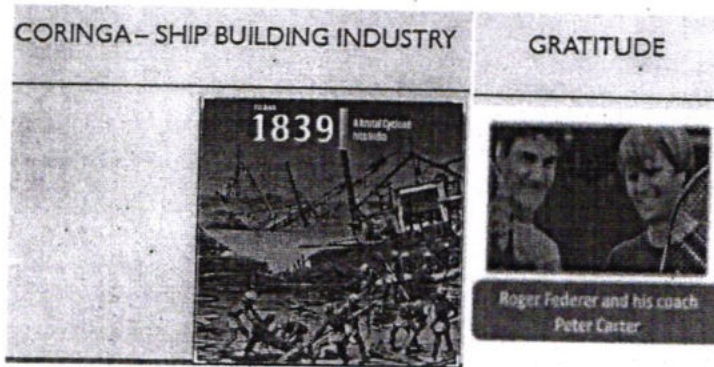

BRIEF ABOUT THE EVENT:

The webinar commenced by 11am and around 97 participants were a part of this meeting. The 137 registered participants were sent a link on the Zoom app through which they could take part in the webinar. The webinar started off with the Principal of Aurora's Degree and P.G. College, Dr. Vishwanadham Bulusu, addressing everyone present in the meeting. After which, the speaker Mrs. Madhuri Putrevu started her session, with briefing about the current

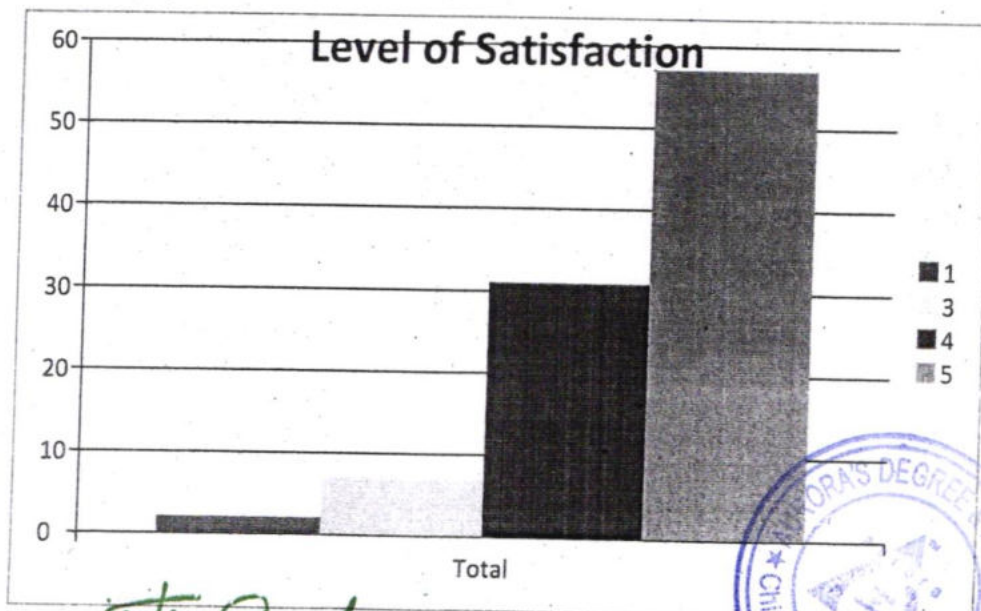

situation worldwide about conditions during the pandemic lockdown. She gave a brief about various historical events which are similar to the current economic lockdown. Mrs. Madhuri took us further into the presentation by detailing what steps can be taken to look beyond & how to deal with such tough situations in life. The vote of thanks was given by Mrs. Krishnapriya HOD of Computer Applications. The session wound up post this with the feedback forms being mailed to the participants.

Photographs:

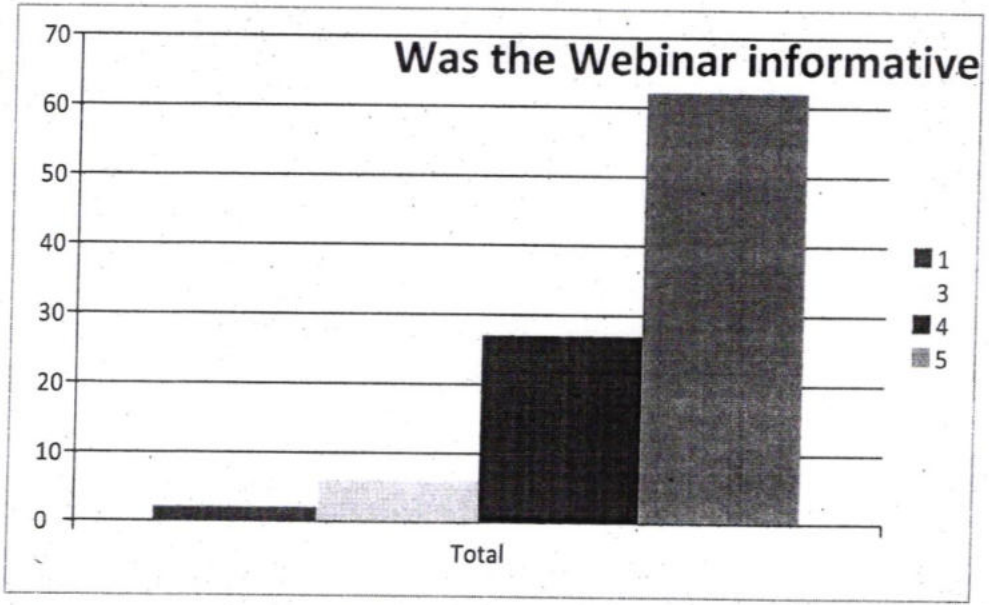

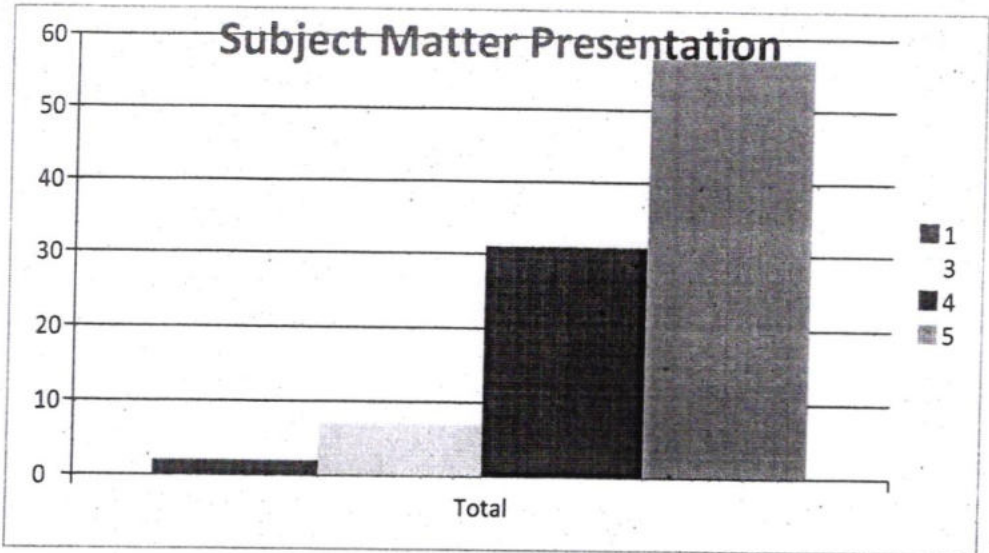

OUTCOME:

The webinar had a positive outcome on the individuals. There was a question and answer session at the end. Mrs. Madhuri clarified questions from the participants before the vote of thanks given by Mrs. Krishnapriya HOD of Computer Applications. The participants were later asked to give their feedbacks on the webinar, on a scale of 5 (1 being the lowest and 5 being the highest). A graphical representation of the feedback on the various parameters in the feedback is represented below.

DETAILED REPORT:

The National Webinar on the “Tough times don’t last, tough people do” by speaker Mrs. Madhuri Putrevu in collaboration with Aurora’s Degree and PG College was a successful event. There were a total of 137 registrations for the event of whom 97 attended. The webinar started off with the Principal of Aurora’s Degree and P.G. College, Dr. Vishwanadham Bulusu, addressing everyone present in the meeting. Mrs. Krishna Priya HOD of Computer Applications introduced Mrs. Madhuri.

Mrs. Madhuri began the presentation by taking us back in time through critical times like the World wars I & II where the countries were at war with each other leading to extremely difficult and unsafe and insecure living conditions for mankind. Comparing the present conditions during the Covid-19 pandemic to nothing but World War III, Mrs. Madhuri assured that Change is constant and mankind is more resilient after facing its tough times

when we come out as winners on the other side. Quoting a few more examples from the past like the Spanish flu and other Natural calamities mankind has faced, Mrs. Madhuri proved her point. She further took examples of the tough times faced by us Indians in particular, for example during the 1991 economic reforms or during the Kargil war where our brave soldiers brought us victory fighting on the Siachen glacier under sub-zero temperatures.

To become a successful individual Mrs. Madhuri outlined 4 important principles: Gratitude, Unconditional forgiveness, Commitment and Complete Surrender. Quoting examples for each of the above situations from the lives of celebrities like Roger Federer for Gratitude, Nelson Mandel for forgiveness, Swami Chandrasekhara Saraswati for commitment and Dokka Seethamma for Complete Surrender, Mrs. Madhuri inspired us to not be bogged down by difficult situations.

She concluded her talk by telling us to be like the bamboo which does not stay stiff during a strong breeze but sways along with it and which grounds itself firmly in its initial years and hence does not break during stormy weather conditions.

The webinar concluded with a few questions from the participants. The Vote of Thanks was given proposed by Mrs. Krishnapriya HOD of Computer Applications. The session wound up post this with the feedback forms and e-certificates being mailed to the participants.

"ART OF WRITING
& PUBLISHING
RESEARCH PAPER
AND APPLICATION
OF STATISTICAL
TOOLS" -

Thank You-ADC

This form was created inside of Aurora's Degree & PG
College. Report Abuse

The department took the feedback about FDP from the participants and most of them appreciated and congratulated us for conducting the FDP successfully. Some of participants requested to conduct such sessions in the future.

We are very grateful to our Principal, Dr. Viswanadham Bulusu and Head, Department of Commerce Mrs. Veena Kapoor for giving us the opportunity to organize the FDP, encouraging and believing in us and extending support. We are also thankful to Mr. Hari Prasad, Vice Principal and Mr. Ravi Kiran, Head, Department of Biochemistry for their technical support.

The event was completed successfully. Many had lauded the organizers and the resource person for the wonderful job taken up during this unprecedented time for the educational sector and for its enlightenment.

We shall continue to conduct such programmes in the future.

E Certificates were provided to all the participants.

OUTCOME:

The faculty are inspired and learned about writing research paper and application of statistical tools through FDP.

SUGGESTIONS:

1. Registrations should have been stopped after 500 because many couldn't attend session even after registering.
2. Feedback link should be kept even after end of the session for 10 minutes as many attended but didn't get certificate as they have not submitted the feedback.
3. Registration link should be kept in the poster itself.
4. Confirmation mail for the registered persons should be sent immediately after Registrations.
5. PPT of the presentation should be sent to all the participants.

PHOTOGRAPH:

Detailed Report

The Department of Commerce and Management organized a Two-Day National Level FDP on "ART OF WRITING & PUBLISHING RESEARCH PAPER AND APPLICATION OF STATISTICAL TOOLS". The organizer of the event was Dr. Viswanadham Bulusu and the conveners of the event were Mrs. G. Chamundeshwari and Mrs. P. Madhavi Latha. It was an online event with eminent resource persons, Prof. Prashanta Athma, Head Dept. of Commerce, OU and Prof. V. Usha Kiran, Department of Commerce, OU, Honorary Director ICSSR – SRC, Hyderabad.

Objectives of the event

1. To motivate the faculty for pursuing research,
2. To help the faculty in understanding the art of writing a research paper and publishing them.
3. To understand the different statistical tools and its applicability

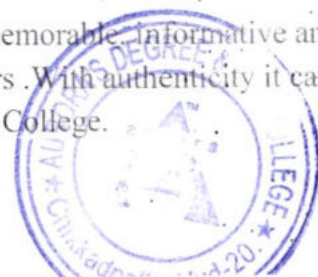

The two days national event was scheduled on 27th and 28th May 2020 from 11.00am to 1.00pm. The sessions were held by using zoom app. On 27/05/2020 Prof. Prashanta Athma, Head Dept. of Commerce, OU gave a talk on "Writing Paper, presenting and publishing in UGC care and Scopus". The session was introduced by Mrs. Veena Kapoor, Head, Department of commerce at 10:45am and followed by Principal's address to the participants and gave a brief note on the objective and importance of doing research, after which Mrs. Veena Kapoor introduced the resource person Prof. Prashanta Athma as per schedule the session started at 11.00 am sharp. Ma'am explained the meaning of research, procedure and importance of writing a research paper and getting it published in reputed journals like care and scopus. She also explained the procedure to be followed for getting a research paper published. Continuing with the session she also explained in brief about the statistical tools/methods to be followed in research analysis.

