**AURORA'S DEGREE AND PG COLLEGE
ANUBHANDH – ALUMNI MEET**

30th November, 2013 at Sundarayya Vignan Kendra, Baghlingampally

“To meet and part is the way of life, but to part and meet again is the hope in life.”

The first alumni meet was hosted by the management and the motto is to form an alumni association. The purpose of the association is to promote, influence and support fellowship among former students, faculty and staff of Aurora's Degree and PG College for its development.

We announced the event 2 months before and posted the details on Aurora Website as well as the faculty members were asked to share the event on their social networks so that students who are in their respective circles will get the information. All the alumni were requested to confirm their participation through a mail. But unfortunately we did not receive much response and had to make random calls to alumni to confirm and inform to their friends. Like this we got nearly 300 registrations and many people confirmed that they will come on the day with their friends. Hence expected a crowd of 400, but the turn-out was 250.

It was a mixed group of new and old alumni. We did not get many alumni from 1995 and old batches. Majority of them were from the recent passed out batches. However those who came felt very happy and they enjoyed the session.

The session was scheduled as below with cultural programs from alumni as well as current students, followed by refreshments.

1. Invocation – lighting of lamp, prayer song
2. Tribute to Former Principal Dr. Ravi Paturi
3. Addressing by Principal
4. Screening of the movie – reliving moments
5. Proposal on Alumni Association
6. Cultural Programs
 - a. Dance by alumni Vasumati, Ravi and Srinivas
 - b. Songs by the college rock band
 - c. Vocal music – Beat Boxing
 - d. Informal interaction with the alumni – sharing of experiences
7. Vote of Thanks

The pamphlets containing the proposal on alumni association was distributed to every alumnus. The people interested to take up office positions were asked to fill in their detailed profile so as to form the alumni association with various representatives (President, Vice-President, Secretary, Treasurer, and Communication Officer). We received 27 forms back and out of which not more than 10 looks worth considering.
