DATE	26/06/19
VENUE	Aurora's Degree and PG College, RTC X roads, Hyd
TARGET AUDIENCE	UG Students

OBJECTIVE:

To have a cohesive understanding on drug abuse and its aftermaths from the context of human health

BRIEF ABOUT THE EVENT:

The guest lecture was organized on the occasion of "International Day against Drug abuse and illicit trafficking" by the Department of Microbiology at Aurora's Degree and PG College. The lecture emphasized on the extent of drug usage in India and Worldwide and attempted to provide a magnanimous understanding of ill influence on human well being.

OUTCOME: The Guest lecture provided by Dr. B. Siva Prasad has its own importance from academic and research oriented prospects which in turn shall be beneficial from career perspectives for the students who are inclined towards research. In addition to research, the lecture would have positively motivated students in to social activism because Dr. Siva Prasad himself is a fully fledged social activist who is synchronized with the State Government of Telangana and works for the chief secretary of Telangana. Though theoretical understanding is vital, the global scenario from the context of drug addiction and drug abuse was delivered in a very precise manner to all the attendees through the commendable lecture provided by Dr. B. Siva Prasad. The aim is to go beyond academics and to have a self realization on our practices and to maintain the art of self control. The guest lecture obviously provided the students with a vague idea about the serious consequences of drug addiction.