The second day 28/05/2020, Prof. V. Usha Kiran, Department of Commerce, OU, Honorary Director, ICSSR-SRC, Hyderabad gave a talk on "Application of statistical tools in Research". The session link was open for the participants at 10.30 am so that the participants can login and join through zoom app. The session was introduced by Mrs. Veena Kapoor, Head, Department of commerce at 10:45am and followed by Principal's address to the participants and gave a brief note on the objective and importance of doing research, after which

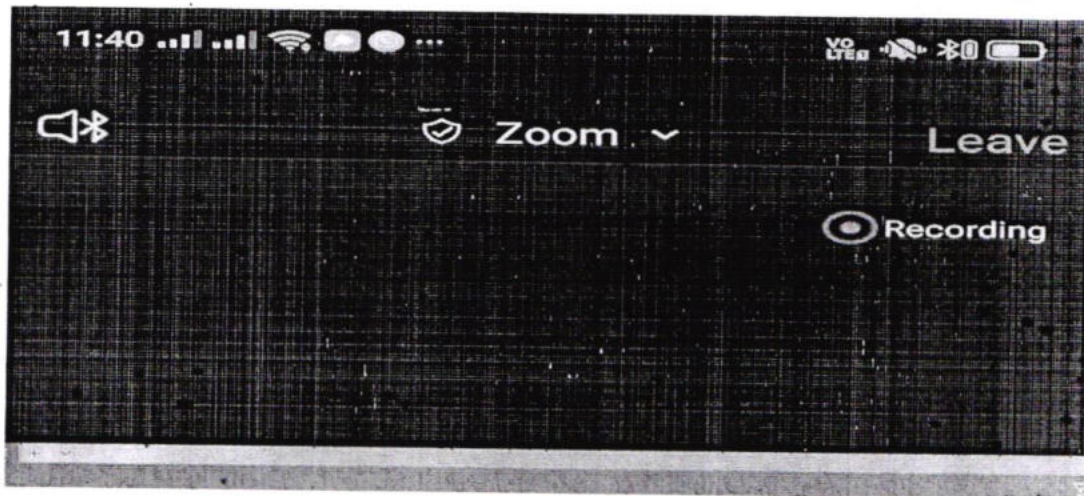

Mrs. Veena Kapoor introduced the resource person Prof. Usha Kiran as per schedule the session started at 11.00 am sharp. She explained inferential and descriptive statistics, how to choose a test for variables and attributes and some commonly used statistical tests in research.

The resource persons were efficient and effective in having an impact on the participants and providing the knowledge and information to the faculty.

Finally the event ended with vote of thanks. In whole it was memorable, informative and educational for the benefit of the faculty and research scholars. With authenticity it can be said that the faculty were satisfied in conducting such FDP by College.

NAME OF THE EVENT	Information and Misinformation during Covid-19 Crisis
TYPE OF EVENT	National Webinar
FACULTY INCHARGE	S. Padmavathi
DEPARTMENT	English and Humanities
DATE	28/05/2020
VENUE	Zoom
TARGET AUDIENCE	Students, Faculty, Administrative staff

OBJECTIVE:

To spread awareness about Covid19 and address the issue of misinformation and suggest ways to stay informed. Highlighting the concern about the damage caused by the deliberate creation and circulation of false or manipulated information relating to the pandemic.

BRIEF ABOUT THE EVENT:

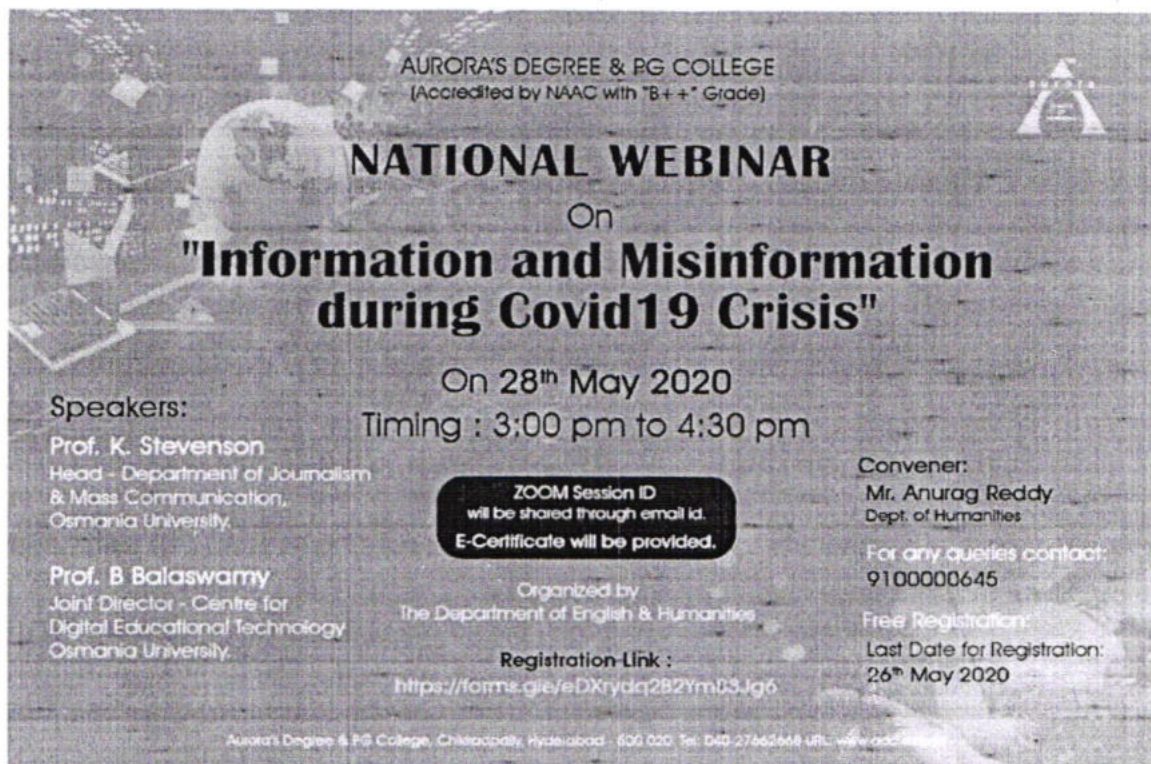

This event was conducted online on Zoom and the invited speakers, Prof. K. Stevenson and Prof. B. Balaswamy, spoke at length about the various bytes of misinformation that had been going around since the onset of Covid-19. They suggested different websites and basic research procedures to screen and filter the information that comes to us to make sure we don't consume everything that comes our way. The role of Media and Government in spreading awareness was also briefly touched upon.

OUTCOME:

The participants learnt a lot of new ways to filter information and stay informed during this pandemic. It was a successful session in that the objective was achieved.

DETAILED REPORT:

As the pandemic motivated us towards optimum utilization of the virtual space, venturing into the same the Department of English and Humanities organised a Webinar on 'Information and Misinformation during Covid-19 Crisis' on 28th May 2020, with the objective to spread awareness about Covid19, address the issue of misinformation and suggest ways to stay informed. Highlighting the concern about the damage caused by the deliberate creation and circulation of false or manipulated information relating to the pandemic.

The Talk was delivered by Prof. K. Stevenson, Head of the Department of Mass Communication & Journalism, Osmania University and Prof. B. Balaswamy, Joint Director of Center for Digital Educational Technology, Osmania University.

Prof. K. Stevenson mentioned about United Nations launching 'Verified', an initiative to combat the growing scourge of COVID-19 misinformation by increasing the volume and reach of trusted, accurate information.

The presentation also involved a brief on the damage caused by the deliberate creation and circulation of false or manipulated information relating to the pandemic, address the issue of misinformation. Speaker also threw light on the initiative by Australia, Chile, France, Georgia, India, Indonesia, Latvia, Lebanon, Mauritius, Mexico, Norway, Senegal and South Africa, a total of 132 member states endorsing a cross-regional statement on "infodemic" or manipulated information.

Prof. B. Balaswamy mentioned that India along with 12 other countries, has led an initiative which was aimed at spreading fact-based content to counter misinformation on the coronavirus, with over 130 nations endorsing the global call to fight the "infodemic" relating to the COVID-19 pandemic.

Prof. B. Balaswamy has quoted UN Secretary General Antonio Guterres by saying, 'apart from fighting the deadly COVID-19 pandemic, the world is also seeing a "dangerous outbreak" of misinformation about harmful health advice, hate speech and wild conspiracy theories and antidote to this pandemic of misinformation is fact-based news and analysis.'

The speakers have concluded by saying, "It's hard but not impossible to filter what's reliable and trustworthy and what's not. Spreading awareness about Covid-19 is the key element to overcome misinformation". They've suggested trusted ways for our participants to stay informed as well.

Both the speakers have also answered questions from our participants related to Information and Misinformation, sources of information, trustworthiness in the current scenario, Covid19, Verified – initiative by UN, media’s stand/duty during the pandemic and many more.

We’ve got a positive feedback from the participants as their quires were thoroughly clarified by both speakers, thereby meeting the objective of the Webinar. Their responses were encouraging and satisfactory. Both the speakers were informative and the topics were relevant, especially at the time of the current pandemic.

35 per cent fake videos

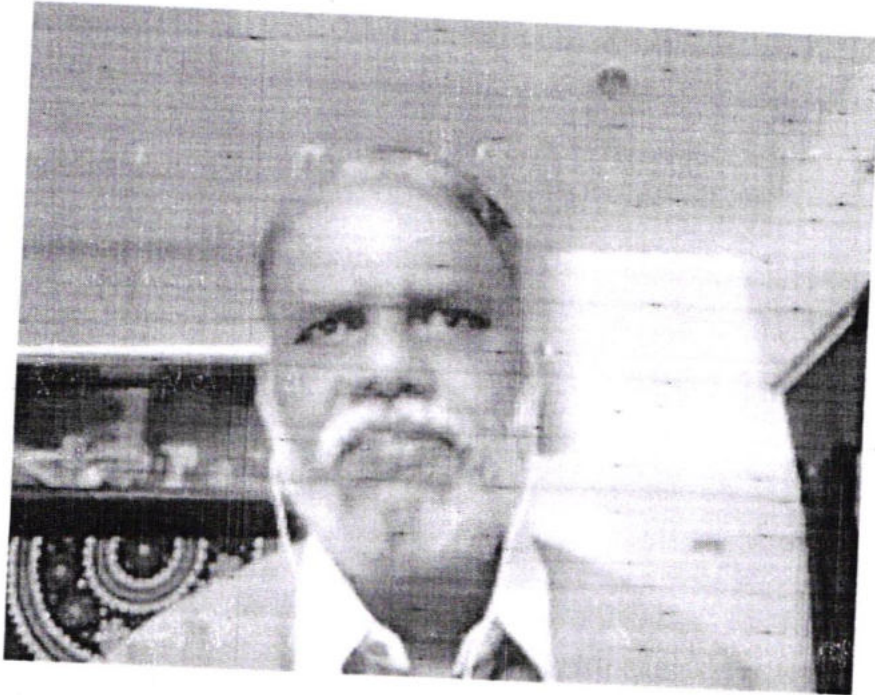

178 fact checks on Covid-19-related misinformation/disinformation from January to May, 2020.

Of these, much as 35% of them were fake videos, 29% images and a similar percentage were doctored messages on range of issues such as fake diagnosis and treatment, falsified quotes by celebrities with their photos, false notifications and lockdown guidelines among other.

DETAILED REPORT:

A National Workshop on "Pros and Cons of Digital Banking" is organized by our Principal Dr. Viswanadham Bulusu on 29-05-2020.

This session was started at 10.00am with the acknowledgement by Principal and then Head of the Department of Commerce & Management Mrs. Veena Kapoor has given a brief introduction about the speaker.

The Speaker of the day Mrs. Preeti payal singh has delivered a very good session on digital banking.

The session had a lot of impact on students in gaining practical knowledge about digital banking rendered by banker towards customer in dealing with various transactions through online. The session has become more informative, exploring high in the present scenario. Students understood about security measures when they are transacting with Automated Machines, by using Debit and Credit cards and how to apply on different forms through online banking with requisite documents, while filing applications like account opening forms, applying for online debit card or credit card etc.

Students were very interactive during the session and has raised many questions to the speaker related to the topic. They have also filled forms which were sent later after the session and almost everyone has given a positive response on the session conducted and they were requesting for more workshops to be conducted on relevant topics which helps them to gain more knowledge.

About Speaker:

Preethi Payal Singh, Deputy manager In State Bank of India

Born and brought up in a small town called "Jamshedpur" also known as "Tatanagar":
Preeti Payal has completed her M.A in economics from Annamalai University and B.Ed
from Loyola College of Education.

She started her career as TGT English faculty in Vidya Bharati Chinmaya Vidyalaya and
later moved to Andhra Pradesh after marriage.

In 2009 she started preparing for probationary Officer in Banking services and got
selected. in all the 4 nationalised banks she applied for
(Punjab National Bank, Bank of Baroda, State Bank of India and State Bank of
Hyderabad..)

She chose to join SBH as PO in 2010 and worked across various branches in retail
banking and Loan management Systems.

some of her recent achievements are :

- # awarded as best disbursing Officer while working in RACPC Banjara hills in 2018.
- # She has been awarded 'PEARL' for last three years in a row. This is being awarded only
to top performers of the bank for their extra ordinary contribution in the field they are
working.
- # Having worked across different branches of Andhra and Telangana, has diversified
experience in banking
- # In personal life, she is a mother of two sons(5.5 years and 2 years old) and her husband
is working in MNC Bank as Vice President
- # She has keen interest in training and development and get herself involved as and when
opportunity comes.
- # She has often been appreciated on multiple occasions for her out of box thinking,
providing simple solutions to complex situations and innovative approach.

