This is to certify that Mr. T. Sunil Kumar, M.Sc., (Microbiology) student from ^{AURORA}'s Degree & PG college, Hyderabad has undergone 3 months training on Marker Assisted Selection (MAS) in Rice at our company from June-August 2014.

During this period he updated his knowledge on Molecular markers and acquired skills such as Isolation of DNA from leaf tissues, PCR using SSR and SCAR markers, resolving of PCR products through Agarose Gel Electrophoresis. He also got exposure in screening of rice seedlings for salinity stress through Hydroponics method and participated in the documentation of rice grain quality analysis of the selected genotypes.

I found Mr. Sunil Kumar is enthusiastic and a fast learner, hardworking, sincere and punctual. He is good natured and well behaved.

I wish him all the success in his future endeavours.