Addition of Related Person Deletion of Related Person KYC Number of Related Person (If available)* []

Related Person type* (in case of minor) Guardian of Minor Assignee Authorised Representative

Name*: []

(If KYC Number and name are Provided, below details are optional)

PROOF OF IDENTITY (POI) OF RELATED PERSON*

A - PASSPORT B - VOTER'S IDENTITY CARD C - PAN CARD D - DRIVING LICENCE E - UID (Aadhaar Card)

F - NREGA JOB CARD Z - OTHERS (Any document notified by the Central Government/RBI)

Document No / Identification Number* BEEPN8003C

Issued by* Income Tax Department Issue date* 05 03 2020

Issued at* Mee Seva Expiry Date (If applicable)* []

Remarks

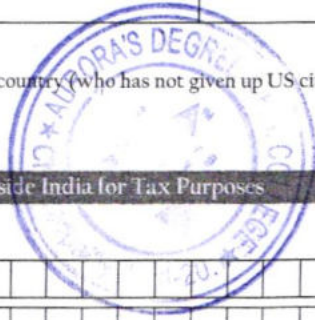

Multiple Tax Residency: Details of Country of Tax Residence in India, and/or in USA@ And/or In any other Country or Territory Outside India as Under:

Country of tax residence*	Tax Identification Number or equivalent if issued by jurisdiction	Identification type (TIN or other, please specify)

#In case, country of tax residence is India, PAN is treated as TIN.

@

- A citizen of US including individual born in US but resident in another country (who has not given up US citizenship).
- A person residing in US including US green card holder.
- Certain persons who spend more than 180 days in US each year.

9. Address in the Jurisdiction/Country - Where the Applicant is Resident outside India for Tax Purposes

Same as Overseas Address

Address* []

City/Village* [] District* []

Sub-District: [] State* []

Country Name* [] ZIP/ Post Code: []

Prefix Name* (Same as ID proof)

If applied for PAN and it is not yet generated, enter date of application & the acknowledgement number.

If PAN not applied, fill estimated total income (including income of spouse, minor child, etc) as per section 64 of Income Tax Act 1961 for the financial year in which the above transaction is held.

Agricultural income (₹) Other than Agricultural income (₹)

Verification

I do hereby declare that what is stated above is true to the best of my knowledge and belief. I further declare I do not have a permanent account number and my/our estimated total income (including income of spouse, minor child, etc.) as per section 64 of Income Tax Act 1961 computed in accordance with the provisions of Income Tax Act 1961 for the financial year in which the above transaction is held will be less than maximum amount not chargeable to tax.

Verified today, the day of 20 Place: (Signature of the declarant)

II. FOR OFFICE USE/ATTESTATION Documents received Self certified True copies Notary

Whether self-certification & documents received as part of account opening process have been verified and found correct, YES/NO (Branch to proceed with account opening only when certification is YES)

Certified that the implications and conditions for the operation of the account have been explained to the depositor (only in case of illiterate applicant) Depositor is: Illiterate Blind Staff Risk category*: High Medium Low

Details of one or two identification marks, if any, such as a mole or scar (mandatory for illiterate applicant)

In person verification carried out and signature of the applicant verified by: Official Name PF No. Designation Date: SS No. Signature

Open CIF Date: (Authorised signatory) CIF Queue No. Initials

12. Instructions

- A. Personal details: 1. Name: please state the name with prefix (Mr/Mrs/Ms/Dr etc). the name should match the name mentioned in the Proof Of Identity.
B. Clarification/guidelines on filling TIN and Details of Multiple Tax Residency: 1. TIN is not required if jurisdiction of residence for Tax purpose is India only. In such cases, either PAN or Form 60 need to be furnished. 2. In case if an Individual is a resident in more than one jurisdiction for tax purpose, then the details for capturing multiple tax residency needs to be furnished in section 8 & 9.
C. Clarification on filling Proof of Identity Section: 1. Expiry date is mandatory for Passport and Driving License.
D. Clarification on Proof of Address: (Deemed OVDs) 1. In case of Aadhaar / Officially Valid Document furnished by the client does not contain updated address, the following documents shall be deemed to be officially valid documents for the limited purpose of proof of address.

Table with 2 columns: Document code, Description. Rows include Utility bill, Property or Municipal tax receipt, Pension or Family Pension payment orders, and letter of allotment of accommodation.

Provided the client shall submit Aadhaar / Officially Valid Documents with current address within a period of 3 months of submitting the above documents.

- E. Clarification on contact details 1. Please mention two digits country code and ten digits mobile number. 2. Do not add zero in the beginning of the mobile number.

DECLARATION CUM UNDERTAKING CUM SELF-CERTIFICATION:

1. I affirm and declare that I have read over and understood the rules and regulations of the State Bank of India ("Bank") and those relating to various services offered by the Bank including but not limiting to debit card/internet banking/SMS banking/Tele-Banking/Mobile Banking/Virtual Banking and any other facilities. I agree to abide by the same as amended/modified from time to time by the Bank/Regulator/Government published through circulars, notifications, notice board/websites/newspaper publications, etc. I waive the rights, if any, to have personal notice in respect of such amendments/ modifications. I agree that the transactions and requests executed in my account(s) through internet, mobile, tele-banking or virtual banking under my User ID and password/PIN/OTP will be legally binding on me & I am responsible for the maintenance of secrecy and confidentiality of the authentication credentials and any other information/details/OTP/PIN, etc., in such matters. I agree that Bank has got all the rights to debit my account for any service charge, expenses or other dues which the Bank is entitled/ liable to recover from me. I also authorise the Bank and agree to close/discontinue my account without any notice to me. I hereby undertake to inform the Bank on any change in my communication address or constitution, and I shall submit the address proof in case of transfer of my account from one branch to another branch.
2. In respect of accounts opened on the basis of Aadhaar details, I hereby declare that I have submitted the Aadhaar Card issued by UIDAI for identification and /or address proof towards the compliance of KYC norms under the PMLA, 2002 and I hereby agree that the Bank may verify the same with the UIDAI and authorise the UIDAI expressly to release the identity and address through biometric authentication to the Bank.
3. I confirm and declare that I am not prevented/prohibited/restricted by any applicable legal/regulatory/contractual or other provisions from opening and/or maintaining the accounts or to transact with the Bank in any other way.
4. I agree that my personal KYC details may be shared with Central KYC registry or any other competent authority. I hereby consent to receive information from the Bank/Central KYC Registry/GoI/RBI or any other authority through SMS/e-mail on my registered mobile number/ e-mail address. I also agree that the non-receipt of any such SMS/e-mail shall not make the Bank liable for any loss or damage whatsoever in nature.
5. I hereby certify that I have declared my status as per the rules applicable under section 285BA of the Income Tax Act, 1961 as notified by Central Board of Direct Taxes (CBDT) vide Notification No. S.O. 2155(E) dated 7 August 2015 and RBI Circular Ref No. DBR.AML.BC.No.36/14.01.001/2015-16 dated 28 August 2015 in the matter including any subsequent modification/amendment thereof.
6. I understand, acknowledge and authorize that as per the provisions of Income Tax Act, Rules made thereunder and the guidelines issued by the Government/RBI in the matter, depending upon the residential status and/or other criteria stipulated therein, the Bank may have to report the details in respect of my account(s) as per the prescribed format to the Central Board of Direct Taxes (CBDT) or other Government Agencies to comply with the obligations as per the Inter- Governmental Agreements (IGA) in respect of Foreign Accounts Tax Compliance Act (FATCA) and Common Reporting Standards (CRS) and / or any other similar arrangements.
7. I certify & declare that the information provided by me for opening loan account and availing other services herein or through website/electronically as applicable to me and signed/authenticated by me as well as in the documentary evidence provided by me for opening loan account and availing other services are, to the best of my knowledge and belief, true, correct and complete and that I have not withheld any material information that may affect the assessment/categorization of my account as a U.S. Reportable Account or Other Reportable Account or otherwise. In case any of the information or details provided by me is found to be false or untrue or misleading or misrepresenting, I am aware that I may be held liable for it.
8. I undertake the responsibility to declare and disclose immediately and in no case beyond 30 days from the date of change, any changes that may take place in the information provided herein/or otherwise, as well as in the documentary evidence provided by me or if any certification becomes incorrect or undergoes a change. I further undertake to provide fresh and valid self-certification along with documentary evidence as and when so required; nevertheless all declaration and undertaking given herein will also be applicable to all such modified/amended documents/information provided by me unless revised self-certification as above is provided to the Bank.
9. I also agree that my failure to disclose any material fact/information known to me now or in future or my failure to remedy any deficiency in documents/information/other details within the stipulated period, may invalidate me from transacting in the account and the Bank would be within its right to put restrictions in the operations of my account or to close it or to report to any regulator and/or any authority designated by the Government of India (GoI)/RBI for the said purpose or take any other action as may be deemed appropriate by the Bank under the guidelines issued by CBDT/RBI/GoI from time to time. I also agree to furnish and intimate to the Bank any other particulars that are called upon me to provide on account of any change in law either in India or abroad in the above matter or otherwise. I shall indemnify the Bank from any loss/damage that may be caused to the Bank on account of any defect/mistake in the details provided herein or on account of providing incorrect or incomplete information by me.
12. I undertake to submit data/information together with fresh KYC documents for updation of KYC details at periodical intervals as may be required by the Bank.
13. I understand that the account will be activated and debits will be allowed only after completion of Customer Due Diligence relating to KYC by the Bank.
14. I undertake to submit Aadhaar and / or PAN within 6 months from the date of opening of account, failing which I understand my account will cease to be operational as per GOI guidelines, amending Prevention of Money -laundering (Maintenance of Records) Rules 2005. (In case the account is opened without Aadhaar /PAN)
15. In case, deemed OVDs are submitted for Current Address at the time of Account opening, I undertake to submit Aadhaar or any of the OVD having Current Address within 3 months from the date of account opening, failing which I understand that my account may cease to be operational as per GOI guidelines at the material time.

EVENT REPORT

NAME OF THE EVENT	WORKSHOP ON MOLECULAR DOCKING AND PROTEIN VISUALIZATION
TYPE OF EVENT	WORKSHOP
FACULTY INCHARGE	P SANGHA MOKSHAVI
DEPARTMENT	GENETICS
DATE	29 – 31 MAY, 2020
VENUE	GOOGLE MEET
TARGET AUDIENCE	LIFE SCIENCE STUDENTS, FACULTY & RESEARCH SCHOLRS

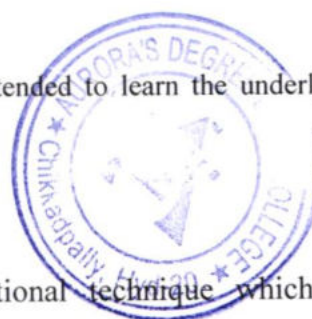

OBJECTIVE:

In view of the current research need the workshop is intended to learn the underlying principles behind molecular interactions of various proteins.

BRIEF ABOUT THE EVENT:

Molecular Docking is a well-established computational technique which predicts the interaction energy between two molecules. This technique mainly incorporates algorithms like molecular dynamics, Monte Carlo stimulation, fragment-based search methods. Molecular docking studies are used to determine the interaction of two molecules and to find the best orientation of ligand which would form a complex with overall minimum energy.

In view of the current research need and adaptable methods that can used without moving place to place, bioinformatics takes its highest place in learning. The event was split into 3 days for 3hours per day. Each day was taken up with 2 to 3 tasks to be done for the following

LIST OF PARTICIPANTS:

Name	College Name
P S S Ashwin kumar	Aurora's Degree and PG College
Ms. S VANITHA	Bhavan's Vivekananda College of Science, Humanities and Commerce
Metla sai pavan kalyan	AURORA DEGREE AND PG COLLEGE

Detail Report on Applications of Statistics in Banking Domain

As part of the college development activities, with the continuous support and encouragement of the management and Principal Dr. Viswanatham Bulusu, the Department of Statistics organised a webinar on **Applications of Statistics in Banking Domain** for the benefit of students, research scholars, & faculty on 30th May 2020.

The webinar planning was done in the second week of May & identified the speaker,

Mr Mohammed AZAM Mohiuddin an alumni (UG-MSCs) of Aurora's Degree & PG College of 2009 batch, an academician with many accolades at young age holding highest position as Manager/Consultant (Analytics & Insights), TCS, Bangalore.

Ms K.Parimala Diana Sudhir finalised the date as 30-5-2020 in coordination with speaker & organising team Mr. Hariprasad, Vice principal, Dr. Ravikiran R&D cell convener. With the help of office staff, & organising team Webinar poster, registration form, creating registration links & certificate designing was done with perfect coordination & pre-planning. Also updated the information to principal in time to time.

Program Schedule:

Ms K.Parimala Diana Sudhir, Head, Department of Statistics & convener of this webinar began the session with an introductory note, followed by Principal's address. The convener introduced the speaker Mr. Mohammed AZAM Mohiuddin for the participants.

Mr. Mohammed AZAM Mohiuddin, explained statistical tools with a case study approach in understanding banking sector. Initially he has given detailed road map to reach or to become a data scientists, & the planning that has to be done after completing PG in Statistics. He concentrated more on the analysis part & a thorough explanation of all the statistical tools & techniques used in the data effectively.

The session continued for about 1 & 1/2 hrs. The Participants were enthusiastic in attending the session & gained knowledge. Few participants shared the experiences with the speaker in the Question - Answer session in upgrading their subject knowledge & cleared their doubts. The participants were given the feedback form to ensure their participation certificate & also to know the feedback of the webinar.

At the speaker also thanked the management & Principal for giving an opportunity in sharing his experiences. Finally the convener Ms K.Parimala Diana Sudhir thanked the Principal, speaker organising team, participants, & department colleagues for the successful participation in the webinar.

The total registered participants are above 500, whereas the no. of participants are around 150.

OUTCOME:

- Explored the opportunities available in the corporate sector
- Knowledge gain, sharing & upgrading the subject.

Detailed Report

The Department of Commerce and Management organized a two-hour International Level Web Seminar (Webinar) on "Business Analytics Implementation on Cloud Platform". The organizer of the event was Dr. Viswanadham Bulusu and the conveners of the event were Mrs. Veena Kapoor and Mr. S.N. Chakravarthy. It was an online event with eminent resource persons. Mr Pradeep John, IT Architect, Williams Inc., Tulsa, USA.

Objectives:

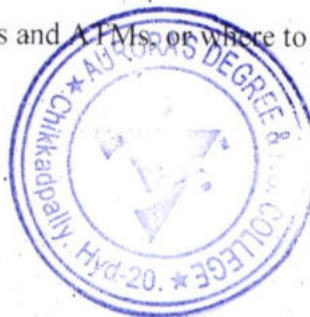

- To create awareness about Business Analytics.
- To create awareness about Cloud Computing.
- To create awareness about implementation of Business Analytics on Cloud Computing.

The two hours international event was scheduled on May 31, 2020 from 8.00 pm to 10.00 pm IST. The sessions were held by using zoom app. On 31/05/2020 Mr Pradeep John, IT Architect, Williams Inc., Tulsa, USA gave a talk on "Business Analytics Implementation on Cloud Platform". The session was introduced by Mr. S. N. Chakravarthy, Senior Assistant Professor, Aurora Degree & PG College at 8 PM and followed by Principal's address to the participants and gave a brief note on the objective and importance of doing Business Analytics & Cloud Computing after which the resource person Mr Pradeep John as per schedule started at 8.10 pm sharp.

Mr Pradeep John gave an Introduction to Analytics, various tools used, types of data, different models and applications of analytics. He gave the information that Business Analytics requires one to be proficient in the usage of data, information technology, statistical analysis, quantitative methods, and mathematical or computer-based models.

He also explained to us the applications of business analytics in these areas:

- Pricing
setting prices for consumer and industrial goods, government contracts, and maintenance contracts
- Customer segmentation
identifying and targeting key customer groups in retail, insurance, and credit card industries
- Merchandising
determining brands to buy, quantities, and allocations
- Location
finding the best location for bank branches and ATMs, or where to service industrial equipment
- Social Media

understand trends and customer perceptions; assist marketing managers and product designers.

The resource person was efficient and effective in having an impact on the participants and providing the knowledge and information to the faculty.

Finally, the event ended with vote of thanks by Mrs. Veena Kapoor, Head of Department (Management). In whole it was memorable, informative and educational for the benefit of the faculty, research scholars and students. Moreover, with utmost sincerity it can be said that the audience were satisfied in conducting such an international webinar by College.

The department took the feedback about the international webinar from the participants and most of them appreciated and congratulated us for conducting it successfully. Some of the participants requested us to conduct more such webinars in the future.

We are very grateful to our Principal, Dr. Viswanadham Bulusu and Head, Department of Management, Mrs. Veena Kapoor for giving us the opportunity to organize the international webinar, encouraging and believing in us and extending support. We are also thankful to Mr. Hari Prasad, Vice Principal and Mr. Ravi Kiran, Head, Department of Biochemistry for their technical support.

The event was completed successfully. The participants who successfully completed the event were also issued e-certificates. Many had lauded the organizers and the resource person for the wonderful job taken up during this unprecedented time for the educational sector and for its enlightenment.

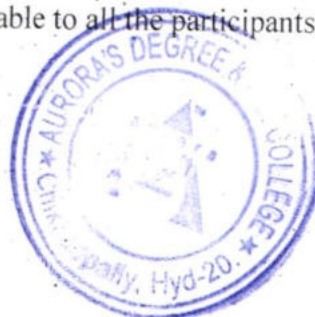

We shall continue to conduct more such programmes in the future.

OUTCOME:

The faculty are inspired and learned about Business Analytics and its implementation on cloud platform.

SUGGESTIONS:

1. Feedback link should be kept even after end of the session for 10 minutes as many attended but didn't get certificate as they have not submitted the feedback.
2. Confirmation mail for the registered persons should be sent immediately after Registrations.
3. PPT of the presentation should be sent to all the participants.
4. Recording of the webinar should be made available to all the participants.

It was an event which was scheduled on 31st May 2020 for 1 hour from 11.00am to 12.00pm. The online sessions were held by using the zoom app. There were 119 registrations from various colleges but we could not provide a link to participants.

There were resource persons who shared their knowledge with all the faculty.

On 31/05/2020 Sadiq Hussain RTI worker, social worker & independent journalist gave a talk on "Right To Information"

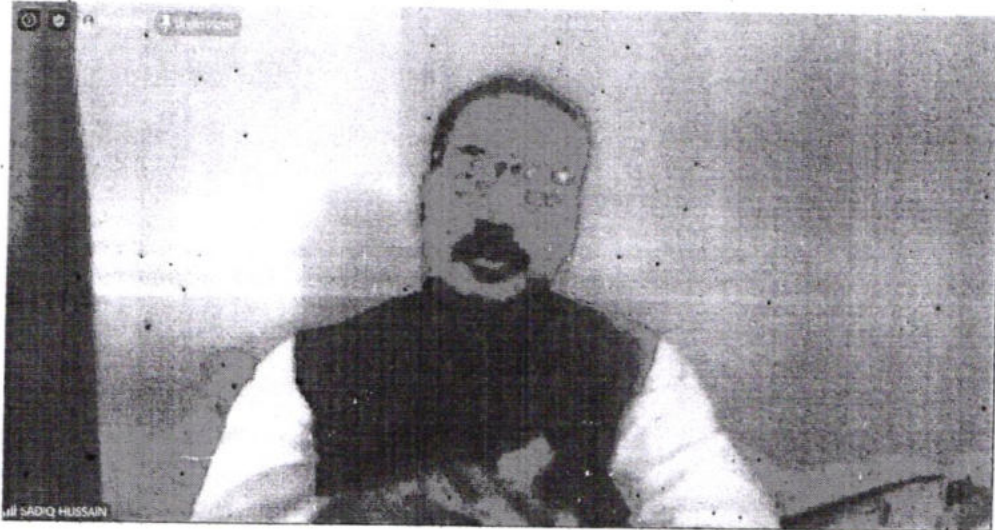

E – Certificates have been provided to all the participants

OUTCOME:

The faculty are inspired and learned about the RTI Act through the FDP.

PHOTOGRAPH:

Sadiq Hussain

Detailed Report

The Department of Management organized a National Level FDP on "RIGHT TO INFORMATION" The organizer of the event was Dr.Viswanadham Bulusu and the conveners of the event were Mrs. K.SUNITHA & SOUMYA. It was an online event with eminent resource persons, SADIQ HUSSAIN, RTI TRAINER, SOCIAL WORKER & INDEPENDENT JOURNALIST.

Objectives of the event

1. To motivate the faculty & students to empower the citizens.
2. To help the faculty & students in understanding to make our democracy work in real sense.
3. To understand regarding reduction of corruption in govt depts..

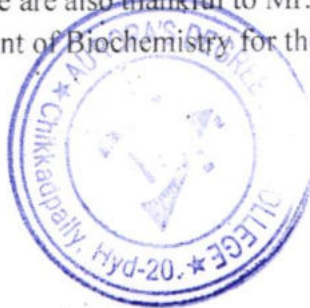

The national event was scheduled on 31st May 2020 from 11.00am to 12.00pm The sessions were held by using zoom app. On 31/05/2020 sadiq Hussain, RTI worker, social worker & independent journalist". The session was introduced by Mrs, Veena Kapoor, Head, Department of commerce at 10:45am and followed by Principal's address to the participants and gave a brief note on the objective and importance of RTI, after which Mrs Veena Kapoor introduced the resource person Sadiq Hussain as per schedule the session started at 11.00 am sharp. sir explained the meaning of RTI, and importance of RTI & delivered lectures on RTI ACT and explained regarding transparency and good governance in administration and judiciary.

The resource person were efficient and effective in having an impact on the participants and providing the knowledge and information to the faculty & students.

Finally the event ended with vote of thanks. In whole it was memorable, informative and educational for the benefit of the faculty and students .With authenticity it can be said that the faculty & students were satisfied in conducting such FDP by College.

The department took the feedback about FDP from the participants and most of them appreciated and congratulated us for conducting the FDP successfully. Some of participants requested to conduct such sessions in the future.

We are very grateful to our Principal, Dr.Viswanadham Bulusu and Head, Department of Commerce Mrs.Veena Kapoor for giving us the opportunity to organize the FDP, encouraging and believing in us and extending support. We are also thankful to Mr. Hari Prasad, Vice Principal and Mr. Ravi Kiran, Head, Department of Biochemistry for their technical support

The event was completed successfully. Many had lauded the organizers and the resource person for the wonderful job taken up during this unprecedented time for the educational sector and for its enlightenment.

We shall continue to conduct such programmes in the future.

E Certificates were provided to all the participants.

OUTCOME:

The faculty & students are inspired and learned about RTI ACT through FDP.

SUGGESTIONS:

1. Feedback link should be kept even after end of the session for 10 minutes as many attended but didn't get certificate as they have not submitted the feedback.
2. Registration link should be kept in the poster itself.
3. Confirmation mail for the registered persons should be sent immediately after Registration.

Profile of speaker

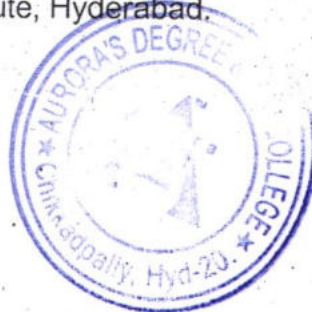

SADIQ HUSSAIN, BA, LLB, PGDPM, LLM

RTI Trainer, Social Worker & Independent Journalist,

Mobile/Whatsapp # 9441123683

Email : sadik.hussain@gmail. com

Studied BA from Kakatiya University (1992), LLB from S V University (1996), PGDPM from NIPM, Kolkata ((2000) and LLM from Andhra University (2008). Trained RTI Trainer from Dr.MarriChenna Reddy Institute, Hyderabad.

Worked for more than 20 years in multinational companies/research/higher education institutes like Godrej & Boyce Mfg. Co. Ltd, Centre for DNA Fingerprinting and Diagnostics (CDFD), and in University of Hyderabad as OSD to VC and Deputy Registrar I/cand Assistant Registrar.

Founder-Chairman, Social Audit Council (NGO) working for bringing transparency and good governance in administration and judiciary.

Delivering lectures on awareness of RTI Act, RTE Act, GramaNyayalay Act and other Acts for the past 15 years. Delivered lectures on RTI Act, 2005 in the University of Hyderabad, the JNTU, Hyderabad, Law College, Kaktiya University, PG College of Law, Basheerbagh, junior colleges, degree and PG colleges and trained thousands of students, youth and NGOs.

Attended several National and International Seminars/Conference and Training programs.

Aurora's Degree & PG College
 (ACCREDITED BY NAAC WITH 'B++' GRADE)
 Chikkadpally, Hyderabad 500020
 Department of Physics and Electronics
 Workshop on "PCB Making Process"
 (In Collaboration with NSIC)

NAME OF THE EVENT	Workshop at NSIC on "PCB Making Process"
TYPE OF EVENT	Department Event
FACULTY INCHARGE	Mr. Shaik Abdul Khader, R Sravan Kumar and C Poorna Chander
DEPARTMENT	Electronics & Physics
DATE	8 th , 9 th and 10 th April,2019
VENUE	NSIC, Kushaiguda,Hyderabad
TARGET AUDIENCE	MECS and MPCS I,II,III Year students

Objective: The workshop was aimed to provide knowledge about Complete PCB Designing using simulation tool to test electronics & electrical circuit in software environment and also its Fabrication, PCB design software & to make physical PCB at home so that any student can make project on his own

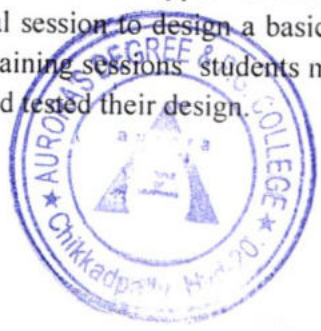

Introduction:

Printed Circuit Boards are essential part of a electronic connections to generate a mechanical support as well. Conductive tracks, pads and other features etched from copper sheets laminated onto a non-conductive substrate to connect capacitors, resistors or active devices which are generally soldered on the Printed Circuit Board. As bread board cannot be used as there was substantially increased number of components and for smaller packaging sizes of Integrated circuits that's makes PCB more essential. It is more of an art then just science with lots of scope for designer.

Methodology:

Department of Physics and Electronics has organized a workshop in collaboration with NSIC(National Small Industries Corporation) which is an ISO 9001-2015 certified Government of India Enterprise under Ministry of Micro, Small and Medium Enterprises (MSME).

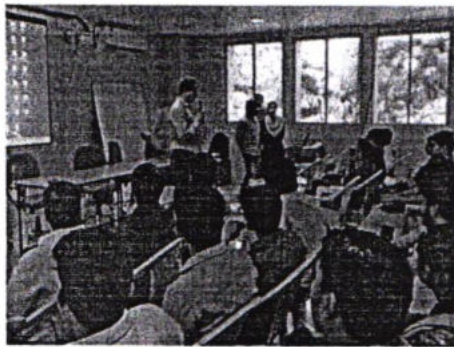

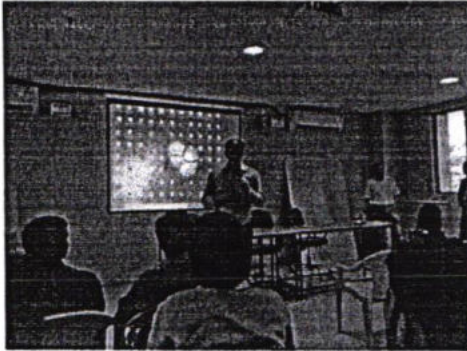

Workshop was organized at NSIC, each day four sessions were conducted. A detailed description on the types of PCB's were explained during first session followed up by practical session to design a basic circuit of rectifier using PADS PCB design Software, In the remaining sessions students mounted there circuit on PCB board and designed layout for PCB and tested their design.

OUTCOME:

- Students learned designing electronic circuits using PADS PCB design software.
- Students learned how to implement PCB Layout from Electronic Circuit design .

NAME OF THE EVENT	SPICMACAY - 1 st TELANGANA STATE CONVENTION - 2019
TYPE OF EVENT	STATE LEVEL CONVENTION
DEPARTMENT	CULTURAL COMMITTEE
DATE	4 TH TO 6 TH JANUARY 2019
VENUE	IIIT BASARA- TELANGANA

OBJECTIVE:

Students were trained to learn different art and dance forms of our rich Indian heritage, by eminent personalities in that particular field.

BRIEF ABOUT THE EVENT:

SPIC MACAY (SOCIETY FOR THE PROMOTION OF INDIAN CLASSICAL MUSIC AND CULTURE AMONGST YOUTH) is a non-political, nationwide, voluntary movement. SPICMACAY'S intention is to enrich the quality of formal education by increasing awareness about different aspects of Indian heritage and inspiring the young mind to imbibe the values embedded in it. For this, the most accomplished artistes of the country render programmes of Indian Classical music and dance, folk, poetry theatre, traditional paintings, crafts and yog primarily in schools and colleges. In this regard this organization annually conducts state level convention programme among youth.

OUTCOME:

Two students bearing roll no: 1051-16-407-049: Rehman from B com 3 hons A learned Kathak dance form

Roll no: 1051-17-468-052: Vasista from Mpcs 2A learned Bharathnatyam dance form in the workshop.

SPICMACY STATE CONVENTION PROGRAMME

SPICMACAY heritage club conducts the first Telangana state convention 2019 at Rajiv Gandhi University of Knowledge Technologies (RGUKT), Basara.

The accommodation were taken care by the organization, two students showed great enthusiasm to participate in the workshop and to learn different art forms.

On 3rd January 2019, the students boarded the train Devagiri express, Secunderabad by 12:30pm, the train arrived at Basara by 5:00 pm. The coordinators of the organization have received the students at Basara railway station and guided further to the campus, after reaching the campus they provided the best accommodation.

On 4th January 2019(Day 1), the students were made to wake up at 4am, following the schedule they practiced naad yoga with all other students from 4:30-6:00 am. From 6:00-6:30 they did shramdan , its basically cleaning our surrounding doing swatch bharath. And then the students were been served the holistic breakfast. From 9-12 am, they attended respective workshop classes, it was so inspirational for them to learn kathak dance by Sri.RAJENDRA GANGANI and Bharathnatyam dance by Sri.ANURADHA VENKATRAMAN. Students had lunch after the intensive workshop.

In afternoon session i.e., from 2pm there was a performance of pandvani puranam by Smt. RITU VERMA. From 3:30PM they enjoyed watching Oggu dolu dance by Telangana folk artists. From 6pm onwards there was live performance in HINDUSTHANI VOCALS by Sri. KUMAR MARDUR, at last there was a mesmerizing kathak dance performance by Sri. RAJENDRA GANGANI and it lasted upto 10:00 pm.

On 5th January 2019(Day 2), same schedule was followed as Day 1 up to 2 pm. From 2 pm, there was a QAWALLI programme presented by WARSI BROTHERS after that there was a fabulous Telangana folk art LAMBADI and GUSSADI dance performances up to 4pm. From 5:30-7:00pm there was a historic and a magnificent Bharatanatyam dance recital by Ms. ANURADHA VENKATRAMAN after that from 7-8:30 pm there was a wonderful Carnatic violin recital by Ms. A.KANYAKUMARI.

On 6th January 2019, same schedule as Day 1 was followed up to 2 pm. From 2pm onwards there was Harikatha poranam by different artist. From 3-3:30pm there was a display of different handicrafts which the students learned in workshop. From 3:30-4:30pm students gave an outstanding performance of their respective learned art form or a dance form in the workshop.

From 4:30pm, the closing convention programme was held with the remarkable Carnatic vocal by HYDERABADI BROTHERS, Sri. D. RAGHAVACHARY and Sri. D. SHESHACHARY and Gotipua dance was performed upto 8:00 pm, in which the students had a great fun watching it lively.

On 7th January 2019, students boarded the return train (Ajanta Express) from Basara railway station to Secunderabad .

A handwritten signature in green ink, appearing to be "Sri. D. Raghavachary" or similar, written over a horizontal line.

NAME OF THE EVENT	Guest Lecture on Gaming Technologies in IT CLUB
FACULTY INCHARGE	Srinivas U
DEPARTMENT	Computer Science
DATE	23 rd March, 2019
VENUE	Room No. 1, Main Block., Chikkadpally, Hyd-500020
SPEAKER	Raghuram B, Technical Lead, ICUBE Logics, HYD
TARGET AUDIENCE	B.Sc. & B. Com First Year Students

Objective:

To create awareness among students on C++ programming language and the role of C++ in gaming technologies.

Outcome:

As this event has been made student centric. Students came to know about features of C++ such as Data Abstraction, Polymorphism, Inheritance and Pointers and Role in development of console and windows Gaming.

[Handwritten signature]

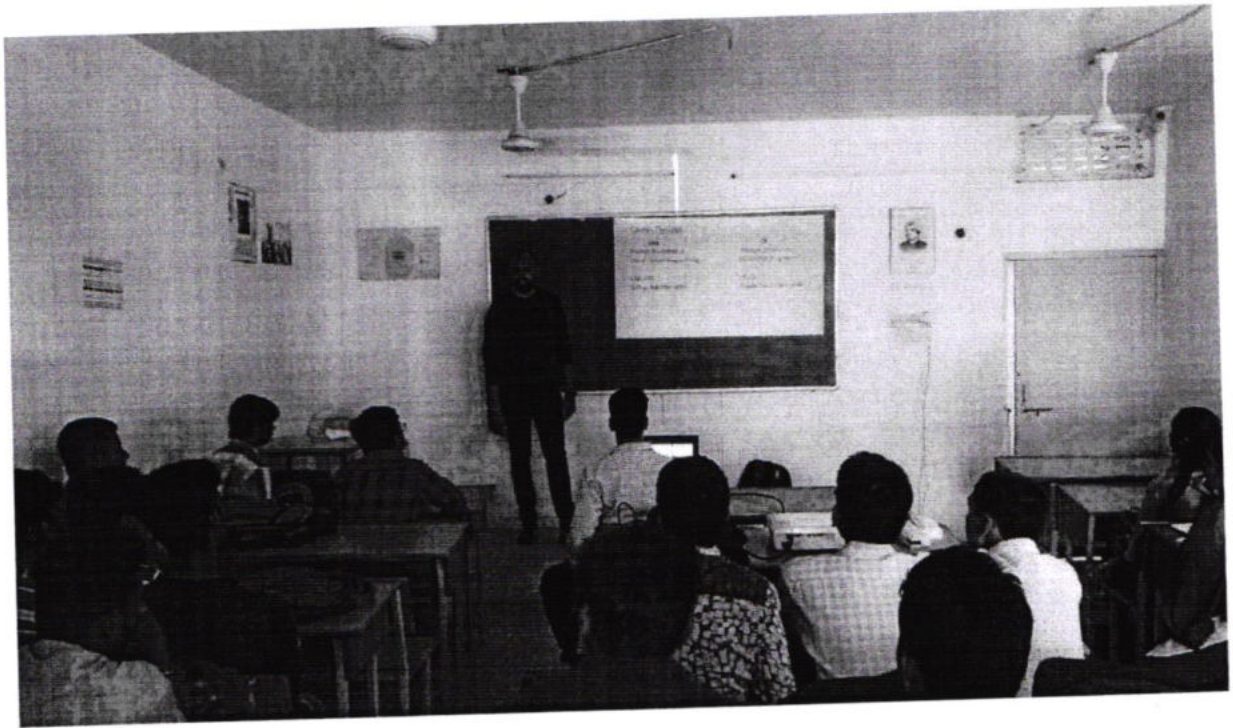

BRIEF REPORT:

On 23rd March 2019 event was conducted for the students of B.Sc and B.Com First year Students on C++ and Gaming Technologies. In this connection the Alumni Raghuram B prepared power point presentation on C++. He explained features of Object oriented Programming languages such as Data Abstraction, Inheritance and Polymorphism and the role of C++ used in developing different games or in gaming engines. it is a language used to build most big console and windows games.

Students came to know the features and benefits of C++ and role of C++ in gaming technology.

ACADEMIC SUMMIT

DATE 25/03/19

This is one of the events that can be considered as an achievement and a mile stone as it has raised the bars in terms of academic summit standards. Our department has managed to gather researchers and scientists of extreme proficiency under a single roof. Each of these panel members have excelled in their area of research and have in fact redefined research. It is because of these pioneers, the research from the lab is being made available to common people like us. In simple terms, they have revolutionized the scientific research at various levels of biological hierarchy.

The academic summit will always be remembered as one of the milestones in the history books of our College and will be carved in block letters and shall always be memorized in the boulevard of our memories. HOD P. Sindhura madam and Padma have put across a major share in terms of positive note towards the success of the summit.

NAME OF THE EVENT	Eminence of BioSciences In Carving Research Oriented Future
TYPE OF EVENT	Departmental Event
FACULTY INCHARGE	Head-Department Of Microbiology P. Sindhura Madam And Padma Madam Senior Assistant Professor
DEPARTMENT	MICROBIOLOGY
DATE	25-03-2019
VENUE	Aurora's Degree and PG College, RTC X roads, Hyd
TARGET AUDIENCE	UG and PG STUDENTS

OBJECTIVE:

To disclose the significance of life science from the context of job opportunities and to enlighten the students about the ocean of opportunities available all over the globe

Briefing of the academic summit:

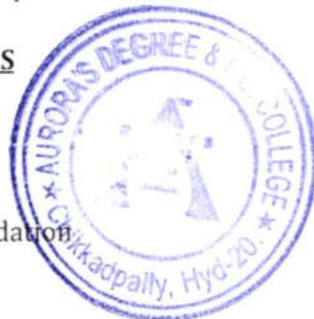

The academic summit started at 10.00 am and lasted till 3.00 pm which highlighted the relevance of allied and distinct aspects of life science and prevalence of job prospect from academic and industrial research context. The summit had gathered researchers and scientists of academic and industrial proficiency in terms of research. The summit provided an overall gist of various sectors of life science and their prominence in terms of choosing a career which may be research oriented or self employment. The gathering also enlightened the audience by boosting up their confidence from the context of job and individuality. The overall intent was to equip the students regarding the scope of life science.

DETAILS OF THE PANEL MEMBERS

Prof. PB. Kavi Kishor
Emeritus CSIR Professor

Dr. Raju Sunagar
Bharat Biotech, Scientist, Ella Foundation

Dr. Kranthi Kumar
Senior Scientist, Heterodrugs ltd

Dr. Mohammad Akif
Research Scientist, Department of Biotechnology,
Hyderabad Central University

Facets of the academic summit

The event lasted for over 6 hours and encompassed wide range of allied and distinct aspects of life science and its role in carving the future of the student. It was in fact a gathering rather than a mere event because of the presence eminent and reputed researchers of high cadre.

The opening speech provided by Prof PB Kavi Kishor Sir was overwhelming and has taken us away by a swing as he passed on from one slide to the other. Sir provided the students information affiliated to academic, industries and also emphasized on the importance of self employment by setting up an industry of one's own. Sir in fact made every student self sufficient in terms of self confidence. Sir's lecture lasted for about 2 hours.

Following Prof PB Kavi Kishor Sir, Dr. Raju Sunagar took up the proceedings by serving as the succeeding speaker. Sir gave an enlightening oral presentation about scope and spectrum of life science and focused various branches and departments of Bharat Biotech. Sir also provided the students with the insights of the nature of work happening at Bharat Biotech. The next speaker to adorn the dais was Dr. Kranthi Kumar from Heterodrug which was then followed by Dr. Mohammad Akif from HCU who was final speaker of the day. These speakers elucidated the significance of industrial and academic research.

Mission:

Mission was to put across the positive aspects of Biological science and to expound the optimistic side of the field.

OUT COMES:

The academic summit had its own relevance and prevalence from academic and research oriented prospects of biological science which in turn shall be beneficial from career perspectives for the students who are inclined towards industrial and academic research.

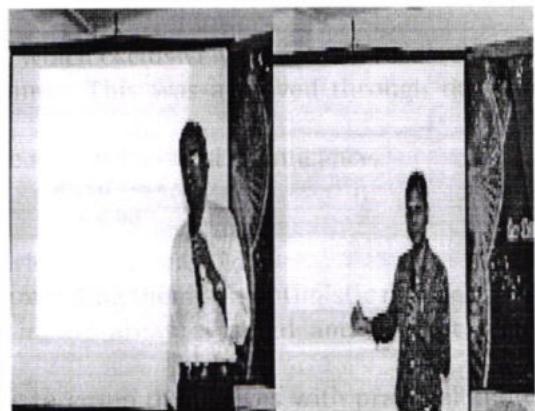

Though theoretical understanding is vital, the practical aspect which exclusively focuses on research is equally important and should be conveyed in a comprehensive manner. This was achieved through the stunning presentations of the reputed dignitaries.

The guest lecture obviously provided the students with a vague idea of practical significance.

The summit would have certainly led to the following."

- Students point and opinion on research and research oriented career.
- It would improve the practical tactics of a student by motivating them in a optimistic manner.
- Provide better insights on contemporary research in the areas of allied and distinct sectors of biological science.
- This experience and exposure will allow the students to equip themselves with practical knowledge and basic requisites to have a complete complacency in terms of research.

The overall intent was to go beyond the normal thinking abilities and to carve one's own path in terms of employment

Report
On

Linear Circuit Design and Development Workshop
(In collaboration with PGP Electronics Ltd)

NAME OF THE EVENT	Work shop on the eve of National Science day
FACULTY INCHARGE	Dr Radhika Rani L
DEPARTMENT	Physics and Electronics
DATE	28 TH FEB, 2019
VENUE	Physics Labs, Aurora Degree and PG College
TARGET AUDIENCE	B.Sc M.Ecs and M.P.Cs First year students
OBJECTIVE:	<ul style="list-style-type: none">➤ The workshop provides more practical knowledge to the students in designing electrical circuits.➤ In this workshop students designed "Automatic night light.➤ In this session students were taught assembling and the soldering of components on PCB board.➤ Testing the boards individually and integrate them
OUTCOME	<ul style="list-style-type: none">➤ Transform theoretical knowledge into practical applications➤ Confidence in designing a circuit and testing it➤ Improves the subject knowledge and boost confidence.➤ Career guidance(both job and academic knowledge)
PHOTOGRAPH	

Handwritten signature in green ink.

Introduction: The Work Shop is planned on the eve of National Science day for students of B.Sc., first year with electronics or physics as their optional subjects. It is designed such that students learn subject in detail apart from their regular curriculum. The work shop provides more practical knowledge to the students in designing electrical circuits.

Brief about the program:

On the eve of National science day the Department of Physics and electronics organized a workshop on “Linear Circuit Design and Development” in collaboration with PGP Electronics Ltd. on 28th February 2019. Total 69 students of MECS and MPCS 1st year were participated in the work shop. The main objective of this workshop was to provide more practical knowledge to the students in designing electronic circuits.

Workshop began with Inaugural function by Prof. K. Venu Gopal Reddy, Retd. Professor, Osmania University, delivered the Lecture on recent trends in Electronics. He focused on the importance of bio sensors, robotics used in electronics research. Theory sessions were followed by hands on Sessions on designing Liner circuit. In this workshop students designed a unit called “Automatic night light.

Program Schedule:

- Session 1:** Theory session on “Basic components “
- Session 2:** Designing a Circuit
- Session 3:** Assembling the components on General PCB board
- Session 4:** Soldering of components
- Session 5:** Testing the Circuit

The students learn the following

Introduction to Basic components:

Resistors, Semi-Conductors, Diodes, Color Coding of resistors, Rectifiers, Filters and Transistors
Applications of various components
Designing a Circuit using basic components

Designing a Circuit:

In this workshop students designed a unit called “Automatic night light. This unit operates on mains and battery. The light is switched ON automatically during dusk and is turned off at dawn. The battery provides back up power in the event of mains loss.

Session 1

Introduction

- Statement of Problem
- Task Assignment

Session 2

A handwritten signature in green ink, appearing to be "V. G. Reddy", written over a horizontal line.

Budget:

Amount given to PGP electronics	26,000/-
Honorarium for Guest	2000/-
Banner	500/-
Boutique	300/-
Tea	400/-
Burnol ointment	70/-
Snacks	1510/-
Lunch for instructors	1000/-
Cab for guest	520
Paper plates and glasses	200/-
Total amount spent	32,500/-
Total amount received from students	500X69=34,500
Amount left	2000/-

GUEST LECTURE

Guest Speaker: Prof. Kavi Kishor
 Date: Feb 6th 2019

NAME OF THE EVENT	GUEST LECTURE on Molecular biology and DNA finger printing
SPEAKER	Prof. P.B. Kavi Kishor
TYPE OF EVENT	DEPARMENTAL EVENT
FACULTY INCHARGE	Head-Department Of Microbiology P. Sindhura Madam And M. Padma - Senior Assistant Professor
DEPARTMENT	MICROBIOLOGY
DATE	06/02/19
VENUE	Aurora's Degree and PG College, RTC X roads, Hyd
TARGET AUDIENCE	PG STUDENTS

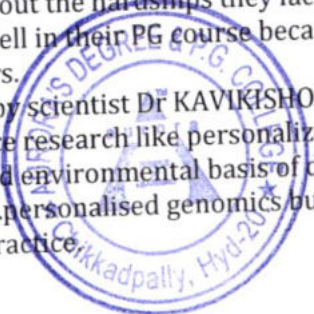

Department of Microbiology has organized a guest lecture for UG and PG microbiology students. The department has managed to organize a guest lecture by Prof. Kavi Kishor who is an eminent scientist and a reputed emeritus of CSIR. Prof. Kavi Kishor is well known for his cutting edge research with novel methodologies and is a reputed person in the field of genetics and cell biology. The topic of the guest lecture was based on various techniques used in molecular biology and DNA finger printing technology and highlighted the significance of genomics and personalized medicine.

OBJECTIVE: To motivate and guide the students by giving an exposure on/about the opportunities they can avail for in their future to attain a good career in research.

BRIEF ABOUT THE EVENT: The event commenced at 10 o'clock with Dr kavikishor sir in introducing the aim of the event to the crowd. Firstly Sindhura mam from the department of Microbiology addressed

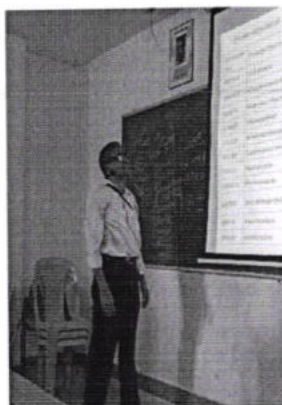

OUTCOME: Firstly sindhura from the department of Microbiology addressed the students explaining to them about the hardships they face while pursuing research and encouraged the students to perform well in their PG course because that will lay a strong foundation for the upcoming academic endeavours.

Followed by scientist Dr KAVIKISHOR sir explained about Genomics and personalized medicine significance research like personalized medicine uses traditional as well as emerging concepts of the genetic and environmental basis of disease to individualize prevention diagnosis and treatment. personalised genomics build on principles established by the integration of genetics into medical practice.

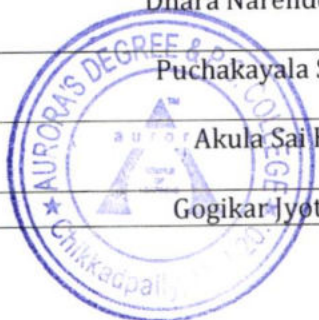

[Handwritten signature]

Sir also explained about Proteomics & Protein chips to understand Biology Better, sir suggested Proteomics investigates how proteins affect and are affected by cell process or the external Environment. Within an individual organism, the genome is constant but the proteome varies and is Dynamic. The goal of proteomics is to analyse the varying proteomes of an organism at different Times in order to highlight between them.
Students have shown very good interest, its very good interactive session.

NAME OF THE EVENT	Work Shop on Hardware & Computer Networks
TYPE OF EVENT	Hardware & Computer Networks
FACULTY INCHARGE	Suvarna Lakshmi C, S.Lakshmi, R.Arjun Rao
DEPARTMENT	COMPUTER SCIENCE DEPT
DATE	08-Feb-2019
VENUE	Main Block Chikkadapally
TARGET AUDIENCE	Physical Science Students
SPEAKER	K. Rama Krishna, Sr. Network Analyst. Tcs Ion Manac Infotech

OBJECTIVE: The objective is to make students understand fundamentals of Hardware and various troubles shooting mechanism with CPU working with the Computers. To make student to resolve with hardware issues encounter while working on Computers applications in the field of Information technology.

BRIEF ABOUT THE EVENT:

Speaker of the day K. Rama Krishna has covered the following topics with few examples.

1. What are hardware and computer networks?
2. Types of issues encountered in software?
3. Ways to Trouble shoot hardware issues
4. Detailed Concepts of Hardware
5. Hardware & software Threats

OUTCOME:

The students gained knowledge of hardware practical approach by touch basing various hardware components. Around 53 students are participated in the event and certificates were given.

EVENT PROPOSAL

74

Type of Event: Departmental

Event Title: Awareness on Suicide prevention and Be-friending skills

Cell Convener: Sujatha K

Faculty in charge: G. Shreshta

Date & Venue: January 19, 2019 & Seminar Hall- RTC Block

Target audience: Students of all streams and faculty

Level: College

Budget: 850/-

Student volunteer:

- Third Year: Saranya, Karthik, Neha, Meghana, Varsha.
- Second Year: Preethi, Kaushik, Prince.
- First Year: Stallin, Vivek, Raghu

Objective: The purpose of this session is to mobilize and specially train a network of professional and lay people in the community at large, who will respond to the various physical, social, emotional and attendant needs of all crisis callers, regardless of care, creed or colour and all the necessary action and activities related thereto.

Proposed activities: Participants will be trained on handling the following:

- Addressing the emotional and psychological distress, issues of the concerned individuals.
- Addressing ragging and bullying issues in the campus and their families.
- Addressing peer pressure issues affecting the concerned individual.
- Addressing legal and technological issues or social media.

NAME OF THE EVENT	Awareness on Suicide prevention and Be-friending skills
TYPE OF EVENT	Department Event
FACULTY INCHARGE	G. Shreshta
DEPARTMENT	Genetics
DATE	January 19, 2019
VENUE	Seminar Hall- RTC Block
TARGET AUDIENCE	Students of all streams and faculty

OBJECTIVE:The purpose of this session is to mobilize and specially train a network of professional and lay people in the community at large, who will respond to the various physical, social, emotional and attendant needs of all crisis callers, regardless of care, creed or colour and all the necessary action and activities related thereto.

BRIEF ABOUT THE EVENT:You have to know the darkness before you can appreciate the light. You were given this life because you were strong enough to live it. This was the motive behind organizing our first ever event of the year 2019

The lecture was given by our alumni NehaAsava, a renowned Clinical psychologist across the twin along with her was Mr.Ashwin, Secretary of SPAN.

SPAN stands for Suicide Prevention Action Network. It is an organization working against the rising numbers of Suicide in our state

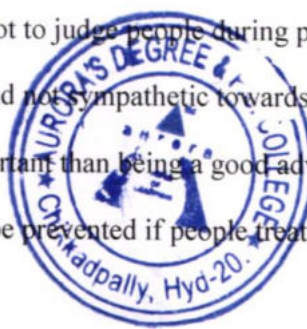

The event was scheduled on the 19th of January 2019 in the morning in the Seminar hall.

This was the first time any of the genome club event was open to Students of all the streams. This was done as we believe that knowledge is power and in an era where almost 70% of youngsters suffer from psychological problems a lecture like this would prove beneficial for them.

As expected the turn out of the crowd was huge and many students were happy and satisfied that an issue which is not spoken about was discussed so openly.

Highlights of the event

- Students and faculty were taught not to judge people during psychological problems.
- They were told to be empathetic and not sympathetic towards the victims
- Being a good listener is more important than being a good advisor.
- Suicide and suicidal thoughts can be prevented if people treat the victim in the right way.

[Handwritten signature]

The Lecture was an interactive session where the students got to express their views and narrate their experiences when they faced a similar situation. The change had been seen by the end of the event as people began seeing things from a different perception. Few students and faculty got a chance to even role play with the guest as the audience were taught on how exactly should they react to different situations.

Finally our guests promised the audience that they would soon be opening a befriending club where students will be trained to be volunteers of the SPAN and will be available to all the students in the college in case of any psychological problem or in case they need any help.

The names of the students who are interested in being a part of the befriending club were also taken.

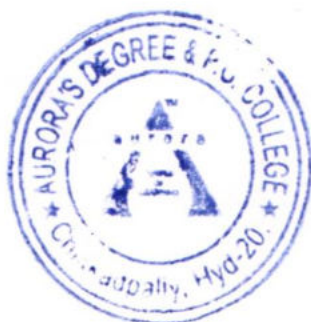

Overall the event was a great success.

OUTCOME: Students and Faculty were trained on handling the following:

- Addressing the emotional and psychological distress, issues of the concerned individuals.
- Addressing ragging and bullying issues in the campus and their families.
- Addressing peer pressure issues affecting the concerned individual.
- Addressing legal and technological issues or social media.

NAME OF THE EVENT	Guest Lecture On GST
TYPE OF EVENT	Session on GST
FACULTY INCHARGE	G. Sai Krishna, MadhaviLatha, Archana, Mamatha
DEPARTMENT	Commerce
DATE	11/01/2019
VENUE	Aurora's Auditorium
TARGET AUDIENCE	Faculty from all streams

OBJECTIVE: To create awareness among the faculty members about GST.

BRIEF ABOUT THE EVENT:

The program was organized on 11th Jan 2019 in the auditorium. The session was headed by Mr. P.K. Singh, CA and CS. Mr. Singh educated the faculty about the application and the procedure of the new Taxation system. The session outlined the structure and components and advantages of GST. He also spoke to the audience regarding the new compliances required to be followed with the implementation of GST in the country.

OUTCOME:

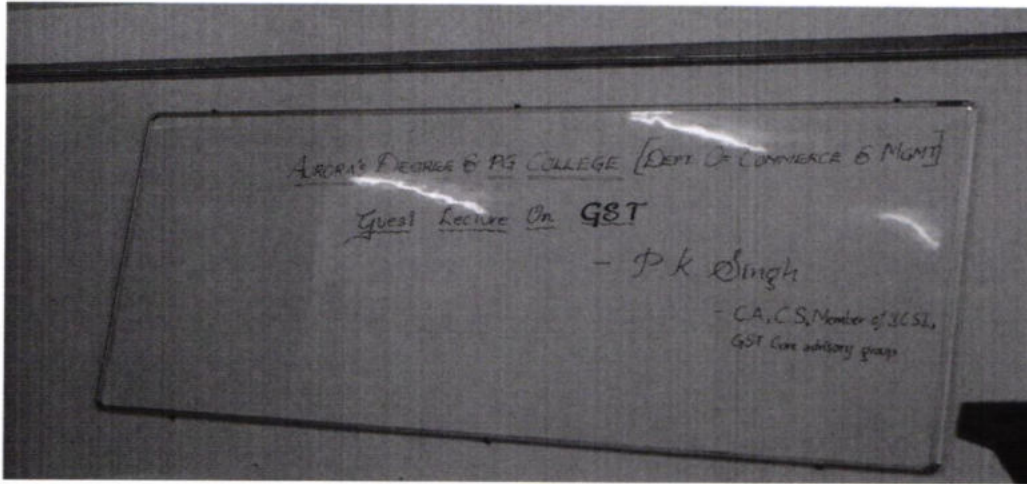

Faculty members assimilated details regarding GST and its advantages.

The session helped to widen the knowledge base for all the attendees.

TARGET AUDIENCE	Faculty

OBJECTIVE:

- To impart knowledge about nutrition and its role in maintaining good health.
- To create awareness about right nutrition and its importance in daily life.
- Importance of physical activity and exercise for long term health benefits.

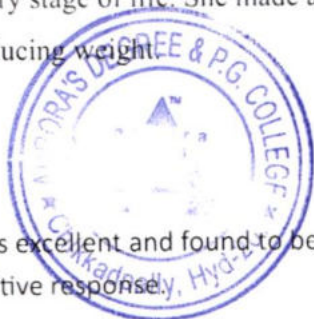

BRIEF ABOUT THE EVENT:

A guest lecture by Dr.P.Janaki Srinath, Nutritionist on "Nutrition and Health" was delivered on 26th January 2019 for faculty of our college.

Dr.P.Janaki initiated the session with basic information of different facets of life based on nutrition. She explained about the importance of right food and life style disorders. She also discussed about homemade food and art of cooking. Her lecture focused on present day scenario of nutrition in the society. She enlightened us about various simple diet plans which can be followed by eating homemade foods at right proportion. She discussed on importance of physical activity and exercise for long term health benefits. She explained on issues related to women, their requirement of nutrients at every stage of life. She made a difference between carbohydrate and keto diet plans and their role in reducing weight.

OUTCOME:

The lecture was excellent and found to be inspiring and informative. The event was successful and received a positive response.

Report on Talk on “Challenges of Middle age Women in Balancing Healthy Lifestyle” by Women Empowerment Cell

NAME OF THE EVENT	Seminar
TYPE OF EVENT	Talk on “Challenges of Middle age Women in Balancing Healthy Lifestyle”
FACULTY INCHARGE	Ms. Chandrakala P
DEPARTMENT	Women Empowerment Cell
DATE	on 22 nd December, 2018
VENUE	Aurora's Degree & Pg College, Block VI
TARGET AUDIENCE	

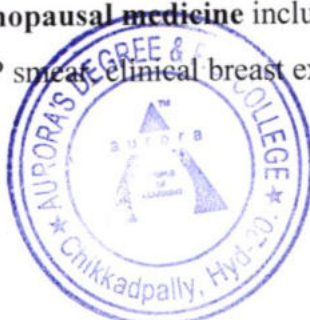

Brief about the Event:

Menopause is nothing new, but it's still strange and confusing for many – if not most – of the women. In turn, there's a lot of misinformation out there, and that means there are many women who struggle much more than they need to. These menopause myths can even be dangerous: since chances of contracting osteoporosis and cardiovascular disease rise after menopause, it's important that all women understand the physiological and emotional symptoms to expect in order to protect against the risks. To raise awareness about the realities of menopause, the Women Empowerment Cell of Aurora's Degree & Pg College, organized an Awareness Lecture on “Challenges of Middle age Women in Balancing Healthy Lifestyle” by Dr. N. Rashmi, Gynaecologist & Obstetrician, Hegde Hospital's, Madhapur, Hyderabad on 22nd December, 2018 at Aurora's Degree & Pg College, Block VI at 11am for women faculty.

Dr. Rashmi explained about Managing Menopause: an overview of the symptoms and an update on the Therapies.

In her lecture some of the important points about the General Health Maintenance are:

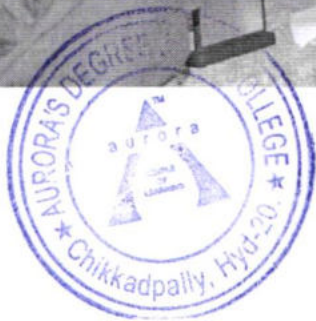

Menopausal medicine includes general health screening, including pelvic examination with PAP smear, clinical breast exam, mammography, dual-emission X-ray absorptiometry (

[Handwritten signature in green ink]

DEXA) to screen for osteoporosis, fecal occult blood testing, sigmoidoscopy/colonoscopy, and blood tests including lipid and thyroid screening.

After the talk, some of the faculty interacted personally and clarified their queries.

Talk

On

Challenges of Middle aged Women in Balancing Healthy Life Style

NAME OF THE EVENT / ACTIVITY	Talk On "Challenges of Middle aged Women in Balancing Healthy Life Style"
TYPE OR TITLE OF EVENT / ACTIVITY	Seminar
FACULTY INCHARGE	Dr Surkyakanthi N
DEPARTMENT/CELL/COMMITTEE/CLUB	Women Empowerment Cell
DATE	22-12-2018
VENUE	Aurora's Degree & PG College
TARGET AUDIENCE	Faculty Members
GUEST SPEAKER	Dr. N Rashmi, Gynecologist & Obstetrician, Hegde Hospitals, Hyderabad

Introduction:

The menopausal transition affects each woman uniquely and in various ways. The body begins to use energy differently, fat cells change, and women may gain weight more easily. They may experience changes in their bone or heart health, their body shape and composition, or in their physical function. Many women experience symptoms of anxiety, loss of confidence, 'brain fog' and other symptoms relating to their mental health during menopause. To aware the female faculty about menopausal transition Women Empowerment Cell have organized a talk by Dr. N Rashmi

Brief about the Event:

A handwritten signature in green ink, appearing to be "Dr. N Rashmi".

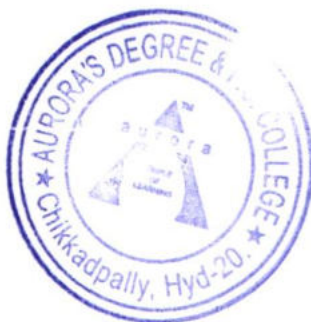

The Women Empowerment Cell of Aurora's Degree & PG College Organized an Awareness Lecture on "Challenges of Middle age Women in balancing Healthy Lifestyle" by Dr. N Rashmi. She explained how to manage Menopause by following healthy life style. She gave an overview of the symptoms and an update on the therapies that should be taken during menopause stage. She raised awareness about the realities of menopause. After the talk some of the faculty members interacted personally and clarified their doubts about menopause stage.

There were about 60 faculty participated in the event, the feedback from the participants was highly positive.

Outcome:

Participants got aware about

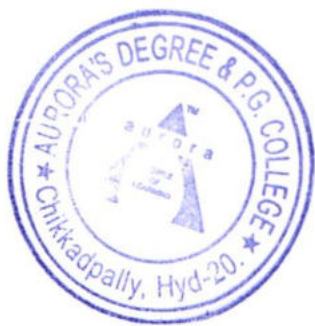

- Common symptoms of the menopause
- Manage healthy lifestyle during Manopause
- Premature and early menopause

NAME OF THE EVENT :	Guest Lecture – Modern Cryptography
FACULTY INCHARGE	Om Prakash Yadav
DEPARTMENT	Computer Science
DATE	13 th November 2018
VENUE	Computer Lab – Aurora Degree College
TARGET AUDIENCE	MSc Computer Science (PG)
SPEAKER	Kannan Srinathan, IIT Hyderabad.

Objective:

The objective is to make students:

1. To understand the fundamentals of Cryptography
2. To acquire knowledge on standard algorithms used to provide confidentiality, integrity and authenticity.
3. To understand the various key distribution and management schemes.
4. To understand how to deploy encryption techniques to secure data in transit across data networks
5. To design security applications in the field of Information technology

Report:

The topics were covered:

1. What is cryptography?
2. Types of cryptography
3. What are the new algorithms in cryptography
4. Detailed procedure of Encryption of Data
5. Detailed procedure of Decryption of Data
6. Attacks: Passive and Active
7. RSA Algorithm

The speaker has extended the lecture on the above topics with few examples.
Students have enjoyed the session and interacted with the speaker by clarifying their doubts.

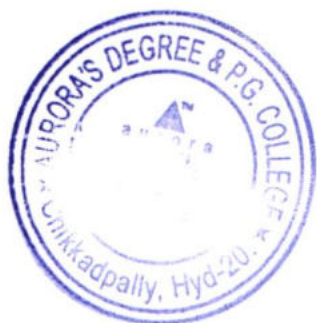

Outcome:

The students will be able to understand the cryptographic theories, principles and techniques that are used to establish security properties and analyze and use methods for cryptography to reflect about limits and applicability of methods

NAME OF THE EVENT :	Guest Lecture on Software Testing
FACULTY INCHARGE	Srinivas U, IT Club Coordinator
DEPARTMENT	Computer Science
DATE	9 th November ,2018
VENUE	Aurora's Auditorium, Block VI, RTC CROSS Roads, Chikkadpally, HYD
SPEAKER	Sandeep Kumar G (Alumni) Test Lead, Broadridge Financial Sol Pvt Ltd

Objective:

The main objective of the Guest Lecture is to create awareness among students on Software development life cycle, Quality Assurance and tools used in QA . The session was planned keeping in view of making the students learn beyond the syllabus.

OUTCOME:

The students have received the knowledge of Software Development Life Cycle, Role of Quality Assurance, types of testing and tools to be used in testing.

Workshop on First aid and Bystander Life Support (BLS)

NAME OF THE EVENT / ACTIVITY	Workshop
TYPE OR TITLE OF EVENT / ACTIVITY	Workshop on First aid and Bystander Life Support (BLS)
FACULTY INCHARGE	Ms. P. Chandrakala, Social Activity Co-ordinator
DEPARTMENT/CELL/COMMITTEE/CLUB	Social Activity
DATE	September 28 th , 2018
VENUE	Aurora's Degree and PG College
TARGET AUDIENCE	Students and Faculty members

Brief about the Event:

Social Initiatives of Aurora's Degree & Pg College in coordination with Aware Gleneagles Global Hospital, L.B. Nagar, Hyderabad organised a workshop on first aid and Bystander Life Support (BLS) at Main Block, on September 28th, 2018, for UG and PG students. The objective of this initiative is to minimize the damage and loss during medical emergencies by training students to administer immediate care to keep a patient stable until medical help arrives. This initiative was done by Ms. P. Chandrakala, Social Activity Co-ordinator. This workshop was done in two sessions. The students who have to attend afternoon classes had workshop in morning session, started at 10.30am to 12.00 am followed by gynaecologist talk on PCOD only for girl students. Similarly, afternoon session started at 2pm to 3.30pm followed by gynaecologist talk like morning session for the students who have classes in the morning. Dr. Raghu, Global Hospital's trained on methods that will help to save the lives of people who are in need of urgent medical attention such as those lying unconscious and those

[Handwritten signature]

who suffer from choking or burns. For example, if we come across someone lying unconscious on the road, we need to do first tap on his body to check his response. If there is no response, the body pulse needs to be checked and the nearest hospital should be contacted for help. Before the ambulance arrives, cardiopulmonary resuscitation should be administered on the chest.

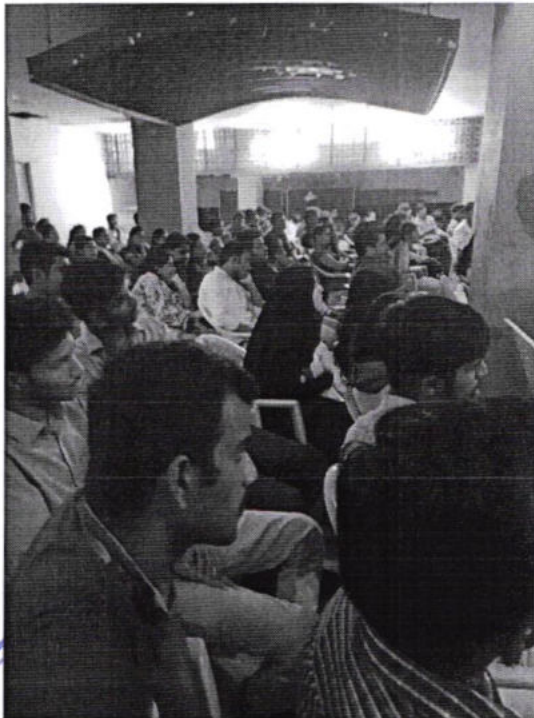

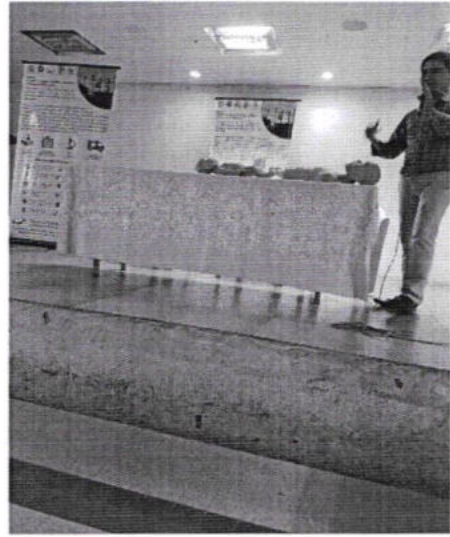

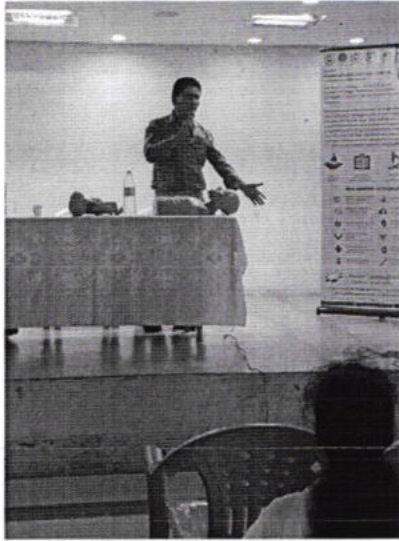

In his training he has explained the following precautions to be taken: In case of accidents, “Before approaching a scene of accident always make sure that the scene is safe and take adequate precautions for your personal safety. Make sure you do not come into direct contact with blood and body fluids” he said.

In case of heart attack he said:

- If the person has persistent chest pain or discomfort with breathing difficulty, palpitations or sweating he might be having a heart attack
- Convince the victim to stop activity and help him to rest comfortably. If he is known case of heart disease and if his doctor has prescribed medication like aspirin or sorbital, give it to him
- Shift the patient to the hospital as early as possible. Be prepare to give CPR if the victim’s heart stops beating

Also he explained the firs aid we have to give a patient medical care which is used for victims, in the case of snake bite, brain attackburns, diabetic emergencies, and do’s and don’t’s in the case of medical emergencies. At the end of the training, the management of the Global Hospital issued certificates to the students.

NAME OF THE EVENT :	Android Application Development Workshop
FACULTY INCHARGE	Srinivas U, Sr.Asst.Professor
DEPARTMENT	Computer Science
DATE	7 th & 8 th September,2018
VENUE	Aurora's Auditorium, Block VI, RTC CROSS Roads, Chikkadpally,HYD
SPEAKER	Sai Krishna Hari Architect ,Wipro Technologies

Objective:

The main objective of the Workshop is to create awareness among students on develop apps for Android which is a mobile operating system that powers all kinds of devices: phones, tablets, watches and even cars.

A Two day workshop was conducted for the registered students of B.Sc. and B.com. The session was planned by keeping in view of making the students learn beyond the syllabus.

The session included introduction to android, Installation of procedure for android studio, understanding project structure of android, accessing components like buttons, checkboxes, loading images from link and deploying application in play store. The students also asked the queries related to android application.

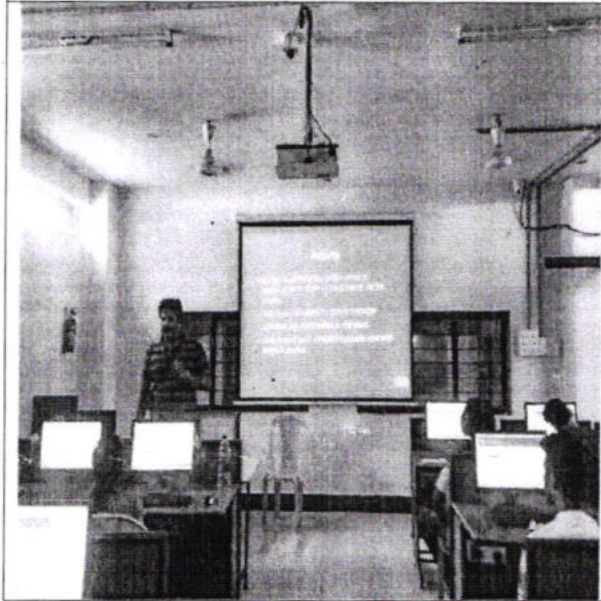

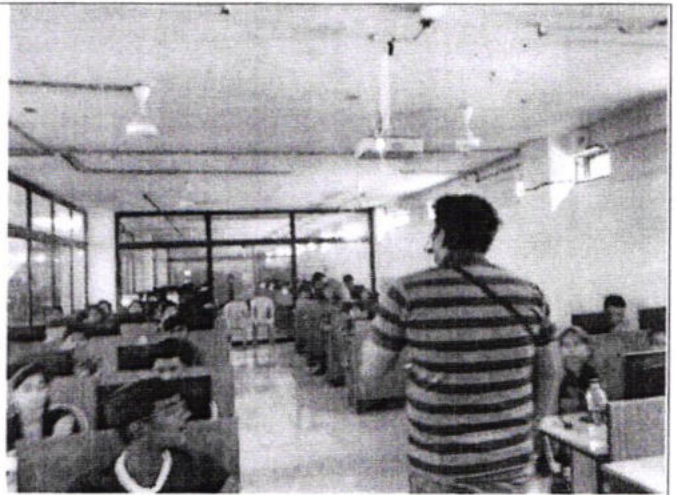

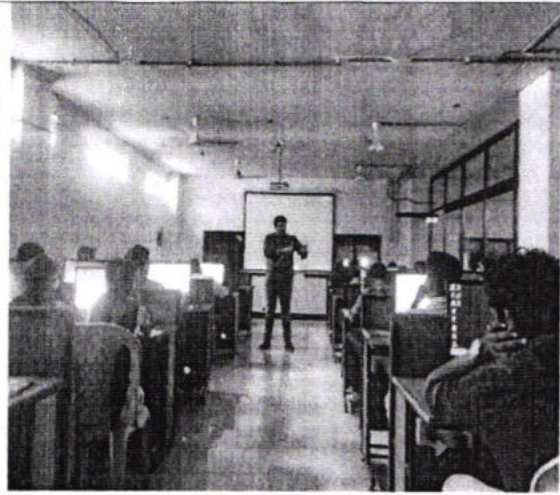

OUTCOME:

The students are aware the Android design apps to be used on smart phones that utilize the Android operating system (OS). They learned creation and deploy the android application.

EVENT: TALK ON "BALANCE DIET FOR TEACHING FRATERNITY"

GUEST: Dr. Janaki Badugu

TIME: 10:30 am to 12:30 pm.

DATE: 14th June, 2018

VENUE: Aurora Auditorium

WOMEN EMPOWERMENT CELL of Aurora's Degree & PG College had organized a talk on 'Balanced Diet for teaching fraternity' on June 14th 2018 at Aurora Auditorium from 10:30 am to 12:30 pm. The talk was delivered by the renowned nutritionist Dr. Janaki Badugu.

The event commenced by welcoming of the guest by Ms. Chandrakala, Convener WEC. The profile of the guest was read by Ms. Sandhya Rani G, member WEC.

The guest for the event was Dr. Janaki Badugu who is women of substance, holding Ph. D. in Food and Nutrition, she is the founder, owner and consultant to 'Diata' Eat right Clinic, having an experience of over 18 enriching years. She has conducted several programs on Diet and Nutrition in TV 9, Maa tv, Zee telugu, Etv Abhiruchi, and Sakshi tv.

The talk was focused on the dietary habits, the importance of five food groups and the common mistakes performed by individuals during the course of the day with regard to the eating habits.

The talk was coupled with some practical exercises that can be done without much effort. The guest was very patient with questions from the audience and stressed on the need for a balanced diet for a well-nourished person. The theme of the lecture was put in a nut shell in a simplistic manner which encapsulated the audience.

The session was very well appreciated and received by all the teaching fraternity of ADC. The session ended with vote of thanks by Ms. Vasavilatha.

NAME OF THE EVENT :	Guest Lecture – Cyber security Awareness
FACULTY INCHARGE	R.ARJUNARAO
DEPARTMENT	Computer Science
DATE	3 th November 2018
VENUE	Computer Lab – Aurora Degree College
TARGET AUDIENCE	MSc Computer Science (PG)
SPEAKER	B.Anil Kumar Cyber Security Tech Lead, Harsco India Pvt Ltd Hyderabad.

Object:

A Cyber-Crime has become a major issue and the cyber security professionals are very few to wipe out the cybercrimes. The objective of Guest Lecture is to introduce the current trends in Information Technology to the student fraternity and bring awareness about the future trends. This guest lecture was arranged for the PG students to introduce the Cyber Security concepts. The Objective of the Guest Lecture is to make awareness of Cyber Security and also the career aspects as Cyber Security professionals.

Key Points Covered:

- Introduction to cyber security
- Cyber crimes
- Social Engineering
- Physical websites & Emails
- Key logger
- Social n/w
- Cyber Laws

[Handwritten signature]

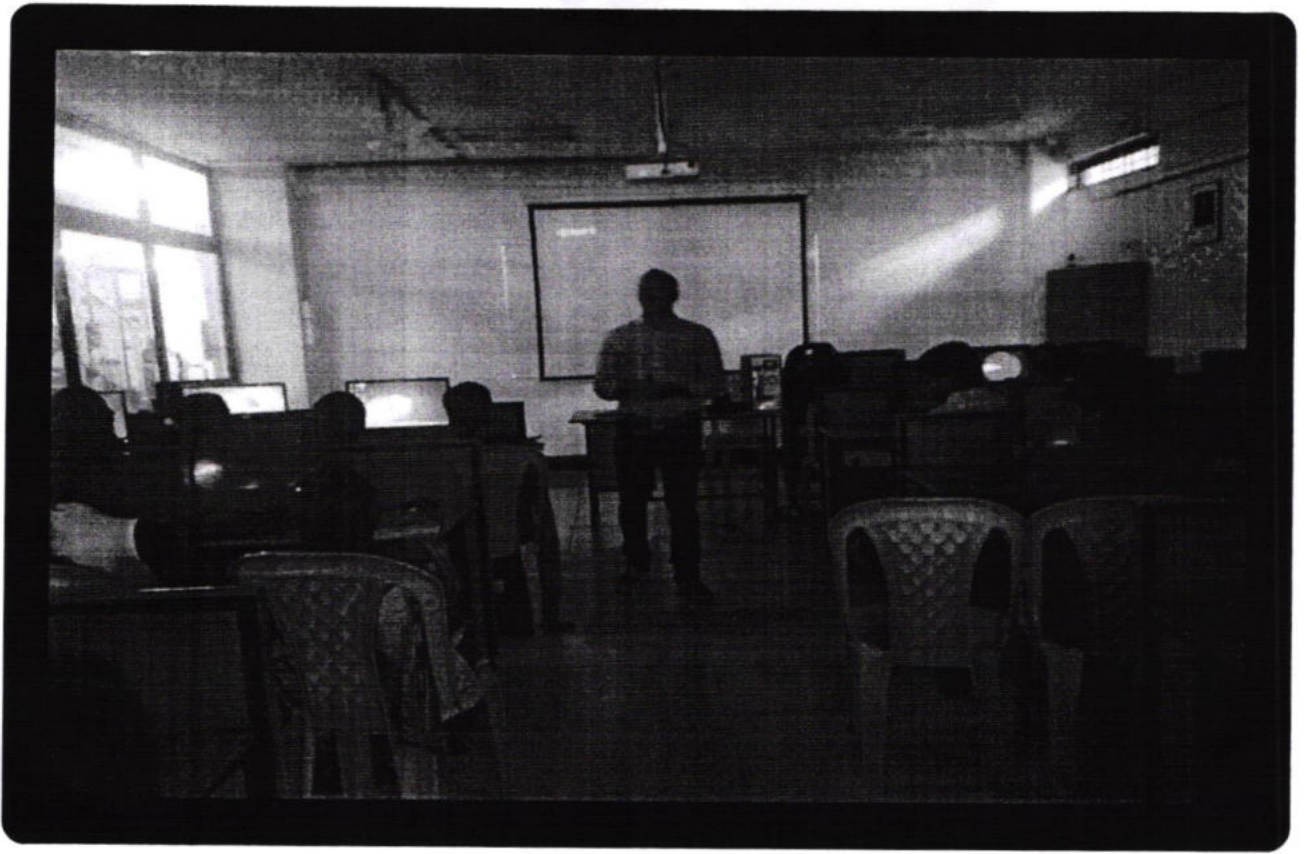

Outcome:

The students will be able to understand the cyber security principles and techniques that are used to establish security properties and analyze and use methods for cyber security to reflect about limits and applicability of methods
